INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Newtek Business Services Corp. (the “Company”) for the Annual Meeting of Shareholders (the “Annual Meeting”) to be held at 2711 South Ocean Drive, Hollywood, FL 33019 on June 14, 2018 at 9:00 a.m., local time. The accompanying Notice of Annual Meeting and this Proxy Statement, together with the enclosed Proxy Card, are first being mailed to shareholders on or about May 15, 2018.

How Do You Exercise Your Rights to Vote on the Proposals?

You may vote using any of the following methods:

By Mail — Shareholders of record may submit proxies by completing, signing and dating each Proxy Card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy. If you return your signed proxy but do not indicate your voting preferences, your shares will be voted on your behalf “FOR” the election of the nominees for directors, “FOR” the ratification of RSM US LLP as the Company’s independent registered public accounting firm for 2018, and “FOR” approval of the advisory vote on the compensation of the named executive officers. Shareholders who hold shares beneficially in street name may provide voting instructions by mail by completing, signing and dating the voting instruction forms provided by their brokers, banks or other nominees.

By Telephone — Shareholders of record may submit proxies by following the telephone voting instructions on each Proxy Card. Most shareholders who hold shares beneficially in street name may provide voting instructions by telephone by calling the number specified on the voting instruction form provided by their brokers, banks or nominees. Please check the voting instruction form for telephone voting availability. Please be aware that if you submit voting instructions by telephone, you may incur costs such as telephone access charges for which you will be responsible. The telephone voting facilities will close at 11:59 p.m., Eastern Daylight Savings Time, the day before the meeting date.

By Internet — Shareholders of record with internet access may submit proxies by following the internet voting instructions on their Proxy Cards. Most shareholders who hold shares beneficially in street name may provide voting instructions by accessing the website specified on the voting instruction form provided by their brokers, banks or nominees.

Please check the voting instruction form for internet voting availability. Please be aware that if you vote over the internet, you may incur costs such as internet access charges for which you will be responsible. The internet voting facilities will close at 11:59 p.m., Eastern Daylight Time, the day before the meeting date.

In Person at the Annual Meeting — Shares held in your name as the shareholder of record may be voted at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. *Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or the internet so that your vote will be counted if you later decide not to attend the meeting.*

Shareholders who execute the enclosed Proxy Card retain the right to revoke such proxies at any time prior to voting. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked at any time prior to exercise by written notice to the Secretary of the Company or by the filing of a properly executed, later-dated proxy. A proxy will not be voted if a shareholder attends the Annual Meeting and votes in person. The presence of a shareholder at the Annual Meeting alone will not revoke such shareholder's proxy. Shareholders have no dissenters' or appraisal rights in connection with any of the proposals described herein.

What is the Vote Required for Each Proposal?

Proposal	Vote Required	Broker Discretionary Voting Allowed?	Effect of Abstentions and Broker Non-Votes
Proposal I — Election of Directors	Affirmative vote of a plurality of all votes cast at the Annual Meeting	No	Broker non-votes are not counted as votes cast for purposes of the election of directors and, therefore, will have no effect on the outcome of such election. A proxy marked "withhold" with respect to a director nominee will result in such director nominee receiving one fewer "FOR" vote that would count towards a plurality.
Proposal II — Ratification of Appointment of Independent Auditors	Affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy	Yes	Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote
Proposal III — Advisory Vote on Compensation of Named Executive Officers	Affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy	No	Abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote

VOTING AND REVOCATION OF PROXIES

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the direction given therein. If any other matters are properly brought before the Annual Meeting as to which proxies confer discretionary authority, the persons named in the proxy will vote the shares represented thereby on such matters as determined by a majority of the Board of Directors. The proxies solicited by the Board of Directors confer discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, with respect to matters incident to the conduct of the Annual Meeting and with respect to any other matter presented at the Annual Meeting if notice of such matter has not been delivered to the Company within a reasonable time before the date of this Proxy Statement. Proxies marked as abstentions will not be counted as votes cast. In addition, shares held in street name that have been designated by brokers on Proxy Cards as not voted ("broker non-votes") will not be counted as votes cast, however brokers are allowed discretionary votes with respect to the proposal relating to the ratification of the Company's independent registered accounting firm. Proxies marked as abstentions or as broker non-votes will be treated as shares present for purposes of determining whether a quorum is present.

VOTING SECURITIES

The securities which can be voted at the Annual Meeting consist of the Company's common shares, \$0.02 par value per share ("Common Shares"). Shareholders of record as of the close of business on April 30, 2018 (the "Record Date") are entitled to one vote for each Common Share then held on all matters. As of the Record Date, approximately 18,561,059 Common Shares were issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of Common Shares outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting.

Persons and groups owning in excess of 5% of Company's Common Shares are required to file certain reports regarding such ownership with the Securities and Exchange Commission ("SEC") pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act").

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of April 20, 2018, the beneficial ownership of each current director, the nominees for director, the Company's executive officers, each person known to us to beneficially own 5% or more of the outstanding Common Shares, and the executive officers and directors as a group. If applicable and available, ownership information for those persons who beneficially own 5% or more of our Common Shares is based upon filings by such persons with the SEC and other information obtained from such persons.

Unless otherwise indicated, the Company believes that each beneficial owner set forth in the table has sole voting and investment power and has the same address as the Company. The Company's directors are divided into two groups — interested directors and independent directors. PROPOSAL I — ELECTION OF DIRECTORS

Our Board of Directors currently consists of five directors serving in three classes. Each director holds office for the term to which he or she is elected and until his or her successor is duly elected and qualified. Barry Sloane and Peter Downs serve in Class I, with terms expiring at the Annual Meeting; Gregory Zink serves in Class II, with a term expiring at the 2019 annual meeting; and Richard Salute and Salvatore Mulia serve in Class III, with terms expiring at the 2020 annual meeting.

Messrs. Sloane and Downs have been nominated for re-election, each for a term expiring in 2021. Messrs. Sloane and Downs are not being nominated as directors for election pursuant to any agreements or understandings between such persons and the Company. Messrs. Sloane and Downs have indicated their willingness to continue to serve if elected and have consented to be named as nominees. Messrs. Sloane and Downs are “interested directors” of the Company, as such term is defined under the 1940 Act.

A shareholder can vote for or withhold his or her vote for the nominees. **In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of the nominees named in this Proxy Statement. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of the person nominated by our Board of Directors as a replacement.** Our Board of Directors has no reason to believe that the nominee will be unable or unwilling to serve.

Required Vote

Director nominees shall be elected by a plurality of all the votes cast at the Annual Meeting, in person or by proxy, if a quorum is present. Shareholders may not cumulate their votes. If you vote “withhold authority” with respect to a nominee, your shares will not be voted with respect to the person indicated. Because directors are elected by a plurality of the votes, an abstention will have no effect on the outcome of the vote and, therefore, is not offered as a voting option for this proposal. Common Shares represented by broker non-votes are not considered votes cast, and thus have no effect on this proposal.

Information about the Directors and Executive Officers

Set forth below is information, as of April 30, 2018, regarding Messrs. Sloane and Downs, who are being nominated for election as directors of the Company at the Annual Meeting, as well as information about our other current directors whose terms of office will continue after the Annual Meeting. Included below is specific information about each director’s experience, qualifications, attributes or skills that led the Board of Directors to the conclusion that the individual is qualified to serve on our Board, in light of our business and structure.

The Compensation, Corporate Governance and Nominating Committee evaluates the compensation and benefits of the directors, officers and employees, recommends changes, and monitors and evaluates employee performance. The Compensation, Corporate Governance and Nominating Committee is generally responsible for identifying corporate governance issues, creating corporate governance policies, identifying and recommending potential candidates for election to the Board of Directors and reviewing executive and director compensation and performance.

The Compensation, Corporate Governance and Nominating Committee seeks candidates who possess the background, skills, and expertise to make a significant contribution to the Board of Directors, the Company, and its shareholders. In considering possible candidates for election as a director, the Compensation, Corporate Governance and Nominating Committee will take into account, in addition to such other factors as it deems relevant, the desirability of selecting candidates who:

- Are of the highest character and integrity;
- Are free of any conflict of interest;
- Are willing and able to devote sufficient time to the affairs of the Company; and
- Have the capacity and desire to represent the best interests of the shareholders.

The Compensation, Corporate Governance and Nominating Committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the Compensation, Corporate Governance and Nominating Committee considers and discusses diversity, among other factors, with a view toward the needs of the Board of Directors as a whole. The Compensation, Corporate Governance and Nominating Committee generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the Board of Directors, when identifying and recommending director nominees. The Compensation, Corporate Governance and Nominating Committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the Compensation, Corporate Governance and Nominating Committee's goal of creating a Board of Directors that best serves the needs of the Company and the interest of its shareholders.

Director Independence and Executive Sessions

Nasdaq listing standards and Section 2(a)(19) of the 1940 Act require that a majority of the Board of Directors and every member of our Audit Committee and Compensation, Corporate Governance and Nominating Committee are "independent." Our Board of Directors reviews the independence of its members annually.

The Board of Directors has determined that Messrs. Mulia, Zink and Salute qualify as "independent" as defined by applicable Nasdaq and SEC rules. In making this determination, the Board of Directors has concluded that none of these members has a relationship which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

It is the policy of the Board of Directors to hold executive sessions of the independent directors meeting without management at the conclusion of regularly scheduled meetings and as requested by a director. Mr. Salute presides over these meetings of the independent directors.

Leadership Structure

The Company currently combines the role of Chairman of the Board of Directors with the role of Chief Executive Officer. Our Board of Directors believes this provides an efficient and effective leadership model for our Company. Combining the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making, and alignment on corporate strategy. Mr. Sloane has served as Chairman and Chief Executive Officer of the Company since 1999 and as President since 2008. As the Company's President and Chief Executive Officer, Mr. Sloane is an "interested person" under Section 2(a)(19) of the 1940 Act. The Board of Directors continues to believe that our leadership structure is appropriate since Mr. Sloane has over 25 years of experience in our industry or related businesses, and under his leadership our management team has executed a strategy that has significantly improved our earnings growth, cash flow stability and competitiveness. No single leadership model is right for all companies at all times. Our Board of Directors recognizes that depending on the circumstances, other leadership models might be appropriate. Accordingly, our Board of Directors periodically reviews its leadership structure.

Moreover, our Board of Directors believes that its governance practices provide adequate safeguards against any potential risks that might be associated with having a combined Chairman and Chief Executive Officer. Specifically:

- three of our five current directors are independent directors;
- all of the members of our Audit Committee and Compensation, Corporate Governance and Nominating Committee are independent directors;
- our Board of Directors and its committees regularly conduct scheduled, and as needed, meetings in executive session, out of the presence of Messrs. Sloane and Downs and other members of management;
- our Board of Directors and its committees regularly conduct meetings which specifically include Messrs. Sloane and Downs;

- our Board of Directors and its committees remain in close contact with, and receive reports on various aspects of the Company's management and enterprise risk directly from our senior management and independent auditors; and
- our Board of Directors and its committees interact with employees of the Company outside the ranks of senior management.

The Company has not appointed a lead independent director.

Board of Directors Risk Oversight

While management is responsible for identifying, assessing and managing risk, our Board of Directors, at both the full board and committee levels, is responsible for risk oversight with a focus on the most significant risks facing the Company. The Board of Directors' risk oversight includes, but is not limited to, the following risks:

- strategic;
- operational;
- compliance; and
- reputational.

During each year, management and the Board of Directors jointly review major risks that the Company prioritizes in the following year. In 2017, the Board of Directors focused on the following areas of risk:

- determining Newtek's long-term growth;
- strategic and operational planning, including acquisitions and the evaluation of the Company's capital structure and long term debt financing;
- overseeing, reviewing and approving management's estimates of fair value of the Company's investment portfolio; and
- legal and regulatory compliance.

The Board of Directors has delegated responsibility for the oversight of specific risks to Board of Directors committees. The Audit Committee oversees risks associated with:

- the Company's financial statements and financial reporting;
- internal controls over financial reporting; and
- credit and liquidity.

The Compensation, Governance and Nominating Committee considers the risks associated with:

- compensation policies and practices;
- management resources, structure, succession planning and management development;
- overall governance practices and the structure and leadership of the Board of Directors; and
- related person transactions and the code of conduct for all employees, officers and directors.

The Board of Directors is kept informed of each committee's risk oversight and any other activities deemed to engender risk via periodic reports from management and the committee chairs. Our Board of Directors recognizes the importance of risk oversight, and its role is consistent with the Board of Directors' leadership structure, the Chief Executive Officer and the senior management of the Company. Our senior management is responsible for assessing and managing risk exposure and the Board of Directors, and committees of the Board of Directors provide the oversight consistent with those efforts.

Director Nominations

In considering whether to recommend any particular candidate for inclusion in the Board of Directors' slate of recommended director nominees, the Compensation, Corporate Governance and Nominating Committee applies the criteria set forth in the Governance Guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interest of all shareholders. The committee does not assign specific weights to particular criteria, and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow the Board of Directors to fulfill its responsibilities.

Shareholders may recommend individuals to the Compensation, Corporate Governance and Nominating Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials. The recommendation should be sent to the Compensation, Corporate Governance and Nominating Committee, c/o Michael A. Schwartz, Secretary, Newtek Business Services Corp., 1981 Marcus Avenue, Suite 130, Lake Success, New York 11042. Assuming that appropriate biographical and background material has been provided on a timely basis, the Committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates recommended by our Board of Directors or others. If the Board of Directors determines to nominate a shareholder-recommended candidate and recommends his or her election, then his or her name will be included in the proposal for election for the next annual meeting.

Shareholders also have the right under our Bylaws to nominate director candidates, without any action or recommendation on the part of the Compensation, Corporate Governance and Nominating Committee or the Board of Directors, by following the procedures set forth under "Shareholder Proposals" in our Proxy Statement. Candidates nominated by shareholders in accordance with the procedures set forth in our Bylaws may be included in our Proxy Statement and solicitation for the next annual meeting.

Code of Ethics

We have adopted and will maintain a Code of Ethics that establishes procedures for personal investments and restricts certain personal securities transactions. Personnel subject to the Code of Ethics may invest in securities for their personal investment accounts, including securities that may be purchased or held by us, so long as such investments are made in accordance with the Code's requirements. Our Code of Ethics generally will not permit investments by our employees in securities that may be purchased or held by us. We may be prohibited under the 1940 Act from conducting certain transactions with our affiliates without the prior approval of our directors who are not interested persons and, in some cases, the prior approval of the SEC. Our current Code of Ethics is posted on the Investor Relations section of our website at www.newtekone.com.

Certain Relationships and Related Party Transactions

We have written procedures in place for the review, approval and monitoring of transactions involving the Company and certain persons related to the Company. As a business development company ("BDC"), the Company is prohibited under the 1940 Act from participating in certain transactions with certain of its affiliates without meeting certain requirements, such as the prior approval of the independent directors and, in some cases, the SEC. The affiliates with which the Company may be prohibited from transacting include its officers, directors and employees and any person who owns 5% or more of our outstanding voting securities or controlling or under common control with the Company.

The Board of Directors reviews all potential related party transactions on an ongoing basis, and all such transactions must be approved by the Board of Directors. The Board of Directors reviews such transactions on a case-by-case basis. In addition, the Compensation, Corporate Governance and Nominating Committee or the Board of Directors reviews and approves all compensation-related policies involving our directors and executive officers. The Board of Directors may approve or ratify a related party

transaction only if it determines that, under all of the circumstances, the transaction is in, or is not inconsistent with, our best interests. The Board of Directors may impose any conditions on the related person transaction that it deems appropriate.

Adam Eddelson, husband to Jennifer Eddelson, the Company's Chief Accounting Officer, served as the controller of certain of the Company's controlled portfolio companies during 2017 and through March 30, 2018, and was paid an annual salary in excess of \$120,000.

Mr. Sloane's brother Warren Sloane and nephew Kyle Sloane are employed by certain of the Company's controlled portfolio companies. Warren Sloane and Kyle Sloane earned in excess of \$120,000 for the year ended December 31, 2017.

Mr. Sloane is a director with AK Capital LLC, a securities brokerage company. In August 2016, the Company entered into an agreement with AK Capital pursuant to which AK Capital provides consulting and advisory services to the Company in connection with the sale and/or securitization of participations in SBA guaranteed and unguaranteed SBA 7(a) loans (the "AK Capital Agreement"). The AK Capital Agreement provides for the payment of an annual fee of \$10,000, to be paid monthly over the one year period of the agreement. During the year ended December 31, 2017, the Company incurred \$10,000 in fees from AK Capital pursuant to the AK Capital Agreement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of a registered class of our equity securities, to file with the SEC and the Nasdaq initial reports of ownership and reports of changes in ownership of Common Shares of the Company. Officers, directors and greater than 10% shareholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on Forms 3 and 4, and amendments to such forms provided to the Company by its directors and executive officers and greater than 10% shareholders during 2017, all such required reports were timely filed, with the exception of Form 4s related to each of Messrs. Sloane's, Downs's, Raven's, Schwartz's, and Ms. Eddelson's disposition of Common Shares to the Company to satisfy certain tax withholding requirements related to the vesting of restricted Common Shares under the Company's Amended and Restated 2014 Stock Incentive Plan. Those dispositions were disclosed in Forms 5 filed in January 2018.

Director Compensation

The Board of Directors has adopted a plan for compensation of non-employee directors which gives effect to the time and effort required of each of them in the performance of their duties. For 2017, the Board of Directors provided for the payment of annual compensation in the amount of \$125,000 for each non-employee director, with no additional fees for committee membership or chairmanship.

Directors do not receive any perquisites or other personal benefits from the Company.

Chief Executive Officer Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and applicable SEC rules, we are providing the following information about the relationship of the annual total compensation of our employees and the annual total compensation of our Chief Executive Officer and President, Barry Sloane.

For fiscal year 2017, the median of the annual total compensation of all of our employees (other than Mr. Sloane, our Chief Executive Officer) was \$80,000, and the annual total compensation of our Chief Executive Officer, as reported in the Summary Compensation Table, was \$1,200,000. Based on this information, our Chief Executive Officer's 2017 annual total compensation was approximately 15 times that of the median of the 2017 annual total compensation of all of our employees.

We selected December 31, 2017 as the date used to identify our "median employee" whose annual total compensation was the median of the annual total compensation of all our employees (other than our Chief Executive Officer) for 2017. As of December 31, 2017, our employee population consisted of 156 individuals, who are located in our Lake Success, New York, Irvine, California, Boca Raton, Florida, and Orlando, Florida offices. To identify our median employee, we compared the annual total compensation for each of our employees, as determined in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, which included salary and bonus. In making this determination, we annualized the compensation of 43 employees who were hired in 2017 but did not work for us the entire fiscal year.

Compensation Discussion and Analysis

Introduction

The following CD&A includes our compensation philosophy, a description of our compensation program and the program's objectives, the elements of compensation used to pay our executives and the compensation-related decisions made with respect to our NEOs as set forth below.

Compensation Philosophy and Objectives

Our compensation programs are designed to attract and retain key employees and to motivate them to achieve, and reward them for achieving, superior performance. Different programs are geared to shorter- and longer-term performance, with the goal of increasing shareholder value over the long-term. Because we believe the performance of every employee is important to our success, we are mindful of the effect of executive compensation and incentive programs on all of our employees.

We believe that the compensation of our executives should reflect their success as a management team, rather than just as individuals, in attaining key operating objectives, such as growth of investment income, growth of net asset value and growth or maintenance of dividends and long-term competitive advantage, and ultimately, in attaining an increased market price for our Common Shares. We believe that the performance of our executives in managing our Company, considered in light of general economic and specific company, industry and competitive conditions, should be the basis for determining their overall compensation. We also believe that their compensation should not be based on the short-term performance of our Common Shares, whether favorable or unfavorable, but rather that the price of our Common Shares, in the long-term, reflect our operating performance and, ultimately, the management of the Company by our executives. We seek to have the long-term performance of our Common Shares reflected in executive compensation through our equity incentive programs, including stock options and restricted stock awards.

Role of Executive Officers in Compensation Decisions

The Committee supervises the design and implementation of compensation policies for all executive officers (which include the NEOs) and overall incentive equity awards to all employees of the Company. Decisions regarding the non-equity compensation of executive officers, other than NEOs, are made by the Chief Executive Officer within the compensation philosophy set by the Committee. Decisions regarding the non-equity compensation of NEOs are made by the Chief Executive Officer and the Committee for consistency with the Company's compensation policies.

The Chief Executive Officer semi-annually reviews the performance of each member of the senior executive team, including NEOs (other than himself whose performance is reviewed by the Committee). The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual award amounts, are then presented to the Committee by the Chief Executive Officer. The Committee will review and approve the recommendations for consistency with the Company's compensation policies.

Setting Executive Compensation

During the course of each fiscal year, it has been the practice of the Chief Executive Officer to review the history of all the elements of each executive officer's total compensation and the Chief Executive Officer may also compare the compensation of the executive officers with that of the executive officers in an appropriate market comparison group of companies with a capitalization similar to that of the Company. We seek to set compensation levels that are perceived as fair, internally and externally, and competitive with overall compensation levels at other companies in our industry, including larger companies from which we may want to recruit employees. However, the Company does not establish individual objectives in the range

of comparative data for each individual or for each element of compensation. Typically, the Chief Executive Officer sets compensation with respect to the executive officers who report to him and presents it to the Committee for conformity with the Company's overall compensation policies. The NEOs are not present at the time of these deliberations. The Committee then performs a similar review of the Chief Executive Officer's total compensation and makes compensation decisions with respect to such officer, who does not participate in that determination.

We choose to pay each element of compensation in order to attract and retain the necessary executive talent, reward annual performance and provide incentive for balanced focus. The amount of each element of compensation is determined by or under the direction of our Committee, which uses the following factors to determine the amount of salary and other benefits to pay each NEO:

- achievement of income to sustain and grow the Company's dividend payments;
- attainment of risk-adjusted returns on the Company's investment portfolio;
- performance against competitors for the year;
- difficulty in achieving desired results in the coming year;
- value of their unique skills and capabilities to support long-term performance;
- contribution and growth as a member of the executive management team;
- professional development and growth of individual executives, the management team and other employees; and
- managerial assistance provided to our controlled portfolio companies, including contributions to growth of sales, growth of operating earnings and earnings per share.

We do not establish individual goals but focus on the overall profitable growth of our business.

Based on the foregoing objectives, we have structured the Company's annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company.

There is no pre-established policy or target for the allocation between either cash or non-cash compensation. Historically we have granted a majority of total compensation to executive officers in the form of cash compensation.

For the year ended December 31, 2017, the principal components of compensation for named executive officers were:

- base salary;
- performance-based incentive compensation based on the Company's and the executive's performance; and
- retirement and other benefits made available to all employees.

Base Salary

The Company provides NEOs and other employees with base salary to compensate them for services rendered during the fiscal year. Executive base salaries continue to reflect our operating philosophy, our performance driven corporate culture and business direction, with each salary determined by the skills, experience and performance level of the individual executive, and the needs and resources of the Company. Base salaries are generally targeted to market levels and base salary ranges for NEOs are determined for each executive based on his or her position and responsibility by using market data from peer companies and published salary surveys, and the Company generally attempts to fix each NEO's salary within the range. We believe that the Company's most direct competitors for executive talent are not necessarily restricted to those companies that are included in the peer company index used to compare shareholder returns, but encompass a broader group of companies engaged in the recruitment and retention of executive talent in competition with the Company.

During the review of base salaries for senior level executives, including the NEOs, we primarily consider:

- an internal review of each executive's compensation both individually and relative to other executive officers;
- individual performance of the executive; and
- a review of the Company's dividend growth and adjusted net investment income relative to the Company's annual plan as established by the Board of Directors.

Salary levels typically are considered annually as part of the Company's performance review process as well as upon a promotion or other change in job responsibility. Merit based increases to salaries are based on the Chief Executive Officer's assessment of the individual's performance. Merit based increases to the salaries of NEOs other than the Chief Executive Officer are recommended by the Chief Executive Officer and confirmed by the Committee and those for the Chief Executive officer are determined by the Committee.

Annual Bonus

Annual bonuses may be awarded to executive officers along with the Company's non-executive employees under the Company's cash bonus plan. The Company creates a bonus pool based on an annually determined percentage of the salaries of all employees which it accrues as an expense. Payments under the plan are based on the Company's overall performance as determined by the Chief Executive Officer and the Committee. The Committee determines any bonus for the Chief Executive Officer based on, among other things, a review of the Company's investment income, net asset value and dividend payments relative to the Company's annual plans as established by the Board of Directors. The Chief Executive Officer in consultation with the Committee with respect to the NEOs, or in consultation with the NEOs and other senior level officers with respect to lower level employees, determines annual bonuses for other employees based on such employee's performance. Factors considered include the achievement of business plans, defined goals and performance relative to other companies of a similar size and business strategy. The mix and weighting of the factors vary, depending on the business segment and the executive's responsibilities. The level of achievement and overall contribution by the executive determines the level of bonus.

Equity-Based Compensation

The Company must compete for leadership with commercial banks, investment banks, and other publicly traded companies not regulated as investment companies, which are generally able to award many different types of stock-based compensation to their directors, (including their non-employee directors,) officers, and employees. Moreover, the Company also must compete for leadership with private equity funds, which generally have the discretion to offer a portion of their various carried interests to induce professional talent to associate with their funds without being required to obtain SEC approval each time. On September 12, 2014, the Board of Directors voted to establish the Newtek Business Services Corp. 2014 Stock Incentive Plan (the "2014 Plan"). The 2014 Plan was approved by shareholders of the Company on October 22, 2014. The 2014 Plan provided for the grant of options to purchase Common Shares, the terms of which will be determined by the Compensation, Corporate Governance and Nominating Committee and set forth in an award agreement between the Company and the executive or employee. The Company has not issued options under the 2014 Plan.

On April 27, 2015, the Compensation, Corporate Governance and Nominating Committee and the Board of Directors approved the Amended and Restated 2014 Stock Incentive Plan (the "2015 Stock Plan"), subject to exemptive relief from the SEC and shareholder approval, in order to have increased flexibility to use restricted Common Shares, in addition to stock options, to assist the Company in achieving its objectives with respect to long-term equity incentive compensation. On May 10, 2016, we received an exemptive order from the SEC permitting us to award restricted Common Shares to our employees, officers, and non-employee directors, and on July 27, 2016, our shareholders approved the 2015 Stock Plan.

The 2015 Stock Plan permits us to issue awards of stock options and restricted Common Shares in an aggregate amount of up to 20% of our issued and outstanding Common Shares (the “Plan Maximum Shares”) as of the effective date of the plan. Under the 2015 Stock Plan, all of the Plan Maximum Shares are available for grants of stock options, and half of the Plan Maximum Shares (up to 10% of our issued and outstanding Common Shares as of the effective date of the 2015 Stock Plan) is available for grants of restricted Common Shares. The Compensation, Corporate Governance and Nominating Committee believes that restricted Common Shares is the best method of encouraging stock ownership in the Company by eligible participants by giving them a proprietary interest in the Company’s performance, which more closely aligns compensation with the Company’s performance and provides a means to attract and retain persons of outstanding ability in key positions with the Company. If in the future we successfully grow our assets under management and our net asset value, we may choose to increase the number of employees of the Company. The Compensation, Corporate Governance and Nominating Committee may or may not choose to consider the use of stock options for incentive compensation of these employees.

The Company’s Board of Directors and its Compensation, Corporate Governance and Nominating Committee, which consists entirely of directors who are not employees of the Company, believe that in light of the Company’s plan for growth, stock-based incentive compensation, particularly the award of restricted Common Shares, advances the interests of the Company by providing substantial motivation for superior performance and more fully aligning the interests of officers and directors with the interests of our shareholders.

Benefits and Perquisites

Our NEOs are generally not entitled to benefits that are not available to all of our employees. In this regard, it should be noted that we do not provide pension arrangements, post-retirement health coverage or similar benefits for our executives or employees. The Committee periodically reviews the levels of benefits provided to executive officers. The NEOs participate in the Company’s 401(k) savings plan and other benefit plans on the same basis as other similarly situated employees. The Company has adopted a match for the Company’s 401(k) savings plan which consists of a discretionary match of 50% of the first 2% of employee contributions up to a maximum of 1% of the employee’s compensation (subject to the Internal Revenue Code annual limitation). For 2017, a match of approximately \$121,533 in cash was approved and will be paid in May 2018.

Compensation of the Chief Executive Officer

The Committee’s decisions regarding compensation of Mr. Sloane are guided by the same policies and considerations that govern compensation of the Company’s other NEOs. While recognizing the Chief Executive Officer’s leadership in building a highly talented management team and in driving the Company forward, Mr. Sloane’s base salary was increased to \$600,000 in March 2016 and remained at \$600,000 for 2017. Mr. Sloane earned a \$600,000 bonus for 2017 that was paid in 2018 and a \$500,000 bonus earned in 2016 that was paid in 2017.

Mr. Sloane did not receive an award of restricted Common Shares in 2017 and received an award of 26,400 restricted Common Shares in August 2016 with a twelve month vesting period. The Committee has determined that this salary and bonus package is competitive with the labor market median for someone with Mr. Sloane’s skills and talents and is reflective of the Company’s current cash and financial position and the status of the Company’s Common Shares.

Compensation of the Other NEOs

The Committee approved the 2017 compensation for Jennifer Eddelson, Peter Downs, Michael Schwartz, Nilesh Joshi and John Raven, as recommended to it by the Chief Executive Officer.

2017 NEOs

Ms. Eddelson’s base salary was \$300,000 in 2017 and \$275,000 in 2016. Ms. Eddelson received a \$150,000 cash bonus in 2017 (paid in 2018) and a \$125,000 cash bonus in 2016 (paid in 2017). Ms. Eddelson did not receive an award of restricted Common Shares in 2017 and received an award of 6,600 restricted Common Shares in August 2016 with a twelve month vesting period.

Elements of Executive Compensation and 2017 Compensation Determinations

Base Salary. We believe that base salaries are a fundamental element of our compensation program. The Committee establishes base salaries for each NEO to reflect (i) the scope of the NEO's industry experience, knowledge and qualifications, (ii) the NEO's position and responsibilities and contributions to our business growth and (iii) salary levels and pay practices of those companies with whom we compete for executive talent.

The Committee considers base salary levels at least annually as part of its review of the performance of NEOs and from time to time upon a promotion or other change in job responsibilities. During its review of base salaries for our executives, the Committee primarily considers: individual performance of the executive, including leadership and execution of strategic initiatives and the accomplishment of business results for the company; market data; the NEO's total compensation, both individually and relative to our other NEOs; and for NEOs other than the CEO, the base salary recommendations of our Chief Executive Officer.

The following table sets forth the 2017 and 2016 base salaries for our current NEOs.

2017 NEOs	2017 Base Salary	2016 Base Salary
Barry Sloane	\$600,000	\$600,000
Peter Downs	\$410,000	\$375,000
Jennifer Eddelson	\$300,000	\$275,000
Michael Schwartz	\$300,000	\$250,000
John Raven	\$215,000	\$215,000

Annual Bonus Awards. The Committee designs our annual cash bonuses to motivate our NEOs to achieve financial and non-financial objectives consistent with our operating plan. The Committee retains discretion in the sizing and awarding of cash bonuses for each NEO to ensure that individual bonus determinations appropriately balance the interests of the Company's shareholders, while rewarding an NEO's contributions to performance. In evaluating the performance of our NEOs to arrive at their 2017 cash bonus awards, the Committee considered the factors to determine the amount of salary and other benefits, as set forth above. The Committee also considered the following factors and aspects of the Company's 2017 operating performance in the determination of specific NEO bonus awards:

- Declaration of \$1.64 per share in cash dividends;
- Completion of an equity offering;

- The institution of an at-the-market equity program;
- Closing of the IPM investment;
- Closing of the Company's eight and largest small business loan securitization;
- Managerial assistance provided to our controlled portfolio companies, including contributions to growth of sales, growth of operating earnings and earnings per share; and
- Each NEO's specific performance achievements and contributions to the Company's 2017 financial performance.

When allocating bonus awards, the Committee also evaluated the total compensation paid to the NEOs and other employees. Based on the foregoing considerations and analysis, and after due deliberation, the Committee awarded the 2017 NEOs the following annual cash bonuses and award of restricted Common Shares pursuant to the 2015 Stock Plan with respect to 2017.

2017 NEOs	2017 Cash Bonus Award	As Percentage of 2017 Base Salary

Conclusion

The Committee believes that attracting and retaining talented and motivated management and employees is essential to creating long-term shareholder value. The Committee seeks to attract and retain management and employees by offering a competitive, performance-based compensation program which

the Committee believes aligns the interests of the executive officers and other key employees with those of shareholders. We believe that the Company's 2017 compensation program met those objectives.

Compensation Risk Assessment

Our Compensation, Corporate Governance and Nominating Committee aims to establish Company-wide compensation policies and practices that reward contributions to long-term shareholder value and do not promote unnecessary or excessive risk-taking. In furtherance of this objective, the Committee conducted an assessment of our compensation arrangements, including those for our named executive officers. The assessment process included, among other things, a review of our (1) compensation philosophy, (2) compensation mix and (3) cash and equity-based incentive plans.

In its review, among other factors, the Committee considered the following:

- Our investment model and our cash incentive plan encourage our employees to focus on creating a stable, predictable stream of investment income over multiple years, rather than focusing on current year revenue at the expense of succeeding years.
- The distribution of compensation among our core compensation elements has effectively balanced short-term performance and long-term performance.
- Our cash and equity-based incentive awards in conjunction with management efforts focus on both near-term and long-term goals.
- Our cash and equity-based incentive awards contain a range of performance levels and payouts, to discourage executives from taking risky actions to meet a single target with an all or nothing result of compensation or no compensation.

Our executives are encouraged to hold a meaningful number of Common Shares pursuant to our stock ownership policy. Based upon this assessment, our Compensation, Corporate Governance and Nominating Committee believes that our Company-wide compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on us.

2017 Advisory Vote on Executive Compensation; Continuing Shareholder Engagement

At our 2017 annual meeting of shareholders, our advisory vote on say-on-pay received strong support from our shareholders (approximately 94% of votes cast).

The Committee views as important the continuing dialogue with our shareholders on compensation and other governance matters. The results of the Company's 2017 advisory vote on say-on-pay represent positive support for the named executive officers' compensation, but we continue to review our compensation program such that it recognizes the business environment in which the Company operates, control costs, is transparent, and enables employees to make informed decisions. We anticipate continuing our shareholder engagement efforts following the 2018 annual meeting and in advance of our future annual meetings.

Compensation, Corporate Governance and Nominating Committee Interlocks and Insider Participation

All members of the Compensation, Corporate Governance and Nominating Committee are independent directors, and none of them are paid officers of ours or any of our subsidiaries. No member of the Compensation, Corporate Governance and Nominating Committee: (i) has had any relationship with us requiring disclosure under Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended; or (ii) is an executive officer of another entity, at which one of our executive officers serves on our Board of Directors.

2017 Compensation, Corporation Governance and Nominating Committee Report

The Compensation, Corporate Governance and Nominating Committee of the Company has reviewed and discussed the foregoing Compensation Discussion and Analysis for fiscal 2017 required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation, Corporate Governance and Nominating Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Equity Compensation Plans & Grants of Plan-Based Awards

On April 27, 2015, the Compensation, Corporate Governance and Nominating Committee and the Board of Directors approved the 2015 Stock Plan, subject to exemptive relief from the SEC and shareholder approval, in order to have increased flexibility to use restricted stock, in addition to stock options, to assist the Company in achieving its objectives with respect to long-term equity incentive compensation. On May 10, 2016, we received an exemptive order from the SEC permitting us to award shares of restricted stock to our employees, officers, and non-employee directors, and on July 27, 2016, our shareholders approved the 2015 Stock Plan.

Under the 2015 Stock Plan, a maximum of 20% of our total Common Shares issued and outstanding, calculated on a fully diluted basis, will be available for awards under the Amended Stock Plan as of the Annual Meeting date. Up to 10% of our total issued and outstanding Common Shares will be available for grants of restricted Common Shares. We expect to have approximately 18,561,000 Common Shares outstanding on the date of the Annual Meeting. Therefore, there would be 1.5 million Common Shares available for grant pursuant to the 2015 Stock Plan. None of those shares are currently subject to stock options. Under the 2015 Stock Plan, no more than 50% of the Common Shares reserved for the grant of the awards under the Amended Stock Plan (up to an aggregate of 3,000,000 shares) may be restricted stock awards at any time during the term of the 2015 Stock Plan. To date, the Compensation, Corporate Governance and Nominating Committee has awarded 219,507 restricted Common Shares to 30 employees. Therefore, approximately 1.3 million Common Shares would be available for additional grants of restricted Common Shares as of the Annual Meeting date.

No more than 25% of our Common Shares may be made subject to awards under the plan to any individual. In the event that the Compensation, Corporate Governance and Nominating Committee determines that any corporate event, such as a stock split, dividend or other distribution (including deemed dividends), reorganization, merger, consolidation, repurchase or share exchange, affects our Common Shares such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of plan participants, then the Corporate Governance and Nominating Committee will make those adjustments as it deems necessary or appropriate to any or all of (i) the number and kind of shares or other property that may thereafter be issued in connection with future awards, (ii) the number and kind of shares or other property that may be issued under outstanding awards, (iii) the exercise price or purchase price of any outstanding award and (iv) the performance goals applicable to outstanding awards.

The Company has no outstanding options under the 2015 Stock Plan.

The Company entered into separate employment agreements with the following NEOs during 2017 (each, an “Employment Agreement”):

- Barry Sloane, as Chairman, Chief Executive Officer and President;
- Jennifer Eddelson, as Executive Vice President and Chief Accounting Officer; and
- Michael Schwartz, as Chief Legal Officer, Chief Compliance Officer and Secretary.

Mr. Sloane’s, Ms. Eddelson’s and Mr. Schwartz’ employment agreements were renewed as of April 1, 2018 for terms through March 31, 2019, at annual base salaries of \$700,000, \$335,000 and \$335,000, respectively. Aside from base salaries, the other terms and provisions of the employment agreements remained substantially same, except that Ms. Eddelson’s and Mr. Schwartz’ 2018 employment agreements include non-renewal clauses and revised change of control provisions.

Generally, under the Employment Agreements, Messrs. Sloane, Schwartz and Ms. Eddelson were entitled to a set base compensation, cash bonuses pursuant to the Company’s Annual Cash Bonus Plan or by the action of the board of directors, and incentive compensation at the discretion of the Compensation, Corporate Governance and Nominating Committee. In addition, Messrs. Sloane and Schwartz and Ms. Eddelson are entitled to other benefits, such as participation in retirement and medical and other plans, executive benefits, and vacation and sick leave. The Employment Agreements also provide for severance payments in the case of termination without just cause, as defined therein, or of resignation with good reason, as defined therein. Under the Employment Agreements, during the term of their employment, Messrs. Schwartz and Sloane and Ms. Eddelson agree to devote substantially all of their business time to

the Company and to not engage in any business or activity contrary to the business or affairs of the Company. The Company agrees to indemnify Messrs. Schwartz and Sloane and Ms. Eddelson for any and all loss, expenses, or liability that he or she may incur as a result of his or her services for the Company to the extent permitted by the Company's Bylaws.

Mr. Sloane's Employment Agreement provided for:

- a twelve month term through March 31, 2018 at an annual base salary of \$600,000;
- at least one annual salary review by the Board of Directors;
- participation in any discretionary bonus plan established for senior executives;

Payments upon Change of Control, Non-renewal or Termination

Mr. Sloane's Employment Agreement provided for a payment in the event of non-renewal of his employment in an amount equal to one and one-half (1.5) times the sum of his annual base compensation plus any cash bonus or other incentive compensation paid in the immediately preceding fiscal year, or in the case of a change of control or termination other than for just cause, an amount equal to two (2) times the sum of the executive's annual base salary in effect at the time of termination, plus the amount of any incentive compensation paid with respect to the immediately preceding fiscal year. In addition, in the case of termination other than for just cause, all outstanding and unvested equity awards are to be accelerated in full.

Ms. Eddelson's and Mr. Schwartz' Employment Agreements provided for a payment (1) in the case of termination other than for just cause, equal to one times the sum of the executive's current annual base compensation plus any cash bonuses or other incentive compensation paid in the prior year, and (2) in connection with a change in control, equal to two (2) times the executive's "base amount" as defined in §280G(b)(3) of Internal Revenue Code of 1986. In addition, in the case of termination other than for cause, all outstanding and unvested equity awards are to be accelerated in full.

Each Employment Agreement contained a non-competition provision that requires the employee to devote substantially his full business time and efforts to the performance of the employee's duties under the agreement.

The employees are not prohibited, however, from serving on the boards of directors of, and holding offices or positions in, companies or organizations which, in the opinion of the Board of Directors, will not present conflicts of interest with the Company, or investing in any business dissimilar from the Company's or, solely as a passive or minority investor, in any business.

Under each of the Employment Agreements, the Company may terminate the employee's employment for "just cause" as defined in the agreement, and upon the termination, no severance benefits are available. If the employee voluntarily terminates his or her employment for "good reason" as defined in the agreement, the employee is entitled to the same payment as in the case of termination other than for cause. If the employee's employment terminates during the term of the agreement due to death, disability, or retirement after age 62, the employee shall receive only his or her compensation, vested rights, and executive benefits up to the date of executive's last day of employment. The employee is able to terminate voluntarily his or her agreement by providing 60 days written notice to the Board of Directors, in which case the employee is entitled to receive only his or her compensation, vested rights and benefits up to the date of termination.

Post Termination Payments

The table below reflects the amount of compensation that would have been payable to the executive officers under these arrangements if the hypothetical termination of employment events described above had occurred on December 31, 2017, given their compensation and service levels as of such date. All payments are payable by the Company in a lump sum unless otherwise noted.

These benefits are in addition to benefits available regardless of the occurrence of such an event, such as currently exercisable stock options, and benefits generally available to salaried employees, such as distributions under the Company's 401(k) plan, disability benefits, and accrued vacation pay. In addition, in connection with any termination of Mr. Sloane's employment, the Company may determine to enter into an agreement or to establish an arrangement providing additional benefits or amounts, or altering the terms of benefits described below, as the Compensation, Corporate Governance and Nominating Committee deems appropriate.

The actual amounts that would be paid upon Mr. Sloane's termination of employment can be determined only at the time of his separation from the Company.

Pension Benefits

The Company had no obligation under pension benefit plans to the Named Executive Officers as of December 31, 2017.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that, with

the exception of Mr. Sloane, compensation paid by the Company is generally fully deductible for federal income tax purposes. However, in certain situations, the Committee may, in the future, approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

Accounting for Stock-Based Compensation

Beginning on January 1, 2006, the Company began accounting for stock-based payments under its three incentive stock plans in accordance with the requirements of ASC Topic — 718.

THE BOARD BELIEVES THAT A VOTE FOR THE PROPOSAL TO ELECT TWO DIRECTORS OF THE COMPANY AS DESCRIBED ABOVE IS IN THE BEST INTEREST OF OUR SHAREHOLDERS AND RECOMMENDS A VOTE “FOR” SUCH PROPOSAL.

PROPOSAL II — RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors, and our non-interested directors, has reappointed RSM US LLP (“RSM”) as our independent accountants to audit our consolidated financial statements for the fiscal year ending December 31, 2018, and the Audit Committee has asked that this selection be ratified by our shareholders.

During the two most recent fiscal years, neither us nor any person on our behalf has consulted with RSM with respect to either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our consolidated financial statements or (ii) any matter that was either the subject of a “disagreement” or a “reportable event” as such terms are described in Items 304(a)(1)(iv) or 304(a)(1)(v), respectively, of Regulation S-K promulgated under the Exchange Act. RSM has advised us that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in us or our affiliates.

Representatives of RSM are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Required Vote

The ratification of the selection of RSM as our independent accountants for the fiscal year ending December 31, 2018 will require the affirmative vote of the holders of a majority of the outstanding Common Shares voted at the Annual Meeting, in person or represented by proxy. In determining whether the proposal has received the requisite number of affirmative votes, broker non-votes will be voted as instructed by the broker. In the event this Proposal is not approved, the Audit Committee will take such fact into account in selecting the Company’s independent accountants for the year ending December 31, 2018, but the Audit Committee is not bound by the outcome of the vote.

THE BOARD BELIEVES THAT A VOTE FOR THE PROPOSAL TO RATIFY THE SELECTION OF THE INDEPENDENT AUDITORS AS DESCRIBED ABOVE IS IN THE BEST INTERESTS OF OUR SHAREHOLDERS AND RECOMMENDS A VOTE “FOR” SUCH PROPOSAL.

REPORT OF THE AUDIT COMMITTEE

The Board of Directors, through its Audit Committee, and in accordance with its written Charter, reviews the audit function, internal controls and financial statements of the Company. The Committee consists solely of directors who are not Company employees and are considered “independent” under applicable rules of the SEC and Nasdaq. In 2017, the Audit Committee convened 4 times to discuss with management and the independent auditors their respective accounting, auditing and financial reporting responsibilities with respect to the fiscal years 2017 and 2016.

In connection with the December 31, 2017 financial statements of the Company, the Audit Committee reviewed and discussed the audited and interim unaudited financial statements with management, and received and discussed with the auditors the matters required by Auditing Standard No. 1301 of the Public Company Accounting Oversight Board’s (“PCAOB”) Rule 3526, *Communication with Audit Committees Concerning Independence*. In discharging these oversight responsibilities as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditor and the Company that might bear on the auditors’ independence and discussed with the auditors any relationships that may impact their objectivity and independence. Based upon these procedures and discussions with Company management, the Audit Committee considered whether it was necessary to exclude RSM from performing any work for the Company separate and apart from auditing the Company’s financial statements. After a thorough analysis, the Audit Committee concluded that at this time there was no conflict that would jeopardize auditor independence and that it is satisfied as to the auditors’ independence. The Audit Committee also discussed with management and the independent auditors the quality and adequacy of the Company’s internal controls.

The Audit Committee, with and without management present, discussed and reviewed the results of the independent auditors’ examination of the financial statements. The Audit Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2017, with management and the independent auditors. Based upon these reviews and the resulting discussions, the Audit Committee recommended to the Board of Directors that the Company’s audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2017, for filing with the Securities and Exchange Commission.

PROPOSAL III — ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

Pursuant to the SEC rules adopted under the Dodd-Frank Act, we are conducting a shareholder advisory vote on the compensation paid to our named executive officers. Although the vote is advisory and is not binding on the Board of Directors, the Company or the Compensation, Corporate Governance and Nominating Committee, the Compensation, Corporate Governance and Nominating Committee will take into account the outcome of the vote when considering future executive compensation decisions.

This proposal, commonly referred to as a “say-on-pay” proposal, gives shareholders the opportunity to express their views on the compensation of our named executive officers and the executive compensation philosophy, policies and programs described in this Proxy Statement. We ask that you support the compensation of our named executive officers as disclosed under the heading “Executive Compensation”, including the “Compensation Discussion and Analysis” section and the accompanying compensation tables and related narrative disclosure.

At our 2017 Annual Meeting, we provided our shareholders with the opportunity to cast an advisory vote on say-on-pay with respect to the NEO compensation disclosed in our proxy statement. Approximately ninety-four percent of the votes cast by our shareholders were in favor of our advisory vote on say-on-pay at the 2017 Annual Meeting.

As described in the Compensation Discussion and Analysis section of this Proxy Statement, we seek to provide a compensation package that attracts and retains executive talent and to motivate them to achieve, and reward them for achieving, superior performance. We believe that our compensation program strikes the appropriate balance between utilizing responsible, measured pay practices and effectively incentivizing our named executive officers to dedicate themselves fully to value creation for our shareholders.

You are encouraged to read the detailed information under “Executive Compensation” of this Proxy Statement for additional details about our executive compensation programs.

The Board of Directors strongly endorses the Company’s executive compensation program and recommends that shareholders vote in favor of the following resolution:

RESOLVED, that the shareholders of Newtek Business Services Corp. hereby approve on an advisory basis, the compensation paid to the Company’s Named Executive Officers, as disclosed pursuant to Item 402 of Regulation S-K to the Company’s Proxy Statement for the 2018 Annual Meeting of Shareholders, including the Compensation Discussion and Analysis compensation tables and narrative discussion.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE RESOLUTION RELATED TO COMPENSATION OF NAMED EXECUTIVE OFFICERS

Under SEC rules, if a shareholder does not notify the Company within a reasonable time before the date of this Proxy Statement of such shareholder's intent to present a proposal at the Annual Meeting, the persons named in the accompanying proxy may exercise such discretionary voting authority if the proposal is raised at the Annual Meeting, without any discussion of the matter in this Proxy Statement.
