ITEM 30. INDEMNIFICATION**Directors and Officers**

Reference is made to Section 2-418 of the Maryland General Corporation Law, Article VII of the Registrant’s charter and Article XI of the Registrant’s bylaws.

Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. The Registrant’s charter contains such a provision which eliminates directors’ and officers’ liability to the maximum extent permitted by Maryland law, subject to the requirements of the Investment Company Act of 1940, as amended (the “1940 Act”).

The Registrant's charter authorizes the Registrant, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to indemnify any present or former director or officer or any individual who, while serving as the Registrant's director or officer and at the Registrant's request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee, from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. The Registrant's bylaws obligate the Registrant, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to indemnify any present or former director or officer or any individual who, while serving as the Registrant's director or officer and at the Registrant's request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in that capacity from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse his or her reasonable expenses in advance of final disposition of a proceeding. The charter and bylaws also permit the Registrant to indemnify and advance expenses to any person who served a predecessor of the Registrant in any of the capacities described above and any of the Registrant's employees or agents or any employees or agents of the Registrant's predecessor. In accordance with the 1940 Act, the Registrant will not indemnify any person for any liability to which such person would be subject by reason of such person's willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office.

Maryland law requires a corporation (unless its charter provides otherwise, which the Registrant's charter does not) to indemnify a director or officer who has been successful in the defense of any proceeding to which he or she is made, or threatened to be made, a party by reason of his or her service in that capacity. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made, or threatened to be made, a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that a personal benefit was improperly received unless, in either case, a court orders indemnification, and then only for expenses. In addition, Maryland law permits a corporation to advance reasonable expenses to a director or officer in advance of final disposition of a proceeding upon the corporation's receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the standard of conduct was not met.

2.2 Procedure for Borrowing.

(a) Borrowing Request. Upon receipt of each such notice, the Administrative Agent shall promptly notify each Lender thereof. Each partial prepayment of the Loans pursuant to this subsection shall be in an amount equal to or in excess of the Minimum Prepayment Amount, or, if less, the outstanding principal balance of the Revolving Loans or Term Loans, as the case may be. After giving effect to any partial prepayment with respect to LIBOR Advances which were made (whether as the result of a borrowing, a conversion or a continuation) on the same date and which had the same Interest Period, the outstanding principal balance of such LIBOR Advances shall equal or exceed (subject to Section 3.3) the Minimum Prepayment Amount. Any voluntary prepayment of Revolving Loans shall not reduce the Aggregate Revolving Commitment. All voluntary prepayments of the aggregate outstanding principal amount of the Term Loans shall be applied in the order as directed by the Borrowers. October 3, 2022	\$ 1,312,500.00
January 2, 2023	\$ 1,312,500.00
April 3, 2023	\$ 1,312,500.00
July 3, 2023	\$ 1,312,500.00
Term Loan Maturity Date	\$ 16,625,000.00, or such lesser amount then outstanding

provided, however, that the aggregate unpaid principal amount of the Term Loans outstanding on the Term Loan Maturity Date, together with all accrued and unpaid interest thereon, shall be due and payable on the Term Loan Maturity Date.

(c) Mandatory Prepayments. In addition to any prepayment of the Loans that may be required as a result of an Event of Default, the Loans shall be subject to mandatory prepayment as follows:

(i) Dispositions. On the last day of the Reinvestment Period for any Disposition of Property of any Loan Party (other than the Elavon Asset Sale) which results in the receipt by such Loan Party of aggregate Net Sale Proceeds (including, for the avoidance of doubt, Net Sale Proceeds which result from the sale of Merchant Accounts or customer accounts of NMS) in excess of \$250,000, the Borrowers shall prepay the Loans in an amount equal to the Net Sale Proceeds of the sale of the Property sold *less* Net Sale Proceeds that are reinvested by such Loan Party in assets used in the ordinary course of business or Capital Expenditures during the Reinvestment Period. Such Net Sale Proceeds not reinvested on or before the last day of the Reinvestment Period shall first be applied to prepay the then aggregate outstanding principal amount of Term Loans in inverse order of maturity, and after payment in full of the Term Loans, then to prepay the then aggregate outstanding principal amount of Revolving Loans (without resulting in or causing a permanent reduction in the Aggregate Revolving Commitment). Nothing contained in this Section 2.4(c)(i) shall be deemed to permit any Disposition which is not otherwise permitted under this Agreement.

(ii) Casualty and Condemnation. On the last day of the Reinvestment Period in respect of any casualty or condemnation of Property of any Loan Party which results in the receipt by such Loan Party of aggregate Net Casualty/Condemnation Proceeds in excess of \$250,000, the Borrowers shall prepay the Loans in an amount equal to all Net Casualty/Condemnation Proceeds *less* Net Casualty/Condemnation Proceeds used by such Loan Party during the Reinvestment Period to replace or repair fixed assets in connection with the casualty or condemnation event giving rise to such Net Casualty/Condemnation Proceeds. Such Net Casualty/Condemnation Proceeds not reinvested on or before the last day of the Reinvestment Period shall first be applied to prepay the then aggregate outstanding principal amount of Term Loans in inverse order of maturity, and after payment in full of the Term Loans, then to prepay the then aggregate outstanding principal amount of Revolving Loans (without resulting in or causing a permanent reduction in the Aggregate Revolving Commitment).

(iii) Incurrence of Indebtedness and Issuance of Permitted Cure Securities. Within three (3) Business Days of receipt by any Loan Party of Net Issuance Proceeds (other than Net Issuance Proceeds from the incurrence of Indebtedness permitted under Section 8.1), the Borrowers shall prepay the Loans in an amount equal to such Net Issuance Proceeds. Such Net Issuance Proceeds shall first be applied to prepay the then aggregate outstanding principal amount of Term Loans in inverse order of maturity, and after payment in full of the Term Loans, then to prepay the then aggregate outstanding principal amount of Revolving Loans (without resulting in or causing a permanent reduction in the Aggregate Revolving Commitment). Upon receipt by a Borrower of a Cure Amount, the Borrowers shall promptly prepay the Loans in an amount equal to the Cure Amount. Such prepayment shall first be applied to prepay the then aggregate outstanding principal amount of Term Loans in inverse order of maturity, and after payment in full of the Term Loans, then to prepay the then aggregate outstanding principal amount of Revolving Loans (without resulting in or causing a permanent reduction in the Aggregate Revolving Commitment). Nothing contained in this Section 2.4(c)(iii) shall be deemed to permit any incurrence of Indebtedness which is not otherwise permitted under this Agreement.

(iv) Excess Revolving Exposure. If at any time (including, without limitation, after giving effect to any reduction or termination of the Revolving Commitments) the Revolving Exposure exceeds the Aggregate Revolving Commitment, then the Borrowers shall immediately repay the Revolving Loans in an amount sufficient to eliminate such excess.

(d) Other Mandatory Prepayments.

(i) Simultaneously with each reduction or termination of the Aggregate Revolving Commitment, the Borrowers shall prepay the Revolving Loans, by an amount equal to the excess, if any, of the Aggregate Revolving Exposure *minus* the Aggregate Revolving Commitment after giving effect to such reduction or termination.

(ii) Simultaneously with each reduction or termination of the Revolving Commitments and the Borrowers shall prepay the Revolving Loans by an amount equal to the lesser of (x) the aggregate outstanding principal balance of the Revolving Loans, or (y) the excess of the aggregate outstanding principal balance of the Revolving Loans over the Revolving Commitments as so reduced or terminated.

(e) In General. Simultaneously with each prepayment of a Loan, the Borrowers shall prepay all accrued interest on the amount prepaid through the date of prepayment.

(f) Payments from Account. The Borrowers authorize the Administrative Agent to make automatic deductions from a Deposit Account (the “*Account*”) to be established and maintained by the Borrowers with the Administrative Agent in order to pay all installment payments of interest, principal and Fees (a “*Payment*”) that the Borrowers are required or obligated to pay to the Administrative Agent under this Agreement or any Note. Without limiting any of the terms of the Loan Documents, the Borrowers acknowledge and agree that if the Borrowers default in their obligations to make a Payment because the collected funds in the Account are insufficient to make such Payment in full on the date that such Payment is due, then the Borrowers shall be responsible for all default interest, expenses and other consequences of such default by the Borrowers under the terms of the Loan Documents. Notwithstanding the foregoing, the Borrowers shall not be in default for failure to make a Payment, unless (i) the Administrative Agent provides written notice to the Borrowers at least one (1) Business Day prior to the date when due that it does not intend to debit the Account for such Payment or (ii) there are insufficient funds in the Account on the date such Payment is due.

2.5 Payments; Pro Rata Treatment and Sharing of Set-offs.

(a) Payments Generally. (i) Except as provided below, all payments, including prepayments, of principal and interest on the Loans, of the Commitment Fee and of all other amounts to be paid by the Borrowers under the Loan Documents (the Commitment Fee, together with all such other fees, being sometimes hereinafter collectively referred to as the “*Fees*”) shall be made to the Administrative Agent, prior to 1:00 p.m. Eastern time on the date such payment is due, for the account of the applicable Credit Parties at the Payment Office, in Dollars and in immediately available funds, without set-off, offset, recoupment or counterclaim. The failure of the Borrowers to make any such payment by such time shall not constitute a Default, provided that such payment is made on such due date, but any such payment made after 1:00 p.m. Eastern time on such due date shall be deemed to have been made on the next Business Day for the purpose of calculating interest on amounts outstanding on the Loans. As between the Borrowers and each Credit Party, any payment by the Borrowers to the Administrative Agent for the account of such Credit Party shall be deemed to be payment by the Borrowers to such Credit Party. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Notwithstanding the foregoing, all payments pursuant to Sections 3.5, 3.6, 3.7, and 11.4 shall be paid directly to the Credit Party entitled thereto. If any payment under the Loan Documents shall be due and payable on a day which is not a Business Day, the due date thereof (except as otherwise provided with respect to Interest Periods) shall be extended to the next Business Day and (except with respect to payments in respect of the Fees) interest shall be payable at the applicable rate specified herein during such extension, provided, however, that if such next Business Day would be after (A) with respect to Revolving Loans, the Revolving Maturity Date and (B) with respect to Term Loans, the Term Loan Maturity Date, such payment shall instead be due on the immediately preceding Business Day.

(ii) If at any time insufficient funds are received by and available to the Administrative Agent (including, without limitation, the proceeds of any asset disposition upon the exercise of remedies) to pay in full all amounts due and payable to the Administrative Agent and the Credit Parties under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Credit Parties in the order of priority set forth in Section 9.2(b).

(b) *Set-off.* In addition to any rights and remedies of the Credit Parties provided by law, upon and after the acceleration of all the obligations of the Borrowers under the Loan Documents to which it is a party, or at any time upon the occurrence and during the continuance of an Event of Default, each Credit Party shall, subject to the prior consent of the Administrative Agent, have the right, without prior notice to any Loan Party, any such notice being expressly waived by each Loan Party to the extent not prohibited by applicable Law, to set off and apply against any indebtedness, whether matured or unmatured, of such Loan Party to such Credit Party any amount owing from such Credit Party to such Loan Party, at, or at any time after, the happening of any of the above-mentioned events. To the extent not prohibited by applicable Law, the aforesaid right of set-off may be exercised by any Credit Party against such Loan Party or against any trustee in bankruptcy, custodian, debtor in possession, assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor of such Loan Party, or against anyone else claiming through or against such Loan Party, or such trustee in bankruptcy, custodian, debtor in possession, assignee for the benefit of creditors, receiver, or execution, judgment or attachment creditor, notwithstanding the fact that such right of set-off shall not have been exercised by such Credit Party prior to the making, filing or issuance, or service upon such Credit Party of, or of notice of, any such petition, assignment for the benefit of creditors, appointment or application for the appointment of a receiver, or issuance of execution, subpoena, order or warrant. Each Credit Party agrees promptly to notify the Administrative Borrower and the Administrative Agent after any such set-off and application made by such Credit Party, provided that the failure to give such notice shall not affect the validity of such set-off and application.

(c) Adjustments. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) in respect of the principal of or interest on its Loans, resulting in such Lender receiving payment of a greater proportion of the aggregate principal amount of, or accrued interest on, such Loans than the proportion received by any other Lender, then the Lender receiving such greater proportion shall promptly purchase, at face value for Cash, participations in the Loans to the extent necessary so that the benefit of such payment shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans, provided, however, that (i) if all or any portion of such payment is thereafter recovered, such participations shall be rescinded and the purchase price returned, in each case to the extent of such recovery, and (ii) the provisions of this Section 2.5(c) shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to a Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 2.5(c) shall apply). The Borrowers agree that any Lender that purchased a participation pursuant to this subsection may exercise such rights to payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation.

2.6 Use of Proceeds.

(a) The proceeds of the Revolving Loans shall be used by the Borrowers only (a) to consummate Permitted Acquisitions, (b) for distributions (including, for the avoidance of doubt, in the form of loans) or dividends to the Intermediate Holding Company for further distribution to the Holding Company, and for further distribution to the Parent, as permitted under Section 8.12(c), (c) for Capital Expenditures, and (d) for working capital and other general company purposes of the Borrowers and the Subsidiary Guarantors, including the fees and expenses incurred in connection with the transactions contemplated by this Agreement.

(b) At least \$30,000,000 of the proceeds of the Term Loans shall be used by the Borrowers on the Effective Date to repay a portion of the Existing Debt and pay fees and expenses in connection with the transactions contemplated by this Agreement, with the balance of the Term Loans to be used by the Borrowers for working capital and other general company purposes of the Borrowers and the Subsidiary Guarantors.

(c) Notwithstanding anything to the contrary contained in any Loan Document, no part of the proceeds of the Loans shall be used, directly or indirectly, for a purpose which violates any law, including, without limitation, the provisions of Regulation U of the Board, as amended.

2.7 Defaulting Lenders.

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Fees shall cease to accrue on the Commitments of such Defaulting Lender pursuant to Section 3.2.

(b) The Commitments and Loans of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.1); provided that any waiver, amendment or modification that would (i) increase the Commitments of such Defaulting Lender or subject such Defaulting Lender to any additional obligations, (ii) reduce the principal of, or interest on, the Loans made by such Defaulting Lender or (iii) postpone any date fixed for any payment of principal of, or interest on, the Loans made by such Defaulting Lender, shall require the consent of such Defaulting Lender.

(c) Any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent, in the following order of priority: (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, (iii) third, if so determined by the Administrative Agent and the Borrowers, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Loans under this Agreement and (iv) fourth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement.

(d) The Borrowers shall have the right, at any time, upon at least ten (10) Business Days' notice to a Defaulting Lender by the Administrative Borrower (with a copy to the Administrative Agent), to terminate in whole such Lender's Commitments. Such termination shall be effective, (x) with respect to such Lender's unused Commitments, on the date set forth in such notice; provided, however, that such date shall be no earlier than ten (10) Business Days after receipt of such notice and (y) with respect to each Loan made by such Lender, on the date set forth in such notice. Upon termination of a Lender's Commitments under this Section 2.7(d), the Borrowers will pay or cause to be paid all principal of, and interest accrued to the date of such payment on, Loans owing to such Lender and any accrued Commitment Fees payable to such Lender pursuant to the provisions of Section 3.2(b) and all other amounts payable to such Lender hereunder (including, but not limited to, any amounts owed pursuant to Section 3.5, 3.6, 3.7 or 11.4); provided that if a Default then exists, the Borrowers shall be prohibited from making the foregoing payments to such Lender unless, at such time, the Borrowers also pay or cause to be paid all principal of, and interest accrued to the date of such payment on, Loans owing to all other Lenders and pay any accrued Commitment Fees payable to such Lender pursuant to the provisions of Section 3.2(b) and all such other amounts payable to such Lenders hereunder (including, but not limited to, any amounts owed pursuant to Section 3.5, 3.6, 3.7 or 11.4); and upon such payments, the obligations of such Lender hereunder in respect of its Commitments shall, by the provisions hereof, be released and discharged; provided, however, that such Lender's rights under Sections 3.5, 3.6, 3.7 and 11.4, and its obligations under Article 10 shall survive such release and discharge as to matters occurring prior to such date. Once terminated pursuant to this Section 2.7(d), the Commitments of the Defaulting Lenders shall not be reinstated.

(e) The Administrative Borrower may, in lieu of terminating a Defaulting Lender's Commitments pursuant to Section 2.7(d), by ten (10) Business Days' notice in writing to the Administrative Agent and a Defaulting Lender, (i) request such Defaulting Lender to cooperate with the Administrative Borrower in obtaining a Replacement Lender for such Defaulting Lender; (ii) request the non-Defaulting Lenders to acquire and assume all or a portion of such Defaulting Lender's Loans and Commitments, but none of such Lenders shall be obligated to do so; or (iii) propose a Replacement Lender. If a Replacement Lender shall be accepted by the Administrative Agent or one or more of the non-Defaulting Lenders shall agree to acquire and assume all or part of a Defaulting Lender's Loans and Commitments, then such Defaulting Lender shall assign, in accordance with Section 11.5(b), all or part, as the case may be, of its Loans, Commitments and other rights and obligations under this Agreement and all other Loan Documents to such Replacement Lender or non-Defaulting Lenders, as the case may be, in exchange for payment of the principal of, and interest accrued to the date of such payment on, Loans owing to such Defaulting Lender and any accrued Commitment Fees owing to such Defaulting Lender; and upon such payments, the obligations of such Defaulting Lender hereunder in respect of its Commitments shall, by the provisions hereof, be released and discharged; provided, however, that such Defaulting Lender's rights under Sections 3.5, 3.6, 3.7 and 11.4, and its obligations under Article 10 shall survive such release and discharge as to matters occurring prior to such date; provided further, however, that such assignment shall be on the terms and conditions set forth in Section 11.5(b). If the Replacement Lender and the non-Defaulting Lenders shall only be willing to acquire less than all of a Defaulting Lender's outstanding Loans and Commitments, the Commitments of such Defaulting Lender shall not terminate, but shall be reduced proportionately, and such Defaulting Lender shall continue to be a "Lender" hereunder with reduced Commitments and Total Percentage. Upon the effective date of such assignment, such Replacement Lender shall, if not already a Lender, become a "Lender" for all purposes under this Agreement and the other Loan Documents.

(f) The rights and remedies against a Defaulting Lender under this Section 2.7 are in addition to other rights and remedies that the Borrowers, the Administrative Agent or any Lender may have against such Defaulting Lender.

(g) In the event that the Administrative Agent and the Administrative Borrower agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans ratably in accordance with its Commitments and such Lender shall no longer be a Defaulting Lender.

2.8 Co-Borrowers.

(a) **Joint and Several Liability.** All Obligations of the Borrowers under this Agreement and the other Loan Documents shall be joint and several Obligations of each Borrower. Anything contained in this Agreement and the other Loan Documents to the contrary notwithstanding, the Obligations of each Borrower hereunder, solely to the extent that such Borrower did not receive proceeds of Loans from any borrowing hereunder, shall be limited to a maximum aggregate amount equal to the largest amount that would not render its Obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. §548, or any applicable provisions of comparable state law (collectively, the “**Fraudulent Transfer Laws**”), in each case after giving effect to all other liabilities of such Borrower, contingent or otherwise, that are relevant under the Fraudulent Transfer Laws (specifically excluding, however, any liabilities of such Borrower in respect of intercompany Indebtedness to any other Loan Party or Affiliates of any other Loan Party to the extent that such Indebtedness would be discharged in an amount equal to the amount paid by such Loan Party hereunder) and after giving effect as assets to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation or contribution of such Borrower pursuant to (i) applicable Law or (ii) any agreement providing for an equitable allocation among such Borrower and other Affiliates of any Loan Party of Obligations arising under Guarantees by such parties.

(b) Subrogation. Until the Obligations shall have been paid in full, each Borrower shall withhold exercise of any right of subrogation, contribution or any other right to enforce any remedy which it now has or may hereafter have against the other Borrower or any other Loan Party. Each Borrower further agrees that, to the extent the waiver of its rights of subrogation, contribution and remedies as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any such rights such Borrower may have against the other Borrower, any collateral or security or any other Loan Party, shall be junior and subordinate to any rights the Credit Parties may have against the other Borrower, any such collateral or security, and any such other Loan Party. The Borrowers together desire to allocate among themselves, in a fair and equitable manner, their Obligations arising under this Agreement and the other Loan Documents. Accordingly, in the event any payment or distribution is made on any date by either Borrower under this Agreement and the other Loan Documents (a **“Funding Borrower”**) that exceeds its Obligation Fair Share (as defined below) as of such date, that Funding Borrower shall be entitled to a contribution from the other Borrower in the amount of such other Borrower’s Obligation Fair Share Shortfall as of such date, with the result that all such contributions will cause each Borrower’s Obligation Aggregate Payments (as defined below) to equal its Obligation Fair Share as of such date. **“Obligation Fair Share”** means, with respect to a Borrower as of any date of determination, an amount equal to (i) the ratio of (x) the Obligation Fair Share Contribution Amount (as defined below) with respect to such Borrower to (y) the aggregate of the Obligation Fair Share Contribution Amounts with respect to all Borrowers, multiplied by (ii) the aggregate amount paid or distributed on or before such date by all Funding Borrowers under this Agreement and the other Loan Documents in respect of the Obligations guaranteed. **“Obligation Fair Share Shortfall”** means, with respect to a Borrower as of any date of determination, the excess, if any, of the Obligation Fair Share of such Borrower over the Obligation Aggregate Payments of such Borrower. **“Obligation Fair Share Contribution Amount”** means, with respect to a Borrower as of any date of determination, the maximum aggregate amount of the Obligations of such Borrower under this Agreement and the other Loan Documents that would not render its Obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. §548, or any comparable applicable provisions of state law; provided that, solely for purposes of calculating the Obligation Fair Share Contribution Amount with respect to either Borrower for purposes of this Section 2.8, any assets or liabilities of such Loan Party arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or Obligations of contribution hereunder shall not be considered as assets or liabilities of such Borrower. **“Obligation Aggregate Payments”** means, with respect to a Borrower as of any date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Borrower in respect of this Agreement and the other Loan Documents (including in respect of this Section 2.8) minus (ii) the aggregate amount of all payments received on or before such date by such Borrower from the other Borrower as contributions under this Section 2.8. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Borrower. The allocation among Borrowers of their Obligations as set forth in this Section 2.8 shall not be construed in any way to limit the liability of either Borrower hereunder or under any Loan Document.

(c) Obligations Absolute. Each Borrower hereby waives, for the benefit of the Credit Parties: (i) any right to require any Credit Party, as a condition of payment or performance by such Borrower, to (A) proceed against the other Borrower, any other Loan Party or any other Person, (B) proceed against or exhaust any security held from the other Borrower, any other Loan Party or any other Person, (C) proceed against or have resort to any balance of any Deposit Account or credit on the books of any Credit Party in favor of the other Borrower, any other Loan Party or any other Person, or (D) pursue any other remedy in the power of any Credit Party whatsoever; (ii) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the other Borrower or any other Loan Party including any defense based on or arising out of the lack of validity or the unenforceability of the Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of the other Borrower or any other Loan Party from any cause other than payment in full of the Obligations; (iii) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (iv) any defense based upon any Credit Party's errors or omissions in the administration of the Obligations, except behavior which amounts to bad faith; (v) (A) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Borrower's obligations hereunder, (B) the benefit of any statute of limitations affecting such Borrower's liability hereunder or the enforcement hereof, (C) any rights to set-offs, recoupments and counterclaims, and (D) promptness, diligence and any requirement that any Credit Party protect, secure, perfect or insure any security interest or lien or any property subject thereto; (vi) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or under any Hedging Agreements or any agreement or instrument related hereto or thereto, notices of any renewal, extension or modification of the Obligations or any agreement related thereto, notices of any extension of credit to either Borrower and any right to consent to any thereof; and (vii) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

ARTICLE 3. INTEREST, FEES, YIELD PROTECTIONS, ETC.

3.1 Interest Rate and Payment Dates.

(a) Advances. Each (i) ABR Advance shall bear interest at a rate per annum equal to the Alternate Base Rate *plus* the Applicable Margin and (ii) LIBOR Advance shall bear interest at a rate per annum equal to the Adjusted LIBOR Rate for the applicable Interest Period *plus* the Applicable Margin. Any Loans made on the Effective Date shall be ABR Advances unless requested by the Borrowers and otherwise agreed by all of the Lenders.

(b) Event of Default; Default Rate of Interest. Notwithstanding the foregoing, after the occurrence and during the continuance of an Event of Default, the outstanding principal balance of the Loans shall bear interest at a rate per annum equal to two percent (2.0%) *plus* the rate otherwise applicable to such Loans as provided in subsection (a) above; provided that, in the case of LIBOR Advances, at the end of the Interest Period applicable thereto, the outstanding principal balance of the Loans shall, unless the Administrative Agent otherwise consents in writing, bear interest at a rate per annum equal to the Alternate Base Rate *plus* the Applicable Margin *plus* two percent (2.0%). If any interest, Fee or other amount payable under the Loan Documents is not paid when due (whether at the stated maturity thereof, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the Alternate Base Rate *plus* the Applicable Margin *plus* two percent (2.0%), from the date of such nonpayment until paid in full (whether before or after the entry of a judgment thereon). All such interest shall be payable on demand.

(c) Highest Lawful Rate. At no time shall the interest rate payable on any Loan, together with the Fees and all other amounts payable under the Loan Documents to any Lender, to the extent the same are construed to constitute interest, exceed the Highest Lawful Rate. If for any period during the term of this Agreement, any amount paid to any Lender under the Loan Documents, to the extent the same shall (but for the provisions of this Section 3.1(c)) constitute or be deemed to constitute interest, would exceed the maximum amount of interest permitted by the Highest Lawful Rate during such period (such amount being hereinafter referred to as an "Unqualified Amount"), then such Unqualified Amount shall be applied or shall be deemed to have been applied as a prepayment of the Loans.

(d) Payment of Interest. Except as otherwise provided in subsection (b) above, interest shall be payable in arrears on the following dates and upon each payment (including prepayment) of the Loans:

(i) in the case of an ABR Advance, on the first Business Day of each January, April, July and October commencing on the first of such days to occur after such ABR Advance is made or any LIBOR Advance is converted to an ABR Advance;

(ii) in the case of a LIBOR Advance, on the last day of the Interest Period applicable thereto and, if such Interest Period is longer than three months, the last Business Day of each three month interval occurring during such Interest Period;

(iii) in the case of all Advances constituting all or a portion of the Revolving Loans, on the Revolving Maturity Date; and

(iv) in the case of all Advances constituting all or a portion of the Term Loans, on the Term Loan Maturity Date.

(e) Computations. Interest on all Advances and Fees shall be calculated on the basis of a 360-day year, in each case for the actual number of days elapsed. The Administrative Agent shall, as soon as practicable, notify the Administrative Borrower and the Lenders of the effective date and the amount of each such change in the Prime Rate, but any failure to so notify shall not in any manner affect the obligation of the Borrowers to pay interest on the Loans in the amounts and on the dates required. Each determination of a rate of interest by the Administrative Agent pursuant to the Loan Documents shall be conclusive and binding on all parties hereto absent manifest error. The Borrowers acknowledge that to the extent interest payable on ABR Advances is based on the Prime Rate, such rate is only one of the bases for computing interest on loans made by the Lenders, and by basing interest payable on ABR Advances on the Prime Rate, the Lenders have not committed to charge, and the Borrowers have not in any way bargained for, interest based on a lower or the lowest rate at which the Lenders may now or in the future make loans to other borrowers.

3.2 Fees.

(a) Certain Fees. The Borrowers shall pay to each Lender as to the Effective Date, for its own account the fees and other amounts set forth in the Fee Letter on the Effective Date.

(b) Commitment Fee. The Borrowers shall pay to the Administrative Agent, for the account of the Lenders in accordance with each Lender's Revolving Commitment Percentage, on the first Business Day of each calendar quarter, commencing on January 2, 2019, and on the last day of the Revolving Commitment Period, in arrears, an unused line fee (a "**Commitment Fee**") equal to three-eighths of one percent (0.375%) per annum of the difference, if positive, between (i) the Aggregate Revolving Commitment and (ii) the average daily Aggregate Revolving Exposure during the immediately preceding calendar quarter or portion thereof.

(c) General. Fees and other amounts paid shall not be refundable under any circumstances.

3.3 Conversions.

(a) The Administrative Borrower may elect from time to time to convert one or more LIBOR Advances to ABR Advances by giving the Administrative Agent at least one (1) Business Day's prior irrevocable notice of such election, specifying the amount to be converted, provided that any such conversion of LIBOR Advances shall only be made on the last day of the Interest Period applicable thereto, unless the Borrowers pay to the Administrative Agent for the account of the Credit Parties all amounts due on such converted LIBOR Advance under Section 3.5. In addition, the Administrative Borrower may elect from time to time to (i) convert ABR Advances comprising all or a portion of Loans to LIBOR Advances and (ii) continue LIBOR Advances as new LIBOR Advances, in each case by selecting a new Interest Period therefor and by giving the Administrative Agent at least three (3) Business Days' prior irrevocable notice of such election, in the case of a conversion to, or continuation of, LIBOR Advances, specifying the amount to be so converted or continued and the initial Interest Period relating thereto, provided that any such conversion of ABR Advances to LIBOR Advances shall only be made on a Business Day and any such continuation of LIBOR Advances as new LIBOR Advances shall only be made on the last day of the Interest Period applicable to the LIBOR Advances which are to be continued as such new LIBOR Advances, unless the Borrowers pay to the Administrative Agent for the account of the Credit Parties all amounts due on such continued LIBOR Advance under Section 3.5. Each such notice (a "**Notice of Continuation/Conversion**") shall be substantially in the form of Exhibit C, shall be irrevocable and shall be given by facsimile or email by the Administrative Borrower. The Administrative Agent shall promptly provide the Lenders with notice of each such election. Advances may be converted or continued pursuant to this Section 3.3 in whole or in part, provided that the amount to be converted to, or continued as, each LIBOR Advance, when aggregated with any LIBOR Advance to be made on such date in accordance with Section 2.2 and having the same Interest Period as such first LIBOR Advance, shall equal or exceed the Minimum Borrowing Amount.

(b) Notwithstanding anything in this Agreement to the contrary, unless otherwise agreed by the Administrative Agent, upon the occurrence and during the continuance of an Event of Default, the Administrative Borrower shall have no right to elect to convert any existing ABR Advance to a new LIBOR Advance or to continue any existing LIBOR Advance as a new LIBOR Advance. In such event, all ABR Advances shall be automatically continued as ABR Advances and all LIBOR Advances shall be automatically converted to ABR Advances on the last day of the current Interest Period applicable to such LIBOR Advance.

(c) Each conversion or continuation shall be effected by each Lender by applying the proceeds of its new ABR Advance or LIBOR Advance, as the case may be, to its Advances (or portion thereof) being converted or continued (it being understood that any such conversion or continuation shall not constitute a new borrowing for purposes of Article 4, 5 or 6).

3.4 Concerning Interest Periods.

(a) No Interest Period in respect of a LIBOR Advance comprising all or a portion of (i) a Revolving Loan shall end after the Revolving Maturity Date or (ii) a Term Loan shall end after the Term Loan Maturity Date.

(b) If the Administrative Borrower shall have failed to timely elect a LIBOR Advance under Section 2.2 or 3.3, as the case may be, in connection with any borrowing of, conversion to, or continuation of, an Advance, such borrowing or such Advance requested to be converted to, or continued, shall thereafter be an ABR Advance until such time, if any, as the Administrative Borrower shall elect a new LIBOR Advance pursuant to Section 3.3.

(c) The Borrowers shall not be permitted to have more than three (3) LIBOR Advances outstanding at any one time under each of facilities established hereunder.

3.5 Funding Loss.

Notwithstanding anything contained herein to the contrary, if the Borrowers shall fail to borrow, convert or continue a LIBOR Advance on a Borrowing Date or Conversion Date after the Administrative Borrower shall have given notice to do so in which the Administrative Borrower shall have requested a LIBOR Advance, or if a LIBOR Advance shall be terminated for any reason prior to the last day of the Interest Period applicable thereto, or if, while a LIBOR Advance is outstanding, any repayment or prepayment of such LIBOR Advance is made for any reason (including as a result of acceleration or illegality) on a date which is prior to the last day of the Interest Period applicable thereto, the Borrowers agree to indemnify each Lender against, and to pay within one (1) Business Day of demand directly to such Lender the amount (calculated by such Lender in good faith using any reasonable and non-discriminatory method chosen by such Lender which is customarily used by such Lender for such purpose) equal to any loss (other than lost profits) or out-of-pocket expense suffered by such Lender as a result of such failure to borrow, convert, or continue, or such termination, repayment or prepayment, including any loss, cost or expense suffered by such Lender in liquidating or employing deposits acquired to fund or maintain the funding of such LIBOR Advance or redeploying funds prepaid or repaid, in amounts which correspond to such LIBOR Advance and any reasonable internal processing charge customarily charged by such Lender in connection therewith, and, if requested by the Administrative Borrower, such Lender shall provide to the Borrowers a reasonably detailed explanation of such expenses. No Lender shall be entitled under this Section 3.5 to compensation for special, indirect, consequential or punitive damages.

3.6 Increased Costs; Illegality, etc.

(a) Increased Costs. If any Regulatory Change shall

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the LIBOR Rate);

(ii) subject any Credit Party to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its Loans or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Credit Party of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to reduce the amount of any sum received or receivable by such Lender or other Credit Party hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Credit Party given promptly thereafter, the Borrowers will pay to such Lender or other Credit Party, as the case may be, such additional amount or amounts as will compensate such Lender or other Credit Party, as the case may be, for such additional costs incurred or reduction suffered.

(b) **Capital Adequacy.** If any Credit Party reasonably determines that any Regulatory Change relating to capital requirements has or would have the effect of reducing the rate of return on such Credit Party's capital or on the capital of such Credit Party's holding company, if any, on the Loans to a level below that which such Credit Party (or its holding company) would have achieved or would thereafter be able to achieve but for such Regulatory Change (after taking into account such Credit Party's (or such holding company's) policies regarding capital adequacy), such Credit Party shall provide prompt notice thereof to the Administrative Borrower and the Borrowers shall pay to such Credit Party (or such holding company) such additional amount or amounts specified in such notice as will compensate such Credit Party (or such holding company) for such reduction.

(c) **Illegality.** Notwithstanding any other provision hereof, if any Lender shall reasonably determine that any law, regulation, treaty or directive, or any change therein or in the interpretation or application thereof, shall make it unlawful for such Lender to make or maintain any LIBOR Advance as contemplated by this Agreement, such Lender shall promptly notify the Administrative Borrower and the Administrative Agent thereof, and (i) the commitment of such Lender to make such LIBOR Advances or convert ABR Advances to LIBOR Advances shall forthwith be suspended, (ii) such Lender shall fund its portion of each requested LIBOR Advance as an ABR Advance and (iii) such Lender's Loans then outstanding as such LIBOR Advances, if any, shall be converted automatically to ABR Advances on the last day of the then current Interest Period applicable thereto or at such earlier time as may be required by law. The commitment of any such Lender with respect to LIBOR Advances shall be suspended until such Lender shall notify the Administrative Agent and the Administrative Borrower that the circumstances causing such suspension no longer exist. Upon receipt of such notice by each of the Administrative Agent and the Administrative Borrower, such Lender's commitment to make or maintain LIBOR Advances shall be reinstated.

(d) Substituted Interest Rate.

(i) Unless and until a Replacement Rate is implemented in accordance with clause (ii) below, if the Administrative Agent or the Required Lenders determine that for any reason in connection with any request for a LIBOR Advance or a conversion to or continuation thereof that (A) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such LIBOR Advance, (B) adequate and reasonable means do not exist for determining the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Advance, or (C) the LIBOR Rate for any requested Interest Period with respect to a proposed LIBOR Advance does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Administrative Borrower and each Lender. Thereafter, unless and until a Replacement Rate (as defined below) is implemented in accordance with clause (ii) below, the obligation of the Lenders to make or maintain LIBOR Advances shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Administrative Borrower may revoke any pending request for a Loan of, conversion to or continuation of LIBOR Advance or, failing that, will be deemed to have converted such request into a request for a borrowing of ABR Advances in the amount specified therein.

(ii) Notwithstanding anything to the contrary in clause (i) above, if the Administrative Agent has made the determination (such determination to be conclusive absent manifest error) that (A) the circumstances described in clause (i)(A) or (i)(B) above have arisen and that such circumstances are unlikely to be temporary, (B) any applicable interest rate specified herein is no longer a widely recognized benchmark rate for newly originated loans in the U.S. syndicated loan market in Dollars or (C) the applicable supervisor or administrator (if any) of any applicable interest rate specified herein or any Governmental Authority having, or purporting to have, jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which any applicable interest rate specified herein shall no longer be used for determining interest rates for loans in the U.S. syndicated loan market in Dollars, then the Administrative Agent may, to the extent practicable (in consultation with the Administrative Borrower and as reasonably determined by the Administrative Agent to be generally in accordance with similar situations in other transactions in which it is serving as administrative agent or otherwise consistent with market practice generally), establish a replacement interest rate (the “**Replacement Rate**”), in which case, the Replacement Rate shall, subject to the next two sentences, replace such applicable interest rate for all purposes under the Loan Documents unless and until (I) an event described in subsection (i)(A), (i)(B), (ii)(A), (ii)(B) or (ii)(C) occurs with respect to the Replacement Rate or (II) the Administrative Agent (or the Required Lenders through the Administrative Agent) notifies the Administrative Borrower that the Replacement Rate does not adequately and fairly reflect the cost to the Lenders of funding the Loans bearing interest at the Replacement Rate. For the avoidance of doubt, the Replacement Rate shall be based on an index and with an applicable spread that is equivalent to the index and applicable spread in existence immediately prior to the time that one of the circumstances described in subsection (d)(i)(A), (d)(i)(B), (d)(ii)(A), (d)(ii)(B), or (d)(ii)(C) above occurs. In connection with the establishment and application of the Replacement Rate, this Agreement and the other Loan Documents shall be amended solely with the consent of the Administrative Agent, as may be reasonably necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this clause (ii) (b). Notwithstanding anything to the contrary in this Agreement or the other Loan Documents (including, without limitation, Section 11.1, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five (5) Business Days of the delivery of such amendment to the Lenders, written notices from such Lenders that in the aggregate constitute Required Lenders, with each such notice stating that such Lender objects to such amendment (which such notice shall note with specificity the particular provisions of the amendment to which such Lender objects). To the extent the Replacement Rate is approved by the Administrative Agent in connection with this clause (ii), the Replacement Rate shall be applied in a manner consistent with market practice; provided that, in each case, to the extent such market practice is not administratively feasible for the Administrative Agent, such Replacement Rate shall be applied as otherwise reasonably determined by the Administrative Agent (it being understood that any such modification by the Administrative Agent shall not require the consent of, or consultation with, any of the Lenders).

(e) **Payment; Certificates.** Each payment pursuant to subsection (a) or (b) above shall be made within ten (10) days after demand therefor, which demand shall be accompanied by a certificate of the Credit Party demanding such payment setting forth the calculations in reasonable detail of the additional amounts payable pursuant thereto. Each such certificate shall be presumptively correct absent manifest error. Failure or delay on the part of any Credit Party to demand compensation pursuant to this Section shall not constitute a waiver of such Credit Party’s right to demand such compensation; provided that the Borrowers shall not be required to compensate any Credit Party pursuant to this Section for any increased costs or reductions incurred more than one hundred eighty (180) days prior to the date that the Credit Party notifies the Administrative Borrower of the Regulatory Change giving rise to such increased costs or reductions and of the Credit Party’s intention to claim compensation therefor; provided further that, if the Regulatory Change giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be added to the period of retroactive effect thereof.

(f) Mitigation. Any Lender claiming any additional amounts payable pursuant to this Section 3.6 agrees that, at the request of the Administrative Borrower, it will use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate another office of such Lender as its applicable lending office if making such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the sole judgment of such Lender, exercised in good faith, cause such Lender to suffer any economic, legal or regulatory disadvantage. Nothing in this subsection (f) shall affect or postpone any of the obligations of the Borrowers or the right of any Lender provided in this Section 3.6.

3.7 Taxes.

(a) Payments Free of Taxes. All payments by or on account of the Borrowers under any Loan Document to or for the account of a Credit Party shall be made free and clear of, and without any deduction or withholding for or on account of, any and all present or future Indemnified Taxes, provided that if the Borrowers or any other Person is required by any law, rule, regulation, order, directive, treaty or guideline to make any deduction or withholding in respect of such Indemnified Tax from any amount required to be paid by the Borrowers to or on behalf of any Credit Party under any Loan Document (each, a **“Required Payment”**), then (i) the Administrative Borrower shall notify the Administrative Agent and such Credit Party of any such requirement or any change in any such requirement promptly after a Borrower becomes aware thereof, (ii) the Borrowers shall pay such Indemnified Tax prior to the date on which penalties attach thereto, such payment to be made (to the extent that the liability to pay is imposed on the Borrowers) for its own account or (to the extent that the liability to pay is imposed on such Credit Party) on behalf and in the name of such Credit Party, (iii) the Borrowers shall pay to such Credit Party an additional amount such that such Credit Party shall receive on the due date therefor an amount equal to the Required Payment had no such deduction or withholding been made or required, and (iv) the Borrowers shall, within thirty (30) days after paying such Indemnified Tax, deliver to the Administrative Agent and such Credit Party satisfactory evidence of such payment to the relevant Governmental Authority.

(b) Reimbursement for Taxes and Other Taxes Paid by Credit Party. The Borrowers shall reimburse each Credit Party, within ten (10) days after written demand therefor, for the full amount of all Indemnified Taxes paid by such Credit Party on or with respect to any payment by or on account of any obligation of the Borrowers under the Loan Documents (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.7) and any penalties, interest and reasonable out-of-pocket expenses arising therefrom or with respect thereto (excluding any such penalties, interest or expenses that are incurred by such Credit Party’s unreasonably taking or omitting to take action with respect to such Indemnified Taxes), whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrowers by a Credit Party shall be conclusive absent manifest error. In the event that any Credit Party shall receive a refund or credit for Indemnified Taxes paid by the Borrowers under this Section 3.7, such Credit Party shall promptly notify the Administrative Borrower of such fact and shall remit to the Administrative Borrower the amount of such refund or credit, when received. Each Credit Party agrees to use its reasonable efforts to avoid or minimize Taxes that would result in any payment by the Borrowers pursuant to this Section 3.7, including by requesting applicable refunds of Taxes or claiming available Tax credits.

(c) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrowers have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 11.5(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (c).

(d) Refunds. If any Lender determines that it has received a refund of any Taxes with respect to which the Borrowers have paid to such Lender amounts pursuant to this Section 3.7, it shall pay to the Borrowers an amount equal to such refund (but only to the extent of amounts paid by the Borrowers under this Section 3.7 with respect to the Taxes giving rise to such refund), net of all reasonable and direct out-of-pocket expenses of such Lender, and without interest (other than any interest and penalty paid by the relevant Governmental Authority with respect to such refund).

(e) U.S. Credit Parties. Each Lender and each of its successors and assigns that is a "United States person" within the meaning of Section 7701(a)(30) of the Code shall, (i) in the case of such Lender, at the request of the Administrative Borrower, or, in the case of any of such Lender's successors or assigns, on or prior to the date it becomes a lender hereunder, execute and deliver to the Administrative Borrower, two (2) duly signed completed copies of IRS Form W-9; and (ii) at the reasonable request of the Administrative Borrower, deliver to the Administrative Borrower two (2) further copies of any such form or documents on or before the date that any such form becomes obsolete and promptly after the occurrence of any event requiring a change in the most recent such document or form previously delivered to such parties. If such Person fails to deliver such forms to the Administrative Borrower, then the Borrowers may withhold from any interest payment to such Person an amount equivalent to the applicable back-up withholding tax imposed by the Code.

(f) Foreign Credit Parties. If any of a Lender's successors or assigns is a Foreign Credit Party, such Foreign Credit Party shall, (i) on or prior to the date it becomes a lender hereunder, execute and deliver to the Administrative Borrower, two (2) or more (as the Administrative Borrower may reasonably request) United States Internal Revenue Service Forms W-8IMY (with all required attachments), Forms W-8ECI or Forms W-8BEN or Forms W-8BEN-E (or successor forms) establishing such Foreign Credit Party's exemption from United States federal withholding tax, or, solely if such Foreign Credit Party is claiming exemption from United States withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," United States Internal Revenue Service Forms W-8BEN or Forms W-8BEN-E and a certificate executed by a duly authorized officer of such Foreign Credit Party representing that such Foreign Credit Party is not (A) a "bank" described in Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrowers within the meaning of Section 871(h)(3) or 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, or such other forms or documents (or successor forms or documents), appropriately completed, establishing that payments to such Foreign Credit Party are exempt from withholding or deduction of United States federal withholding taxes; and (ii) at the reasonable request of the Administrative Borrower, deliver to the Administrative Borrower two (2) further copies of any such form or documents on or before the date that any such form or document expires or becomes obsolete and as soon as reasonably practicable after the occurrence of any event requiring a change in the most recent such form or document previously delivered by it to the Administrative Borrower. The Borrowers shall not be required to pay any additional amount to any Foreign Credit Party under this Section 3.7: (i) with respect to any Taxes required to be deducted or withheld on the basis of the information, certificates or statements of exemption such Foreign Credit Party transmits with an IRS Form W-8IMY pursuant to this Section 3.7(f) or (ii) if such Foreign Credit Party shall have failed to provide the proper forms as required by this Section 3.7(f).

(g) Mitigation. Any Lender claiming any additional amounts payable pursuant to this Section 3.7 agrees that, at the request of the Administrative Borrower, it will use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate another office of such Lender as its applicable lending office if making such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the sole judgment of such Lender, exercised in good faith, cause such Lender to suffer any economic, legal or regulatory disadvantage. Nothing in this subsection (g) shall affect or postpone any of the obligations of the Borrowers or the rights of any Lender provided in this Section 3.7.

(h) *FATCA*. If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), to the extent reasonably possible, such Lender shall deliver to the Administrative Borrower or the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Administrative Borrower or the Administrative Agent as may be necessary for the Borrowers or the Administrative Agent to comply with their respective obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 3.7(h), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

3.8 Register.

The Administrative Agent, as a non-fiduciary agent of the Borrowers, will maintain a register for the recordation of the names and addresses of the Lenders and the Revolving Commitment and Term Loan Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender (the "**Register**"). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and each Loan Party and each Credit Party shall treat each party whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement.

3.9 Replacement of Lenders.

If any Lender requests compensation under Section 3.6, or if the Borrowers are required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.7 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.6(f) or 3.7(g), or if any Lender is a Non-Consenting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.5), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.6 or Section 3.7) and obligations under this Agreement and the related Loan Documents to an Eligible Institution that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that:

(a) the Borrowers shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 11.5 (unless waived by the Administrative Agent);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued Fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.5) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts);

(c) in the case of any such assignment resulting from a claim for compensation under Section 3.6 or payments required to be made pursuant to Section 3.7, such assignment will result in a reduction in such compensation or payments thereafter;

(d) such assignment does not conflict with applicable Law; and

(e) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee (if a Lender) shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply.

ARTICLE 4. REPRESENTATIONS AND WARRANTIES

In order to induce the Credit Parties to enter into this Agreement and to make the Loans, each Borrower makes the following representations and warranties to the Credit Parties:

4.1 Capitalization.

Schedule 4.1 sets forth, as of the Effective Date, (a) the authorized, issued and outstanding Capital Stock and beneficial and record ownership structure of the Intermediate Holding Company and each Subsidiary of the Intermediate Holding Company and each Borrower and (b) the exact legal name and jurisdiction of formation or incorporation of the Intermediate Holding Company and each Subsidiary of the Intermediate Holding Company and each Borrower. All outstanding Capital Stock of the Intermediate Holding Company, each Borrower and each such Subsidiary is free and clear of all Liens (other than Permitted Liens and Liens in favor of the Administrative Agent), and is duly authorized, validly issued, fully paid and nonassessable. Except as set forth on Schedule 4.1, as of the Effective Date, (i) none of the Loan Parties has issued any securities convertible into, or options or warrants for, any common or preferred equity securities thereof and (ii) there are no agreements, voting trusts or understandings binding upon any of the Loan Parties with respect to the voting securities of any Loan Party or affecting in any manner the sale, pledge, assignment or other disposition thereof, including any right of first refusal, option, redemption, call or other right with respect thereto, whether similar or dissimilar to any of the foregoing.

4.2 Existence and Power.

Each Loan Party is duly organized or formed and validly existing in good standing under the laws of the jurisdiction of its incorporation or formation, has all requisite power and authority to own its Property and to carry on its business as now conducted, and is in good standing and authorized to do business in each jurisdiction in which the nature of the business conducted therein or the Property owned by it therein makes such qualification necessary, except where such failure to qualify could not reasonably be expected to have a Material Adverse Effect.

4.3 Authority and Execution.

Each Loan Party has full legal power and authority to enter into, execute, deliver and perform the terms of the Loan Documents to which it is a party, all of which have been duly authorized by all necessary corporate, limited liability company, partnership or other applicable action and are in compliance in all material respects with its Organizational Documents. Each Loan Party has duly executed and delivered the Loan Documents to which it is a party.

4.4 Binding Agreement.

The Loan Documents (other than the Notes) constitute, and the Notes, when issued and delivered pursuant hereto for value received, will constitute, the valid and legally binding obligations of the Loan Parties that are party thereto, enforceable in accordance with their respective terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors' rights generally and general principles of equity (whether considered in an action of law or in equity).

4.5 Litigation.

There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending or, to the knowledge of such Borrower, threatened, against any Loan Party that, if determined adversely, could reasonably be expected to (a) have, individually or in the aggregate, a Material Adverse Effect or (b) call into question the validity or enforceability of, or otherwise seek to invalidate, any Loan Document.

4.6 Required Consents.

No consent, authorization or approval of, filing with, notice to, or exemption by, stockholders, members or holders of any other equity interest, any Governmental Authority or any other Person is required to authorize, or is required in connection with the execution, delivery and performance by any Loan Party of the Loan Documents to which any Loan Party is a party or is required as a condition to the validity or enforceability of the Loan Documents to which any of the same is a party, except for (a) the filing of financing statements, (b) any consent, authorization or other action as has previously been obtained or taken and (c) notices, the failure of which to give could not reasonably be expected to result in a Material Adverse Effect.

4.7 Absence of Defaults; No Conflicting Agreements.

(a) No Loan Party is in default, and no event has occurred that with the passage of time would constitute a default, under any mortgage, indenture or Material Contract to which it is a party or by which it or any of its Property is bound that has had or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. The execution, delivery or carrying out of the terms of the Loan Documents will not constitute a default under, or result in the creation or imposition of, or obligation to create, any Lien (other than a Permitted Lien or a Lien in favor of the Administrative Agent) upon any Property of any Loan Party or result in a breach of or require the mandatory repayment of or other acceleration of payment under or pursuant to the terms of any such mortgage, indenture, contract or agreement to which a Loan Party is a party or by which it or any of its Property is bound.

(b) As of the Effective Date, none of the Loan Parties is in default with respect to any judgment, order, writ, injunction, decree or decision of any Governmental Authority.

4.8 Compliance with Applicable Laws.

Each of the Loan Parties is in compliance in all material respects with all statutes, regulations, rules and orders of all Governmental Authorities which are applicable to each such Loan Party.

4.9 Taxes.

Each of the Loan Parties has filed or caused to be filed all U.S. federal income and all other material tax returns required to be filed by it and has paid, or has made adequate provision for the payment of, all Taxes shown to be due and payable on said returns or in any material assessments made against it (other than those being contested in good faith by appropriate proceedings and with respect to which adequate reserves have been set aside on its books in accordance with GAAP) which would be material to the Loan Parties, and no undischarged tax Liens have been filed with respect thereto. The charges, accruals and reserves on the books of the Loan Parties with respect to all Taxes are, to the best knowledge of such Borrower, adequate for the payment of such Taxes in accordance with GAAP, and such Borrower knows of no unpaid assessment which is due and payable against any of the Loan Parties except such thereof as are being contested in good faith by appropriate proceedings and for which adequate reserves have been set aside in accordance with GAAP.

4.10 Government Regulations.

None of the Loan Parties or any Person controlled by, controlling, or under common control with, any of the Loan Parties, is subject to regulation under the Federal Power Act, as amended, or the Investment Company Act of 1940, as amended. The Parent is an “investment company” that has elected to be regulated as a BDC and qualifies as a RIC.

4.11 Federal Reserve Regulations; Use of Loan Proceeds.

None of the Loan Parties is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying any Margin Stock. No part of the proceeds of the Loans shall be used, directly or indirectly, for a purpose which violates any law, including, without limitation, the provisions of Regulation T, U or X of the Board, as amended.

4.12 ERISA.

Neither a Reportable Event nor an “accumulated funding deficiency” (within the meaning of Section 412 of the Code or Section 302 of ERISA) has occurred during the five-year period prior to the date on which this representation is made or deemed made with respect to any Pension Plan which has had or could reasonably be expected to have a Material Adverse Effect. Each Pension Plan has complied in all material respects with the applicable provisions of ERISA and the Code, except where the liability which could be reasonably expected to result from non-compliance would have a Material Adverse Effect. No termination of a Plan pursuant to Section 4041(c) or 4042 of ERISA has occurred, except as could not reasonably be expected to have a Material Adverse Effect, and no Lien in favor of the PBGC or a Pension Plan has arisen, during the five-year period referred to in the first sentence of this Section 4.12. Neither such Borrower nor any ERISA Affiliate has had a complete or partial withdrawal from any Multiemployer Plan which has had or could reasonably be expected to have a Material Adverse Effect. To the knowledge of such Borrower, no Multiemployer Plan is in reorganization or insolvent as of the Effective Date.

4.13 Financial Diligence.

(a) The Borrowers heretofore have furnished to the Administrative Agent and the Lenders true copies of (i) the audited consolidated and consolidating balance sheet of the Parent and its Subsidiaries as at December 31, 2017 and related consolidated and consolidating statements of operations, cash flows and stockholders' equity, all prepared on a cash basis, applied on a basis consistently maintained throughout the periods involved, and (ii) the unaudited consolidated and consolidating balance sheets of the Parent and its Subsidiaries and related unaudited income statement for the six-month period ended June 30, 2018. The foregoing financial statements are complete and correct in all material respects and fairly present, on a cash basis, in all material respects the consolidated financial condition of the Parent and its Subsidiaries as at the respective dates thereof, subject to, in the case of the unaudited financial statements, normal year-end audit adjustments.

(b) Since December 31, 2017, there has been no Material Adverse Change.

(c) The pro forma consolidated and consolidating balance sheet of the Intermediate Holding Company and its Subsidiaries as of the Effective Date, a copy of which has been furnished to the Administrative Agent and the Lenders, fairly presents in all material respects the pro forma consolidated financial condition of the Intermediate Holding Company and its Subsidiaries as at the Effective Date. (i) in the case of an Event of Default specified in Section 9.1(h) or 9.1(i), without declaration or notice to the Administrative Borrower or the Borrowers, all of the Commitments shall immediately and automatically terminate, and the Loans, all accrued and unpaid interest thereon and all other amounts owing under the Loan Documents shall immediately become due and payable, and

(ii) in all other cases, the Administrative Agent may and, upon the direction of the Required Lenders, shall, by notice to the Administrative Borrower, declare all of the Commitments to be terminated forthwith, whereupon such Commitments shall immediately terminate, and/or declare the Loans, all accrued and unpaid interest thereon and all other amounts owing under the Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable.

In the event that the Loans, all accrued and unpaid interest thereon and all other amounts owing under the Loan Documents shall have been declared due and payable pursuant to the provisions of this Section 9.2, the Administrative Agent (i) upon the direction of the Required Lenders, shall proceed to enforce the rights of the holders of the Notes by suit in equity, action at law and/or other appropriate proceedings, whether for payment or the specific performance of any covenant or agreement contained in the Loan Documents and (ii) may exercise any and all rights and remedies provided to the Administrative Agent by the Loan Documents and pursuant to applicable Law. Except as otherwise expressly provided in the Loan Documents or as prohibited by applicable Law, the Borrowers expressly (i) waive presentment, demand, and protest, and all other notices of any kind in connection with the Loan Documents are hereby expressly waived and (ii) waive and covenant not to assert any appraisal, valuation, stay, extension, redemption or similar laws, now or at any time hereafter in force which might delay, prevent or otherwise impede the performance or enforcement of any Loan Document.

(b) In the event that all of the Commitments shall have been terminated or the Loans, all accrued and unpaid interest thereon and all other amounts owing under the Loan Documents shall have been declared due and payable pursuant to the provisions of this Section 9.2, any funds received by any Credit Party from or on behalf of a Borrower shall be remitted to, and applied by, the Administrative Agent in the following manner and order:

(i) first, to the payment of interest on, and then the principal portion of, any Loans which the Administrative Agent may have advanced on behalf of any Lender for which the Administrative Agent has not then been reimbursed by such Lender or any Loan Party,

(ii) second, to reimburse the Administrative Agent and the Lenders, in that order, for any expenses due from the Borrowers pursuant to the provisions of Section 11.4,

(iii) third, to the payment of the Fees, pro rata according to the Fees due and owing to the Administrative Agent and the Lenders,

(iv) fourth, to the payment of any other fees, expenses or other amounts (other than the principal of and interest on the Loans) payable by the Loan Parties to the Credit Parties under the Loan Documents,

(v) fifth, to the payment, pro rata according to the Total Percentage of each Lender, of interest due on the Loans,

(vi) sixth, to the payment, pro rata, of the unpaid principal amount of the Loans, Obligations due under Specified Hedging Agreements and Cash Management Obligations,

(vii) seventh, to all other Obligations on a pro rata basis, and

(viii) eighth, thereafter, any remaining funds shall be paid to the Borrowers or as a court of competent jurisdiction shall direct.

Notwithstanding the foregoing, no proceeds realized for any guaranty or Collateral of a Loan Party who is not a Qualified ECP Guarantor shall be applied to the payment of Obligations due under Specified Hedging Agreements.

9.3 Equity Cure.

In the event that the Borrowers fail to comply with the requirements of any financial covenant set forth in Section 8.11(a), until the tenth (10th) Business Day after delivery of the related Compliance Certificate, the Intermediate Holding Company shall have the right to issue Permitted Cure Securities for Cash or otherwise receive Cash contributions to the capital of the Intermediate Holding Company from the Holding Company or the Parent, and, in each case, apply the amount of the proceeds thereof to repay the Loans in the manner set forth in Section 2.4(c)(iii) (the "**Cure Right**"); provided that (a) such proceeds are actually received by the Intermediate Holding Company no later than ten (10) Business Days after the date on which financial statements are required to be delivered with respect to such fiscal quarter hereunder, (b) such proceeds are in an amount sufficient to, but do not exceed the aggregate amount necessary to, cure (by addition to EBITDA) (the "**Cure Amount**") the Event of Default under Section 9.1(d) resulting from the Borrowers' failure to comply with Section 8.11(a) for such period, (c) the Cure Amount for the Borrowers' failure to comply with Section 8.11(a) shall not exceed an amount equal to the lesser of (i) \$2,000,000 and (ii) ten percent (10%) of EBITDA for the Measurement Period then ended, (d) the Cure Right shall not be exercised (i) in consecutive fiscal quarters, or (ii) more than two (2) times during the term of this Agreement, (e) such proceeds shall be applied, no more than one (1) Business Day after receipt by the Intermediate Holding Company of such proceeds, to prepay the Loans in the manner set forth in Section 2.4(c)(iii), and (f) concurrently with the receipt by the Intermediate Holding Company of such proceeds, the Intermediate Holding Company shall deliver to the Administrative Agent a restated Compliance Certificate in respect of the Measurement Period then ended, which shall confirm that on a pro forma basis, after taking into account the receipt of the Cure Amount and the application thereof in the manner required under this Agreement, the Borrowers would have been in compliance with Section 8.11(a). If, after giving effect to the foregoing pro forma adjustment (but not, for the avoidance of doubt, giving pro forma effect in the fiscal quarter in which the Cure Right is exercised or any Measurement Period that includes such fiscal quarter to any repayment of Indebtedness in connection therewith), the Borrowers are in compliance with the financial covenants set forth in Section 8.11(a), the Borrowers shall be deemed to have satisfied the requirements of such Section as of the relevant date of determination with the same effect as though there had been no failure to comply on such date, and the applicable Event of Default under Section 9.1(d) that had occurred shall be deemed cured for purposes of this Agreement. Prior to the date of the Administrative Agent's receipt of the Cure Amount, and the delivery of the Compliance Certificate conforming to this Section, any Event of Default under Section 9.1(d) that had occurred shall be deemed to be continuing and, as a result, the Lenders shall have no obligation to make additional Loans. The parties hereby acknowledge that this Section may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 8.11(a) and shall not result in any adjustment to any amounts other than the amount of the EBITDA referred to in the immediately preceding sentence.

ARTICLE 10. THE ADMINISTRATIVE AGENT

10.1 Appointment.

Each of the Lenders hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof, together with such actions and powers as are reasonably incidental thereto.

10.2 Individual Capacity.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrowers, any of their respective Subsidiaries, or any Affiliate of a Borrower as if it were not the Administrative Agent hereunder. Nothing in this Article 10 shall be deemed to indemnify, excuse or otherwise relieve the Administrative Agent of any obligation or liability it may otherwise have as a Lender.

10.3 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.1); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Law, and (c) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any Subsidiary Guarantor that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.1) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Administrative Borrower or another Credit Party, in which case, the Administrative Agent shall send such written notice to each of the Lenders and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement, (ii) the contents of any certificate, report or other document delivered hereunder or in connection herewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement or any other agreements, instrument or document, or (v) the satisfaction of any condition set forth in Article 5 or 6 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

10.4 Reliance by Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel to the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in good faith in accordance with the advice of any such counsel, accountants or experts.

10.5 Delegation by Administrative Agent.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent, provided that no such delegation shall serve as a release of the Administrative Agent or waiver by the Borrowers or Credit Parties of any rights hereunder. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of this Article 10 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

10.6 Resignation; Successor Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this Section 10.6, the Administrative Agent may resign at any time by notifying the Lenders and the Administrative Borrower. Upon any such resignation, the Required Lenders shall have the right, subject to the Administrative Borrower's prior written consent (so long as no Event of Default under Section 9.1(a), (h) or (i) has occurred and is continuing), to appoint a successor (so long as no Event of Default under Section 9.1(a), (h) or (i) has occurred and is continuing), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent shall, on behalf of the Lenders, appoint a successor Administrative Agent which shall be an Eligible Institution with an office in New York, New York, or an Affiliate of any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Administrative Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article and Section 11.4 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or permitted to be taken by any of them while it was acting as Administrative Agent.

10.7 Non-Reliance on Other Credit Parties.

Each Credit Party acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Credit Party and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Credit Party also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Credit Party and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any related agreement or any document furnished hereunder or thereunder.

10.8 Administrative Agent May File Proofs of Claim; Credit Bidding.

In case of the pendency of any proceeding under any Debtor Relief Law, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Administrative Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Article 2 and Section 11.4) allowed in such judicial proceeding;

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 3.2 and Section 11.4; and

(c) based upon the instruction of the Required Lenders, to (i) credit bid and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Section 363 of the Bankruptcy Code or any similar Laws in any other jurisdictions to which a Loan Party is subject, or (ii) credit bid and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral at any other sale or foreclosure conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Credit Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not unduly delay the ability of the Administrative Agent to credit bid and purchase at such sale or other disposition of the Collateral and, if such claims cannot be estimated without unduly delaying the ability of the Administrative Agent to credit bid, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the asset or assets purchased by means of such credit bid) and the Credit Parties whose Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their Obligations credit bid in relation to the aggregate amount of Obligations so credit bid) in the asset or assets so purchased (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such purchase). Except as provided above and otherwise expressly provided for herein or in the other Security Documents, the Administrative Agent will not execute and deliver a release of any Lien on any Collateral. Upon request by the Administrative Agent or the Borrowers at any time, the Credit Parties will confirm in writing the Administrative Agent's authority to release any such Liens on particular types or items of Collateral pursuant to this Section.

10.9 Collateral and Guaranty Matters.

(a) The Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion,

(i) to release any Lien on any Property granted to or held by the Administrative Agent under any Loan Document (x) upon termination of all Commitments and payment in full of all Obligations (other than contingent indemnity obligations), (y) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other Disposition permitted under the Loan Documents, or (z) subject to Section 11.1, if approved, authorized or ratified in writing by the Required Lenders;

(ii) to subordinate any Lien on any Property granted to or held by the Administrative Agent under any Loan Document to the holder of any Permitted Lien; and

(iii) to release any Subsidiary Guarantor from its obligations under the Subsidiary Guaranty Agreement if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Subsidiary Guaranty Agreement pursuant to this Section.

(b) The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

10.10 Joint Lead Arrangers, Syndication Agent and Documentation Agent.

Notwithstanding anything herein to the contrary, the Joint Lead Arrangers, the Syndication Agent and the Documentation Agent named on the cover page of this Agreement shall not have any duties or liabilities under this Agreement, except in their capacities as Lenders.

ARTICLE 11. OTHER PROVISIONS

11.1 Amendments and Waivers.

(a) No failure to exercise and no delay in exercising, on the part of any Credit Party, any right, remedy, power or privilege under any Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege under any Loan Document preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges under the Loan Documents are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by this Section 11.1, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether any Credit Party may have had notice or knowledge of such Default at the time.

(b) Notwithstanding anything to the contrary contained in any Loan Document, with the written consent of the Required Lenders, the Administrative Agent and the appropriate parties to the Loan Documents (other than the other Credit Parties) may, from time to time, enter into written amendments, supplements or modifications thereof and, with the consent of the Required Lenders, the Administrative Agent on behalf of the other Credit Parties, may execute and deliver to any such parties a written instrument waiving or consenting to the departure from, on such terms and conditions as the Administrative Agent may specify in such instrument, any of the requirements of the Loan Documents or any Default and its consequences; provided, however, that no such amendment, supplement, modification, waiver or consent shall:

(i) increase the Commitments of any Lender, without such Lender's consent;

(ii) unless agreed to by each such Lender directly and adversely affected thereby, (A) reduce the principal amount of such Lender's Loan, or reduce the rate of interest thereon (other than the waiver or the imposition of the default rate set forth in Section 3.1(b)), or reduce any fees or other obligations payable to such Lender under the Loan Documents, (B) extend any date (including the Revolving Maturity Date and the Term Loan Maturity Date) fixed for the payment of any principal or interest on any Loan, any fees, or any other obligation payable under the Loan Documents to such Lender;

(iii) unless agreed to by all of the Lenders, (A) change the definition of "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, (B) change the order of payments under Section 2.5(a)(ii) or 9.2(b) or 9.3, (C) consent to any assignment or delegation by any Loan Party of any of its rights or obligations under any Loan Document other than in a transaction permitted hereunder, (D) release a Borrower from its obligations under the Agreement, (E) release any of the Subsidiary Guarantors from their obligations under the Loan Documents except as permitted by Section 10.9(a)(iii), or release all or any material portion of the Collateral from the Liens of the Security Documents (except as may be expressly permitted thereunder or in connection with a transaction permitted by Section 8.3, 8.5 or 8.7), or (F) amend, modify or affect this Section 11.1(b); and

(iv) unless agreed to by the Administrative Agent, amend, modify or otherwise affect the rights or duties of the Administrative Agent under the Loan Documents.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except as provided in Section 2.7(b).

Any such amendment, supplement, modification, waiver or consent shall apply equally to each Credit Party and shall be binding upon each Credit Party and each Loan Party to the applicable Loan Document, and upon all future holders of the Notes. In the case of any waiver, the Credit Parties and each Loan Party to the applicable Loan Document shall be restored to their former position and rights hereunder and under the outstanding Notes and other Loan Documents to the extent provided for in such waiver, and any Default waived shall not extend to any subsequent or other Default, or impair any right consequent thereon. Notwithstanding the foregoing, the Administrative Agent and the Borrowers may, with the consent of the other, amend, modify or supplement this Agreement and any other Loan Document to cure any ambiguity, omission, typographical error, defect or inconsistency if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

11.2 Notices.

(a) Any communication, demand or notice to be given hereunder will be duly given when delivered in writing, by facsimile or by electronic communications to a party at its address as indicated below or such other address as such party may specify in a notice to each other party hereto in the manner provided for herein. A communication, demand or notice given pursuant to this Section 11.2 shall be addressed:

provided, however, that any notice, request or demand by the Administrative Borrower pursuant to Sections 2.2, 2.3, 2.4 or 3.3 shall not be effective until received. Any party to a Loan Document may rely on signatures of the parties thereto which are transmitted by facsimile or other electronic means as fully as if originally signed.

(b) Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (c) below, shall be effective as provided in such subsection (c).

(c) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including email and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to Article 2 if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Administrative Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an email address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return email or other written acknowledgment); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its email address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Borrowers hereby agree, unless directed otherwise by the Administrative Agent or unless the email address referred to below has not been provided by the Administrative Agent to the Borrowers, that they will provide to the Administrative Agent all information, documents and other materials that they are obligated to furnish to the Lenders or the Administrative Agent pursuant to this Agreement, excluding (i) any Borrowing Request or Notice of Continuation/Conversion or any communication related thereto, (ii) any communication that relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) any notice of any Default or Event of Default under this Agreement or any other Loan Document or (iv) any notice that is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic format acceptable to the Administrative Agent to an email address as directed by the Administrative Agent.

(e) The Borrowers acknowledge that the Administrative Agent may make available to the Lenders Communications provided by the Borrowers hereunder by posting such Communications on DebtX or another similar electronic platform. Such platform shall be deemed to be provided “as is” and “as available.” Neither the Administrative Agent nor any of its directors, officers, employees, agents or advisors warrants the accuracy or completeness of the communications or the adequacy of such electronic platform and each expressly disclaims liability for errors or omissions in the communications. The Administrative Agent makes no warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects in connection with the Communications or such electronic platform. In no event shall the Administrative Agent or any of its directors, officers, employees, agents or advisors have any liability to the Borrowers, any Lender or any other Person for damages of any kind, whether or not based on strict liability and including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of a Borrower’s or the Administrative Agent’s transmission of Communications electronically, except to the extent the liability of any such person is found in a final ruling by a court of competent jurisdiction to have resulted primarily from such Person’s gross negligence or willful misconduct, and no claim may be made by a Borrower or any other Person against the Administrative Agent or any or its directors, officers, employees, agents or advisors for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability.

(f) The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices given by a Borrower even if such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein. All telephonic notices to and other communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

11.3 Survival.

All covenants, agreements, representations and warranties made by the Borrowers herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder and shall continue in full force and effect as long as the principal of or any accrued interest on any Loans or any fee or any other amount payable under the Loan Documents is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Sections 3.5, 3.6, 3.7 and 11.4 and Article 10 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

11.4 Expenses; Indemnity.

(a) The Borrowers agree, upon demand therefor and whether any Loan is made, jointly and severally, (i) to pay or reimburse the Administrative Agent and its Related Parties for all reasonable and documented out-of-pocket expenses incurred in connection with the consummation of the transactions contemplated by the Loan Documents, including the reasonable and documented out-of-pocket fees, charges and disbursements of the Administrative Agent's counsel, any documents prepared in connection therewith and the consummation of the transactions contemplated thereby and (ii) to pay or reimburse each Credit Party for all of its reasonable and documented out-of-pocket costs and expenses, including reasonable and documented out-of-pocket fees and disbursements of counsel, incurred in connection with (A) the protection or enforcement of its rights under the Loan Documents, including any related collection proceedings and any negotiation, restructuring or "work-out", and (B) the enforcement of this Section.

(b) The Borrowers shall, on demand therefor, jointly and severally indemnify each Credit Party and each of their respective Related Parties (each, an "**Indemnified Person**") against, and hold each Indemnified Person harmless from, any and all losses, claims, damages, penalties, liabilities and related expenses, including the reasonable out-of-pocket fees, charges and disbursements of any counsel, incurred by or asserted against any Indemnified Person in connection with or in any way arising out of any Loan Document or any transaction contemplated hereby, including as a result of (i) any breach by a Loan Party of the terms of any Loan Document, the use of proceeds of any Loan or any action or failure to act on the part of a Loan Party, (ii) the consummation or proposed consummation of the transactions contemplated hereby, (iii) any Loan or the use of the proceeds therefrom, (iv) any actual or alleged presence or release of Hazardous Substance on or from any property owned or operated by a Loan Party, or any liability in respect of any Environmental Law related in any way to a Loan Party, (v) any action or failure to act on the part of a Loan Party or (vi) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnified Person is a party thereto, but excluding any such claim, litigation or proceeding brought by a Lender against another Lender (excluding the Administrative Agent in its capacity as such) (collectively, the "**Indemnified Liabilities**"), provided that such indemnity shall not, as to any Indemnified Person, be available to the extent that such losses, claims, damages, penalties, liabilities or related expenses resulted from the gross negligence or willful misconduct of such Indemnified Person or its Related Parties.

(c) To the extent that the Borrowers fail to pay any amount required to be paid by it to the Administrative Agent or any of its Affiliates under subsection (a) or (b) of this Section 11.4, each Lender severally agrees, on demand therefor, to pay to the Administrative Agent such Lender's Total Percentage of such amount (determined as of the time that the applicable unreimbursed expense or Indemnified Liability is sought).

(d) To the extent permitted by applicable Law, the Borrowers shall not assert, and the Borrowers hereby waive, any claim against any Indemnified Person for any special, indirect, consequential or punitive damages (whether accrued and whether known or suspected to exist in its favor) arising out of, in connection with, or as a result of, the Loan Documents, the transactions contemplated thereby or any Loan or the use of the proceeds thereof.

11.5 Successors and Assigns.

(a) The Loan Documents shall be binding upon and inure to the benefit of each of the parties thereto, and their respective successors and assigns, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Credit Party (and any such attempted assignment or transfer without such consent shall be null and void).

(b) Each Lender may assign all or a portion of its rights and obligations under the Loan Documents to (i) any Subsidiary or Affiliate of such Lender (other than a natural Person), (ii) any other Lender or Affiliate of such other Lender (other than a natural Person), or (iii) with the consent of the Administrative Borrower (which consent (x) shall not be unreasonably withheld or delayed, (y) shall be deemed to have been given if the Administrative Borrower has not responded within ten (10) Business Days of its receipt of a written request for such consent and (z) shall not be required during the continuance of an Event of Default) and the Administrative Agent (which consent shall not be unreasonably withheld or delayed), to any other Eligible Institution; provided that:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Revolving Commitment or Term Loan Commitment, as the case may be, the amount of the Revolving Commitment or Term Loan Commitment, as the case may be, of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption Agreement with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$2,500,000 or, if less, its remaining Revolving Commitment or Term Loan Commitment, unless otherwise consented to by the Administrative Borrower; and

(B) the assignor and such assignee shall deliver to the Administrative Agent three copies of an Assignment and Assumption Agreement executed by each of them, along with an assignment fee in the sum of \$3,500 (unless such fee is waived by the Administrative Agent in its sole discretion) for the account of the Administrative Agent and, if the assignee is not then a Lender and is (i) a Foreign Credit Party, the documents required by Section 3.7(f), or (ii) a "United States person" within the meaning of Section 7701(a)(30) of the Code, the documents required by Section 3.7(e).

Upon receipt of such number of executed copies of each such Assignment and Assumption Agreement together with the assignment fee therefor and the consents required to such assignment, if required, the Administrative Agent shall record the same and execute not less than two copies of such Assignment and Assumption Agreement in the appropriate place, deliver one such copy to the assignor and one such copy to the assignee, and deliver one photocopy thereof, as executed, to the Administrative Borrower. From and after the "Assignment Effective Date" as defined and specified in such Assignment and Assumption Agreement, the assignee thereunder shall, unless already a Lender, become a party hereto and shall, for all purposes of the Loan Documents, be deemed a "Lender", and, to the extent provided in such Assignment and Assumption Agreement, the assignor Lender thereunder shall be released from its obligations under this Agreement and the other Loan Documents. The Borrowers agree that, if requested, in connection with each such assignment, they shall at their own cost and expense execute and deliver to the Administrative Agent or such assignee a Note or Notes, each payable to the order of such assignee and dated the Effective Date. The Administrative Agent shall be entitled to rely upon the representations and warranties made by the assignee under each Assignment and Assumption Agreement.

(c) Any Lender may at any time, without the consent of, or notice to, the Borrowers or the Administrative Agent, sell participations to any Eligible Institution (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitments and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) the Borrowers, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 11.4(c) with respect to any payments made by such Lender to its Participant(s).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver with respect to Section 11.1(b)(i) or (ii) that affects such Participant. The Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.5, 3.6 and 3.7 (subject to the requirements and limitations therein, including the requirements under Section 3.7(e) or (f) (it being understood that the documentation required under Section 3.7(e) or (f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 3.6(f) and 3.7(g) as if it were an assignee under subsection (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 3.6 or 3.7, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Regulatory Change that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrowers' request and expense, to use reasonable efforts to cooperate with the Borrowers to effectuate the provisions of Section 3.9 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 2.5(b) as though it were a Lender; provided that such Participant agrees to be subject to Section 2.5(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Subject to subsection (e) below, any Lender may at any time pledge all or any portion of its rights under any Loan Document to any Federal Reserve Bank without the consent of the Borrowers.

(e) Except to the extent of any assignment pursuant to subsection (b) above, no Lender shall be relieved of any of its obligations under the Loan Documents as a result of any assignment of or granting of participations in, all or any part of its rights and obligations under the Loan Documents.

11.6 Limitation of Liability.

To the extent permitted by applicable Law, no claim may be made by a Borrower, any other Loan Party or any other Person against any Credit Party or any directors, officers, employees or agents of any Credit Party for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability arising out of or related to the transactions contemplated by this Agreement, the Notes, or any of the other Loan Documents or any act, omission or event occurring in connection therewith; and to the extent permitted by applicable Law, each Borrower, for itself and each other Loan Party, hereby waives, releases and agrees not to sue upon any claim for any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

11.7 Counterparts; Integration.

Each Loan Document (other than the Notes) may be executed by one or more of the parties thereto on any number of separate counterparts and all of said counterparts taken together shall be deemed to constitute one and the same document. It shall not be necessary in making proof of any Loan Document to produce or account for more than one counterpart signed by the party to be charged. Delivery of an executed counterpart of a signature page of any Loan Document by facsimile or email transmission shall be effective as delivery of a manually executed counterpart of such Loan Document. The Loan Documents and any separate letter agreements with respect to fees payable to any Credit Party (including the Fee Letter) embody the entire agreement and understanding among the Loan Parties and the Credit Parties with respect to the subject matter thereof and supersede all prior agreements and understandings among the Loan Parties and the Credit Parties with respect to the subject matter thereof.

11.8 Severability.

Every provision of the Loan Documents is intended to be severable, and if any term or provision thereof shall be invalid, illegal or unenforceable for any reason, the validity, legality and enforceability of the remaining provisions thereof shall not be affected or impaired thereby, and any invalidity, illegality or unenforceability in any jurisdiction shall not affect the validity, legality or enforceability of any such term or provision in any other jurisdiction.

11.9 Construction.

Each party to a Loan Document represents that it has been represented by counsel in connection with the Loan Documents and the transactions contemplated thereby and that the principle that agreements are to be construed against the party drafting the same shall be inapplicable.

11.10 GOVERNING LAW.

The Loan Documents and the rights and obligations of the parties thereunder shall be governed by, and construed and interpreted in accordance with, the internal laws of the State of New York, without regard to principles of conflict of laws.

11.11 Jurisdiction; Service of Process.

Each party to a Loan Document hereby irrevocably submits to the nonexclusive jurisdiction of any New York State or Federal court sitting in New York County, New York over any suit, action or proceeding arising out of or relating to the Loan Documents. Each party to a Loan Document hereby irrevocably waives, to the fullest extent permitted or not prohibited by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum. Each Loan Party hereby agrees that a final judgment in any such suit, action or proceeding brought in such a court, after all appropriate appeals, shall be conclusive and binding upon it and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that a Credit Party may otherwise have to bring any action or proceeding relating to Loan Documents against a Borrower or its properties in the courts of any jurisdiction as permitted by applicable Law. Each party to a Loan Document hereby irrevocably consents to service of process in the manner provided for notices in Section 11.2. Nothing in this Agreement will affect the right of any party to a Loan Document to serve process in any other manner permitted by law.

11.12 WAIVER OF TRIAL BY JURY.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.12.

11.13 USA Patriot Act Notice.

Each Lender hereby notifies the Borrowers that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the names and addresses of the Borrowers and other information that will allow such Lender to identify the Borrowers in accordance with the Patriot Act. The Borrowers shall, and shall cause each of the Guarantors to, provide, to the extent commercially reasonable, such information and take such actions as are reasonably requested by any Lender in order to assist such Lender in maintaining compliance with the Patriot Act.

11.14 Keepwell.

Each Borrower and each Guarantor, if it is a Qualified ECP Guarantor, then jointly and severally, together with each other Qualified ECP Guarantor, hereby absolutely unconditionally and irrevocably (a) guarantees the prompt payment and performance of all Hedging Obligations owing by each Non-Qualifying Party (it being understood and agreed that this guarantee is a guaranty of payment and not of collection), and (b) undertakes to provide such funds or other support as may be needed from time to time by any Non-Qualifying Party to honor all of such Non-Qualifying Party's obligations under this Agreement or any other Loan Document in respect of Hedging Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section, or otherwise under this Agreement or any other Loan Document, voidable under applicable Law, including applicable Law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section shall remain in full force and effect until payment in full of the Obligations and termination of this Agreement and the other Loan Documents. Each Qualified ECP Guarantor intends that this Section constitute, and this Section shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support, or other agreement" for the benefit of each Borrower and each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

11.15 Confidentiality.

Each Credit Party agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, counsel, accountants, advisors, actual and prospective investors, and other representatives (collectively, the "**Representatives**") (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it, (c) to the extent required by applicable law or regulations or by any subpoena or similar judicial or legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) to any assignee or Participant or proposed assignee or Participant (or Representatives thereof) in connection with the assignment or participation or proposed assignment or participation of any of its rights or obligations under this Agreement, provided that such parties agree to be bound by confidentiality provisions substantially similar to those hereunder, (g) with the consent of the Administrative Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 11.15 or (ii) becomes available to such Credit Party or any of its Representatives on a non-confidential basis from a source other than a Loan Party. For purposes of this Section, "**Information**" means all information received from the Parent, the Holding Company, the Intermediate Holding Company, a Borrower or any of their Subsidiaries or from any other Person on behalf of the Parent, the Holding Company, the Intermediate Holding Company, a Borrower or any of their Subsidiaries relating to the Parent, the Holding Company, the Intermediate Holding Company, a Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to such Credit Party on a non-confidential basis prior to disclosure by the Parent, the Holding Company, the Intermediate Holding Company, a Borrower or any of their Subsidiaries or from any other Person on behalf of the Parent, the Holding Company, the Intermediate Holding Company, a Borrower or any of their Subsidiaries.

11.16 Press Releases and Related Matters.

The Borrowers agree and shall cause their respective controlled Affiliates to agree that they will not in the future issue any press releases or other public disclosure using the name of the Administrative Agent or referring to this Agreement or any of the other Loan Documents without the prior written consent of such Person, unless (and only to the extent that) a Borrower or any of such Borrower's Affiliates is required to do so under Law and then, in any event, such Borrower or such Affiliate will use commercially reasonable efforts to consult with such Person before issuing such press release or other public disclosure. The Borrowers, on behalf of themselves and their controlled Affiliates, consent to the publication by the Administrative Agent or any Lender of customary advertising material prepared in consultation with the Borrowers relating to the financing contemplated by this Agreement using the name, product photographs, logo or trademark of the Loan Parties (but not, for purposes of clarity, any pricing, covenant, maturity date or other economic term of any Loan Document); provided, however, that neither the Administrative Agent nor any Lender shall issue any press release or similar public announcement using the name, logo or otherwise referring to any Loan Party or any Subsidiary or Affiliate of any Loan Party, the Loan Documents or any Related Transaction without the prior written consent of the Borrowers.

11.17 Acknowledgment and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

11.18 NMS as Administrative Borrower.

Each Borrower hereby irrevocably appoints NMS as the borrowing agent and attorney-in-fact for the Borrowers (the "**Administrative Borrower**") which appointment shall remain in full force and effect unless and until the Administrative Agent shall have received prior written notice signed by each Borrower that such appointment has been revoked and that another Borrower has been appointed Administrative Borrower. Each Borrower hereby irrevocably appoints and authorizes the Administrative Borrower (i) to provide the Administrative Agent with all notices with respect to Loans obtained for the benefit of either Borrower and all other notices and instructions under this Agreement and (ii) to take such action as the Administrative Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Loans and Collateral of the Borrowers in a combined fashion, as more fully set forth herein, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that the Administrative Agent shall not incur liability to either Borrower as a result hereof. Each Borrower expects to derive benefit, directly or indirectly, from the handling of the Loans and the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group. To induce the Administrative Agent to do so, and in consideration thereof, each Borrower hereby jointly and severally agrees to indemnify the Administrative Agent and Lenders, and hold the Administrative Agent and the other Credit Parties harmless against, any and all liability, expense, loss or claim of damage, or injury, made against the Administrative Agent and/or any other Credit Party by either Borrower or by any third Person whatsoever, arising from or incurred by reason of (a) the handling of the Loans and Collateral of the Borrowers as herein provided, (b) the Administrative Agent's and the other Credit Parties' relying on any instructions of the Administrative Borrower, or (c) any other action taken by the Administrative Agent and/or the other Credit Parties hereunder or under the other Loan Documents, except that the Borrowers will have no liability to the Administrative Agent and the other Credit Parties under this Section 11.18 with respect to any liability that has resulted solely from the gross negligence or willful misconduct of the Administrative Agent and/or the Credit Parties.

PARENT GUARANTY AGREEMENT

PARENT GUARANTY AGREEMENT, dated as of November 8, 2018 (this "*Guaranty Agreement*"), between **NEWTEK BUSINESS SERVICES CORP.**, a Maryland corporation (the "*Guarantor*"), and **WEBSTER BANK, NATIONAL ASSOCIATION**, as administrative agent for the Lenders from time to time party to the credit agreement referred to below (in such capacity, the "*Administrative Agent*").

RECITALS

Reference is made to the Credit Agreement, dated as of November 8, 2018 (as the same may be amended, supplemented or otherwise modified from time to time, the "*Credit Agreement*"), by and among **UNIVERSAL PROCESSING SERVICES OF WISCONSIN LLC** (DBA NEWTEK MERCHANTS SOLUTIONS), a New York limited liability company, and **PREMIER PAYMENTS LLC** (DBA NEWTEK PAYMENT SOLUTIONS), a New York limited liability company (together, the "*Borrowers*"), the several banks and other parties from time to time parties thereto as lenders and the Administrative Agent. Capitalized terms used herein which are not defined herein are used as defined in the Credit Agreement.

The Lenders have agreed to make the Term Loans and Revolving Loans to the Borrowers pursuant to, and upon the terms and subject to the conditions specified in, the Credit Agreement. The Guarantor is the parent of Newtek Business Services Holdco 1, Inc., which is the parent of NBSH Holdings, LLC, which in turn is the parent of each of the Borrowers. The Guarantor acknowledges that it will derive substantial direct and indirect benefit from the making of the Loans. The obligations of the Lenders to make the Term Loans and Revolving Loans are conditioned upon, among other things, the execution and delivery by the Guarantor of this Guaranty Agreement.

Accordingly, the Guarantor and the Administrative Agent hereby agree as follows:

Section 1. Guarantee; Fraudulent Transfer, etc.; Contribution

The Guarantor unconditionally guarantees, jointly with each of the other Guarantors (as defined in the Credit Agreement) and severally, as a primary obligor and not merely as a surety, payment and performance to the Credit Parties of all present and future indebtedness and liabilities of the Borrowers to the Credit Parties, of whatever type and however arising under the Credit Agreement and the other Loan Documents, whether now existing or hereafter arising, created, assumed, incurred or acquired, whether direct, indirect, fixed or contingent, whether incurred as primary obligor or otherwise, whether secured or unsecured, and whether on open account, and whether such obligations and liabilities arose or accrued before or after the occurrence of any Event of Default under Section 9.1(h) or (i) of the Credit Agreement and whether allowed as a claim, including, without limitation, (i) the due and prompt payment of (1) all principal of the Loans, interest thereon and breakage costs (for which the Borrowers are obligated to indemnify a Credit Party under the Credit Agreement), if any, (whether such obligations and liabilities arose or accrued during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, and regardless of whether allowed or allowable in such proceeding), (2) all other monetary obligations, including fees, commissions, costs, expenses and indemnities, whether primary, secondary, direct, contingent, fixed or otherwise (including monetary obligations incurred during the pendency of any bankruptcy, insolvency, receivership or other similar proceeding, regardless of whether allowed or allowable in such proceeding) of the Borrowers to the Credit Parties, or that are otherwise payable to the Credit Parties under the Credit Agreement and the other Loan Documents, (3) all obligations, whether contingent or matured, of the Loan Parties under any Specified Hedging Agreement, other than Excluded Swap Obligations, (4) all Cash Management Obligations, (5) all Reimbursement Obligations, (6) all reasonable costs and expenses of the Credit Parties in enforcing, preserving and protecting any and all of its interests under the Credit Agreement or any other Loan Documents, whether or not suit is instituted, to the extent provided in any Loan Document and (7) the performance of all covenants, agreements, obligations and liabilities of the Loan Parties and any other guarantor of the Obligations (as defined in the Credit Agreement) under or pursuant to the Credit Agreement and the other Loan Documents, whether fixed, contingent, now existing or hereafter arising, created, assumed, incurred or acquired (collectively, the "*Obligations*"). The Guarantor further agrees that the Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Obligation. Notwithstanding the foregoing, the Obligations of the Guarantor excludes any obligation of either Borrower under any Specified Hedging Agreement until such time as, and for so long as, the assets of the Guarantor exceeds \$10,000,000, at which time, Obligations shall include any existing and future Specified Hedging Agreement, and whenever such assets fall below \$10,000,000, any such obligation shall again be excluded.

(a) Anything in this Guaranty Agreement to the contrary notwithstanding, the obligations of the Guarantor hereunder shall be limited to a maximum aggregate amount equal to the greatest amount that would not render the Guarantor's obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any provisions of applicable state law (collectively, the "*fraudulent transfer laws*"), in each case after giving effect to all other liabilities of the Guarantor, contingent or otherwise, that are relevant under the fraudulent transfer laws (specifically excluding, however, any liabilities of the Guarantor (i) in respect of debt owed or owing to the Borrowers or Subsidiaries of either Borrower to the extent that such debt would be discharged in an amount equal to the amount paid by the Guarantor hereunder and (ii) under any Guarantee of senior unsecured debt or Indebtedness subordinated in right of payment to the Obligations, which Guarantee contains a limitation as to maximum amount similar to that set forth in this paragraph (b), pursuant to which the liability of the Guarantor hereunder is included in the liabilities taken into account in determining such maximum amount) and after giving effect as assets to the value (as determined under the applicable provisions of the fraudulent transfer laws) of any rights to subrogation, contribution, reimbursement, indemnity or similar rights of the Guarantor pursuant to (1) applicable law or (2) any agreement providing for an equitable allocation among the Guarantor and Subsidiaries of either Borrower of obligations arising under Guarantees by such parties.

Section 2. Obligations Not Waived

To the fullest extent permitted by applicable law, the Guarantor waives presentment to, demand of payment from, and protest to the Borrowers of any of the Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment. To the fullest extent permitted by applicable law, the obligations of the Guarantor hereunder shall not be affected by (a) the failure of the Administrative Agent or any Lender to assert any claim or demand or to enforce or exercise any right or remedy against the Borrowers or any other Guarantor under the provisions of the Credit Agreement or any other Loan Document, or otherwise, (b) any rescission, waiver, amendment or modification of, or any release from, any of the terms or provisions of this Guaranty Agreement, any other Loan Document, any Guarantee or any other agreement, including with respect to any other Guarantor (as defined in the Credit Agreement) or (c) the failure to perfect any security interest in, or the release of, any of the security held by or on behalf of the Administrative Agent or any Lender.

Section 3. Guarantee of Payment

The Guarantor further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Administrative Agent to any of the security held for payment of the Obligations or to any balance of any deposit account or credit on the books of the Administrative Agent or any Lender in favor of a Borrower or any other Person.

Section 4. No Discharge or Diminishment of Guarantee

Subject to Section 10, the obligations of the Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the indefeasible payment in full in cash of the Obligations), including any claim of waiver, release, surrender, alteration or compromise of any of the Obligations, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of the Guarantor hereunder shall not be discharged or impaired or otherwise affected by the failure of the Administrative Agent or any Lender to assert any claim or demand or to enforce any remedy under the Credit Agreement, any other Loan Document or any other agreement, by any waiver or modification of any provision of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or omission that may or might in any manner or to any extent vary the risk of any other Guarantor (as defined in the Credit Agreement) or that would otherwise operate as a discharge of any other Guarantor (as defined in the Credit Agreement) as a matter of law or equity (other than the indefeasible payment in full in cash of all the Obligations).

Section 5. Defenses of Borrowers Waived

To the fullest extent permitted by applicable law, the Guarantor waives any defense based on or arising out of any defense of the Borrowers or any other Guarantor (as defined in the Credit Agreement) or the unenforceability of the Obligations or any part thereof from any cause, or the cessation from any cause of the liability of the Borrowers or any other guarantor of the Obligations, other than the final and indefeasible payment in full in cash of the Obligations. The Administrative Agent may, at its election, foreclose on any security held by it by one or more judicial or non-judicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with the Borrowers, any other Loan Party, or any other guarantor of the Obligations, or exercise any other right or remedy available to it against the Borrowers or any other Guarantor (as defined in the Credit Agreement), without affecting or impairing in any way the liability of the Guarantor hereunder except to the extent the Obligations have been fully, finally and indefeasibly paid in cash. Pursuant to applicable law, the Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of the Guarantor against the Borrowers or any other Guarantor (as defined in the Credit Agreement), as applicable, or any security.

Section 6. Agreement to Pay; Subordination

(a) In furtherance of the foregoing and not in limitation of any other right that the Administrative Agent has at law or in equity against the Guarantor by virtue hereof, upon the failure of either Borrower, any other Loan Party, or any other guarantor of the Obligations to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, the Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent in cash the amount of such unpaid Obligations. Upon payment by the Guarantor of any sums to the Administrative Agent as provided above, all rights of the Guarantor against the Borrowers arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior indefeasible payment in full in cash of all the Obligations.

(b) In addition, any debt of either Borrower, any other Loan Party, or any other guarantor of the Obligations now or hereafter held by the Guarantor is hereby subordinated in right of payment to the prior indefeasible payment in full in cash of all of the Obligations, *provided* that, so long as there is no Event of Default or Default under the Loan Documents then existing or continuing, payments may be made by such Borrower, such other Loan Party, or such other guarantor of the Obligations in connection with such debt to the extent not otherwise prohibited under the Loan Documents. If any amount shall erroneously be paid to the Guarantor on account of (a) such subrogation, contribution, reimbursement, indemnity or similar right or (b) any such debt of a Borrower or such other guarantor (other than as permitted hereunder), such amount shall be held in trust for the benefit of the Administrative Agent and shall forthwith be paid to the Administrative Agent to be credited against the payment of the Obligations, whether matured or unmatured, in accordance with the terms of the Loan Documents.

Section 7. Information

The Guarantor assumes all responsibility for being and keeping itself informed of the Borrowers' and each other Guarantor's (as defined in the Credit Agreement) financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations and the nature, scope and extent of the risks that the Guarantor assumes and incurs hereunder, and agrees that the Administrative Agent and the Lenders shall not have any duty to advise the Guarantor of information known to it regarding such circumstances or risks.

Section 8. Representations and Warranties

The Guarantor represents and warrants to the Administrative Agent and the Lenders that:

(a) The Guarantor is duly organized and validly existing in good standing under the laws of the jurisdiction of its incorporation or formation, has all requisite power and authority to own its Property and to carry on its business as now conducted and is in good standing and authorized to do business in each jurisdiction in which the nature of the business conducted therein or the Property owned by it therein makes such qualification necessary, except where the failure to qualify would not reasonably be expected to have a Material Adverse Effect.

(b) The Guarantor has full legal power and authority to enter into, execute, deliver and perform the terms of this Guaranty Agreement which has been duly authorized by all proper and necessary corporate or limited liability company, as the case may be, action, and is in full compliance with its Organizational Documents. The Guarantor has duly executed and delivered this Guaranty Agreement.

(c) This Guaranty Agreement constitutes the valid and legally binding obligation of the Guarantor, enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors' rights generally and general principles of equity (whether considered in an action of law or in equity).

(d) Except as has been obtained, no consent of any other Person and no authorization, approval or other action by, and no notice to or filing with, any Governmental Authority or regulatory body is required for the guarantee by the Guarantor pursuant to this Guaranty Agreement or for the execution, delivery or performance of this Guaranty Agreement by the Guarantor.

(e) The Guarantor is in compliance in all material respects with all statutes, regulations, rules and orders of all Governmental Authorities which are applicable to it, except where the failure to comply would not reasonably be expected to have a Material Adverse Effect.

(f) The Guarantor has filed or caused to be filed all material tax returns required to be filed by it and has paid, or has made adequate provision for the payment of, all Taxes shown to be due and payable on said returns or in any assessments made against it (other than any taxes the amount of which is currently being contested in good faith by appropriate proceedings and with respect to which reserves (or other sufficient provisions) in conformity with GAAP have been provided on the books of the Guarantor); and, on the Effective Date, no tax Lien has been filed and no written claim is being asserted, with respect to any such tax, fee or other charges.

(g) The Guarantor is an internally managed, non-diversified, closed-end management investment company that has elected to be regulated as a business development company under the Investment Company Act of 1940, as amended, and has elected to be treated as a regulated investment company (a "RIC") under Subchapter M of the Internal Revenue Code of 1986, as amended for U.S. federal income tax purposes.

(h) No representation or warranty contained in any Loan Document, and no certificate or report from time to time furnished by the Guarantor in connection with the transactions contemplated thereby, contains or will contain a misstatement of material fact, or, to the best knowledge of the Guarantor, omits or will omit to state a material fact required to be stated in order to make the statements therein contained not misleading in the light of the circumstances under which made; it being recognized by the Administrative Agent that any projections delivered by the Guarantor to the Credit Parties as to future events are not to be viewed as facts, and that actual results during the periods covered thereby may differ from projected results.

(i) Immediately after giving effect to this Guaranty Agreement, the Guarantor is and will be Solvent.

(j) No indenture, certificate of designation for preferred stock, agreement or instrument to which the Guarantor is a party, prohibits or limits in any way, directly or indirectly the ability of the Guarantor to repay the Obligations.

Section 9. Covenants

The Guarantor covenants and agrees that so long as any of the Obligations remain unpaid and unless otherwise consented to in writing by the Required Lenders, the Guarantor will (a) at all times, subject to applicable grace periods set forth in the Code, maintain its status as a RIC under the Code, and as a BDC and (b) perform, observe and otherwise comply with all of the covenants of the Borrowers under Sections 7.2, 7.3, 7.7, 7.8 and 7.11 of the Credit Agreement as if such covenants stated that they applied to the Guarantor and were repeated separately herein by the Guarantor.

Section 10. Termination

The guarantee made hereunder (a) shall terminate upon payment in full of all of the Obligations (other than inchoate indemnification obligations which by their terms expressly survive termination of the Loan Documents) and the termination of the Lenders' commitments to make Loans and (b) shall continue to be effective or be reinstated, as applicable, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by any Credit Party or the Guarantor upon the bankruptcy or reorganization of either Borrower or the Guarantor or otherwise.

Section 11. Binding Effect; Several Agreement; Assignments

Whenever in this Guaranty Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Guarantor that are contained in this Guaranty Agreement shall bind and inure to the benefit of each party hereto and its successors and assigns. This Guaranty Agreement shall become effective as to the Guarantor when a counterpart hereof executed on behalf of the Guarantor shall have been delivered to the Administrative Agent, and thereafter shall be binding upon the Guarantor and the Administrative Agent, and their respective successors and assigns, and shall inure to the benefit of the Guarantor and the Administrative Agent, and their respective successors and assigns, except that neither the Administrative Agent nor the Guarantor shall have the right to assign its rights or obligations hereunder or any interest herein (and any such attempted assignment shall be void), except as expressly contemplated by this Guaranty Agreement or the other Loan Documents.

Section 12. Waivers; Amendment

(a) No failure or delay of the Administrative Agent in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent hereunder and of the Administrative Agent and the other Credit Parties under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Guaranty Agreement or any other Loan Document or consent to any departure by the Guarantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 12, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Guaranty Agreement nor any provision hereof may be waived, amended or modified except pursuant to a written agreement entered into by, between the Administrative Agent and the Guarantor.

Section 13. GOVERNING LAW

THIS GUARANTY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARDS TO ITS RULES PERTAINING TO CONFLICTS OF LAWS.

Section 14. Notices

All communications and notices hereunder shall be in writing and given as provided in Section 11.2 of the Credit Agreement. All communications and notices hereunder to the Guarantor shall be given to it at the address for notices set forth for the Borrowers in such Section.

Section 15. Survival of Agreement; Severability

(a) All covenants, agreements, representations and warranties made by the Guarantor herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Guaranty Agreement or any other Loan Document shall be considered to have been relied upon by the Credit Parties and shall survive the execution and delivery of any Loan Document and the making of any Loan under the Credit Agreement, regardless of any investigation made by the Administrative Agent or any Lender or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect until this Guaranty Agreement shall terminate.

(b) In the event any one or more of the provisions contained in this Guaranty Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 16. Counterparts

This Guaranty Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute but one contract (subject to Section 11), and shall become effective as provided in Section 11. Delivery of an executed counterpart of this Guaranty Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually executed counterpart of this Guaranty Agreement.

Section 17. Rules of Interpretation

The rules of interpretation specified in Section 1.3 of the Credit Agreement shall be applicable to this Guaranty Agreement.

Section 18. Jurisdiction: Consent to Service of Process

(a) Each party hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York state court or federal court of the United States of America sitting in New York, New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Guaranty Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that, to the extent permitted by applicable law, all claims in respect of any such action or proceeding may be heard and determined in such state or, to the extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Guaranty Agreement shall affect any right that any party hereto may otherwise have to bring any action or proceeding relating to this Guaranty Agreement or the other Loan Documents in the courts of any jurisdiction.

(b) Each party hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Guaranty Agreement or the other Loan Documents in any court referred to in paragraph (a) of this Section 18. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Guaranty Agreement irrevocably consents to service of process in the manner provided for notices in Section 14. Nothing in this Guaranty Agreement will affect the right of any party to this Guaranty Agreement to serve process in any other manner permitted by law.

Section 19. WAIVER OF JURY TRIAL

EACH PARTY HERETO (AND THE ADMINISTRATIVE AGENT, BY ITS ACCEPTANCE OF THIS GUARANTY AGREEMENT) HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS GUARANTY AGREEMENT. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 19.

Section 20. Right of Setoff

If an Event of Default shall have occurred and be continuing, the Administrative Agent and each Lender is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other Indebtedness at any time owing by the Administrative Agent or such Lender to or for the credit or the account of the Guarantor against any or all the obligations of the Guarantor now or hereafter existing under this Guaranty Agreement and the other Loan Documents held by the Administrative Agent or such Lender, irrespective of whether or not the Administrative Agent shall have made any demand under this Guaranty Agreement or any other Loan Document and although such obligations may be unmatured. The rights of the Administrative Agent and the Lenders under this Section 20 are in addition to other rights and remedies (including other rights of setoff) which the Administrative Agent and the Lenders may have.

Section 21. Headings

Section headings used herein are for convenience of reference only, are not part of this Guaranty Agreement and are not to affect the construction of, or be taken into consideration in interpreting, this Guaranty Agreement.

Section 22. Enforcement Costs and Expenses

The Guarantor agrees to pay, upon demand, to the Administrative Agent and the Lenders the amount of any and all reasonable out-of-pocket costs, fees and expenses, including the reasonable out-of-pocket fees and expenses of counsel, which the Administrative Agent and the Lenders may incur in connection with the exercise or enforcement of any of its rights hereunder against the Guarantor.
