Our Business

We are a financial holding company that is a leading business and financial solutions provider to small-and-medium sized businesses ("SMBs"). NewtekOne and its subsidiaries provide SMBs with the following Newtek® branded business and financial solutions: Newtek Bank, Newtek Lending, Newtek Payments, Newtek Insurance, Newtek Payroll and Newtek Technology. We have an established and reliable platform that is not limited by client size, industry type, or location. As a result, we believe we have a strong and diversified client base across the United States and across a variety of different industries. In addition, we have developed a financial and technology based business model that enables us to acquire and process our SMB clients in a very cost effective manner. This capability is supported in large part by NewTracker®, our patented prospect management technology software, which is similar to, but we believe better suited for our needs than, the system popularized by Salesforce.com and similar providers. In addition, we are launching the Newtek AdvantageTM (patent pending) dashboard, for our depository and non-depository clients. The Newtek Advantage will offer NewtekOne's clients a single online dashboard to access all of NewtekOne's business and financial solutions. The Newtek Advantage will allow NewtekOne clients to easily interact with NewtekOne subject matter experts in the areas of Banking, Lending, Payments, Technology, Payroll and Insurance. We believe the Newtek Advantage will enable us to grow core retail deposits and provide an advantage to our existing and new clients. We believe that NewtekOne's technology and business model distinguishes us from our competitors.

We define SMBs as companies having revenues of \$1.0 million to \$100.0 million, and we estimate the SMB market to be over 31 million businesses in the U.S. as of October 2020, according to the U.S. Small Business Administration ("SBA"). We expect to generate returns through dividends from our subsidiaries, which have historically generated revenue from business operations, including a combination of realized gains on the sale of the government guaranteed portions of SBA 7(a) loans, servicing income and other income, including revenue generated from Newtek Lending, Newtek Payments, Newtek Insurance, Newtek Payroll and Newtek Technology.

On January 6, 2023, we completed the previously announced acquisition of the National Bank of New York City ("NBNYC" and the "Acquisition," respectively), a national bank regulated and supervised by the Office of the Comptroller of the Currency ("OCC"), pursuant to which the Company acquired from the NBNYC shareholders all of the issued and outstanding stock of NBNYC for \$20 million. NBNYC has been renamed Newtek Bank, National Association ("Newtek Bank," or "Newtek Bank") and has become a wholly owned subsidiary of the Company. In connection with the completion of the Acquisition, the Company contributed to Newtek Bank \$31 million of cash and two of the Company's subsidiaries, Newtek Business Lending, LLC ("NBL") and Small Business Lending, LLC ("SBL"). Upon the consummation of the Acquisition, Newtek Bank entered into an operating agreement with the OCC concerning certain matters including capital, liquidity and concentration limits, and memorializing the business plan submitted to the OCC.

The Company has also filed with the SEC a Form N-54C, Notification of Withdrawal of Election to be Subject to the Investment Company Act of 1940 (the "1940 Act"), and has ceased to be a business development company ("BDC") as of January 6, 2023. As a result of the Acquisition, the Company is now a financial holding company subject to the regulation and supervision of the Board of Governors of the Federal Reserve System (the "Federal Reserve") and the Federal Reserve Bank of Atlanta. The Company no longer qualifies as a regulated investment company for federal income tax purposes and no longer qualifies for accounting treatment as an investment company. As a result, in addition to Newtek Bank and its consolidated subsidiaries, NBL and SBL, the following NewtekOne portfolio companies and subsidiaries are now consolidated non-bank subsidiaries in the Company's financial statements: Newtek Small Business Finance, LLC ("NSBF"); Newtek Merchant Solutions, LLC; Mobil Money, LLC; CDS Business Services, Inc. d/b/a Newtek Business Credit Solutions; PMTWorks Payroll, LLC d/b/a Newtek Payroll and Benefits Solutions; Newtek Insurance Agency, LLC; Titanium Asset Management LLC; Newtek Business Services Holdco 6, Inc; Newtek Commercial Lending, Inc.; Excel WebSolutions, LLC; Mobil Money, LLC, d/b/a Newtek Payment Systems. In addition, as a result of commitments made to the Federal Reserve, the Company will divest or otherwise terminate the activities conducted by Excel WebSolutions,

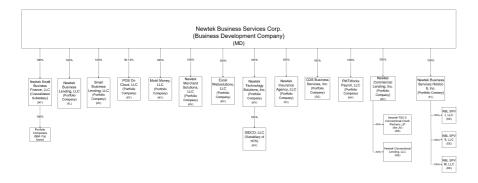

LLC and Newtek Technology Solutions, Inc., including its subsidiary SIDCO, LLC d/b/a/ Cloud Nine Services, within two years of becoming a financial holding company, subject to any extension of the two-year period.

On January 17, 2023, the Company changed its name from Newtek Business Services Corp. to NewtekOne, Inc.

NewtekOne's Business and Financial Solutions Ecosystem

Newtek Lending

SBA 7(a) Lending

Our Newtek Lending platform, which generates a material portion of our revenues, includes loans originated under the federal Section 7(a) loan program, i.e., SBA 7(a) loans. The SBA is an independent government agency that facilitates one of the nation's largest sources of SMB financing by providing credit guarantees for its loan programs. SBA 7(a) loans are partially guaranteed by the SBA, with SBA guarantees typically ranging between 50% and 90% of the principal and interest due. Under the SBA 7(a) lending program, a lender underwrites a loan between \$5,000 and \$5.0 million for a variety of general business purposes based on the SBA loan program requirements. The recoveries and expenses on the unguaranteed portions of these loans are shared pari passus between the SBA and the lender, which substantially reduces the loss severity on the unguaranteed portion of a loan for SBA 7(a) loan investors. SBA 7(a) loans are typically between ten and twenty-five years in maturity, four to five years in duration and bear interest at the prime rate plus a spread from 2.25% to 3.00%. Since the guaranteed portions of SBA 7(a) loans carry the full faith and credit of the U.S. government, lenders may, and frequently do, sell the guaranteed portion of SBA 7(a) loans in the capital markets, hold the unguaranteed portion and retain all loan servicing rights.

Historically, prior to the acquisition of Newtek Bank, the Company's NSBF subsidiary, a small business lending company ("SBLC") licensed by the SBA to originate SBA 7(a) loans, originated, serviced, sold and securitized loans originated under the SBA 7(a) program. As of January 6, 2023, NSBF was the third largest SBA 7(a) lender in the U.S. by loan approval dollar volume, including banks and nonbank lenders. NSBF has received preferred lender program ("PLP") status, a designation whereby the SBA authorizes the most experienced SBA lenders to place SBA guarantees on loans without seeking prior SBA review and approval. PLP status has allowed NSBF to serve its clients in an expedited manner since it is not required to present applications to the SBA for concurrent review and approval. New SBA 7(a) loan originations will be transitioned to Newtek Bank, which anticipates obtaining PLP status. NewtekOne has a dedicated Senior Lending Team (as defined below)

that is now supporting Newtek Bank, which will originate and service SBA 7(a) loans to qualifying SMBs and will follow the NewtekOne SBA 7(a) loan business model, as follows: originate SBA 7(a) loans, sell the guaranteed portions of the SBA 7(a) loans, typically within thirty to forty-five days of origination, and retain the unguaranteed portion until accumulating sufficient loans for investment or securitization. In a securitization, the unguaranteed portions of SBA 7(a) loans are transferred to a special purpose vehicle (a "Trust"), which in turn issues notes against the Trust's assets in private placements. The Trust's primary source of income for repaying the securitization notes is the cash flows generated from the unguaranteed portion of SBA 7(a) loans owned by the Trust. Principal on the securitization notes is paid by cash flows in excess of that needed to pay various fees related to the operation of the Trust and interest on the debt. Securitization notes have an expected maturity of approximately five years, and the Trust is dissolved when the securitization notes are paid in full, either at or prior to maturity. NSBF has completed twelve (12) securitizations. Newtek Bank will continue the SBA 7(a) business model utilizing the NewtekOne Senior Lending Team and may determine to engage in securitization transactions. NSBF will continue to manage and service its portfolio of guaranteed and unguaranteed SBA 7(a) loans. [See Regulation and Supervision - NSBF's Regulation as a Small Business Lending Company and the Transition of SBA 7(a) Lending to Newtek Bank.]

We believe our twenty years of experience as one of the largest SBA 7(a) lenders provides us with a distinct competitive advantage over other SMB lenders that have not overcome these significant barriers-to-entry in our primary loan market. NSBF originated \$775,571,964 of SBA 7(a) loans in 2022 and \$560.6 million of SBA 7(a) loans in 2021. We believe that we will continue to be introduced to a variety of lending opportunities through our existing loan sourcing channels and our subsidiaries' relationships with their clients.

NewtekOne has a dedicated capital markets team that sells the guaranteed portions of our SBA 7(a) loans and securitizes the unguaranteed portions of its SBA 7(a) loans. Historically, NSBF has sold the guaranteed portions of its originated SBA 7(a) loans shortly after origination and retained the unguaranteed portions until accumulating sufficient loans for a securitization. NSBF has historically sold SBA guaranteed portions of SBA 7(a) loans at premiums ranging from 106% to 120% of par value, and in current market conditions, approximately 106% to 115% of par, and any portion of the premium that is above 110% of par value is shared equally between NSBF and the SBA. All new SBA 7(a) loan originations will be transitioned to Newtek Bank, which will continue using the NSBF business model. However, there is no guarantee that Newtek Bank will be able to continue to earn premiums of 106% to 120% on future sales of the guaranteed portions of SBA 7(a) loans or obtain PLP status. See "Item 1A. Risk Factors — We have specific risks associated with SBA loans" in our most recent Annual Report on Form 10-K." Since December 2010, NSBF maintained its securitization program for unguaranteed portions of its SBA 7(a) loans and successfully completed 12 securitization transactions with Standard & Poor's AA or A ratings and advance rates as high as 79.5% of par value. NSBF's most recent securitization occurred in August 2022, when it sold \$116.2 million of Unguaranteed SBA 7(a) Loan-Backed Notes, Series 2022-1, consisting of \$95.38 million of Class A Notes and \$20.83 million Class B Notes, rated "A" and "BBB-", respectively, by S&P Global, Inc. Newtek Bank intends to use core deposits to fund SBA 7(a) loans and may securitize the unguaranteed portions of loans for longer periods, pending deployment of excess capital.

We have focused on making smaller SBA 7(a) loans, approximately \$1.0 million or less, in order to maintain a diversified pool of SBA 7(a) loans that are dispersed both geographically and among industries, with a goal of limiting our exposure to regional and industry-specific economic downturns. Specifically, as of December 31, 2022, NSBF's SBA 7(a) loan portfolio consisted of 3,538 loans originated across 50 states and the District of Columbia and Puerto Rico, in 78 different industries as defined by the North American Industry Classification System ("NAICS").

See "Item 1A. Risk Factors — Risks Related to Our Investments Generally — An investment strategy focused primarily on smaller privately held companies involves a high degree of risk and presents certain challenges, including the lack of available information about these companies, a dependence on the talents and efforts of only a few key portfolio company personnel and a greater vulnerability to economic downturns" in our most recent Annual Report on Form 10-K, as well as in any of our subsequent SEC filings.

As discussed below, in addition to SBA 7(a) lending, our Newtek Lending ecosystem includes the following loan products to be originated by Newtek Bank: SBA 504 loans, conventional commercial and industrial ("C&I") loans, conventional commercial real estate ("CRE") lending and asset based lending ("ABL"). In addition, non-conforming conventional loans will be originated by NewtekOne nonbank subsidiaries and joint ventures.

Commercial Banking - Newtek Bank

NewtekOne intends to centralize its Newtek Lending ecosystem within Newtek Bank (except for our nonconforming conventional lending business, discussed herein), its newly acquired commercial bank. This centralization of the Newtek Lending ecosystem into Newtek Bank is being accomplished by: (i) NewtekOne's contribution of NBL, the Company's SBA 504 loan origination business, and its management team and employees, to Newtek Bank; (ii) NewtekOne's contribution of SBL, the Company's loan servicing business, and its management team and employees, to Newtek Bank; and (iii) the

contribution of NSBF's management team and employees to Newtek Bank and the transitioning of NSBF's SBA 7(a) business to Newtek Bank. As discussed above, Newtek Bank will be originating, servicing and selling SBA 7(a) loans in a similar manner to NSBF's historic business model and will be originating and servicing SBA 504 loans, C&I loans, C&E loans and ABL loans. In addition, we offer depository services and solutions through Newtek Bank. Our commercial banking clients will be able to take advantage of our full offerings via the Newtek Advantage dashboard. Newtek Bank will conduct operations in the Newtek Lending ecosystem and will not participate in Newtek Payments, Newtek Insurance, Newtek Payroll or Newtek Technology business lines.

Newtek Bank's business lines include:

SBA 7(a) Lending

As discussed above, NSBF's SBA 7(a) loan business is being transitioned to Newtek Bank. NewtekOne's dedicated Senior Lending Team that is now supporting Newtek Bank, as well as NSBF's management team and employees who are now part of the Newtek Bank, will originate and service SBA 7(a) loans to qualifying SMBs and will follow the NewtekOne SBA 7(a) loan business model, as follows: Newtek Bank will originate SBA 7(a) loans, sell the guaranteed portions of the SBA 7(a) loans, typically within thirty to forty-five days of origination, and retain the unguaranteed portion until accumulating sufficient loans for investment or potential securitizations. Historically, NSBF has sold SBA guaranteed portions of SBA 7(a) loans at premiums ranging from 106% to 120% of par value, and in current market conditions, approximately 106% to 115% of par, and any portion of the premium that is above 110% of par value is shared equally between NSBF and the SBA. All new SBA 7(a) loan originations will be transitioned to Newtek Bank. However, there is no guarantee that Newtek Bank will be able to continue to earn premiums of 106% to 120% on future sales of the guaranteed portions of SBA 7(a) loans or obtain PLP status. Any delays in Newtek Bank obtaining PLP status may negatively impact Newtek Bank's SBA 7(a) loan origination volumes and revenues to be generated from the sale of guaranteed portions of SBA 7(a) loans. See "Item 1A. Risk Factors — We have specific risks associated with SBA loans" in our most recent Annual Report on Form 10-K.

SBA 504 Lending

Historically, NewtekOne's SBA 504 loan origination business line was conducted by Newtek Business Lending, LLC (NBL), its former portfolio company which has become a subsidiary of Newtek Bank. SBA 504 loans provide financing of fixed assets such as real estate or equipment. NBL's current management team and employees will continue to provide loan origination services to other parts of the Newtek Lending platform, including NewtekOne subsidiaries and joint ventures.

C&I Lending, CRE Lending and ABL Lending

The Newtek Lending ecosystem also includes C&I Lending, CRE Lending and ABL. Newtek Bank's existing management team, led by Newtek Bank's new president and NewtekOne's current Chief Lending Officer, and augmented by NSBF employees contributed to Newtek Bank, will continue to provide C&I loans and CRE loans to its commercial customers and will originate ABL loans. In addition, NewtekOne's subsidiary, Newtek Business Credit (NBC), which provided receivables financing, inventory financing and health care receivables financing to SMBs, which obtained \$10,000 to \$2.0 million per month through the sale of their trade receivables or the financing of their inventories, will not originate new ABL loans and will manage its current portfolio in runoff mode.

Third Party Loan Servicing

Small Business Lending, LLC ("SBL"), a former NewtekOne portfolio company which was contributed to Newtek Bank with SBL's management team and employees, is now a subsidiary of Newtek Bank. SBL generates revenue by providing third-parties with loan servicing for SBA and non-SBA loans and providing lending institutions with outsourced solutions for the entire SBA lending process, including credit analysis, structuring and eligibility, packaging, closing compliance and servicing. SBL also receives loan origination and servicing fees by providing loan origination and servicing solutions to NewtekOne subsidiaries and affiliates, and has provided loan servicing solutions to banks, credit unions and government agencies including the Federal Deposit Insurance Corporation ("FDIC").

Non-Conforming Conventional Commercial Loans

On May 20, 2019, the Company and its joint venture partner launched Newtek Conventional Lending, LLC (NCL JV) to provide non-conforming conventional commercial and industrial term loans to U.S. middle-market companies and small businesses. NCL JV is a 50/50 joint venture between Newtek Commercial Lending, Inc. (NCL) a wholly-owned subsidiary of NewtekOne, and Conventional Lending TCP Holding, LLC, a wholly-owned, indirect subsidiary of BlackRock TCP Capital Corp. (Nasdaq: TCPC). NCL JV ceased funding new non-conventional conforming loans during 2020. On January 28, 2022, NCL JV closed a non-conforming conventional commercial loan securitization with the sale of \$56.3 million of Class A Notes, NCL Business Loan Trust 2022-1, Business Loan-Backed Notes, Series 2022-1, secured by a segregated asset pool consisting

primarily of NCL JV's portfolio of non-conforming conventional commercial business loans, including loans secured by liens on commercial or residential mortgaged properties, originated by NCL JV and NBL. The Notes were rated "A" (sf) by DBRS Morningstar. The Notes were priced at a yield of 3.209%. The proceeds of the securitization were used, in part, to repay the Deutsche Bank credit facility and return capital to the NCL JV partners.

On August 5, 2022, NewtekOne launched its second joint venture to invest in non-conforming conventional commercial loans, Newtek-TSO II Conventional Credit Partners, LP (Newtek-TSO JV). NCL and TSO II Booster Aggregator, L.P. ("TSO II") entered into a joint venture, Newtek-TSO JV, governed by the Amended and Restated Limited Partnership Agreement for the Newtek-TSO JV. NCL and TSO II each committed to contribute an equal share of equity funding to the Newtek-TSO JV and each will have equal voting rights on all material matters. Newtek-TSO JV intended purpose of Newtek-TSO JV is to invest in non-conforming conventional commercial and industrial term loans made to middle-market companies as well as small businesses. Newtek-TSO JV began making investments during the fourth quarter of 2022.

NMS' revenues are generated by transaction and volume-based fees as well as recurring account-based fees for data processing, merchant transaction processing and acquiring and payment services, electronic funds transfer and debit/credit processing services. Mobil Money generates revenues from providing payment processing for a merchant portfolio of taxi cabs and related licensed payment processing software. Senior Lending Team and Executive Committee

The key members of our senior lending team ("Senior Lending Team"), many of whom have worked together for more than ten years, each have over 25 years of experience in finance-related fields. These lending professionals have worked together to screen opportunities, underwrite new investments and manage a portfolio of investments in SMBs through two recessions, a credit crunch, the dot-com boom and bust and a historic, leverage-fueled asset valuation bubble. Each member brings a complementary component to a team well-rounded in finance, accounting, operations, strategy, business law and executive management. The Senior Lending Team remains in place following the financial holding company conversion, and has been augmented by recent hires at Newtek Bank as well as the existing Newtek Bank management team.

We are led by our Executive Committee, which includes Barry Sloane, Peter Downs, Michael A. Schwartz and Nicholas Leger, under the supervision of our Board of Directors. Each member of the Executive Committee has significant experience in our fields of operations.

Regulation and Supervision

General

The U.S. financial services and banking industry is highly regulated. The bank regulatory regime is intended primarily for the protection of customers, the public, the financial system and the Deposit Insurance Fund of the FDIC ("DIF"), rather than our stockholders or creditors.

The legal and regulatory regime affects virtually all aspects of our operations. Statutes, regulations and policies govern, among other things, the scope of activities that we may conduct and the manner in which we may conduct them; our business plan and growth; our board, management, and risk management infrastructure; the type, terms, and pricing of our products and services; our loan and investment portfolio; our capital and liquidity levels; our reserves against deposits; our ability to pay dividends, repurchase our stock or distribute capital; and our ability to engage in mergers, acquisitions and other strategic initiatives. The legal and regulatory regime is continually under review by legislatures, regulators and other governmental bodies, and changes regularly occur through the enactment or amendment of laws and regulations or through shifts in policy, implementation or enforcement. Changes are difficult to predict and could have significant effects on our business. See "Risk Factors — As a financial holding company we operate in a highly regulated environment that affects virtually all aspects of our operations, and the need to comply with applicable laws, regulations and supervisory expectations could materially impact our business, financial condition and results of operations" on Page 16 of this prospectus.

The material regulatory requirements that are applicable to us and our subsidiaries are summarized below. The description below, as well as other descriptions of laws and regulations in this prospectus, are not intended to summarize all laws and regulations applicable to us and our subsidiaries, and are based upon the statutes, regulations, policies, interpretive letters and other written guidance that are in effect as of the date of this prospectus.

Regulatory Framework

We are subject to regulation and supervision by multiple regulatory bodies. As a bank holding company electing financial holding company status, the Company is subject to the BHCA and is subject to ongoing and comprehensive supervision, regulation, examination and enforcement by the Federal Reserve. The Federal Reserve's jurisdiction also extends to any company that is directly or indirectly controlled by a bank holding company.

As a national bank, Newtek Bank is subject to ongoing and comprehensive supervision, regulation, examination and enforcement by the OCC. The OCC charges fees to national banks, including Newtek Bank, in connection with its supervisory activities.

Newtek Bank's deposits are insured by the DIF up to applicable legal limits. As an FDIC-insured depository institution, Newtek Bank is subject under certain circumstances to supervision, regulation and examination by the FDIC. The FDIC charges deposit insurance assessments to FDIC-insured institutions, including Newtek Bank, to fund and support the DIF. The rate of these deposit insurance assessments is based on, among other things, the risk characteristics of Newtek Bank. The FDIC has the power to terminate Newtek Bank's deposit insurance if it determines Newtek Bank is engaging in unsafe or unsound practices. Federal banking laws provide for the appointment of the FDIC as receiver in the event Newtek Bank were to fail, such as in connection with undercapitalization, insolvency, unsafe or unsound condition or other financial distress. In a receivership, the claims of Newtek Bank's depositors (and those of the FDIC as subrogee of Newtek Bank) would have priority over other general unsecured claims against Newtek Bank.

We are subject to the disclosure and regulatory requirements of the Securities Act and the Exchange Act, both as administered by the SEC. Our common stock is listed on the Nasdaq Global Market under the ticker symbol "NEWT" and therefore we are

also subject to the rules of Nasdaq Global Market for listed companies. We have adopted certain policies and procedures intended to comply with the Nasdaq Global Market's corporate governance rules. We will continue to monitor our compliance with all future listing standards that are approved by the SEC and will take actions necessary to ensure that we are in compliance therewith. See "Risk Factors — As a financial holding company we operate in a highly regulated environment that affects virtually all aspects of our operations, and the need to comply with applicable laws, regulations and supervisory expectations could materially impact our business, financial condition and results of operations" on Page 16 of this prospectus.

Broad Powers to Ensure Safety and Soundness

A principal objective of the U.S. bank regulatory system is to ensure the safety and soundness of banking organizations. Safety and soundness is a broad concept that includes financial, operational, compliance and reputational considerations, including matters such as capital, asset quality, quality of board and management oversight, earnings, liquidity, and sensitivity to market and interest rate risk. As part of its commitment to maintain safety and soundness, at the time we acquired Newtek Bank, Newtek Bank entered into an Operating Agreement with the OCC (the "Operating Agreement"). The Operating Agreement sets forth key parameters within which Newtek Bank must operate, such as with respect to its business plan, minimum capital, minimum liquidity, risk management and compliance.

The banking and financial regulators have broad examination and enforcement authority. The regulators require banking organizations to file detailed periodic reports and regularly examine the operations of banking organizations. Banking organizations that do not meet the regulators' supervisory expectations can be subjected to increased scrutiny and supervisory criticism. The regulators have various remedies available, which may be public or of a confidential supervisory nature, if they determine that an institution's condition, management, operations or risk profile is unsatisfactory. The regulators may also take action if they determine that the banking organization or its management is violating or has violated any law or regulation. The regulators have the power to, among other things:

- · require affirmative actions to correct any violation or practice;
- · issue administrative orders that can be judicially enforced;
- direct increases in capital;
- · direct the sale of subsidiaries or other assets;
- limit dividends and distributions:
- · restrict growth and activities;
- set forth parameters, obligations and/or limitations with respect to the operation of our business;
- assess civil monetary penalties;
- · remove officers and directors; and
- · terminate deposit insurance.

Engaging in unsafe or unsound practices or failing to comply with applicable laws, regulations and supervisory agreements (including the Operating Agreement) could subject us and our subsidiaries or their officers, directors and institution-affiliated parties to a broad variety of sanctions or remedies, including those described above.

Limits on Activities and Approval Requirements

The BHCA generally restricts the Company's ability, directly or indirectly, to engage in, or acquire more than 5% of any class of voting securities of a company engaged in activities other than those determined by the Federal Reserve to be so closely related to banking as to be a proper incident thereto. The Gramm-Leach-Bliley Act of 1999 authorized a bank holding company that meets specified conditions, including being "well capitalized" and "well managed," to opt to become a "financial holding company" and thereby engage in a broader array of financial activities than previously permitted. The Company has elected to

become a financial holding company, allowing it to engage in a broader array of financial activities than bank holding companies.

The bank regulatory regime, including through the Operating Agreement, requires that we obtain prior approval of one or more regulators for various initiatives or corporate actions, including acquisitions or minority investments, the establishment of branches, certain dividends or capital distributions, and significant deviations from Newtek Bank's previously approved business plan. Regulators take into account a range of factors in determining whether to grant a requested approval, including the supervisory status of the applicant and its affiliates. Thus, there is no guarantee that a particular proposal by us would receive the required regulatory approvals.

The Community Reinvestment Act ("CRA") requires federal banking regulators, in their review of certain applications by banking organizations, to take into account the applicant's record in helping meet the credit needs of its community, including low- and moderate-income neighborhoods. Newtek Bank is subject to periodic examination under the CRA by the OCC, which will assign ratings based on the methodologies set forth in its regulations and guidance. Less favorable CRA ratings, or concerns raised under the CRA, may adversely affect Newtek Bank's ability to obtain approval for certain types of applications. Newtek Bank's latest rating by the OCC under the CRA is "Satisfactory". See "Risk Factors – As a financial holding company we operate in a highly regulated environment that affects virtually all aspects of our operations, and the need to comply with applicable laws, regulations and supervisory expectations could materially impact our business, financial condition and results of operations" on Page 16 of this prospectus.

Company as Source of Strength for Newtek Bank

Federal law and Federal Reserve policy require that a bank holding company serve as a source of financial and managerial strength for any FDIC-insured depository institution that it controls. Thus, if Newtek Bank were to be in financial distress or to otherwise be viewed by the regulators as in an unsatisfactory condition, then the regulators could require the Company to provide additional capital or liquidity support, or take other action, in support of Newtek Bank, even if doing so is not otherwise in the best interest of the Company.

Regulatory Capital Requirements and Prompt Corrective Action

The banking regulators view capital levels as important indicators of an institution's financial soundness. As a general matter, FDIC-insured depository institutions and their holding companies are required to maintain a specified level of capital relative to the amount and types of assets they hold. While capital can serve as an important cushion against losses, higher capital requirements can also adversely affect an institution's ability to grow and/or increase leverage through deposit-gathering or other sources of funding.

The Company and Newtek Bank are each subject to generally similar capital requirements adopted by the Federal Reserve and the OCC, respectively. These requirements establish required minimum ratios for common equity tier 1 risk-based capital, Tier 1 risk-based capital, total risk-based capital and a Tier 1 leverage ratio; set risk-weighting for assets and certain other items for purposes of the risk-based capital ratios; require an additional capital conservation buffer over the minimum required capital ratios in order to avoid certain limitations on paying dividends, engaging in share repurchases, and paying discretionary bonuses; and define what qualifies as capital for purposes of meeting the capital requirements. Specifically, the capital thresholds in order to be regarded as a well-capitalized institution under the Basel Committee on Banking Supervision standardized approach for U.S. banking organizations are as follows: a common equity tier 1 risk-based capital ratio of 8.0%, a total risk-based capital ratio of 10.0% and a Tier 1 leverage ratio of 5.0%.

The regulators assess any particular institution's capital adequacy based on numerous factors and may require a particular banking organization to maintain capital at levels higher than the generally applicable minimums. In this regard, and unless otherwise directed by the OCC, we have made commitments for Newtek Bank to maintain a tier 1 leverage ratio of no less than 10% and a total risk-based capital ratio of 11.5% for the term of the Operating Agreement.

The Federal Deposit Insurance Act provides for a system of "prompt corrective action" ("PCA"). The PCA regime provides for capitalization categories ranging from "well-capitalized" to "critically undercapitalized." An institution's PCA category is determined primarily by its regulatory capital ratios. The PCA regime requires remedial actions and imposes limitations that become increasingly stringent as an institution's condition deteriorates and its PCA capitalization category declines. Among other things, institutions that are less than well-capitalized become subject to increasingly stringent restrictions on their ability to accept and/or rollover brokered deposits.

In addition to capital requirements, depository institutions are required to maintain non-interest bearing reserves at specified levels against their transaction accounts and certain non-personal time deposits.

Regulatory Limits on Dividends and Distributions

The ability of the Company or Newtek Bank to pay dividends, repurchase stock and make other capital distributions is limited by regulatory capital rules and other aspects of the regulatory regime. For example, a policy statement of the Federal Reserve provides that, among other things, a bank holding company generally should not pay dividends if its net income for the past year is not sufficient to cover both the cash dividends and a rate of earnings retention that is consistent with the company's capital needs, asset quality, and overall financial condition.

Dividends and capital distributions by Newtek Bank are also limited by the regulatory regimes. For example, the Operating Agreement requires Newtek Bank to be in compliance with certain capital levels before paying a dividend. Other laws and regulations generally applicable to national banks also limit the amount of dividends and capital distributions that may be made by a national bank and/or require prior approval of the OCC.

Federal Home Loan Bank System

Newtek Bank is a member of the Federal Home Loan Bank System ("FHLB"), which consists of 11 regional Federal Home Loan Banks. The FHLB provides a central credit facility primarily for member institutions. Newtek Bank, as a member of the FHLB, is required to acquire and hold shares of capital stock in the FHLB. Newtek Bank is in compliance with this requirement with an investment in FHLB capital stock of \$120,300.00 on January 18, 2023.

Consumer Protection

We are subject to a broad array of federal, state and local laws and regulations that govern almost every aspect of our business relationships with consumers. These laws relate to, among other things, the content and adequacy of disclosures, pricing and fees, fair lending, anti-discrimination, privacy, cybersecurity, usury, mortgages and housing finance, lending to service members, escheatment, debt collection, loan servicing, collateral secured lending, and unfair, deceptive or abusive acts or practices.

The Consumer Financial Protection Bureau ("CFPB") is generally responsible for rulemaking with respect to certain federal laws related to the provision of financial products and services to consumers. In addition, the CFPB has examination and primary enforcement authority with respect to federal consumer financial protection laws with respect to banking organizations with assets of \$10 billion or more. Newtek Bank has assets less than \$10 billion; therefore, we are not currently subject to the examination and enforcement jurisdiction of the CFPB. However, many consumer protection rules adopted or amended by the CFPB do apply to us and are the subject of examination and enforcement with respect to us by the OCC.

If we fail to comply with these laws and regulations, we may be subject to significant penalties, judgments, other monetary or injunctive remedies, lawsuits (including putative class action lawsuits and actions by state and local attorneys general or other officials), customer rescission rights, supervisory or enforcement actions, and civil or criminal liability. See "Risk Factors — As a financial holding company we operate in a highly regulated environment that affects virtually all aspects of our operations, and the need to comply with applicable laws, regulations and supervisory expectations could materially impact our business, financial condition and results of operations" on Page 16 of this prospectus.

Anti-Money Laundering, Sanctions and Financial Crime

We are subject to a wide range of laws related to anti-money laundering, economic sanctions and prevention of financial crime, including the Bank Secrecy Act, the USA PATRIOT Act and economic sanctions programs. We are required to, among other things, maintain an effective anti-money laundering and counter-terrorist compliance program, identify and file suspicious activity and currency transaction reports, and block transactions with sanctioned persons or jurisdictions. Compliance with these laws requires significant investment of management attention and resources. These laws are enforced by a number of regulatory authorities, including the Federal Reserve, the OCC, Office of Foreign Assets Control, the Financial Crimes Enforcement Network, the U.S. Department of Justice, Drug Enforcement Administration, and Internal Revenue Service. Failure to comply with these laws, or to meet our regulators' supervisory expectations in connection with these laws, could subject us to supervisory or enforcement action, significant financial penalties, criminal liability and/or reputational harm.

Third-Party Relationship Risk Management

We utilize third-party service providers to perform a wide range of operations and other functions, which may present various risks. Our regulators will expect us to maintain an effective program for managing risk arising from third-party relationships, which should be commensurate with the level of risk and complexity of our business and our third-party relationships. If not

managed effectively, the use of third-party service providers may expose us to risks that could result in regulatory action, financial loss, litigation and reputational harm.

Privacy, Information Technology and Cybersecurity

We are subject to various laws related to the privacy of consumer information. For example, we and our subsidiaries are required under federal law periodically to disclose to their retail clients our policies and practices with respect to the sharing of nonpublic client information with their affiliates and others, and the confidentiality and security of that information. In some cases, Newtek Bank must obtain a consumer's consent before sharing information with an unaffiliated third party, and Newtek Bank must allow a consumer to opt out of Newtek Bank's sharing of information with its affiliates for marketing and certain other purposes. We are also subject to laws and regulatory requirements related to information technology and cybersecurity. For example, the Federal Financial Institutions Examination Council, which is a council comprised of the primary federal banking regulators, has issued guidance and supervisory expectations for banking organizations with respect to information technology and cybersecurity. Our regulators will regularly examine us for compliance with applicable laws, and adherence to industry best practices, with respect to these topics. For example, they will evaluate our security of user and customer credentials, business continuity planning, and the ability to identify and thwart cyber-attacks.

State regulators have also been increasingly active in implementing privacy and cybersecurity standards and regulations. Recently, several states have adopted regulations requiring certain financial institutions to implement cybersecurity programs and providing detailed requirements with respect to these programs, including data encryption requirements. Many states have also recently implemented or modified their data breach notification and data privacy requirements. For example, the California Privacy Rights Act of 2020 became fully operative on January 1, 2023. We expect this trend of state-level activity in those areas to continue, and are continually monitoring developments in the states in which our clients are located.

Limitations on Transactions with Affiliates and Loans to Insiders

Banks are subject to restrictions on their ability to conduct transactions with affiliates and other related parties under federal banking laws. For example, federal banking laws impose quantitative limits, qualitative requirements, and collateral standards on certain extensions of credit and other transactions by an insured depository institution with, or for the benefit of, an affiliate must be on terms substantially the same or at least as favorable to the insured depository institution as if the transaction were conducted with an unaffiliated third party. Federal banking laws also impose restrictions and procedural requirements in connection with the extension of credit by an insured depository institution to directors, executive officers, principal stockholders (including the Company) and their related interests. In addition, purchases and sales of assets between an insured depository institution and its executive officers, directors, and principal stockholders may also be limited under such laws. The Sarbanes-Oxley Act generally prohibits loans by public companies to their executive officers and directors. However, there is a specific exception for loans by financial institutions, such as Newtek Bank, to its executive officers and directors that are made in compliance with federal banking laws.

Acquisition of a Significant Interest in the Company

Banking laws impose various regulatory requirements on parties that may seek to acquire a significant interest in the Company. For example, the Change in Bank Control Act of 1978 would generally require that any party file a formal notice with, and obtain non-objection of, the Federal Reserve prior to acquiring (directly or indirectly, whether alone or acting in concert with any other party) 10% or more of any class of voting securities of the Company. Further approval requirements and significant ongoing regulatory consequences would apply to any company that (directly or indirectly, whether alone or as part of an association with another company) seeks to acquire "control" of the Company or Newtek Bank for purposes of the BHCA. The determination whether a party "control" a depository institution or its holding company for purposes of these laws is based on applicable regulations and all of the facts and circumstances surrounding the investment. See "Risk Factors – Federal law may discourage certain acquisitions of our common stock which could have a material adverse effect on our shareholders" on Page 18 of this prospectus.

Effect on Economic Environment

The policies of regulatory authorities, including the monetary policy of the Federal Reserve, have a significant effect on the operating results of bank holding companies and their subsidiaries. Among the means available to the Federal Reserve to affect the money supply are open market operations in U.S. government securities, changes in the discount rate on borrowings and changes in reserve requirements with respect to deposits. These means are used in varying combinations to influence overall growth and distribution of bank loans, investments and deposits, and their use may affect interest rates charged on loans or paid for deposits. The Federal Reserve monetary policies have materially affected the operating results of commercial banks in the past and are expected to continue to do so in the future. Although we conduct stress tests to measure and prepare for the impact

of potential changes in monetary policy, we cannot predict with certainty the nature of future monetary policies and the effect of such policies on our business and earnings.

NSBF's Regulation as a Small Business Lending Company and the Transition of SBA 7(a) Lending to Newtek Bank

Our wholly-owned subsidiary, NSBF, is licensed by the SBA as an SBLC that originates loans through the SBA 7(a) Program (authorized by section 7(a) of the Small Business Act, 15 U.S.C. 636(a)), in accordance with our credit and underwriting policy, which incorporates by reference the applicable regulations and the SBA Standard Operating Procedures, Lender and Development Company Loan Program ("SOP 50 10 and 50 57 2") (collectively, "SBA Loan Program Requirements") as they relate to the financing and servicing of such loans. As a result of the Acquisition, all SBA 7(a) loan originations are being transitioned to Newtek Bank, and NSBF will cease origination of SBA 7(a) loans, relinquish its PLP status and wind-down its operations. During this wind down process, NSBF will be required to continue to own the SBA 7(a) loans and PPP Loans in its SBA loan portfolio to maturity, liquidation, charge-off, or (subject to SBA's prior written approval), sale or transfer. NSBF will be required to continue to service and liquidate its SBA Loan Portfolio, including processing forgiveness and loan reviews for PPP Loans, pursuant to an SBA approved lender service provider agreement with SBL. During the wind down process, it is anticipated that NSBF will be required to maintain minimum capital requirements established by the SBA, will be required to maintain certain amounts of restricted cash available to meet any obligations to the SBA, will have restrictions on its ability to make dividends and distributions to its parent, and will remain liable to SBA for post-purchase denials and repairs, from the proceeds generated by NSBF's SBA loan portfolio. Any future post-purchase denials and repairs demands on NSBF could negatively impact our results of operations. It is also anticipated that the Company will guarantee NSBF's obligations to the SBA. NewtekOne's dedicated Senior Lending Team that is now supporting Newtek Bank, as well as NSBF's management team and employees who are now part of the Newtek Bank, will originate and service

We anticipate Newtek Bank obtaining PLP status. The SBA grants PLP status to certain lenders originating SBA 7(a) loans based on achievement of certain standards in lending which are regularly monitored by the SBA. As a Preferred Lender, Newtek Bank will be authorized to place SBA guarantees on SBA 7(a) loans without seeking prior SBA review and approval. Designated PLP lenders are delegated the authority to process, close, service, and liquidate most SBA guaranteed loans without prior SBA review. PLP lenders are authorized to make SBA guaranteed loans, subject only to a brief eligibility review and assignment of a loan number by SBA. In addition, they are expected to handle servicing and liquidation of all of their SBA loans with limited involvement of SBA. However, there can be no guarantee that Newtek Bank will be able to maintain its SBA 7(a) lending license, nor that Newtek Bank will obtain PLP status under the SBA 7(a) loans at NSBF's historic levels, and it may negatively impact Newtek Bank's SBA 7(a) loan origination volumes and revenues to be generated from the sale of guaranteed portions of SBA 7(a) loans. See "Risk Factors – There can be no guarantee that Newtek Bank will be able to maintain its SBA 7(a) lending license" on Page 18 of this prospectus.

Pursuant to the SBA's regulations, the SBA is released from liability on its guaranty of an SBA 7(a) loan and may, in its sole discretion, refuse to honor a guaranty purchase request in full or in part, or recover all or part of the funds already paid in connection with a guaranty purchase, if the lender failed to comply materially with a SBA Loan Program Requirement; failed to make, close, service or liquidate the loan in a prudent manner; placed the SBA at risk through improper action or inaction; failed to disclose a material fact to the SBA in a timely manner; or misrepresented a material fact to the SBA regarding the loan. In certain instances, the SBA may refuse to honor a guaranty purchase request in full (referred to by the SBA as a "denial") or in part (referred to by the SBA as a "denial") or the guaranty, in whole or in part, would be transferred to NSBF or Newtek Bank as the originator of the loan, as the case may be. Even though NSBF will cease originating new SBA 7(a) loans, it will retain and be exposed to repair and denial liability to the SBA for SBA 7(a) loans in NSBF's portfolio. The incurrence of repairs and denials when NSBF is no longer generating income from the sales of guaranteed portions of SBA 7(a) loans can have a material negative impact on our financial results and liquidity. In addition, changes in SBA regulations and economic factors may adversely impact NSBF's or Newtek Bank's repair and denial rates. See "Risk Factors – NSBF will remain subject to SBA regulation as it winds down its operations" on Page 18 of this prospectus.

In connection with NSBF's 2018 examination by the SBA, NSBF entered into a voluntary agreement with the SBA pursuant to NSBF's commitment to operate under the SBA Loan Program Requirements. The agreement formalized many of the actions previously taken by NSBF to strengthen its operational procedures as they relate to NSBF's delegated lender authority. Consistent with the terms of the agreement, NSBF has established a segregated restricted cash account in the amount of \$10 million to account for potential post-purchase repairs and denials of guaranteed portions of SBA 7(a) loans, and agreed to take certain actions to demonstrate the sufficiency of NSBF's liquidity and establish certain additional reporting and compliance procedures.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before deciding whether to invest in our securities, you should carefully consider the risks and uncertainties described the section titled "Risk Factors" in the applicable prospectus supplement and any related free writing prospectus, and discussed in the sections titled "Item 1A. Risk Factors" in our most recent Annual Report on Form 10-K and in any subsequent filings we have made with the SEC that are incorporated by reference into this prospectus, together with other information in this prospectus, the documents incorporated by reference, and any free writing prospectus that we may authorize for use in connection with this offering. See "Available Information" for more information. The risks described these documents are not the only ones we face. Additional risks and uncertainties that we are unaware of, or that we currently believe are not material, may also become important factors that adversely affect our business. Past financial performance may not be a reliable indicator of future performance, and historical trends should not be used to anticipate results or trends in future periods. If any of these risks actually occurs, our business, reputation, financial condition, results of operations, revenue, and future prospects could be seriously harmed. This could cause the trading price of our securities to decline, resulting in a loss of all or part of your investment. Please also read carefully the section titled "Cautionary Statement Regarding Forward-Looking Statements and Projections."

In addition, set forth below are certain selected risk factors applicable to us and our shareholders following the Acquisition, our conversion to a financial holding company and our withdrawal of our previous election to be regulated as a BDC under the 1940 Act, upon which we became subject to the regulation of the Federal Reserve, the OCC, the FDIC and other laws and regulations generally applicable to banking organizations in the United States. You should read these risk factors carefully as they may differ from and are in addition to those which are generally applicable to our business and operations and those which were applicable to us as a BDC.

As a financial holding company we operate in a highly regulated environment that affects virtually all aspects of our operations, and the need to comply with applicable laws, regulations and supervisory expectations could materially impact our business, financial condition and results of operations.

Upon becoming a financial holding company, we became subject to a wide range of statutory and regulatory restrictions and requirements that will affect many aspects of our business. We are subject to federal regulation and supervision by the FDIC, OCC and Federal Reserve. The laws and regulations applicable to us govern a variety of matters, including permissible types, amounts, and terms of loans and investments we may make, the maximum interest rate that may be charged, the amount of reserves we must hold against deposits we take, the types of deposits we may accept, maintenance of adequate capital and liquidity, changes in the control of Newtek Bank and the Company, restrictions on dividends, and establishment of new offices. A principal objective of the U.S. bank regulatory system is to ensure the safety and soundness of banking organizations. Safety and soundness is a broad concept that includes financial, operational, compliance and reputational considerations, including matters such as capital, asset quality, quality of board and management oversight, earnings, liquidity, and sensitivity to market and interest rate risk and is generally intended to protect customers, depositors, the DIF and the overall financial stability of the United States, not our stockholders or creditors. Our regulators also have the ability to compel us to take, or restrict us from taking, certain actions entirely, such as actions that our regulators deem to constitute an unsafe or unsound banking practice. As part of its commitment to maintain safety and soundness, at the time the Company acquired Newtek Bank, Newtek Bank entered into an Operating Agreement with the OCC (the "Operating Agreement"). The Operating Agreement sets forth key parameters within which Newtek Bank must operate, such as with respect to its business plan, minimum capital, minimum liquidity, risk management and compliance. We continue to devote substantial time and resources to compliance and meeting our regulators' supervisory expectations, which may advers

See the section entitled "Regulation and Supervision" on Page 9 of this prospectus for information on the regulation and supervision framework which governs our Company and its activities as a financial holding company.

Our status as a financial holding company requires us to curtail certain activities and imposes limitations on certain activities, which may negatively impact the Company's business, financial condition and results of operations.

As a financial holding company, we are subject to certain banking laws and regulations, including under the Bank Holding Company Act of 1956 ("BHCA"), and regulation and supervision by the Federal Reserve, and with respect to Newtek Bank, the OCC. As a result, we have regulatory restrictions on the actions in which we may engage, and such restrictions may limit our ability to acquire other businesses, enter into other strategic transactions, joint ventures, and undertake business transactions which we could otherwise undertake as a BDC. The Operating Agreement also contains certain concentration limits on the composition of Newtek Bank's loan portfolio and dictates the amount of capital we must maintain (which during the term of the Operating Agreement is in excess of statutory requirements), which in turn could restrict our growth. Further, banking laws and regulations could require us to diversify into areas where we have less experience, which may adversely impact our financial condition and results of operations. For example, as a result of commitments made to the Federal Reserve, the Company has agreed to divest or otherwise terminate the activities conducted by Excel WebSolutions, LLC and NTS, including its subsidiary SIDCO, within two years of becoming a financial holding company, subject to any extension of the two-year period. The divestiture of these subsidiaries may adversely impact our financial condition and results of operations. As noted above, as a

result of commitments made in the Operating Agreement, Newtek Bank is subject to, among other things, limitations on dividend payment, minimum liquidity requirements and risk management requirements. Further, if we do enter into acquisitions, partnerships and joint ventures, they may not provide us with the benefits we anticipate. We may not be able to successfully integrate any businesses, services or technologies that we acquire or with which we form a partnership or joint venture, or comply with applicable regulatory requirements.

Changes in laws, regulations, or policies may adversely affect our business, financial condition and results of operations.

Congress and federal regulatory agencies continually review banking laws, regulations, policies and other supervisory guidance for possible changes. Changes in the presidential administration or control of Congress also increases the likelihood of further changes to laws, regulations and supervisory practices affecting financial institutions, which could include more stringent requirements and greater scrutiny from regulatory authorities.

We are unable to predict all of the ways in which changes in the legal or regulatory environment could impact our anticipated business models or objectives. Changes in these laws or regulations applicable to us as a financial holding company, including changes in the interpretation or implementation of those regulations or policies, may negatively impact the profitability of our business activities, require us to change certain of our business practices, materially affect our business model, limit the activities in which we may engage, affect retention of key personnel, require us to raise additional regulatory capital, increase the amount of liquid assets that we hold, otherwise affect our funding profile or expose us to additional costs (including increased compliance costs). Any such changes may also require us to invest significant management attention and resources to make any necessary changes and may adversely affect our ability to conduct our business as previously conducted or our results of operations or financial condition.

Recent events in the banking sector may have an adverse effect on aspects of our results of operations and the price of our common stock.

Recently, concerns have arisen with respect to the financial condition of a number of banking organizations in the United States, in particular those with exposure to certain types of depositors and large portfolios of investment securities. Silicon Valley Bank and Signature Bank were both placed into FDIC receivership resulting from significant and rapid deposit outflows and the Federal Reserve Board announced it will make available additional funding to eligible depository institutions to assist banking organizations with potential liquidity needs. While the Company's business, balance sheet and depositor profile differs substantially from the banking institutions that are the focus of the greatest scrutiny, the operating environment and public trading prices of financial services sector can be highly correlated, in particular in times of stress, which has, and may continue to adversely affect the trading price of the Company's common stock. In addition, there is uncertainty at the present time with respect to the effect that these events will have on the perceptions held by of individual and commercial depositors as to the safety of deposited funds at smaller banking institutions, which could affect the Bank's ability to maintain its levels of deposit funding. The Company currently believes that its client base and business model differs from those of the banking organizations which are under the most scrutiny at the present time, however no assurances can be given that the effects of recent events will not have an adverse effect on the Company's consolidated results of operations and financial performance.

Failure to comply with applicable laws, regulations or commitments, or to satisfy our regulators' supervisory expectations, could subject us to, among other things, supervisory or enforcement action, which could adversely affect our business, financial condition and results of operations.

If we do not comply with applicable laws, regulations or commitments, if we are deemed to have engaged in unsafe or unsound conduct, or if we do not satisfy our regulators' supervisory expectations, then we may be subject to increased scrutiny, supervisory criticism, governmental or private litigation and/or a wide range of potential monetary penalties or consequences, enforcement actions, criminal liability and/or reputational harm. Such actions could be public or of a confidential nature, and arise even if we are acting in good faith or operating under a reasonable interpretation of the law and could include, for example, monetary penalties, payment of damages or other monetary relief, restitution or disgorgement of profits, directives to take remedial action or to cease or modify practices, restrictions on growth or expansionary proposals, denial or refusal to accept applications, removal of officers or directors, prohibition on dividends or capital distributions, increases in capital or liquidity requirements and/or termination of Newtek Bank's deposit insurance. Additionally, compliance with applicable laws, regulations and commitments requires significant investment of management attention and resources. Any failure to comply with applicable laws, regulations or commitments could have an adverse effect on our business, financial condition and results of operations.

We are subject to anti-money laundering and similar laws, and non-compliance with such laws can subject us to criminal or civil liability and harm our business, financial condition and results of operations.

We are subject to the USA PATRIOT Act of 2001 and the Bank Secrecy Act, which require financial institutions to design and implement programs to prevent financial institutions from being used for money laundering and terrorist activities. If such

activities are detected, financial institutions are obligated to file suspicious activity reports with Financial Crimes Enforcement Network. These rules require financial institutions to establish procedures for identifying and verifying the identity of customers and beneficial owners of certain legal entity customers seeking to open new financial accounts. Federal and state bank regulators also have focused on compliance with Bank Secrecy Act and anti-money laundering regulations. Failure to comply with these regulations could result in fines or sanctions, including restrictions on conducting acquisitions or expanding activities. During the last several years, several banking institutions have received large fines for non-compliance with these laws and regulations. Although we have policies and procedures designed to assist in compliance with the Bank Secrecy Act and other anti-money laundering laws and regulations, there can be no assurance that such policies or procedures will work effectively all of the time or protect us against liability for actions taken by our employees, agents, and intermediaries with respect to our business or any businesses that we may acquire. Failure to maintain and implement adequate programs to combat money laundering and terrorist financing could also have serious reputational consequences for us, which could have a material adverse effect on our business, financial condition or results of operations.

We are subject to stringent capital and liquidity regulations and requirements.

NewtekOne, Inc. is the parent company of and a separate and distinct legal entity from Newtek Bank. Legal entity liquidity is an important consideration as there are legal, regulatory, contractual and other limitations on our ability to utilize liquidity from one legal entity to satisfy the liquidity requirements of another, which could result in adverse liquidity events at either NewtekOne, Inc. and/or Newtek Bank. Applicable laws and regulations, including capital and liquidity requirements and the Operating Agreement, could restrict our ability to transfer funds between Newtek Bank and NewtekOne, Inc., which could adversely affect our cash flow and financial condition. Additionally, applicable laws and regulations may restrict what NewtekOne, Inc. is able to do with the liquidity it does possess, which may adversely affect our business and results of operations.

Further, pursuant to the Operating Agreement we have made certain commitments to the OCC which requires Newtek Bank to hold capital incremental to the minimum required under the applicable standards, which could also impact the Company's ability to invest in assets. From time to time, regulators may implement changes to these capital adequacy and liquidity requirements. If we fail to meet these minimum capital adequacy and liquidity guidelines and other regulatory requirements, our business activities, including lending, and its ability to expand could be limited. It could also result in the Company being required to take steps to increase its regulatory capital that may be dilutive or adverse to stockholders, including limiting the Company's ability to pay dividends to stockholders or limiting the Company's ability to invest in assets even if deemed more desirable from a financial and business perspective.

Federal law and Federal Reserve policy require that a bank holding company serve as a source of financial and managerial strength for any FDIC-insured depository institution that it controls. Thus, if Newtek Bank were to be in financial distress or to otherwise be viewed by the regulators as in an unsatisfactory condition, then the federal banking regulators could require the Company to provide additional capital or liquidity support, or take other action, in support of Newtek Bank, even if doing so is not otherwise in the best interest of the Company or its shareholders.

NSBF will remain subject to SBA regulation as it winds down its operations.

As a result of the Acquisition, all SBA 7(a) loan originations are being transitioned to Newtek Bank, and NSBF will cease origination of SBA 7(a) loans, relinquish its PLP status and wind-down its operations. During this wind down process, NSBF will be required to continue to own the SBA 7(a) loans and PPP Loans in its SBA loan portfolio to maturity, liquidation, charge-off, or (subject to SBA's prior written approval), sale or transfer. NSBF will be required to continue to service and liquidate its SBA Loan Portfolio, including processing forgiveness and loan reviews for PPP Loans, pursuant to an SBA approved lender service provider agreement with SBL. During the wind down process, it is anticipated that NSBF will be required to maintain minimum capital requirements established by the SBA, will be required to maintain certain amounts of restricted cash available to meet any obligations to the SBA, will have restrictions on its ability to make dividends and distributions to its parent, and will remain liable to SBA for post-purchase denials and repairs, from the proceeds generated by NSBF's SBA loan portfolio. Any future post-purchase denials and repairs demands on NSBF could negatively impact our results of operations. It is also anticipated that the Company will guarantee NSBF's obligations to the SBA.

There can be no guarantee that Newtek Bank will be able to maintain its SBA 7(a) lending license.

Prior to the Acquisition, both Newtek Bank and NSBF were granted SBA 7(a) lending licenses. Additionally, prior to the Acquisition, NSBF had been granted PLP status, which allowed it to place SBA guarantees on loans without seeking prior SBA review and approval. PLP status allowed NSBF to expedite loans since NSBF was not required to present applications to the SBA for concurrent review and approval. While the Company intends that NBSF will continue to service its current portfolio of SBA 7(a) loans, and that new SBA 7(a) loan originations will be made by Newtek Bank, there can be no guarantee that Newtek Bank will be able to maintain its SBA 7(a) lending license or obtain and maintain PLP status. The loss of Newtek Bank's SBA 7(a) lending license or failure to obtain and maintain, or delays in obtaining, PLP status would have a material adverse impact on Newtek Bank's ability to originate SBA 7(a) loans at NSBF's historic levels, and it may negatively impact Newtek Bank's

SBA 7(a) loan origination volumes and revenues to be generated from the sale of guaranteed portions of SBA 7(a) loans, which could in turn negatively impact our results of operations.

Federal law may discourage certain acquisitions of our common stock which could have a material adverse effect on our shareholders.

Federal law may make it more difficult for someone to acquire our common stock in certain circumstances. Under federal law and subject to certain exemptions, a person, entity or group must notify the federal banking agencies before acquiring control of a bank holding company. An acquisition of 10% or more of any class of voting stock of a bank holding company generally creates a rebuttable presumption that the acquirer "controls" the bank holding company. In addition, a bank holding company must obtain the prior approval of the Federal Reserve before, among other things, acquiring direct or indirect ownership or control of more than 5% of the voting shares of any bank, including Newtek Bank. These provisions could delay or prevent a third party from acquiring us, despite the possible benefit to our shareholders, or otherwise adversely affect the market price of our common stock.

The withdrawal of the Company's election to be regulated as a BDC has resulted in a significant change in our accounting and financial reporting requirements.

Due to the Company's withdrawal of its election to be regulated as a BDC on January 6, 2023, the Company is no longer subject to FASB Accounting Standards Codification Topic 946, Financial Services – Investment Companies, which will result in a significant change in our accounting and financial reporting requirements. Our financial statements as of December 31, 2022 are, and in previous years were, presented and accounted for under the specialized method of accounting applicable to investment companies, which required us to recognize our investments, including controlled investments, at fair value. As a BDC, we were precluded from consolidating any entity other than another investment company that acted as an extension of our investment operations and facilitated the execution of our investment strategy or an investment in a controlled operating company that provided substantially all of its services to us. Our financial statements for the fiscal year ended December 31, 2022 consolidate the accounts of the Company and NSBF, and excludes other wholly-owned subsidiaries. Our financial statements for the fiscal year ended December 31, 2022 reflect our investments at fair value, as determined in good faith by our Board. Certain of our subsidiaries' financial statements are separately provided as significant unconsolidated wholly-owned subsidiaries. In future financial statements, beginning with the first quarter of 2023, the Company will be required to consolidate the financial statements of certain of its controlled or majority-owned investments together with those of the Company, which will be a significant change in our accounting and financial reporting requirements. Management will be required to expend significant efforts in order to implement this change in accounting and financial reporting requirements, which could adversely affect the time and attention devoted to other aspects of our business and operations.

The loss of pass-through tax treatment, as a result of the Company's withdrawal of its election to be regulated as a BDC, may substantially reduce net assets and income available for dividends and debt repayments.

Prior to January 6, 2023, we operated so as to qualify as a RIC, which generally allowed us to qualify for effective pass-through tax treatment. Upon withdrawing our election to be regulated as a BDC, we have ceased to qualify for such pass-through tax treatment, and we will have to pay corporate-level taxes on all of our income whether or not we distribute it, which we expect will substantially reduce the amount of income available for distribution to our shareholders and to repay our borrowings. The Company will no longer qualify as a RIC beginning with the 2023 taxable year (e.g., beginning on January 1, 2023).

We could be adversely affected by information security breaches or cybersecurity attacks.

Our business operations and our subsidiaries' business operations rely upon secure information technology systems for data processing, storage and reporting. Despite security and controls design, implementation and updating, such information technology systems could become subject to cyber-attacks. Network, system, application and data breaches could result in operational disruptions or information misappropriation, which could have a material adverse effect on our business, results of operations and financial condition.

In addition, our business operations involve the storage and transmission of Newtek, customer and employee proprietary information. Our businesses rely on our digital technologies, computer and email systems, software, and networks to conduct operations. Our technologies, systems and networks may become the target of criminal cyber-attacks or information security breaches that could result in the unauthorized release, gathering, monitoring, misuse, loss or destruction of confidential, proprietary and other information of us or third parties with whom we deal, or otherwise disrupt our or our customers' or other third parties' business operations.

Additionally, the increased use of mobile and cloud technologies due to the increased amount of remote work resulting from the COVID-19 pandemic could heighten these and other operational risks as certain aspects of the security of such technologies may be complex and unpredictable. It is critical to our business strategy that our facilities and infrastructure remain secure and are perceived by the marketplace to be secure.

We maintain a cybersecurity risk management program that is overseen by the Chief Information Security Officer ("CISO") of NTS. The CISO is chiefly responsible for developing, maintaining, and enforcing cybersecurity and cyber risk-related policies; ensuring the Company and its subsidiaries satisfy requirements of relevant regulations, industry standards, and third-party risk assessment requirements; keeping abreast of developing security threats, and helping both the Board and the board of directors of Newtek Bank understand potential security problems that might arise from the changing threat landscape; and overseeing and implementing regular security awareness training of all employees on cybersecurity, and supporting effective communication with users to limit security vulnerabilities. The CISO regularly reports to the Board and the board of directors of Newtek Bank on the state of our cybersecurity risk management program and provides updates on cybersecurity matters.

Although we believe we and our IT providers employ appropriate security technologies (including data encryption processes, intrusion detection systems), and conduct comprehensive risk assessments and other internal control procedures to assure the security of our and our customers' data, we cannot guarantee that these measures will be sufficient for this purpose. If our and our IT provider's security measures are breached as a result of third-party action, employee error or otherwise, and as a result our or our customers' data becomes available to unauthorized parties, we could incur liability and our reputation would be damaged, which could lead to the loss of current and potential customers. If we experience any breaches of our network security or sabotage, we might be required to expend significant capital and other resources to detect, remedy, protect against or alleviate these and related problems, and we may not be able to remedy these problems in a timely manner, or at all. Because techniques used by outsiders to obtain unauthorized network access or to sabotage systems change frequently and generally are not recognized until launched against a target, we may be unable to anticipate these techniques or implement adequate preventative measures. For example, in early 2018, an unauthorized third-party misappropriated three of NTS' domain names. NTS' management and forensic investigators determined that attackers compromised a portion of NTS' shared webhosting system, and may have acquired certain customer information limited to its shared webhosting customers, and/or gained access to certain of its shared webhosting servers. In response, NTS has taken a range of steps designed to further secure its systems, enhance its security protections, enhance access controls, and prevent future unauthorized activity.

As cyber threats continue to evolve, we may be required to expend significant additional resources to continue to modify or enhance our protective measures or to investigate and remediate any information security vulnerabilities. Although we have insurance in place that covers such incidents, the cost of a breach or cyber-attack could well exceed any such insurance coverage.

Risks related to our subsidiary Newtek Insurance Agency (NIA)

NIA does not have any control over the commissions it earns on the sale of insurance products which are based on premiums and commission rates set by insurers and the conditions prevalent in the insurance market.

NIA earns commissions on the sale of insurance products. Commission rates and premiums can change based on the prevailing economic and competitive factors that affect insurance underwriters. In addition, the insurance industry has been characterized by periods of intense price competition due to excessive underwriting capacity and periods of favorable premium levels due to shortages of capacity. We cannot predict the timing or extent of future changes in commission rates or premiums or the effect any of these changes will have on the operations of NIA.

NIA depends on third parties, particularly property and casualty insurance companies, to supply the products marketed by its agents.

NIA contracts with property and casualty insurance companies typically provide that the contracts can be terminated by the supplier without cause. NIA's inability to enter into satisfactory arrangements with these suppliers or the loss of these relationships for any reason would adversely affect the results of its insurance business. Also, NIA's inability to obtain these products at competitive prices could make it difficult for it to compete with larger and better capitalized providers of such insurance services.

If NIA fails to comply with government regulations, its insurance agency business would be adversely affected.

NIA insurance agency business is subject to comprehensive regulation in the various states in which it conducts business. NIA's success will depend in part upon its ability to satisfy these regulations and to obtain and maintain all required licenses and permits. NIA's failure to comply with any statutes and regulations could have a material adverse effect on it. Furthermore, the adoption of additional statutes and regulations, changes in the interpretation and enforcement of current statutes and regulations could have a material adverse effect on it.

Shares of our common stock have no preemptive, conversion or redemption rights and are freely transferable, except where their transfer is restricted by federal and state securities laws or by contract. In the event of our liquidation, dissolution or winding up, each share of our common stock would be entitled to share ratably in all of our assets that are legally available for distribution after we pay all debts and other liabilities and subject to any preferrential rights of holders of our preferred stock, if any preferred stock is outstanding at such time. Each share of our common stock is entitled to one vote on all matters submitted to a vote of stockholders, including the election of directors. Except as provided with respect to any other class or series of stock, the holders of our common stock will possess exclusive voting power. There is no cumulative voting in the election of directors,

which means that holders of a majority of the outstanding shares of common stock can elect all of our directors, and holders of less than a majority of such shares will be unable to elect any director.

Preferred Stock

Our charter authorizes our Board to classify and reclassify any unissued shares of stock into other classes or series of stock, including preferred stock. The cost of any such reclassification would be borne by our existing common stockholders. Prior to issuance of shares of each class or series, the Board is required by Maryland law and by our charter to set the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications and terms or conditions of redemption for each class or series. Thus, the Board could authorize the issuance of shares of preferred stock with terms and conditions which could have the effect of delaying, deferring or preventing a transaction or a change in control that might involve a premium price for holders of our common stock or otherwise be in their best interest.

On February 3, 2023, we issued 20,000 shares of our Series A Convertible Preferred Stock in a private placement transaction in reliance on Section 4(a)(2) of the Securities Act. For more information see "Available Information" and our Current Report on Form 8-K filed on February 7, 2023 which is incorporated by reference to this prospectus.

For more information on the preferred stock that we may offer, see "Description of our Preferred Stock" below.

Options and Restricted Stock

From time to time, at the discretion of the Compensation, Corporate Governance and Nominating Committee of the Company's Board of Directors, and subject to Company stockholder approval of an amendment to the Company's Amended and Restated 2014 Stock Incentive Plan, the Company intends to grant awards of shares of restricted common stock and stock options to the named executive officers and other employees to create a clear and strong alignment between compensation and stockholder return and to enable the named executive officers and other employees to develop and maintain a stock ownership position in the Company that will vest over time and act as an incentive for the employee to remain with the Company. See "Executive Compensation" in our most recent definitive proxy statement for a description of equity-based compensation.

Limitation on Liability of Directors and Officers; Indemnification and Advance of Expenses

Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. Our charter contains such a provision which eliminates directors' and officers' liability to the maximum extent permitted by Maryland law.

Our charter authorizes us, to the maximum extent permitted by Maryland law to indemnify any present or former director or officer or any individual who, while serving as our director or officer and at our request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee, from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. Our bylaws obligate us, to the maximum extent permitted by Maryland law to indemnify any present or former director or officer or any individual who, while serving as our director or officer and at our request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in that capacity from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse his or her reasonable expenses in advance of final disposition of a proceeding. The charter and bylaws also permit us to indemnify and advance expenses to any person who served a predecessor of us in any of the capacities described above and any of our employees or agents or any employees or agents of our predecessor.

Maryland law requires a corporation (unless its charter provides otherwise, which our charter does not) to indemnify a director or officer who has been successful in the defense of any proceeding to which he or she is made, or threatened to be made, a party by reason of his or her service in that capacity. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that a personal benefit was improperly received unless, in either case, a court orders indemnification, and then only for expenses. In addition, Maryland law permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the standard of conduct was not met.

Certain Provisions of the Maryland General Corporation Law and Our Charter and Bylaws

The Maryland General Corporation Law and our charter and bylaws contain provisions that could make it more difficult for a potential acquirer to acquire us by means of a tender offer, proxy contest or otherwise. These provisions are expected to discourage certain coercive takeover practices and inadequate takeover bids and to encourage persons seeking to acquire control of us to negotiate first with our Board. We believe that the benefits of these provisions outweigh the potential disadvantages of discouraging any such acquisition proposals because, among other things, the negotiation of such proposals may improve their terms.

Classified Board of Directors

Our Board is divided into three classes of directors serving staggered three-year terms. The first class expires in 2024, the second class expires in 2025, and the third class expires in 2023. Upon expiration of their current terms, directors of each class will be elected to serve for three-year terms and until their successors are duly elected and qualify and each year one class of directors will be elected by the stockholders. Barry Sloane and Peter Downs serve in Class I, with terms expiring at the 2024 Annual Meeting; Gregory Zink, Fernando Perez-Hickman and Halli Razon-Feingold serve in Class II, with terms expiring at the 2023 Annual Meeting; and Richard Salute and Salvatore Mulia serve in Class III, with terms expiring at the 2023 Annual Meeting.

A classified board may render a change in control of us or removal of our incumbent management more difficult. We believe, however, that the longer time required to elect a majority of a classified board of directors will help to ensure the continuity and stability of our management and policies.

Election of Directors

Our charter and bylaws provide that the affirmative vote of the holders of a plurality of the outstanding shares of stock entitled to vote in the election of directors cast at a meeting of stockholders duly called and at which a quorum is present will be required to elect a director. Pursuant to our charter our Board may amend the bylaws to alter the vote required to elect directors.

Number of Directors; Vacancies; Removal

Our charter provides that the number of directors will be set only by the Board in accordance with our bylaws. Our bylaws provide that a majority of our entire Board may at any time increase or decrease the number of directors. However, unless our bylaws are amended, the number of directors may never be less than one nor more than twelve. Our charter provides that, at such time as we have at least three independent directors and our common stock is registered under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), we elect to be subject to the provision of Subtitle 8 of Title 3 of the Maryland General Corporation Law regarding the filling of vacancies on the board of directors. Accordingly, at such time, except as may be provided by the Board in setting the terms of any class or series of preferred stock, any and all vacancies on the Board may be filled only by the affirmative vote of a majority of the remaining directors in office, even if the remaining directors do not constitute a quorum, and any director elected to fill a vacancy will serve for the remainder of the full term of the directorship in which the vacancy occurred and until a successor is elected and qualifies.

Our charter provides that a director may be removed only for cause, as defined in our charter, and then only by the affirmative vote of at least two-thirds of the votes entitled to be cast in the election of directors.

Action by Stockholders

Under the Maryland General Corporation Law, stockholder action can be taken only at an annual or special meeting of stockholders or (unless the charter provides for stockholder action by less than unanimous written consent, which our charter does not). These provisions, combined with the requirements of our bylaws regarding the calling of a stockholder-requested special meeting of stockholders discussed below, may have the effect of delaying consideration of a stockholder proposal until the next annual meeting.

Advance Notice Provisions for Stockholder Nominations and Stockholder Proposals

Our bylaws provide that with respect to an annual meeting of stockholders, nominations of persons for election to the Board and the proposal of business to be considered by stockholders may be made only (a) pursuant to our notice of the meeting, (b) by the Board or (c) by a stockholder who is entitled to vote at the meeting and who has complied with the advance notice procedures of our bylaws. With respect to special meetings of stockholders, only the business specified in our notice of the meeting may be brought before the meeting. Nominations of persons for election to the Board at a special meeting may be made only (1) pursuant to our notice of the meeting, (2) by the Board or (3) provided that the Board has determined that directors will be elected at the meeting, by a stockholder who is entitled to vote at the meeting and who has complied with the advance notice provisions of the bylaws.

The purpose of requiring stockholders to give us advance notice of nominations and other business is to afford our Board a meaningful opportunity to consider the qualifications of the proposed nominees and the advisability of any other proposed business and, to the extent deemed necessary or desirable by our Board, to inform stockholders and make

recommendations about such qualifications or business, as well as to provide a more orderly procedure for conducting meetings of stockholders. Although our bylaws do not give our Board any power to disapprove stockholder nominations for the election of directors or proposals recommending certain action, they may have the effect of precluding a contest for the election of directors or the consideration of stockholder proposals if proper procedures are not followed and of discouraging or deterring a third party from conducting a solicitation of proxies to elect its own slate of directors or to approve its own proposal without regard to whether consideration of such nominees or proposals might be harmful or beneficial to us and our stockholders.

Calling of Special Meetings of Stockholders

Our bylaws provide that special meetings of stockholders may be called by our Board and certain of our officers. Additionally, our bylaws provide that, subject to the satisfaction of certain procedural and informational requirements by the stockholders requesting the meeting, a special meeting of stockholders will be called by the secretary of the corporation upon the written request of stockholders entitled to cast not less than a majority of all the votes entitled to be cast at such meeting.

Approval of Extraordinary Corporate Action; Amendment of Charter and Bylaws

Under Maryland law, a Maryland corporation generally cannot dissolve, amend its charter, merge, sell all or substantially all of its assets, engage in a share exchange or engage in similar transactions outside the ordinary course of business, unless approved by the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter. However, a Maryland corporation may provide in its charter for approval of these matters by a lesser percentage, but not less than a majority of all of the votes entitled to be cast on the matter. Our charter generally provides for approval of charter amendments and extraordinary transactions by the stockholders entitled to cast at least a majority of the votes entitled to be cast on the matter. Our charter also provides that certain charter amendments, any proposal for our conversion, whether by charter amendment, merger or otherwise, from a closed-end company to an open-end company and any proposal for our liquidation or dissolution requires the approval of the stockholders entitled to cast at least a majority of the votes entitled to be cast on such matter. However, if such amendment or proposal is approved by a majority of our continuing directors (in addition to approval by our Board), such amendment or proposal may be approved by a majority of the votes entitled to be cast on such a matter. The "continuing directors" are defined in our charter as (1) our current directors, (2) those directors whose nomination for election by the stockholders or whose election by the directors to fill vacancies is approved by a majority of continuing directors or the successor continuing directors then in office.

Our charter and bylaws provide that the Board will have the exclusive power to make, alter, amend or repeal any provision of our bylaws. In a Special Meeting of Stockholders held on September 30, 2022, our stockholders rejected a proposal that would have allowed our stockholders to amend our bylaws.

No Appraisal Rights

Except with respect to appraisal rights arising in connection with the Control Share Act discussed below, as permitted by the Maryland General Corporation Law, our charter provides that stockholders will not be entitled to exercise appraisal rights unless a majority of the Board shall determine such rights apply.

Control Share Acquisitions

The Maryland General Corporation Law provides that control shares of a Maryland corporation acquired in a control share acquisition have no voting rights except to the extent approved by a vote of two-thirds of the votes entitled to be cast on the matter (the "Control Share Act"). Shares owned by the acquirer, by officers or by directors who are employees of the corporation are excluded from shares entitled to vote on the matter. Control shares are voting shares of stock which, if aggregated with all other shares of stock owned by the acquirer or in respect of which the acquirer is able to exercise or direct the exercise of voting power (except solely by virtue of a revocable proxy), would entitle the acquirer to exercise voting power in electing directors within one of the following ranges of voting power:

- one-tenth or more but less than one-third;
- · one-third or more but less than a majority; or
- · a majority or more of all voting power.

The requisite stockholder approval must be obtained each time an acquirer crosses one of the thresholds of voting power set forth above. Control shares do not include shares the acquiring person is then entitled to vote as a result of having previously obtained stockholder approval. A control share acquisition means the acquisition of control shares, subject to certain exceptions.

A person who has made or proposes to make a control share acquisition may compel the Board of the corporation to call a special meeting of stockholders to be held within 50 days of demand to consider the voting rights of the shares. The right to compel the calling of a special meeting is subject to the satisfaction of certain conditions, including an undertaking to pay the

expenses of the meeting. If no request for a meeting is made, the corporation may itself present the question at any stockholders meeting.

If voting rights are not approved at the meeting or if the acquiring person does not deliver an acquiring person statement as required by the statute, then the corporation may redeem for fair value any or all of the control shares, except those for which voting rights have previously been approved. The right of the corporation to redeem control shares is subject to certain conditions and limitations. Fair value is determined, without regard to the absence of voting rights for the control shares, as of the date of the last control share acquisition by the acquirer or of any meeting of stockholders at which the voting rights of the shares are considered and not approved. If voting rights for control shares are approved at a stockholders meeting and the acquirer becomes entitled to vote a majority of the shares entitled to vote, all other stockholders may exercise appraisal rights. The fair value of the shares as determined for purposes of appraisal rights may not be less than the highest price per share paid by the acquirer in the control share acquisition.

The Control Share Act does not apply (a) to shares acquired in a merger, consolidation or share exchange if the corporation is a party to the transaction or (b) to acquisitions approved or exempted by the charter or bylaws of the corporation. Our bylaws contain a provision exempting from the Control Share Act any and all acquisitions by any person of our shares of stock. There can be no assurance that such provision will not be amended or eliminated at any time in the future.

Business Combinations

Under Maryland law, "business combinations" between a Maryland corporation and an interested stockholder or an affiliate of an interested stockholder are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder (the "Business Combination Act"). These business combinations include a merger, consolidation, share exchange or, in circumstances specified in the statute, an asset transfer or issuance or reclassification of equity securities. An interested stockholder is defined as:

- · any person who beneficially owns 10% or more of the voting power of the corporation's outstanding voting stock; or
- an affiliate or associate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the then outstanding voting stock of the corporation.

A person is not an interested stockholder under this statute if the board of directors approved in advance the transaction by which the stockholder otherwise would have become an interested stockholder. However, in approving a transaction, the board of directors may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by the board.

After the five-year prohibition, any business combination between the Maryland corporation and an interested stockholder generally must be recommended by the board of directors of the corporation and approved by the affirmative vote of at least:

- · 80% of the votes entitled to be cast by holders of outstanding shares of voting stock of the corporation; and
- two-thirds of the votes entitled to be cast by holders of voting stock of the corporation other than shares held by the interested stockholder with whom or with whose affiliate the business combination is to be effected or held by an affiliate or associate of the interested stockholder.

These super-majority vote requirements do not apply if the corporation's common stockholders receive a minimum price, as defined under Maryland law, for their shares in the form of cash or other consideration in the same form as previously paid by the interested stockholder for its shares.

The statute permits various exemptions from its provisions, including business combinations that are exempted by the board of directors before the time that the interested stockholder becomes an interested stockholder. Our Board has adopted a resolution that any business combination between us and any other person is exempted from the provisions of the Business Combination Act, provided that the business combination is first approved by Board, including a majority of the directors who are not interested persons. This resolution may be altered or repealed in whole or in part at any time; however, our Board will adopt resolutions so as to make us subject to the provisions of the Business Combination Act only if the Board determines that it would be in our best interests. If this resolution is repealed, or the Board does not otherwise approve a business combination, the statute may discourage others from trying to acquire control of us and increase the difficulty of consummating any offer.

DESCRIPTION OF OUR PREFERRED STOCK

In addition to shares of common stock, our charter authorizes the issuance of preferred stock. We may issue preferred stock from time to time. If we offer preferred stock under this prospectus, we will issue an appropriate prospectus supplement. We may issue preferred stock from time to time in one or more classes or series, without stockholder approval. Prior to issuance of shares of each class or series, our Board is required by Maryland law and by our charter to set the terms, preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms or conditions of redemption for each class or series.

The following is a general description of the terms of the preferred stock we may issue from time to time. Particular terms of any preferred stock we offer will be described in the prospectus supplement relating to such preferred stock.

If we issue preferred stock, it will pay dividends to the holders of the preferred stock at either a fixed rate or a rate that will be reset frequently based on short-term interest rates, or as otherwise may be described in a prospectus supplement accompanying each offering of preferred stock.

For any series of preferred stock that we may issue, our Board will determine and the articles supplementary and prospectus supplement relating to such series will describe:

- · the designation and number of shares of such series;
- · the rate, whether fixed or variable, and time at which any dividends will be paid on shares of such series, as well as whether such dividends are participating or non-participating;
- · any provisions relating to convertibility or exchangeability of the shares of such series;
- · the rights and preferences, if any, of holders of shares of such series upon our liquidation, dissolution or winding up of our affairs;
- · the voting powers, if any, of the holders of shares of such series;
- any provisions relating to the redemption of the shares of such series;
- · any limitations on our ability to pay dividends or make distributions on, or acquire or redeem, other securities while shares of such series are outstanding;
- any conditions or restrictions on our ability to issue additional shares of such series or other securities;
- · if applicable, a discussion of certain U.S. federal income tax considerations; and
- any other relative powers, preferences and participating, optional or special rights of shares of such series, and the qualifications, limitations or restrictions thereof.

All shares of preferred stock that we may issue will be identical and of equal rank except as to the particular terms thereof that may be fixed by our Board, and all shares of each series of preferred stock will be identical and of equal rank except as to the dates from which dividends, if any, thereon will be cumulative.

DESCRIPTION OF OUR DEPOSITARY SHARES

General

We may, at our option, elect to offer fractional shares of preferred stock, rather than full shares of preferred stock. In such event, we will issue receipts for depositary shares, each of which will represent a fraction of a share of a particular series of preferred stock.

The shares of any series of preferred stock represented by depositary shares will be deposited under a deposit agreement between us and the depositary we select. Each owner of a depositary share will be entitled to all the rights and preferences of the underlying preferred stock, including any dividend, voting, redemption, conversion and liquidation rights described in the particular prospectus supplement, in proportion to the applicable fraction of a share of preferred stock represented by such depositary share.

The depositary shares will be evidenced by depositary receipts issued pursuant to the deposit agreement. Depositary receipts will be distributed to those persons purchasing the fractional shares of preferred stock in accordance with the terms of the applicable prospectus supplement.

Set forth below is a summary of the general terms and conditions expect to be included in any deposit agreement with respect to the depositary shares, however specific terms and conditions of the deposit agreement related to the depositary shares will be further described in the particular prospectus supplement.

Dividends and Other Distributions

The preferred stock depositary will distribute all cash dividends or other cash distributions received in respect of the deposited preferred stock to the record holders of depositary shares relating to the preferred stock in proportion to the number of depositary shares owned by the holders.

In the case of a distribution other than in cash, the preferred stock depositary will distribute any property received by it other than cash to the record holders of depositary shares entitled to receive it. If the preferred stock depositary determines that it is not feasible to make such a distribution, it may, with our approval, sell the property and distribute the net proceeds from the sale to the holders of the depositary shares.

The amounts distributed in any such distribution, whether in cash or otherwise, will be reduced by any amount required to be withheld by us or the preferred stock depositary on account of taxes.

Redemption, Conversion and Exchange of Preferred Stock

If a series of preferred stock represented by depositary shares is to be redeemed, the depositary shares will be redeemed from the proceeds received by the preferred stock depositary resulting from the redemption, in whole or in part, of that series of preferred stock. The depositary shares will be redeemed by the preferred stock depositary at a price per depositary share equal to the applicable fraction of the redemption price per share payable in respect of the shares of preferred stock redeemed.

Whenever we redeem shares of preferred stock held by the preferred stock depositary, the preferred stock depositary will redeem as of the same date the number of depositary shares representing shares of preferred stock redeemed. If fewer than all the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by the preferred stock depositary by lot or ratably or by any other equitable method, in each case as we may determine.

If a series of preferred stock represented by depositary shares is to be converted or exchanged, the holder of depositary receipts representing the shares of preferred stock being converted or exchanged will have the right or obligation to convert or exchange the depositary shares evidenced by the depositary receipts.

After the redemption, conversion or exchange date, the depositary shares called for redemption, conversion or exchange will no longer be outstanding. When the depositary shares are no longer outstanding, all rights of the holders will end, except the right to receive money, securities or other property payable upon redemption, conversion or exchange.

Voting Deposited Preferred Stock

Upon receipt of notice of any meeting at which the holders of any series of deposited preferred stock are entitled to vote, the preferred stock depositary will mail the information contained in the notice of meeting to the record holders of the depositary receipts evidencing the depositary shares relating to that series of preferred stock. Each record holder of the depositary receipts on the record date will be entitled to instruct the preferred stock depositary to vote the amount of the

preferred stock represented by the holder's depositary shares. The preferred stock depositary will try, if practical, to vote the amount of such series of preferred stock represented by such depositary shares in accordance with such instructions.

We will agree to take all reasonable actions that the preferred stock depositary determines are necessary to enable the preferred stock depositary to vote as instructed. The preferred stock depositary will abstain from voting shares of any series of preferred stock held by it for which it does not receive specific instructions from the holders of depositary shares representing those preferred shares.

Charges of Preferred Stock Depositary; Taxes and Other Governmental Charges

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We also will pay charges of the preferred stock depositary in connection with the initial deposit of preferred stock and any redemption of preferred stock. Holders of depositary receipts will pay other transfer and other taxes and governmental charges and such other charges, including a fee for the withdrawal of shares of preferred stock upon surrender of depositary receipts, as are expressly provided in the deposit agreement to be for their accounts.

Prospective purchasers of depositary shares should be aware that special tax, accounting and other issues may be applicable to instruments such as depositary shares.

Resignation and Removal of Depositary

Following its appointment, the deposit agreement may provide that the preferred stock depositary may resign at any time by delivering to us notice of its intent to do so, and we may at any time remove the preferred stock depositary, any such resignation or removal to take effect upon the appointment of a successor preferred stock depositary meeting the requirements specified in the deposit agreement and its acceptance of such appointment.

Miscellaneous

The preferred stock depositary will forward all reports and communications from us that are delivered to the preferred stock depositary and that we are required to furnish to the holders of the deposited preferred stock.

Neither we nor the preferred stock depositary will be liable if we are or the preferred stock depositary is prevented or delayed by law or any circumstances beyond our or its control in performing our or its obligations under the deposit agreement. Our obligations and the obligations of the preferred stock depositary under the deposit agreement will be limited to performance in good faith of the duties under the deposit agreement and we and the preferred stock depositary will not be obligated to prosecute or defend any legal proceeding in respect of any depositary shares, depositary receipts or shares of preferred stock unless satisfactory indemnity is furnished. We and the preferred stock depositary may rely upon written advice of counsel or accountants, or upon information provided by holders of depositary receipts or other persons believed to be competent and on documents believed to be genuine.

DESCRIPTION OF OUR SUBSCRIPTION RIGHTS

General

We may issue subscription rights to our stockholders to purchase common stock or our other securities. Subscription rights may be issued independently or together with any other offered security and may or may not be transferable by the person purchasing or receiving the subscription rights. In connection with a subscription rights offering to our stockholders, we would distribute certificates evidencing the subscription rights and a prospectus supplement to our stockholders on the record date that we set for receiving subscription rights in such subscription rights offering.

The applicable prospectus supplement would describe the following terms of subscription rights in respect of which this prospectus is being delivered:

- the period of time the offering would remain open (which shall be open a minimum number of days such that all record holders would be eligible to participate in the offering and shall not be open longer than 120 days);
- · the title of such subscription rights;
- · the exercise price for such subscription rights (or method of calculation thereof);
- the ratio of the offering (which, in the case of transferable rights, may require a minimum number of shares to be held of record before a person is entitled to purchase an additional share);
- · the number of such subscription rights issued to each stockholder;
- · the extent to which such subscription rights are transferable and the market on which they may be traded if they are transferable;
- if applicable, a discussion of certain U.S. federal income tax considerations applicable to the issuance or exercise of such subscription rights;
- · the date on which the right to exercise such subscription rights shall commence, and the date on which such right shall expire (subject to any extension);
- · the extent to which such subscription rights include an over-subscription privilege with respect to unsubscribed securities and the terms of such over-subscription privilege;
- · any termination right we may have in connection with such subscription rights offering; and
- · any other terms of such subscription rights, including exercise, settlement and other procedures and limitations relating to the transfer and exercise of such subscription rights.

Exercise of Subscription Rights

Each subscription right would entitle the holder of the subscription right to purchase for cash such amount of shares of common stock or other securities at such exercise price as shall in each case be set forth in, or be determinable as set forth in, the prospectus supplement relating to the subscription rights offered thereby. Subscription rights may be exercised at any time up to the close of business on the expiration date for such subscription rights set forth in the prospectus supplement. After the close of business on the expiration date, all unexercised subscription rights would become void.

Subscription rights may be exercised as set forth in the prospectus supplement relating to the subscription rights offered thereby. Upon receipt of payment and the subscription rights certificate properly completed and duly executed at the corporate trust office of the subscription rights agent or any other office indicated in the prospectus supplement we will forward, as soon as practicable, the shares of common stock or other securities purchasable upon such exercise. To the extent permissible under applicable law, we may determine to offer any unsubscribed offered securities directly to persons other than stockholders, to or through agents, underwriters or dealers or through a combination of such methods, as set forth in the applicable prospectus supplement.

Dilutive Effects

Any stockholder who chooses not to participate in a rights offering should expect to own a smaller interest in the Company upon completion of such rights offering. Any rights offering may dilute the ownership interest and voting power of stockholders who do not fully exercise their subscription rights. The amount of dilution that a stockholder will experience could be substantial, particularly to the extent we engage in multiple rights offerings within a limited time period. In addition, the market price of our common stock could be adversely affected while a rights offering is ongoing as a result of the possibility that a significant number of additional shares may be issued upon completion of such rights offering. All of our stockholders will also indirectly bear the expenses associated with any rights offering we may conduct, regardless of whether they elect to exercise any rights.

DESCRIPTION OF OUR WARRANTS

The following is a general description of the terms of the warrants we may issue from time to time. Particular terms of any warrants we offer will be described in the prospectus supplement relating to such warrants.

We may issue warrants to purchase shares of our common stock or other securities. Such warrants may be issued independently or together with shares of common stock or other securities and may be attached or separate from such shares of common stock or other securities. We will issue each series of warrants under a separate warrant agreement to be entered into between us and a warrant agent. The warrant agent will act solely as our agent and will not assume any obligation or relationship of agency for or with holders or beneficial owners of warrants.

A prospectus supplement will describe the particular terms of any series of warrants we may issue, including the following:

- · the title of such warrants;
- · the aggregate number of such warrants;
- · the price or prices at which such warrants will be issued;
- · the currency or currencies, including composite currencies, in which the price of such warrants may be payable;
- the number of shares of common stock or other securities issuable upon exercise of such warrants;
- the price at which and the currency or currencies, including composite currencies, in which the shares of common stock or other securities purchasable upon exercise of such warrants may be purchased;
- · the date on which the right to exercise such warrants shall commence and the date on which such right will expire;
- · whether such warrants will be issued in registered form or bearer form;
- · if applicable, the minimum or maximum amount of such warrants which may be exercised at any one time;
- · if applicable, the number of such warrants issued with each share of common stock or other securities;
- · if applicable, the date on and after which such warrants and the related shares of common stock or other securities will be separately transferable;
- · information with respect to book-entry procedures, if any;
- if applicable, a discussion of certain U.S. federal income tax considerations; and
- · any other terms of such warrants, including terms, procedures and limitations relating to the exchange and exercise of such warrants.

The Company and the warrant agent may amend or supplement the warrant agreement for a series of warrants without the consent of the holders of the warrants issued thereunder to effect changes that are not inconsistent with the provisions of the warrants and that do not materially and adversely affect the interests of the holders of the warrants.

DESCRIPTION OF OUR DEBT SECURITIES

We may issue senior or subordinated debt securities in one or more series. The specific terms of each series of debt securities will be described in the particular prospectus supplement relating to that series. The prospectus supplement may or may not modify the general terms found in this prospectus and will be filed with the SEC. For a complete description of the terms of a particular series of debt securities, you should read both this prospectus and the prospectus supplement relating to that particular series.

As required by federal law for all bonds and notes of companies that are publicly offered, the debt securities are governed by a document called an "indenture." An indenture is a contract between us and the financial institution acting as trustee on your behalf, and is subject to and governed by the Trust Indenture Act of 1939, as amended. The trustee has two main roles. First, the trustee can enforce your rights against us if we default. There are some limitations on the extent to which the trustee acts on your behalf, described in the second paragraph under "— Events of Default — Remedies if an Event of Default Occurs." Second, the trustee performs certain administrative duties for us with respect to the debt securities.

Currently, we have the following debt securities outstanding, each were issued pursuant to a Base Indenture (the "existing indenture"), dated as of September 23, 2015 between Newtek, as issuer and U.S. Bank National Association, as trustee (the "trustee"):

- \$38.25 million of the 5.75% Notes due 2024 (the "2024 Notes");
- \$30.0 million of the 5.00% Notes due 2025 (the "2025 Notes");
- \$115.0 million 5.50% notes due 2026 (the "2026 Notes"); and
- \$50.0 million 8.125% notes due 2025 (the "2025 8.125% Notes" and together with the 2024 Notes, the 2025 Notes and the 2026 Notes, the "existing notes").

In connection with the consummation of the Acquisition and the Company becoming a financial holding company, we plan to enter into new indentures in respect of senior and subordinated debt securities with the trustee (the "senior notes indenture" and the "subordinated notes indenture", respectively, and together with the existing indenture, the "indentures"). The existing indenture and forms of each of the senior notes indenture and subordinated notes indenture are included as exhibits to our Registration Statement on Form S-3 of which this prospectus is a part. We will file a supplemental indenture with the SEC in connection with any debt offering, at which time the supplemental indenture would be publicly available. See "Available Information" for information on how to obtain a copy of the indenture or any supplemental indenture we may enter into at the time of an offering of debt securities.

This section includes a description of the material provisions of the indentures. Because this section is a summary, however, it does not describe every aspect of the debt securities and the indentures. We urge you to read the indentures because they, and not this description, define your rights as a holder of debt securities.

The prospectus supplement, which will accompany this prospectus, will describe the particular series of debt securities being offered thereby including:

- the designation or title of the series of debt securities;
- the total principal amount of the series of debt securities;
- · the percentage of the principal amount at which the series of debt securities will be offered;
- · the date or dates on which principal will be payable;
- · the rate or rates (which may be either fixed or variable) and/or the method of determining such rate or rates of interest, if any;
- the date or dates from which any interest will accrue, or the method of determining such date or dates, and the date or dates on which any interest will be payable;
- whether any interest may be paid by issuing additional securities of the same series in lieu of cash (and the terms upon which any such interest may be paid by issuing additional securities);
- · the terms for redemption, extension or early repayment, if any;

- the currencies in which the series of debt securities are issued and payable;
- whether the amount of payments of principal, premium or interest, if any, on a series of debt securities will be determined with reference to an index, formula or other method (which could be based on one or more currencies, commodities, equity indices or other indices) and how these amounts will be determined;
- the place or places, if any, other than or in addition to the Borough of Manhattan in the City of New York, of payment, transfer, conversion and/or exchange of the debt securities;
- the denominations in which the offered debt securities will be issued (if other than \$1,000 and any integral multiple thereof);
- the provision for any sinking fund:
- any restrictive covenants;
- any Events of Default (as defined in "Events of Default" below);
- whether the series of debt securities are issuable in certificated form;
- any provisions for defeasance or covenant defeasance:
- any special federal income tax implications, including, if applicable, federal income tax considerations relating to original issue discount;
- whether and under what circumstances we will pay additional amounts in respect of any tax, assessment or governmental charge and, if so, whether we will have the option to redeem the debt securities rather than pay the additional amounts (and the terms of this option);
- any provisions for convertibility or exchangeability of the debt securities into or for any other securities;
- whether the debt securities are subject to subordination and the terms of such subordination;
- whether the debt securities are secured and the terms of any security interest;
- the listing, if any, on a securities exchange; and
- any other terms.

The debt securities may be secured or unsecured obligations.

General

The indentures provide that any debt securities proposed to be sold under this prospectus and the accompanying prospectus supplement ("offered debt securities") may be issued under the indentures in one or more series.

For purposes of this prospectus, any reference to the payment of principal of, or premium or interest, if any, on debt securities will include additional amounts if required by the terms of the debt securities.

The indentures do not limit the amount of debt securities that may be issued under a particular indenture from time to time. Debt securities issued under an indenture, when a single trustee is acting for all debt securities issued under an indenture, are called the "indenture securities." The indentures also provide that there may be more than one trustee thereunder, each with respect to one or more different series of indenture securities. See "— Resignation of Trustee" below. At a time when two or more trustees are acting under an indenture, each with respect to only certain series, the term "indenture securities" means the one or more series of debt securities with respect to which each respective trustee is acting. In the event that there is more than one trustee under an indenture, the powers and trust obligations of each trustee described in this prospectus will extend only to the one or more series of indenture securities for which it is trustee. If two or more trustees are acting under an indenture, then the indenture securities for which each trustee is acting would be treated as if issued under separate indentures.

Except as described under "— Events of Default" and "— Merger or Consolidation" below, the indentures do not contain any provisions that give you protection in the event we issue a large amount of debt or we are acquired by another entity.

We refer you to the prospectus supplement for information with respect to any deletions from, modifications of or additions to the Events of Default or our covenants, as applicable, that are described below, including any addition of a covenant or other provision providing event risk protection or similar protection.

We have the ability to issue indenture securities with terms different from those of indenture securities previously issued and, without the consent of the holders thereof, to reopen a previous issue of a series of indenture securities and issue additional indenture securities of that series unless the reopening was restricted when that series was created.

Ranking of Debt Securities; Holding Company Structure

Senior Debt Securities. Payment of the principal of, premium, if any, and interest on senior debt securities will rank on a parity with all of our other unsecured and unsubordinated debt.

Subordinated Debt Securities. Payment of the principal of, premium, if any, and interest on subordinated debt securities will be junior in right of payment to the prior payment in full of all of our senior debt, including senior debt securities. We will state in the applicable prospectus supplement relating to any subordinated debt securities the subordination terms of the securities as well as the aggregate amount of outstanding debt, as of the most recent practicable date, that by its terms would be senior to those subordinated debt securities. We will also state in that prospectus supplement limitations, if any, on the incurrence of senior or subordinated indebtedness or general obligations, including indebtedness ranking on an equal basis with the subordinated debt securities offered by such prospectus supplement.

Holding Company Structure. The debt securities will be our exclusive obligations. We are a holding company and substantially all of our consolidated assets are held by our subsidiaries. Accordingly, our cash flows and our ability to service our debt, including the debt securities, are dependent upon the results of operations of our subsidiaries and the distribution of funds by our subsidiaries to us. Various statutory and regulatory restrictions, however, limit directly or indirectly the amount of dividends our subsidiaries can pay, and also restrict certain subsidiaries from making investments in or loans to us.

Because we are a holding company, the debt securities will be effectively subordinated to all existing and future liabilities of our subsidiaries, including indebtedness, bank customer deposits, trade payables, guarantees and lease obligations. Therefore, our rights and the rights of our creditors, including the holders of the debt securities, to participate in the assets of any subsidiary upon that subsidiary's liquidation or reorganization will be subject to the prior claims of the subsidiary's creditors and, if applicable, its depositors, except to the extent that we may ourselves be a creditor with recognized claims against the subsidiary, in which case our claims would still be effectively subordinate to any security interest in, or mortgages or other liens on, the assets of the subsidiary and would be subordinate to any indebtedness of the subsidiary senior to that which is held by us. If a receiver or conservator were appointed for Newtek Bank, the Federal Deposit Insurance Act recognizes a priority in favor of the holders of withdrawable deposits (including the FDIC as subrogee or transferee) over general creditors. Claims for customer deposits would have a priority over any claims that we may ourselves have as a creditor of Newtek Bank. Unless otherwise specified in the applicable prospectus supplement, the applicable indenture will not limit the amount of indebtedness or other liabilities that we and our subsidiaries may incur.

Conversion and Exchange

If any debt securities are convertible into or exchangeable for other securities, the prospectus supplement will explain the terms and conditions of the conversion or exchange, including the conversion price or exchange ratio (or the calculation method), the conversion or exchange period (or how the period will be determined), if conversion or exchange will be mandatory or at the option of the holder or us, provisions for adjusting the conversion price or the exchange ratio, and provisions affecting conversion or exchange in the event of the redemption of the underlying debt securities. These terms may also include provisions under which the number or amount of other securities to be received by the holders of the debt securities upon conversion or exchange would be calculated according to the market price of the other securities as of a time stated in the prospectus supplement.

Issuance of Securities in Registered Form

We may issue the debt securities in registered form, in which case we may issue them either in book-entry form only or in "certificated" form. Debt securities issued in book-entry form will be represented by global securities. We expect that we will usually issue debt securities in book-entry only form represented by global securities.

Book-Entry Holders

We will issue registered debt securities in book-entry form only, unless we specify otherwise in the applicable prospectus supplement. This means debt securities will be represented by one or more global securities registered in the name of a depositary that will hold them on behalf of financial institutions that participate in the depositary's book-entry system. These participating institutions, in turn, hold beneficial interests in the debt securities held by the depositary or its nominee. These institutions may hold these interests on behalf of themselves or customers.

Under the indentures, only the person in whose name a debt security is registered is recognized as the holder of that debt security. Consequently, for debt securities issued in book-entry form, we will recognize only the depositary as the holder of the debt securities and we will make all payments on the debt securities to the depositary. The depositary will then pass along the payments it receives to its participants, which in turn will pass the payments along to their customers who are the beneficial owners. The depositary and its participants do so under agreements they have made with one another or with their customers; they are not obligated to do so under the terms of the debt securities.

As a result, investors will not own debt securities directly. Instead, they will own beneficial interests in a global security, through a bank, broker or other financial institution that participates in the depositary's book-entry system or holds an interest through a participant. As long as the debt securities are represented by one or more global securities, investors will be indirect holders, and not holders, of the debt securities.

Street Name Holders

In the future, we may issue debt securities in certificated form or terminate a global security. In these cases, investors may choose to hold their debt securities in their own names or in "street name." Debt securities held in street name are registered in the name of a bank, broker or other financial institution chosen by the investor, and the investor would hold a beneficial interest in those debt securities through the account he or she maintains at that institution.

For debt securities held in street name, we will recognize only the intermediary banks, brokers and other financial institutions in whose names the debt securities are registered as the holders of those debt securities, and we will make all payments on those debt securities to them. These institutions will pass along the payments they receive to their customers who are the beneficial owners, but only because they agree to do so in their customer agreements or because they are legally required to do so. Investors who hold debt securities in street name will be indirect holders, and not holders, of the debt securities.

Legal Holders

Our obligations as well as the obligations of the applicable trustee and those of any third parties employed by us or the applicable trustee, run only to the legal holders of the debt securities. We do not have obligations to investors who hold beneficial interests in global securities, in street name or by any other indirect means. This will be the case whether an investor chooses to be an indirect holder of a debt security or has no choice because we are issuing the debt securities only in book-entry form.

For example, once we make a payment or give a notice to the holder, we have no further responsibility for the payment or notice even if that holder is required, under agreements with depositary participants or customers or by law, to pass it along to the indirect holders but does not do so. Similarly, if we want to obtain the approval of the holders for any purpose (for example, to amend an indenture or to relieve us of the consequences of a default or of our obligation to comply with a particular provision of an indenture), we would seek the approval only from the holders, and not the indirect holders, of the debt securities. Whether and how the holders contact the indirect holders is up to the holders.

When we refer to you in this Description of Our Debt Securities, we mean those who invest in the debt securities being offered by this prospectus, whether they are the holders or only indirect holders of those debt securities. When we refer to your debt securities, we mean the debt securities in which you hold a direct or indirect interest.

Special Considerations for Indirect Holders

If you hold debt securities through a bank, broker or other financial institution, either in book-entry form or in street name, we urge you to check with that institution to find out:

- · how it handles securities payments and notices;
- whether it imposes fees or charges:
- · how it would handle a request for the holders' consent, if ever required;
- · whether and how you can instruct it to send you debt securities registered in your own name so you can be a holder, if that is permitted in the future for a particular series of debt securities;
- how it would exercise rights under the debt securities if there were a default or other event triggering the need for holders to act to protect their interests; and
- if the debt securities are in book-entry form, how the depositary's rules and procedures will affect these matters.

Global Securities

As noted above, we usually will issue debt securities as registered securities in book-entry form only. A global security represents one or any other number of individual debt securities. Generally, all debt securities represented by the same global securities will have the same terms.

Each debt security issued in book-entry form will be represented by a global security that we deposit with and register in the name of a financial institution or its nominee that we select. The financial institution that we select for this purpose is called the depositary. Unless we specify otherwise in the applicable prospectus supplement, The Depository Trust Company, New York, New York, known as DTC, will be the depositary for all debt securities issued in book-entry form.

A global security may not be transferred to or registered in the name of anyone other than the depositary or its nominee, unless special termination situations arise. We describe those situations below under "— Termination of a Global Security." As a result of these arrangements, the depositary, or its nominee, will be the sole registered owner and holder of all debt securities represented by a global security, and investors will be permitted to own only beneficial interests in a global security. Beneficial interests must be held by means of an account with a broker, bank or other financial institution that in turn has an account with the depositary or with another institution that has an account with the depositary. Thus, an investor whose security is represented by a global security will not be a holder of the debt security, but only an indirect holder of a beneficial interest in the global security.

Special Considerations for Global Securities

As an indirect holder, an investor's rights relating to a global security will be governed by the account rules of the investor's financial institution and of the depositary, as well as general laws relating to securities transfers. The depositary that holds the global security will be considered the holder of the debt securities represented by the global security. Both the 2024 Notes and the 2026 Notes were issued pursuant to a global security.

If debt securities are issued only in the form of a global security, an investor should be aware of the following:

- an investor cannot cause the debt securities to be registered in his or her name and cannot obtain certificates for his or her interest in the debt securities, except in the special situations we describe below:
- an investor will be an indirect holder and must look to his or her own bank, broker or other financial institution for payments on the debt securities and protection of his or her legal rights relating to the debt securities, as we describe under "— Issuance of Securities in Registered Form" above;
- an investor may not be able to sell interests in the debt securities to some insurance companies and other institutions that are required by law to own their securities in non-book-entry form;
- an investor may not be able to pledge his or her interest in a global security in circumstances where certificates representing the debt securities must be delivered to the lender or other beneficiary of the pledge in order for the pledge to be effective;
- the depositary's policies, which may change from time to time, will govern payments, transfers, exchanges and other matters relating to an investor's interest in a global security. We and the trustee have no responsibility for any aspect of the depositary's actions or for its records of ownership interests in a global security. We and the trustee also do not supervise the depositary in any way;
- if we redeem less than all the debt securities of a particular series being redeemed, DTC's practice is to determine by lot the amount to be redeemed from each of its participants holding that series;
- an investor is required to give notice of exercise of any option to elect repayment of its debt securities, through its participant, to the applicable trustee and to deliver the related debt securities by causing its participant to transfer its interest in those debt securities, on DTC's records, to the applicable trustee;
- DTC requires that those who purchase and sell interests in a global security deposited in its book-entry system use immediately available funds, your broker or bank may also require you to use immediately available funds when purchasing or selling interests in a global security;
- financial institutions that participate in the depositary's book-entry system, and through which an investor holds its interest in a global security, may also have their own policies affecting payments, notices and other matters relating to the debt securities; there may be more than one financial intermediary in the chain of ownership for an investor; we do not monitor, nor are we responsible for the actions of, any of those intermediaries.

Termination of a Global Security

If a global security is terminated for any reason, interests in it will be exchanged for certificates in non-book-entry form (certificated securities). After that exchange, the choice of whether to hold the certificated debt securities directly or in street name will be up to the investor. Investors must consult their own banks, brokers or other financial institution to find out how to have their interests in a global security transferred on termination to their own names, so that they will be holders. We have described the rights of legal holders and street name investors under "— Issuance of Securities in Registered Form" above.

The prospectus supplement may list situations for terminating a global security that would apply only to the particular series of debt securities covered by the prospectus supplement. If a global security is terminated, only the depositary, and not us or the applicable trustee, is responsible for deciding the investors in whose names the debt securities represented by the global security will be registered and, therefore, who will be the holders of those debt securities.

Payment and Paying Agents

We will pay interest to the person listed in the applicable trustee's records as the owner of the debt security at the close of business on a particular day in advance of each due date for interest, even if that person no longer owns the debt security on the interest due date. That day, usually about two weeks in advance of the interest due date, is called the "record date." Since we will pay all the interest for an interest period to the holders on the record date, holders buying and selling debt securities must work out between themselves the appropriate purchase price. The most common manner is to adjust the sales price of the debt securities to prorate interest fairly between buyer and seller based on their respective ownership periods within the particular interest period. This prorated interest amount is called "accrued interest."

Payments on Global Securities

We will make payments on a global security in accordance with the applicable policies of the depositary as in effect from time to time. Under those policies, we will make payments directly to the depositary, or its nominee, and not to any indirect holders who own beneficial interests in the global security. An indirect holder's right to those payments will be governed by the rules and practices of the depositary and its participants, as described under "— Special Considerations for Global Securities."

Payments on Certificated Securities

We will make payments on a certificated debt security as follows. We will pay interest that is due on an interest payment date to the holder of debt securities as shown on the trustee's records as of the close of business on the regular record date at our office in New York, New York, as applicable, and/or at other offices that may be specified in the prospectus supplement. We will make all payments of principal and premium, if any, by check at the office of the applicable trustee in New York, New York and/or at other offices that may be specified in the prospectus supplement or in a notice to holders against surrender of the debt security.

Alternatively, at our option, we may pay any cash interest that becomes due on the debt security by mailing a check to the holder at his, her, or its address shown on the trustee's records as of the close of business on the regular record date or by transfer to an account at a bank in the United States, in either case, on the due date.

Payment When Offices Are Closed

If any payment is due on a debt security on a day that is not a business day, we will make the payment on the next day that is a business day. Payments made on the next business day in this situation will be treated under the indentures as if they were made on the original due date, except as otherwise indicated in any prospectus supplement. Such payment will not result in a default under any debt security or the indentures, and no interest will accrue on the payment amount from the original due date to the next day that is a business day.

Book-entry and other indirect holders should consult their banks or brokers for information on how they will receive payments on their debt securities.

Events of Default

The term "Event of Default" in respect of the existing notes issued under the existing indenture means any of the following:

- · we do not pay the principal of (or premium, if any, on) a debt security of the series within five days of its due date;
- we do not pay interest on a debt security of the series within 30 days of its due date;
- · we do not deposit any sinking fund payment in respect of debt securities of the series within two business days of its due date;
- we remain in breach of a covenant in respect of debt securities of the series for 60 days after we receive a written notice of default stating we are in breach (the notice must be sent by either the trustee or holders of at least 25.0% of the principal amount of debt securities of the series);
- we file for bankruptcy or certain other events of bankruptcy, insolvency or reorganization occur and remain undischarged or unstayed for a period of 90 days; or
- any other Event of Default in respect of debt securities of the series described in the prospectus supplement occurs.

Unless otherwise indicated in the applicable prospectus supplement, the following will be Events of Default under the senior notes indenture with respect to the senior debt securities:

- · default in the payment of all or any part of the principal (or premium, if any), if any, on senior debt securities at maturity;
- default in the payment of any interest on the senior debt securities, when it becomes due and payable, and continuance of such default for a period of 30 days which continues for 30 days;
- · default in the deposit of any sinking fund payment on the senior debt securities when due;
- default in the performance or breach of any covenant or warranty in the applicable indenture for the benefit of that series of senior debt securities, and continuance of such default or breach for a period of 90 days after written notice has been given of the default or breach in accordance with the senior notes indenture;
- · specified events of bankruptcy, insolvency or reorganization; and
- · any other event of default provided with respect to the senior debt securities of any series.

Unless otherwise indicated in the applicable prospectus supplement, the following will be Events of Default under the subordinated notes indenture with respect to the subordinated debt securities:

- · specified events of bankruptcy, insolvency or reorganization; and
- · any other event of default provided with respect to the subordinated debt securities of any series.

An Event of Default for a particular series of debt securities does not necessarily constitute an Event of Default for any other series of debt securities issued under the same or any other indenture. The trustee may withhold notice to the holders of debt securities of any default, except in the payment of principal, premium, interest, or sinking or purchase fund installment, if it in good faith considers the withholding of notice to be in the interest of the holders.

Remedies if an Event of Default Occurs

Under certain of the indentures, if an Event of Default has occurred and is continuing, the trustee or the holders of not less than 25.0% in principal amount of the debt securities of the affected series may (and the trustee shall at the request of such holders) declare the entire principal amount of all the outstanding debt securities of that series to be due and immediately payable. This is called a declaration of acceleration of maturity. A declaration of acceleration of maturity may be cancelled by the holders of a majority in principal amount of the outstanding debt securities of the affected series if (1) we have deposited with the trustee all amounts due and owing with respect to the securities (other than principal that has become due solely by reason of such acceleration) and certain other amounts, and (2) any other Events of Default have been cured or waived.

The trustee is not required to take any action under an indenture at the request of any holders unless the holders offer the trustee protection from expenses and liability reasonably satisfactory to it (called an "indemnity"). If indemnity reasonably satisfactory to the trustee is provided, the holders of a majority in principal amount of the outstanding debt securities of the relevant series may direct the time, method and place of conducting any lawsuit or other formal legal action seeking any remedy available to the trustee. The trustee may refuse to follow those directions in certain circumstances. No delay or omission in exercising any right or remedy will be treated as a waiver of that right, remedy or Event of Default.

Before you are allowed to bypass your trustee and bring your own lawsuit or other formal legal action or take other steps to enforce your rights or protect your interests relating to the debt securities, the following must occur:

- · you must give the trustee written notice that an Event of Default with respect to the relevant series of debt securities has occurred and remains uncured;
- the holders of at least 25.0% in principal amount of all outstanding debt securities of the relevant series must make a written request that the trustee take action because of the default and must offer a reasonable indemnity to the trustee against the costs, expenses, and other liabilities of taking that action;
- · the trustee must not have taken action for 60 days after receipt of the above notice and offer of indemnity; and
- the holders of a majority in principal amount of the debt securities of that series must not have given the trustee a direction inconsistent with the above notice during that 60-day period.

However, you are entitled at any time to bring a lawsuit for the payment of money due on your debt securities on or after the due date.

Book-entry and other indirect holders should consult their banks or brokers for information on how to give notice or direction to or make a request of the trustee and how to declare or cancel an acceleration of maturity.

Each year, we will furnish to each trustee a written statement of certain of our officers certifying that to their knowledge we are in compliance with the indenture and the debt securities, or else specifying any default.

Waiver of Default

Holders of a majority in principal amount of the outstanding debt securities of the affected series may waive any past defaults other than:

- · the payment of principal, any premium or interest on the debt securities of such series; or
- · in respect of a covenant that cannot be modified or amended without the consent of each holder of the affected series.

Merger or Consolidation

Under the terms of the indentures, we are generally permitted to consolidate or merge with another entity that is incorporated under U.S. federal or state law. We are also permitted to sell all or substantially all of our assets to any such entity. However, we may not take any of these actions unless all the following conditions are met:

- · where we merge out of existence or sell substantially all of our assets, the resulting entity or transferee must agree to be legally responsible for our obligations under the debt securities;
- · immediately after giving effect to the transaction, no event of default under the indenture shall have occurred and be continuing;
- · we must deliver certain certificates and documents to the trustee; and
- · we must satisfy any other requirements specified in the indenture and/or supplemental indenture relating to a particular series of debt securities.

Modification or Waiver

Unless otherwise indicated in the applicable prospectus supplement, we and the trustee under the applicable indenture may amend and modify each indenture or debt securities under the applicable indenture with the consent of holders of at least a majority in principal amount of each affected series of debt securities then outstanding under the indenture. However, without the consent of each holder of any affected debt security issued under the applicable indenture, we may not amend or modify that indenture to:

- · change the stated maturity of the principal of or interest on a debt security or the terms of any sinking fund with respect to any security;
- · reduce any amounts due on a debt security;
- reduce the amount of principal payable upon acceleration of the maturity of an original issue discount security following a default or upon the redemption thereof or the amount thereof provable in a bankruptcy proceeding;
- adversely affect any right of repayment at the holder's option;
- change the place or currency of payment on a debt security (except as otherwise described in the prospectus or prospectus supplement);
- impair your right to sue for payment;
- · reduce the percentage of holders of debt securities whose consent is needed to modify or amend the indenture;
- · reduce the percentage of holders of debt securities whose consent is needed to waive compliance with certain provisions of the indenture or to waive certain defaults; and
- modify any other aspect of the provisions of the indenture dealing with supplemental indentures with the consent of holders, waiver of past defaults, changes to the quorum or voting requirements or the waiver of certain covenants (except to increase any required percentage or provide that certain other provisions of an indenture cannot be modified without the consent of each affected holder).

In addition, the subordinated notes indenture may not be amended at any time to alter the subordination of any of the outstanding subordinated debt securities without the consent of each holder of senior debt outstanding that would be adversely affected thereby.

Changes Not Requiring Approval

Certain types of changes do not require any vote by the holders of the debt securities. This type is limited to clarifications, establishment of the form or terms of new securities of any series as permitted by the indenture and certain other changes that would not adversely affect holders of the outstanding debt securities in any material respect. We also do not need any approval to make any change that affects only debt securities to be issued under the indenture after the change takes effect.

Further Details Concerning Voting

When taking a vote, we will use the following rules to decide how much principal to attribute to a debt security:

- for original issue discount securities, we will use the principal amount that would be due and payable on the voting date if the maturity of these debt securities were accelerated to that date because of a default;
- for debt securities whose principal amount is not known (for example, because it is based on an index), we will use the principal face amount at original issuance or a special rule for that debt security described in the prospectus supplement; and
- for debt securities denominated in one or more foreign currencies, we will use the U.S. dollar equivalent. Debt securities will not be considered outstanding, and therefore not eligible to vote, if we have deposited or set aside in trust money for their payment or redemption or if we, any other obligor, or any affiliate of us or any obligor own such debt securities. Debt securities will also not be eligible to vote if they have been fully defeased as described later under "— Defeasance Full Defeasance".

We will generally be entitled to set any day as a record date for the purpose of determining the holders of outstanding indenture securities that are entitled to vote or take other action under an indenture. However, the record date may not be more than 30 days before the date of the first solicitation of holders to vote on or take such action. If we set a record date for a vote or other action to be taken by holders of one or more series, that vote or action may be taken only by persons who are holders of outstanding indenture securities of those series on the record date and must be taken within 11 months following the record date.

Book-entry and other indirect holders should consult their banks or brokers for information on how approval may be granted or denied if we seek to change the indenture or the debt securities or requests a waiver.

Defeasance

The following provisions will be applicable to each series of debt securities unless we state in the applicable prospectus supplement that the provisions of covenant defeasance and full defeasance will not be applicable to that series.

Covenant Defeasance

Under current U.S. federal tax law and the indenture, we can make the deposit described below and be released from some of the restrictive covenants in the indenture under which the particular series was issued. This is called "covenant defeasance". In that event, you would lose the protection of those restrictive covenants but would gain the protection of having money and government securities set aside in trust to repay your debt securities. If we achieved covenant defeasance and your debt securities were subordinated as described under "— Subordination" below, such subordination would not prevent the trustee under an indenture from applying the funds available to it from the deposit described in the first bullet below to the payment of amounts due in respect of such debt securities for the benefit of the subordinated debt holders however, in the case of subordinated debt securities, no covenant defeasance or full defeasance will be permitted if there is then having occurred or continuing any default or event of default in respect of any senior debt. In order to achieve covenant defeasance, the following must occur:

- we must deposit in trust for the benefit of all holders of a series of debt securities a combination of cash (in such currency in which such securities are then specified as payable at stated maturity) or government obligations applicable to such securities (determined on the basis of the currency in which such securities are then specified as payable at stated maturity) that will generate enough cash to make interest, principal and any other payments on the debt securities on their various due dates and any mandatory sinking fund payments or analogous payments;
- we must deliver to the trustee a legal opinion of our counsel confirming that, under current U.S. federal income tax law, we may make the above deposit without causing you to be taxed on the debt securities any differently than if we did not make the deposit;
- we must deliver to the trustee a legal opinion of our counsel stating that the above deposit does not require registration by us under the 1940 Act and a legal opinion and officers' certificate stating that all conditions precedent to covenant defeasance have been complied with;

- defeasance must not result in a breach or violation of, or result in a default under, of the indenture or any of our other material agreements or instruments, as applicable;
- no default or event of default with respect to such debt securities shall have occurred and be continuing and no defaults or events of default related to bankruptcy, insolvency or reorganization shall occur during the next 120 days; and
- satisfy the conditions for covenant defeasance contained in any supplemental indentures.

If we accomplish covenant defeasance, you can still look to us for repayment of the debt securities if there were a shortfall in the trust deposit or the trustee is prevented from making payment. For example, if one of the remaining Events of Default occurred (such as our bankruptcy) and the debt securities became immediately due and payable, there might be such a shortfall. However, there is no assurance that we would have sufficient funds to make payment of the shortfall.

Full Defeasance

If there is a change in U.S. federal tax law or we obtain an IRS ruling, as described in the second bullet below, we can legally release ourself from all payment and other obligations on the debt securities of a particular series (called "full defeasance") if we put in place the following other arrangements for you to be repaid:

- we must deposit in trust for the benefit of all holders of a series of debt securities a combination of cash (in such currency in which such securities are then specified as payable at stated maturity) or government obligations applicable to such securities (determined on the basis of the currency in which such securities are then specified as payable at stated maturity) that will generate enough cash to make interest, principal and any other payments on the debt securities on their various due dates and any mandatory sinking fund payments or analogous payments;
- we must deliver to the trustee a legal opinion confirming that there has been a change in current U.S. federal tax law or an IRS ruling that allows us to make the above deposit without causing you to be taxed on the debt securities any differently than if we did not make the deposit. Under current U.S. federal tax law, the deposit and our legal release from the debt securities would be treated as though we paid you your share of the cash and notes or bonds at the time the cash and notes or bonds were deposited in trust in exchange for your debt securities and you would recognize gain or loss on the debt securities at the time of the deposit;
- we must deliver to the trustee a legal opinion of its counsel stating that the above deposit does not require registration by us under the 1940 Act and a legal opinion and officers' certificate stating that all conditions precedent to defeasance have been complied with;
- · defeasance must not result in a breach or violation of, or constitute a default under, the indenture or any of our other material agreements or instruments, as applicable;
- no default or event of default with respect to such debt securities shall have occurred and be continuing and no defaults or events of default related to bankruptcy, insolvency or reorganization shall occur during the next 120 days; and
- satisfy the conditions for full defeasance contained in any supplemental indentures.

If we ever did accomplish full defeasance, as described above, you would have to rely solely on the trust deposit for repayment of the debt securities. You could not look to us for repayment in the unlikely event of any shortfall. Conversely, the trust deposit would most likely be protected from claims of our lenders and other creditors, as applicable, if we ever became bankrupt or insolvent. If your debt securities were subordinated as described later under "— Indenture Provisions — Subordination", such subordination would not prevent the trustee under the indenture from applying the funds available to it from the deposit referred to in the first bullet of the preceding paragraph to the payment of amounts due in respect of such debt securities for the benefit of the subordinated debt holders.

Form, Exchange and Transfer of Certificated Registered Securities

If registered debt securities cease to be issued in book-entry form, they will be issued:

- · only in fully registered certificated form;
- without interest coupons; and
- unless we indicate otherwise in the prospectus supplement, in denominations of \$1,000 and amounts that are multiples of \$1,000.

Holders may exchange their certificated securities for debt securities of smaller denominations or combined into fewer debt securities of larger denominations, as long as the total principal amount is not changed and as long as the denomination is greater than the minimum denomination for such securities.

Holders may exchange or transfer their certificated securities at the office of the trustee. We have appointed the trustee to act as its agent for registering debt securities in the names of holders transferring debt securities. We may appoint another entity to perform these functions or perform them ourself.

Holders will not be required to pay a service charge to transfer or exchange their certificated securities, but they may be required to pay any tax or other governmental charge associated with the transfer or exchange. The transfer or exchange will be made only if our transfer agent, as applicable, is satisfied with the holder's proof of legal ownership.

If we have designated additional transfer agents for your debt security, they will be named in the prospectus supplement. We may appoint additional transfer agents or cancel the appointment of any particular transfer agent. We may also approve a change in the office through which any transfer agent acts.

If any certificated securities of a particular series are redeemable and we redeem less than all the debt securities of that series, we may block the transfer or exchange of those debt securities during the period beginning 15 days before the day we mail the notice of redemption and ending on the day of that mailing, in order to freeze the list of holders to prepare the mailing. We may also refuse to register transfers or exchanges of any certificated securities selected for redemption, except that we will continue to permit transfers and exchanges of the unredeemed portion of any debt security that will be partially redeemed.

If a registered debt security is issued in book-entry form, only the depositary will be entitled to transfer and exchange the debt security as described in this subsection, since it will be the sole holder of the debt security.

Resignation of Trustee

Each trustee may resign or be removed with respect to one or more series of indenture securities, provided that a successor trustee is appointed to act with respect to these series and has accepted such appointment. In the event that two or more persons are acting as trustee with respect to different series of indenture securities under the indenture, each of the trustees will be a trustee of a trust separate and apart from the trust administered by any other trustee.

Subordination

The subordinated debt securities will be subordinated in right of payment to all "senior debt," as defined in the subordinated notes indenture. In certain circumstances relating to our liquidation, dissolution, receivership, reorganization, insolvency or similar proceedings, the holders of all senior debt will first be entitled to receive payment in full before the holders of the subordinated debt securities will be entitled to receive any payment on the subordinated debt securities.

In addition, we may make no payment on the subordinated debt securities in the event:

- · there is a default with respect to any senior debt which permits the holders of that senior debt to accelerate the maturity of the senior debt; and
- · the default is the subject of judicial proceedings or we receive notice of the default from an authorized person under the subordinated indenture.

By reason of this subordination in favor of the holders of senior debt, in the event of an insolvency our creditors who are not holders of senior debt or the subordinated debt securities may recover less, proportionately, than holders of senior debt and may recover more, proportionately, than holders of the subordinated debt securities. Unless otherwise specified in the prospectus supplement relating to the particular series of subordinated debt securities, "senior debt" is defined in the subordinated notes indenture as all indebtedness and obligations of NewtekOne, Inc. as described below, whether any such indebtedness and obligations are outstanding as of the date of the subordinated notes indenture or created, incurred, assumed or guaranteed after such date:

- (i) all indebtedness and obligations of, or guaranteed or assumed by, NewtekOne, Inc. that are (a) for borrowed money, (b) evidenced by bonds, debentures, notes or other similar instruments, or (c) deferred obligations for the payment of the purchase price of property or assets;
- (ii) obligations of NewtekOne, Inc. that are similar to those in clause (i) and arise from off-balance sheet guarantees and direct credit substitutes;
- (iii) all obligations of NewtekOne, Inc. associated with derivative products such as interest rate and foreign exchange contracts, commodity contracts and similar arrangements; and
- (iv) all amendments, renewals, extensions, modifications and refundings of such indebtedness and obligations described in any of the preceding clauses (i), (ii) and (iii).

"Senior debt" does not include (1) the subordinated debt securities and (2) other indebtedness of NewtekOne, Inc. as is by its terms expressly stated (a) not to be senior in right of payment to, (b) to rank pari passu with, or (c) to rank junior in right of payment to, the subordinated debt securities.

The subordinated notes indenture does not limit or prohibit the incurrence of additional senior debt, which may include indebtedness that is senior to the subordinated debt securities, but subordinate to our other obligations. Any prospectus supplement relating to a particular series of subordinated debt securities will set forth the aggregate amount of our indebtedness senior to the subordinated debt securities as of a recent practicable date.

The prospectus supplement may further describe the provisions, if any, which may apply to the subordination of the subordinated debt securities of a particular series.

Secured Indebtedness and Ranking

Certain of our indebtedness, including certain series of indenture securities, may be secured. The prospectus supplement for each series of indenture securities will describe the terms of any security interest for such series and will indicate the approximate amount of our secured indebtedness as of a recent date. Any unsecured indenture securities will effectively rank junior to any secured indebtedness, including any secured indenture securities, that we incur in the future to the extent of the value of the assets securing such future secured indebtedness. The debt securities, whether secured or unsecured, will rank structurally junior to all existing and future indebtedness (including trade payables) incurred by any subsidiaries, financing vehicles, or similar facilities we may have.

In the event of our bankruptcy, liquidation, reorganization or other winding up, any of our assets that secure secured debt will be available to pay obligations on unsecured debt securities only after all indebtedness under such secured debt has been repaid in full from such assets. We advise you that there may not be sufficient assets remaining to pay amounts due on any or all unsecured debt securities then outstanding after fulfillment of this obligation. As a result, the holders of unsecured indenture securities may recover less, ratably, than holders of any of our secured indebtedness.

The Trustee under the Indentures

The trustee under the existing notes will remain the trustee under the existing indenture and we expect it will serve as the trustee under the senior notes indenture and the subordinated notes indenture.

Certain Considerations Relating to Foreign Currencies

Debt securities denominated or payable in foreign currencies may entail significant risks. These risks include the possibility of significant fluctuations in the foreign currency markets, the imposition or modification of foreign exchange controls and potential illiquidity in the secondary market. These risks will vary depending upon the currency or currencies involved and will be more fully described in the applicable prospectus supplement.

DESCRIPTION OF UNITS

Units will consist of any combination of two or more of the other securities described in this prospectus. The applicable prospectus supplement or supplements will also describe:

- the designation and the terms of the units and of any combination of the securities constituting the units, including whether and under what circumstances those securities may be held or traded separately;
- any additional terms of the agreement governing the units;
- · any additional provisions for the issuance, payment, settlement, transfer or exchange of the units or of the securities constituting the units; and
- · whether the units will be issued in fully registered form.

The terms and conditions applicable to the securities described above will apply to each unit that includes such securities and to the securities included in each unit, unless otherwise specified in the applicable prospectus supplement.

We may issue the units under one or more unit agreements to be entered into between us and a unit agent. We may issue units in one or more series, which will be described in the applicable prospectus supplement.

PLAN OF DISTRIBUTION

We may offer, from time to time, up to \$500,000,000 of common stock, preferred stock, depositary shares, warrants, subscription rights, debt securities or and/or units consisting of some or all of these securities in one or more underwritten public offerings, at-the-market offerings, negotiated transactions, block trades, best efforts or a combination of these methods.

We may sell our securities through underwriters or dealers, "at-the-market" to or through a market maker into an existing trading market or otherwise directly to one or more purchasers or through agents or through a combination of methods of sale. In the case of a rights offering, the applicable prospectus supplement will set forth the number of shares of our common stock issuable upon the exercise of each right and the other terms of such rights offering. An underwriter or agent involved in the offer and sale of the securities will be named in the applicable prospectus supplement. A prospectus supplement or supplements will also describe the terms of the offering of the securities, including: the purchase price of the securities and the proceeds we will receive from the sale; any options under which underwriters may purchase additional securities from us; any agency fees or underwriting discounts and other items constituting agents' or underwriters' compensation; the public offering price; any discounts or concessions allowed or re-allowed or paid to dealers; and any securities exchange or market on which the securities may be listed. Only underwriters named in the prospectus supplement will be underwriters of the shares offered by the prospectus supplement.

The distribution of the securities may be effected from time to time in one or more transactions at a fixed price or prices, which may be changed, at prevailing market prices at the time of sale, at prices related to such prevailing market prices, or at negotiated prices, provided, however, that the offering price per share of our common stock, less any underwriting commissions or discounts, must equal or exceed the net asset value per share of our common stock at the time of the offering except (i) in connection with a rights offering to our existing stockholders, (ii) with the prior approval of the majority of our common stockholders, or (iii) under such other circumstances as the SEC may permit. Any offering of securities by us that requires the consent of the majority of our common stockholders, must occur, if at all, within one year after receiving such consent. The price at which the securities may be distributed may represent a discount from prevailing market prices.

In connection with the sale of the securities, underwriters or agents may receive compensation from us or from purchasers of the securities, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell the securities to or through dealers and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Underwriters, dealers and agents that participate in the distribution of the securities may be deemed to be underwriters under the Securities Act, and any discounts and commissions they receive from us and any profit realized by them on the resale of the securities may be deemed to be underwriting discounts and commissions under the Securities Act. Any such underwriter or agent will be identified and any such compensation received from us will be described in the applicable prospectus supplement. The maximum aggregate commission or discount to be received by any member of FINRA or independent broker-dealer, including any reimbursements to underwriters or agents for certain fees and legal expenses incurred by them, will not be greater than 10.0% of the gross proceeds of the sale of shares offered pursuant to this prospectus and any applicable prospectus supplement.

Any underwriter may engage in over-allotment, stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Overallotment involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum price. Syndicate-covering or other short-covering transactions involve purchases of the securities, either through exercise of the option to purchase additional shares from us or in the open market after the distribution is completed, to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a stabilizing or covering transaction to cover short positions. Those activities may cause the price of the securities to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of the activities at any time.

Any underwriters that are qualified market makers on the Nasdaq Global Market may engage in passive market making transactions in our common stock on the Nasdaq Global Market in accordance with Regulation M under the Exchange Act, during the business day prior to the pricing of the offering, before the commencement of offers or sales of our common stock. Passive market makers must comply with applicable volume and price limitations and must be identified as passive market makers. In general, a passive market maker must display its bid at a price not in excess of the highest independent bid for such security; if all independent bids are lowered below the passive market maker's bid, however, the passive market maker's bid must then be lowered when certain purchase limits are exceeded. Passive market making may stabilize the market price of the shares at a level above that which might otherwise prevail in the open market and, if commenced, may be discontinued at any time.

We may sell securities directly or through agents we designate from time to time. We will name any agent involved in the offering and sale of securities and we will describe any commissions we will pay the agent in the prospectus supplement. Unless the prospectus supplement states otherwise, our agent will act on a best-efforts basis for the period of its appointment.

Unless otherwise specified in the applicable prospectus supplement, each class or series of securities will be a new issue with no trading market, other than our common stock, which is traded on the Nasdaq Global Market. We may elect to list any other class or series of securities on any exchanges, but we are not obligated to do so. We cannot guarantee the liquidity of the trading markets for any securities.

Under agreements that we may enter, underwriters, dealers and agents who participate in the distribution of our securities may be entitled to indemnification by us against certain liabilities, including liabilities under the Securities Act, or contribution with respect to payments that the agents or underwriters may make with respect to these liabilities. Underwriters, dealers and agents may engage in transactions with, or perform services for, us in the ordinary course of business.

If so indicated in the applicable prospectus supplement, we will authorize underwriters or other persons acting as our agents to solicit offers by certain institutions to purchase our securities from us pursuant to contracts providing for payment and delivery on a future date. Institutions with which such contracts may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but in all cases such institutions must be approved by us. The obligations of any purchaser under any such contract will be subject to the condition that the purchase of our securities shall not at the time of delivery be prohibited under the laws of the jurisdiction to which such purchaser is subject. The underwriters and such other agents will not have any responsibility in respect of the validity or performance of such contracts. Such contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth the commission payable for solicitation of such contracts.

We may enter into derivative transactions with third parties, or sell securities not covered by this prospectus to third parties in privately negotiated transactions. If the applicable prospectus supplement indicates, in connection with those derivatives, the third parties may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, the third party may use securities pledged by us or borrowed from us or others to settle those sales or to close out any related open borrowings of stock, and may use securities received from us in settlement of those derivatives to close out any related open borrowings of stock. The third parties in such sale transactions will be underwriters and, if not identified in this prospectus, will be identified in the applicable prospectus supplement.

In order to comply with the securities laws of certain states, if applicable, our securities offered hereby will be sold in such jurisdictions only through registered or licensed brokers or dealers.

LEGAL MATTERS

Certain legal matters in connection with the securities offered by this prospectus will be passed upon for us by Eversheds Sutherland (US) LLP, Washington, DC. Certain legal matters in connection with the offering will be passed upon for the underwriters by the counsel named in the applicable prospectus supplement.

Item 15. Indemnification of Directors and Officers

Reference is made to Section 2-418 of the Maryland General Corporation Law, Article VII of the Registrant's charter and Article XI of the Registrant's bylaws.

Maryland law permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action.

The Registrant's charter authorizes the Registrant, to the maximum extent permitted by Maryland law, to indemnify any present or former director or officer or any individual who, while serving as the Registrant's director or officer and at the Registrant's request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee, from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse their reasonable expenses in advance of final disposition of a proceeding. The Registrant's bylaws obligate the Registrant's request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in that capacity from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity and to pay or reimburse his or her reasonable expenses in advance of final disposition of a proceeding. The charter and bylaws also permit the Registrant to indemnify and advance expenses to any person who served a predecessor of the Registrant in any of the capacities described above and any of the Registrant's employees or agents of the Registrant's predecessor.

Maryland law requires a corporation (unless its charter provides otherwise, which the Registrant's charter does not) to indemnify a director or officer who has been successful in the defense of any proceeding to which he or she is made, or threatened to be made, a party by reason of his or her service in that capacity. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made, or threatened to be made, a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that a personal benefit was improperly received unless, in either case, a court orders indemnification, and then only for expenses. In addition, Maryland law permits a corporation to advance reasonable expenses to a director or officer in advance of final disposition of a proceeding upon the corporation is receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the standard of conduct was not met.

Item 17. Undertakings

The Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:
 - (i) to include any prospectus required by Section 10(a)(3)of the Securities Act;
- (ii) to reflect in the prospectus any facts or events after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

provided, however, that paragraphs 4(a)(i), (ii), and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference into the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of those securities at that time shall be deemed to be the initial bona fide offering thereof; and
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering; and
 - (4) That, for the purpose of determining liability under the Securities Act to any purchaser:
 - (i) if the Registrant is relying on Rule 430B:
 - (A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (x), or (xi) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or
- (5) The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to

the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to the purchaser:

- (i) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 497 or Rule 424 under the Securities Act;
 - (ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) the portion of any other free writing prospectus or advertisement pursuant to Rule 482 under the Securities Act relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
 - (iv) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
- (6) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under Section 305(b)(2) of the Trust Indenture Act.
- (7) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference into the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (8) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

"Subsidiary" means a Person more than 50% of the outstanding voting stock of which is owned, directly or indirectly, by the Company or by one or more other Subsidiaries, or by the Company and one or more other Subsidiaries. For the purposes of this definition, "voting stock" means stock which ordinarily has voting power for the election of directors, managers, trustees or equivalent of such corporation, whether at all times or only so long as no senior class of stock has such voting power by reason of any contingency.

Section 1.2 Compliance Certificates and Opinions.

Upon any application to or request by the Company to the Trustee to take any action under any provision of this Indenture, the Company shall furnish to the Trustee such certificates and opinions as may be required under the Trust Indenture Act. Each such certificate or opinion shall be given in the form of an Officers' Certificate, if to be given by an officer of the Company, or an Opinion of Counsel, if to be given by counsel, and shall comply with the requirements of the Trust Indenture Act and any other requirements set forth in this Indenture.

Every certificate or opinion (other than the Officers' Certificate delivered under Section 10.4 of this Indenture) with respect to compliance with a condition or covenant provided for in this Indenture shall include:

Section 1.3 Form of Documents Delivered to Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Company may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which the certificate or opinion is based are erroneous. Any such certificate or opinion of counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give, or execute two or more applications, requests, consents, certificates, statements, opinions, or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 1.4 Acts of Holders; Record Dates.

(a) Any request, demand, authorization, direction, notice, consent, waiver, or other action provided or permitted by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as otherwise expressly provided in this Indenture, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is expressly required by this Indenture, to the Company. Such instrument or instruments (and the action embodied in and evidenced by such instrument or instruments) are sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.1) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

Without limiting the generality of the foregoing, a Holder, including a Depositary that is a Holder of a Global Security, may make, give, or take, by a proxy or proxies, duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver, or other action provided or permitted in this Indenture to be made, given, or taken by Holders, and a Depositary that is a Holder of a Global Security may provide its proxy or proxies to the beneficial owners of interest in any such Global Security.

(b) The fact and date of the execution by any Person of any such instrument, writing, certification or proxy may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument, writing, certification or proxy acknowledged to him its execution. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument, writing, certification or proxy, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

- (c) The Company may, in the circumstances permitted by the Trust Indenture Act, fix any day as the record date for the purpose of determining the Holders of Securities of any series entitled to give or take any request, demand, authorization, direction, notice, consent, waiver, or other action, or to vote on any action, authorized, or permitted to be given or taken by Holders of Securities of such series. If not set by the Company prior to the first solicitation of a Holder of Securities of such series made by any Person in respect of any such action, or, in the case of any such vote, prior to such vote, the record date for any such action or vote shall be the 30th day (or, if later, the date of the most recent list of Holders required to be provided pursuant to Section 7.1) prior to such first solicitation or vote, as the case may be. With regard to any record date for action to be taken by the Holders of one or more series of Securities, only the Holders of Securities of such series on such date (or their duly designated proxies) shall be entitled to give, take, or vote on the relevant action.
 - (d) The ownership of Securities shall be proved by the Security Register.
- (e) Any request, demand, authorization, direction, notice, consent, waiver, or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer of, in exchange for, or in lieu of such Security in respect of anything done, omitted, or suffered to be done by the Trustee or the Company in reliance on such action, whether or not notation of such action is made upon such Security.
- (f) Without limiting the foregoing, a Holder entitled to give or take any action under this Indenture with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any different part of such principal amount.

Section 1.5 Notices, Etc.to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver, or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with:

- (1) the Trustee by any Holder or by the Company shall be sufficient for every purpose under this Indenture if made, given, furnished, or filed in writing and delivered in person, mailed by first-class mail or sent by telecopier transmission or electronic mail (in pdf format) to or with the Trustee, as follows (or at any other address previously furnished in writing to the Company by the Trustee):
- (2) the Company by the Trustee or by any Holder shall be sufficient for every purpose under this Indenture (unless otherwise expressly provided in this Indenture) if in writing and mailed, first-class postage prepaid, to the Company addressed to it at the address of its principal office specified in the first paragraph of this instrument or at any other address previously furnished in writing to the Trustee by the Company, Attention: General Counsel.

Section 1.6 Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise expressly provided in this Indenture) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose under this Indenture.

Where this Indenture provides for notice of any event to a Holder of a Global Security, such notice shall be sufficiently given if given to the Depositary for such Security (or its designee), pursuant to its Applicable Procedures, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice.

Section 1.7 Conflict with Trust Indenture Act.

If any provision of this Indenture limits, qualifies, or conflicts with a provision of the Trust Indenture Act that is required under such Act to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

Section 1.8 Effect of Headings and Table of Contents.

The Article and Section headings in this Indenture and the Table of Contents are for convenience only and shall not affect the construction of this Indenture.

All covenants and agreements in this Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

Section 1.10 Separability Clause.

In case any provision in this Indenture or in the Securities shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired by such invalid, illegal, or unenforceable provision.

Section 1.11 Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the Holders of Securities, the parties to this Indenture and their successors and the holders of Senior Debt any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 1.12 Governing Law.

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

Section 1.14 Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, strikes, work stoppage, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes, epidemics, pandemics, acts of God, acts or provisions of any present or future law or regulation or governmental authority, fire, communication line failures, earthquakes, civil unrest, local or national disturbance or disaster, and the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 1.15 <u>Legal Holidays</u>.

In any case where any Interest Payment Date, Redemption Date, or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities, other than a provision of the Securities of any series which specifically states that such provision shall apply in lieu of this Section) payment of interest or principal (and premium, if any) need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date, or Redemption Date, or at the Stated Maturity, provided that no interest shall accrue with respect to the payment due on such date for the period from and after such Interest Payment Date, Redemption Date, or Stated Maturity, as the case may be.

Section 1.16 Submission to Jurisdiction.

The Company hereby irrevocably submits to the jurisdiction of any New York State court sitting in the Borough of Manhattan in the City of New York or any federal court sitting in the Borough of Manhattan in the City of New York in respect of any suit, action or proceeding arising out of or relating to this Indenture and the Securities, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, jurisdiction of the aforesaid courts.

In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiples of such denominations.

Section 3.3 Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Company by its Chairman, a Vice Chairman, the Chief Executive Officer, the President, the Chief Financial Officer, or an Executive Vice President, and by the Treasurer, an Assistant Treasurer, the Chief Accounting Officer, the Secretary, or an Assistant Secretary, of the Company. The signature of any of these officers of the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. If the form or terms of the Securities of the series have been established by or pursuant to one or more Board Resolutions as permitted by Sections 2.1 and 3.1, in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 6.1) shall be fully protected in relying upon, an Opinion of Counsel stating,

- (a) if the form of such Securities has been established by or pursuant to Board Resolution as permitted by Section 2.1, that such form has been established in conformity with the provisions of this Indenture;
- (b) if the terms of such Securities have been established by or pursuant to Board Resolution as permitted by Section 3.1, that such terms have been established in conformity with the provisions of this Indenture; and
- (c) that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties, or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of <u>Section 3.1</u> and of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the above specified documents at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for in this Indenture executed by the Trustee by manual or electronic signature of an authorized signatory, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered under this Indenture. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.9, for all purposes of this Indenture, such Security shall be deemed never to have been authenticated and delivered under this Indenture and shall never be entitled to the benefits of this Indenture.

Section 3.4 Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon receipt of a Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed, or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions, and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange one or more definitive Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series and tenor.

Section 3.5 Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office or in any other office or agency of the Company in a Place of Payment may sometimes be collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as provided in this Indenture.

Upon surrender for registration of transfer of any Security of any series at the office or agency of the Company in a Place of Payment for that series, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor.

At the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.4, 9.6, or 11.7 not involving any transfer.

The Company shall not be required (i) to issue, register the transfer of, or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 11.3 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

Notwithstanding the foregoing and except as otherwise specified or contemplated by Section 3.1, if at any time the Depositary for the Securities of a series represented by a Global Security or Global Securities notifies the Company that it is unwilling or unable to continue as a Depositary for the Securities of such series or if at any time the Depositary for Securities of a series shall no longer be registered or in good standing under the Exchange Act or other applicable statute or regulation, the Company shall appoint a successor Depositary with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such condition, the Company will execute, and the Trustee, upon Company Request, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Global Securities representing Securities of such series in exchange for such Global Security or Global Securities.

In the event that (i) the Company at any time and in its sole discretion determines that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Global Securities or (ii) there shall have occurred and be continuing an Event of Default or an event which, with the giving of notice or lapse of time or both, would constitute an Event of Default with respect to the Securities of any

series and the beneficial owners representing a majority in principal amount of the applicable series of Securities represented by such Global Security or Securities advise the depository to cease acting as depository for such Global Security or Securities, the Company will execute, and the Trustee, upon Company Request, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Global Securities representing such series in exchange for such Global Security or Global Securities.

Upon the occurrence in respect of any Global Security of any series of any one or more of the conditions specified in the preceding two paragraphs or such other conditions as may be specified as contemplated by Section 3.1 for such series, such Global Security may be exchanged for Securities registered in the names of, and the transfer of such Global Security may be registered to, such Persons (including Persons other than the Depositary with respect to such series and its nominees) as such Depositary shall direct. Notwithstanding any other provision of this Indenture, any Security authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, any Global Security shall also be a Global Security and shall bear the legend specified in Section 2.2 except for any Security authenticated and delivered in exchange for, or upon registration of transfer of, a Global Security pursuant to the preceding sentence.

None of the Trustee or agents shall have any responsibility, liability or obligation to any beneficial owner of a Global Security, a member of, or a participant in, the Depositary or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depositary or its nominee) of any notice (including any notice of redemption) or the payment of any amount under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders under the Securities shall be given or made only to or upon the order of the registered Holders (which shall be the Depositary or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Trustee and the agents may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners. The Company, the Trustee and the agents shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered Holder of any Global Security for all purposes of this Indenture relating to such Global Security (including the payment of principal, premium, if any, and interest and additional amounts, if any, and the giving of instructions or directions by or to the owner or Holder of a beneficial ownership interest in such Global Security) as the sole Holder of such Global Security and shall have no obligations to the beneficial owners thereof. None of the Company, the Trustee or any agent shall have any responsibility or liability for any acts or omissions of the Depositary with respect to such Global Security, for the records of any such Depositary, including records in respect of beneficial ownership interests in respect of any such Global Security, for any transactions between the Depositary and any participant or between or among the Depositary, any such participant and/or any Holder or owner of a beneficial interest in such Global Security, or for any transfers of beneficial interests in any such Global Security.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 3.6 Mutilated, Destroyed, Lost, and Stolen Securities.

If any mutilated Security is surrendered to the Trustee and there is delivered to the Company and the Trustee such security, indemnity or indemnity bond as may be required by them to save each of them and any agent of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss, or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that

such Security has been acquired by a protected purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost, or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company and the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation to such issuance and any other expenses (including the fees and expenses of the Trustee) connected with such issuance.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost, or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost, or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued under this Indenture.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Securities.

Section 3.7 Payment of Interest; Interest Rights Preserved.

Except as otherwise provided as contemplated by <u>Section 3.1</u> with respect to any series of Securities, interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

- The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this Clause. At such time the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the related Special Record Date to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the related Special Record Date having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).
- (2) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on

which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Section 3.8 Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee, and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any premium and (subject to Section 3.7) any interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee, nor an agent of the Company or the Trustee shall be affected by notice to the contrary.

No holder of any beneficial interest in any Global Security registered in the name of a Depositary or its nominee shall have any rights under this Indenture with respect to such Global Security, and such Depositary or nominee, as the case may be, may be treated by the Company, the Trustee, and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing in this Indenture shall prevent the Company, the Trustee, or any agent of the Company or the Trustee from giving effect to any written certification, proxy, or other authorization furnished by a Depositary or its nominee pursuant to this Indenture. Further, none of the Company, the Trustee, any Paying Agent, or any other agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in any such Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 3.9 Cancellation.

All Securities surrendered for payment, conversion, redemption, registration of transfer or exchange, or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be promptly disposed of by the Trustee in accordance with its ordinary procedures.

Section 3.10 Computation of Interest.

Except as otherwise specified as contemplated by <u>Section 3.1</u> for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.11 CUSIP Numbers.

The Company or its designee in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in "CUSIP" numbers.

ARTICLE IV Satisfaction and Discharge

Section 4.1 <u>Satisfaction and Discharge of Indenture</u>.

This Indenture shall upon Company Request cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities expressly provided for in this Indenture), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either:

or

- (A) all Securities previously authenticated and delivered (other than (i) Securities which have been destroyed, lost, or stolen and which have been replaced or paid as provided in Section 3.6 and (ii) Securities for whose payment money has previously been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.3) have been delivered to the Trustee for cancellation; or
 - (B) all such Securities not previously delivered to the Trustee for cancellation
 - (i) have become due and payable, or
 - (ii) will become due and payable at their Stated Maturity within one year,
 - (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of (i), (ii) or (iii) above, has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose cash or U.S. Government Obligations or a combination thereof in an amount (without consideration of any reinvestment of interest) sufficient to pay and discharge the entire indebtedness on such Securities not previously delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost, or stolen and which have been replaced or paid as provided in Section 3.6), for principal and any premium and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

- (2) the Company has paid or caused to be paid all other sums payable by the Company under this Indenture; and.
- (3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.7, the obligations (if any) of the Trustee to any Authenticating Agent under Section 6.14 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of Clause (1) of this Section, the obligations of the Trustee under Section 4.2 and the last paragraph of Section 10.3 shall survive.

In the event there are Securities of two or more series under this Indenture, the Trustee shall be required to execute an instrument acknowledging satisfaction and discharge of this Indenture only if requested to do so with respect to Securities of all series as to which it is Trustee and if the other conditions of such Securities are met. In the event there are two or more Trustees under this Indenture, then the effectiveness of any such instrument shall be conditioned upon receipt of such instruments from all such Trustees.

The Trustee, Securities Registrar and the transfer agent shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer or exchange imposed under the Indenture or under applicable law with respect to any transfer or exchange of any interest in any note (including any transfers between or among participants or other beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 4.2 Application of Trust Money.

Subject to the provisions of the last paragraph of Section 10.3, all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled to such money, of the principal and any premium and interest for whose payment such money has been deposited with the Trustee.

ARTICLE V Remedies

Section 5.1 Events of Default.

"Events of Default", wherever used in this Indenture with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default, whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, or order of any court or any order, rule, or regulation of any administrative or governmental body):

- (1) default in the payment of any interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or
- (2) default in the payment of all or any part of the principal of (or premium, if any, on) the Securities of that series at its Maturity; or
- (3) default in the deposit of any sinking fund or analogous payment, when and as due by the terms of the Securities of that series; or
- (4) default in the performance or breach of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty which has expressly been included in this Indenture solely for the benefit of a series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" under this Indenture; or
- (5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petitions seeking reorganization, arrangement, adjustment or composition of or in respect of the Company, under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or substantially all of its assets, or ordering the winding up or liquidation of the affairs of the Company, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or
- (6) the commencement by the Company of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case

or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or substantially all of its assets, or to an order for the winding up or liquidation of the affairs of the Company; or

(7) any other Event of Default as provided in <u>Section 3.1</u> with respect to Securities of that series.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default (other than an Event of Default specified in Section 5.1(5) or 5.1(6)) with respect to Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may, declare the principal amount of all the Securities of that series (or, if any Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified by the terms thereof) to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable. If an Event of Default specified in Section 5.1(5) or 5.1(6) with respect to Securities of any series at the time Outstanding occurs, the principal amount of all the Securities of that series (or, if any Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified by the terms thereof), shall automatically, and without any declaration or other action on the part of the Trustee or any Holder, become immediately due and payable.

If an Event of Default specified in <u>Sections 5.1(5)</u> or <u>5.1(6)</u> with respect to Securities of any series then Outstanding shall have occurred and be continuing, then, in each and every such case, the principal amount and interest, if any, on all of the Securities of all series then Outstanding shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

At any time after such a declaration of acceleration with respect to Securities of one or more series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as provided for below in this Article, the Holders of a majority in principal amount of the Outstanding Securities of all affected series (voting as one class except in the case of Events of Default described in subsections (1), (2) and (3) of Section 5.1), as to which each series so affected will vote as a separate class), by written notice to the Company and the Trustee may waive all defaults with respect to all affected series, and may rescind and annul such declaration and its consequences if:

- (1) the Company has paid or deposited with the Trustee a sum sufficient to pay (A) all overdue interest on all Securities of all affected series, (B) the principal of (and premium, if any, on) any Securities of all affected series which have become due otherwise than by such declaration of acceleration and any interest on such Securities at the rate or rates prescribed in such Securities, (C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed in such Securities, and (D) all sums paid or advanced by the Trustee under this Indenture and the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents, and counsel; and.
- (2) all Events of Default with respect to Securities of all affected series, other than the non-payment of the principal of Securities of the affected series which has become due solely by such declaration of acceleration, have been cured or waived as provided in <u>Section 5.13</u>.

No such rescission shall affect any subsequent default or impair any consequent right.

For all purposes under this Indenture, if a portion of the principal of any Original Issue Discount Securities shall have been accelerated and declared due and payable pursuant to the provisions of this Indenture, then, from and after such declaration, unless such declaration has been rescinded and annulled as provided above, the principal amount of such Original Issue Discount Securities shall be deemed, for all purposes under this Indenture, to be such portion of the principal as shall be due and payable as a result of such acceleration, and the payment of such portion of the principal as shall be due and payable as a result of such acceleration, together with interest, if any, on such portion and all other amounts owing under such Original Issue Discount Security, shall constitute payment in full of such Original Issue Discount Securities.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

- (1) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,
- (2) default is made in the payment of the principal of (or premium, if any, on) any Security at its Maturity, or.
- (3) default is made in the making or satisfaction of any sinking fund or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and premium and on any overdue interest, at the rate or rates prescribed in such Securities, and, in addition, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of Trustee, its agents, and counsel under Section 6.7.

If the Company fails to pay such amounts immediately upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other proper remedy.

Section 5.4 Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property, or its creditors, the Trustee (irrespective of whether the principal of the Securities of any series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal (and premium, if any) or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such judicial proceeding is authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses,

disbursements, and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment, or composition affecting the Securities or the rights of any Holder or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, the Trustee may vote on behalf of the Holders for the election of a trustee in bankruptcy or similar official and may be a member of a creditors, or other similar committee.

Section 5.5 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production of such Securities in any related proceeding, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents, and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.6 Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest, upon presentation of the Securities and the notation on such Securities of the payment if only partially paid and upon surrender of such Securities if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.7; and.

SECOND: To the payment of the amounts then due and unpaid for principal of and any premium and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium and interest, respectively.

Section 5.7 Limitation on Suits.

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture, unless:

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee under the Indenture;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses, and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request, and offer of indemnity has failed to institute any such proceeding; and.
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the outstanding Securities of that series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb, or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner provided in this Indenture and for the equal and ratable benefit of all of such Holders (it being further understood that the Trustee does not have an affirmative duty to ascertain whether or not any action the Holders direct it to take is unduly prejudicial to other Holders).

Section 5.8 Unconditional Right of Holders to Receive Principal, Premium, and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to Section 3.7) any interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date), and to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

Section 5.9 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions under this Indenture and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Securities in the last paragraph of Section 3.6, no right or remedy conferred in this Indenture upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under this Indenture or now or in the future existing at law or in equity or otherwise. The assertion or employment of any right or remedy under this Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11 <u>Delay or Omission Not Waiver.</u>

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of or acquiescence in any such Event of Default. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12 Control by Holders.

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture,
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and.
- (3) subject to the provisions of <u>Section 6.1</u>, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or Officers of the

Trustee, determine that the proceeding so directed would be unjustly prejudicial to the Holders not joining in any such direction or would involve the Trustee in personal liability.

Section 5.13 Waiver of Past Defaults.

Subject to Section 5.2, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default under this Indenture with respect to such series and its consequences, except a default (1) in the payment of the principal of or any premium or interest on any Security of such series, or (2) in respect of a covenant or provision of this Indenture which under Article IX of this Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Security of such affected series.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising from such default shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any consequent right.

Section 5.14 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Securities by his acceptance of such Securities shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.14 shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Securities on or after the Stated Maturity or Maturities expressed in such Securities (or, in the case of redemption, on or after the Redemption Date).

ARTICLE VI The Trustee

Section 6.1 Certain Duties and Responsibilities.

The duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Indenture, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 6.2 Notice of Defaults.

If a default occurs under this Indenture with respect to Securities of any series, the Trustee shall give the Holders of Securities of such series notice of such default known to it as and to the extent provided by the Trust Indenture Act; provided, however, that in the case of any default of the character specified in Section 5.1(1) or 5.1(4) with respect to Securities of such series, no such notice to Holders shall be given until at least 30 days after the occurrence; and, provided, further, that except in the case of default in the payment of the principal of or the interest on any of the Securities of such series, or in the payment of any sinking fund installment or analogous payment on such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors or trustees and/or committee of Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of such series. For the purpose of this Section, the term

"default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series. The Trustee shall not be deemed to know of any default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a default is received by the Trustee at the Corporate Trust Office of the Trustee. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

Section 6.3 Certain Rights of Trustee.

Subject to the provisions of Section 6.1:

- (a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) any request or direction of the Company mentioned in this Indenture shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;
- (c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering, or omitting any action under this Indenture, the Trustee (unless other evidence be specifically prescribed in this Indenture) may, in the absence of bad faith on its part, rely upon an Officers' Certificate, an Opinion of Counsel, or both;
- (d) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted by it under this Indenture in good faith and in reliance on such advice or Opinion of Counsel;
- (e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;
- (f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records, and premises of the Company, personally or by agent or attorney;
- (g) the Trustee may execute any of the trusts or powers or perform any duties under this Indenture either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it;
- (h) the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder;
- (i) in the exercise of the rights and powers vested in it by this Indenture, after an Event of Default, the Trustee shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. No provision of this Indenture shall be construed to relieve the Trustee from liability with respect to matters that are within the authority of the Trustee under this Indenture for its own negligent action, negligent failure to act or willful misconduct, except that:

- (1) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;
- (2) the Trustee shall not be liable with respect to any action taken, suffered, or omitted to be taken by it in good faith in accordance with the direction of the Company or the Holders of at least a majority in aggregate principal amount of the Outstanding Securities relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee under this Indenture;
- (3) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts;
- (j) the Trustee shall not be charged with knowledge of any default or Event of Default with respect to the Securities unless a written notice of such default or Event of Default shall have been given to a Responsible Officer of the Trustee at the Corporate Trust Office, and such notice references the Securities and this Indenture;
 - (k) the permissive rights of the Trustee enumerated herein shall not be construed as duties;
- (1) the Trustee shall have no duty or obligation to monitor the Company's compliance with the terms of this Indenture or to ascertain or inquire as to the observance, performance of any covenants, conditions or agreements of the Company except as expressly set forth in this Indenture;
- (m) in no event shall the Trustee be liable to any Holder for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;
- (n) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded; and.
- (o) the duties, responsibilities and obligations of the Trustee shall be limited to those expressly set forth herein, and no duties, responsibilities or obligations shall be inferred or implied against the Trustee, except pursuant to the Trust Indenture Act.

Section 6.4 Not Responsible for Recitals or Issuance of Securities.

The recitals contained in this Indenture and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee or any Authenticating Agent assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee or any Authenticating Agent shall not be accountable for the use or application by the Company of Securities or the proceeds from such Securities.

Section 6.5 May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar, or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.8 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar, or such other agent.

Section 6.6 Money Held in Trust.

Money held by the Trustee in trust under this Indenture need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it under this Indenture except as otherwise agreed in writing with the Company.

Section 6.7 Compensation and Reimbursement.

The Company agrees:

- (1) to pay to the Trustee from time to time such compensation as shall be agreed in writing between the Company and the Trustee for all services rendered by it under this Indenture (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (2) except as otherwise expressly provided in this Indenture, to reimburse the Trustee upon its request for all reasonable expenses, disbursements, and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement, or advance as may be attributable to its negligence or willful misconduct;
- (3) to indemnify each of the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, damage, claim, liability, action, suit, cost or expense of any kind and nature whatsoever (whether brought by the Company, any holder or any third party) incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the trust or trusts under this Indenture, including the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Indenture or enforcing the terms of this Indenture including the indemnification provided herein;
- (4) to secure the Company's obligations under this Section, the Trustee shall have a lien prior to the Securities upon all money or property held or collected by the Trustee in its capacity as Trustee, except for such money and property which is held in trust to pay principal (and premium, if any) or interest on particular Securities;
- (5) when the Trustee incurs any expenses or renders any services after the occurrence of an Event of Default specified in Section 5.1, such expenses and the compensation for such services are intended to constitute expenses of administration under the United States Bankruptcy Code (Title 11 of the United States Code) or any similar Federal or State law for the relief of debtors; and.
- (6) the provisions of this <u>Section 6.7</u> shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 6.8 Disqualification; Conflicting Interests.

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series.

Section 6.9 Corporate Trustee Required; Eligibility.

There shall at all times be one (and only one) Trustee hereunder with respect to the Securities of each series, which may be Trustee hereunder for Securities of one or more other series. Each Trustee shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least

\$50,000,000. If any such Person publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section and to the extent permitted by the Trust Indenture Act, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee with respect to the Securities of any series shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 6.10 Resignation and Removal; Appointment of Successor.

- (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.11.
- (b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice of such resignation to the Company.
- (c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

(d) If at any time:

- (1) the Trustee shall fail to comply with <u>Section 6.8</u> after written request for such compliance by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or.
- (2) the Trustee shall cease to be eligible under <u>Section 6.9</u> and shall fail to resign after written request by the Company or by any such Holder, or
- (3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation, or liquidation,

then, in any such case, (i) the Company by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

- (e) If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation or removal, the Trustee resigning or being removed may petition any court of competent jurisdiction, at the expense of the Company, for the appointment of a successor Trustee with respect to the Securities of such series.
- (f) If the Trustee shall resign, be removed, or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company, by a Board Resolution, shall appoint within thirty (30) days a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 6.11. If, after such resignation, removal, or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, immediately upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so

appointed by the Company or the Holders and accepted appointment in the manner required by Section 6.11, any Holder who has been a bona fide Holder of a Security of such series for at least sixty (60) days may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(g) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities of such series as their names and addresses appear in the Securities Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

Section 6.11 Acceptance of Appointment by Successor.

- (a) In case of the appointment of a successor Trustee under this Indenture with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge, and deliver to the Company and to the retiring Trustee an instrument accepting such appointment. Upon such delivery, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed, or conveyance, shall become vested with all the rights, powers, trusts, and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers, and trusts of the retiring Trustee and shall duly assign, transfer, and deliver to such successor Trustee all property and money held by such retiring Trustee under this Indenture.
- In case of the appointment under this Indenture of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee, and each successor Trustee with respect to the Securities of one or more series shall execute and deliver a supplemental indenture wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to the Securities of all series, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts under this Indenture by more than one Trustee, it being understood that nothing in this Indenture or in such supplemental indenture shall constitute such Trustees cotrustees of the same trust and that each such Trustee shall be trustee of a trust or trusts under this Indenture separate and apart from any trust or trusts under this Indenture administered by any other such Trustee; and, upon the execution and delivery of such supplemental indenture, the resignation or removal of the retiring Trustee shall become effective to the extent provided in such supplemental indenture and each such successor Trustee, without any further act, deed, or conveyance, shall become vested with all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; and such retiring Trustee shall duly assign, transfer, and deliver to such successor Trustee all property and money held by such retiring Trustee under this Indenture with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.
- (c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers, and trusts referred to in paragraph (a) and (b) of this Section, as the case may be.
- (d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 6.12 Merger, Conversion, Consolidation, or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion, or consolidation to which the Trustee shall be a party, or

any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee under this Indenture, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties to this Indenture. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion, or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.13 Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

Section 6.14 Appointment of Authenticating Agent

The Trustee may appoint an Authenticating Agent or Agents (which may be an affiliate of the Company) with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue and upon exchange, registration of transfer, or partial redemption or conversion, or pursuant to Section 3.6, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any of its states, or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by federal or state authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion, or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall mail written notice of such appointment by first-class mail, postage prepaid, to all Holders of Securities of the series with respect to which such Authenticating Agent will serve, as their names and addresses appear in the Security Register. Any successor Authenticating Agent upon acceptance of its appointment under this Indenture shall become vested with all the rights, powers, and duties of its predecessor, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed on it, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

Delivery of such reports, information, and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee shall be entitled to rely exclusively on Officers' Certificates).

ARTICLE VIII Consolidation, Merger, Conveyance, Transfer or Lease

- (3) to add any additional Events of Default for the benefit of the Holders of all or any series of Securities (and if such additional Events of Default are to be for the benefit of less than all series of Securities, stating that such additional Events of Default are expressly being included solely for the benefit of such series); or
- (4) to add to or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities, registrable or not registrable as to principal, and with or without interest coupons, or to permit or facilitate the issuance of Securities in uncertificated form; or
- (5) to add to, change, or eliminate any of the provisions of this Indenture in respect of one or more series of Securities, provided that any such addition, change, or elimination (i) shall neither (A) apply to any Security of any series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor (B) modify the rights of the Holder of any such Security with respect to such provision or (ii) shall become effective only when there is no such Security Outstanding; or
 - (6) to secure or provide for the guarantee of the Securities; or
- (7) to establish the form or terms of Securities of any series as permitted by $\underline{\text{Sections 2.1}}$ and $\underline{\text{3.1}}$; or
- (8) to evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts under this Indenture by more than one Trustee, pursuant to the requirements of Section 6.11(b); or
- (9) to comply with any requirements of the Commission in connection with qualifying this Indenture under the Trust Indenture Act; or
- (10) to cure any ambiguity, to correct or supplement any provision in this Indenture which may be defective or inconsistent with any other provision in this Indenture, or
- (11) to supplement any of the provisions of this Indenture to the extent necessary to permit or facilitate the Defeasance and discharge of any series of Securities pursuant to Sections 4.1, 13.2 and 13.3; provided that any such action shall not adversely affect the interests of the Holders of Securities of any series in any material respect; or

- (12) to make provisions with respect to conversion or exchange rights of Holders of Securities of any series; or
- (13) to add, delete from or revise the conditions, limitations or restrictions on issue, authentication and delivery of Securities; or
- (14) to conform any provision in an indenture to the requirements of the Trust Indenture Act; or to conform the text of this Indenture or the Securities to the descriptions hereof or thereof contained in any registration statement of the Company to which this Indenture is filed as an exhibit and any applicable prospectus or prospectus supplement; or
- (15) to make any other provisions with respect to matters or questions arising under this Indenture, provided that such action pursuant to this clause (10) shall not adversely affect the interests of the Holders of Securities of any series in any material respect.

Section 9.2 Supplemental Indentures With Consent of Holders.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of such Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into a supplemental indenture or indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of Securities of such series under this Indenture; provided, however, that no such supplemental indenture entered into pursuant to this Section 9.2 shall, without the consent of the Holder of each Outstanding Security affected by such supplemental indenture,

- (1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce its principal amount or rate of interest or any premium payable upon its redemption, or reduce the amount of the principal of an Original Issue Discount Security or any other Security that would be due and payable upon a declaration of acceleration of its Maturity pursuant to Section 5.2, or adversely affect any right of repayment at the option of the Holder of any Security, or change any Place of Payment where any Security or any premium or interest is payable, or impair the right to institute suit for the enforcement of any such payment on or after its Stated Maturity (or, in the case of redemption, on or after the Redemption Date), or
- (2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver of compliance with the provisions of or defaults under this Indenture and their consequences provided for in this Indenture, or
- (3) modify any of the provisions of this Section, Section 5.13, or Section 10.8, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each affected Outstanding Security, provided, however, that this clause shall not be deemed to require the consent of any Holder with respect to changes in the references to "the Trustee" and concomitant changes in this Section, or the deletion of this proviso, in accordance with the requirements of Sections 6.11(b) and 9.1(8).

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance of such supplemental indenture.

Section 9.3 <u>Execution of Supplemental Indentures.</u>

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications of the trusts created by this Indenture, the Trustee shall be entitled to receive in addition to the documents required by Section 1.2, and (subject to Section 6.1) shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate each stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties, or immunities under this Indenture or otherwise.

Section 9.4 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance with such supplemental indenture, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities previously or subsequently authenticated and delivered under this Indenture shall be bound by such supplemental indenture.

Section 9.5 Conformity With Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 9.6 Reference in Securities to Supplemental Indentures.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE X Covenants

Section 10.1 Payment of Principal, Premium, and Interest.

The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay the principal of and any premium and interest on the Securities of that series in accordance with the terms of the Securities and this Indenture.

Section 10.2 Maintenance of Office or Agency.

The Company will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with its address, such presentations, surrenders, notices, and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company appoints the Trustee as its agent to receive all such presentations, surrenders, notices, and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner

relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

With respect to any Global Security, and except as otherwise may be specified for such Global Security as contemplated by Section 3.1, the Corporate Trust Office of the Trustee shall be the Place of Payment where such Global Security may be presented or surrendered for payment or for registration of transfer or exchange, or where successor Securities may be delivered in exchange therefore, provided, however, that any such payment, presentation, surrender or delivery effected pursuant to the Applicable Procedures of the Depositary for such Global Security shall be deemed to have been effected at the Place of Payment for such Global Security in accordance with the provisions of this Indenture.

Section 10.3 Money for Securities Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of or any premium or interest on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled to such principal, premium, or interest a sum sufficient to pay the principal and any premium and interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as provided in this Indenture and will promptly notify the Trustee of its action or failure to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, prior to 10:00 a.m. New York City time on each due date of the principal of or any premium or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee in writing of its action or failure to act.

The Company will cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, and upon the written request of the Trustee, immediately pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities of that series.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or any premium or interest on any Security of any series and remaining unclaimed for two years after such principal, premium, or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee, shall cease at such time; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified in such notice, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 10.4 Statement by Officers as to Default.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date of this Indenture, an Officers' Certificate (one of the signers of which shall be the principal executive officer, principal financial officer, or principal accounting officer of the Company), stating whether or not, to the best knowledge of the signers, the Company is in default in the performance and observance of any of the terms, provisions, and conditions of this Indenture (without regard to any period of grace or requirement of notice provided under this Indenture) and, if the Company shall be in default, specifying all such defaults and their nature and status of which they may have knowledge. The Company will deliver to the Trustee written notice of the occurrence of any Event of Default within ten Business Days of the Company becoming aware of any such Event of Default.

Section 10.5 Existence.

Subject to <u>Article VIII</u>, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory), and franchises; <u>provided</u>, <u>however</u>, that the Company shall not be required to preserve any such right or franchise if the Board of Directors shall determine that its preservation is no longer desirable in the conduct of the business of the Company and that its loss is not disadvantageous in any material respect to the Holders.

Section 10.6 Calculation of Original Issue Discount.

If the Company has Outstanding any Original Issue Discount Securities, the Company shall file with the Trustee within a reasonable time after the end of each calendar year a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on Outstanding Securities as of the end of such year.

ARTICLE XI Redemption of Securities

Section 11.1 Applicability of Article.

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by <u>Section 3.1</u> for Securities of any series) in accordance with this Article.

Section 11.2 Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by a Board Resolution or in another manner specified as contemplated by Section 3.1 for such Securities. In case of any redemption at the election of the Company, the Company shall, at least 60 calendar days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Securities of such series to be redeemed and, if applicable, of the tenor of the Securities to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

Section 11.3 Selection by Trustee of Securities to Be Redeemed.

If less than all the Securities of any series are to be redeemed (unless all of the Securities of such series and of a specified tenor are to be redeemed or such series is comprised of a single Security), the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date, from the Outstanding Securities of such series not previously called for redemption, pro rata, or in accordance with the applicable procedures of the Depositary, which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple of such denomination) of the principal amount of

Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series. If less than all of the Securities of such series and of a specified tenor are to be redeemed (unless such series is comprised of a single Security), the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date in accordance with the applicable procedures of the Depositary from the Outstanding Securities of such series and specified tenor not previously called for redemption in accordance with the preceding sentence.

The provisions of the preceding paragraph and this paragraph shall not apply with respect to the redemption of a series of Securities comprised of a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) of such Security.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

Section 11.4 Notice of Redemption.

The Company shall send, or cause to be sent, a notice of redemption at least 30 days but not more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at such Holder's registered address or otherwise in accordance with the procedures of the Depositary.

All notices of redemption shall state:

- the Redemption Date,
- (2) the Redemption Price and accrued interest, if any,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption of any Securities, the principal amounts) of the particular Securities to be redeemed, and that on or after the date fixed for redemption, upon surrender of such Security, a new Security or Securities of such series in authorized denominations for an aggregate principal amount equal to the unredeemed portion will be issued,
- (4) that on the Redemption Date the Redemption Price and accrued interest, if any, will become due and payable upon each such Security to be redeemed and, if applicable, that interest on such Security will cease to accrue on and after such date,
- (5) the place or places where such Securities are to be surrendered for payment of the Redemption Price and accrued interest, if any,
 - (6) that the redemption is for a sinking fund, if such is the case, and.
 - (7) the CUSIP numbers, if any, of the Securities to be redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall not be irrevocable.

Section 11.5 <u>Deposit of Redemption Price</u>.

Prior to 10:00 a.m., New York City time, on any Redemption Date specified in the notice of redemption given as provided in <u>Section 11.4</u>, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in <u>Section 10.3</u>) an amount of

money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

Section 11.6 Securities Payable on Redemption Date.

Notice of redemption having been given in accordance with this Indenture, the Securities to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price specified in the notice, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with such notice, such Security shall be paid by the Company at the Redemption Price, together with accrued and unpaid interest to the Redemption Date; provided, however, that, unless otherwise specified as contemplated by Section 3.1, installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.7.

If any Security called for redemption shall not be so paid upon surrender for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed in the Security.

Section 11.7 Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE XII Sinking Funds

Section 12.1 Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.1 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is referred to in this Indenture as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of any series is referred to in this Indenture as an "optional sinking fund payment". If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in <u>Section 12.2</u>. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

Section 12.2 Satisfaction of Sinking Fund Payments with Securities.

The Company (1) may deliver Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which previously have been redeemed by the Company either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, or have been otherwise acquired by the Company as permitted by such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; provided that such Securities to be so credited have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Section 12.3 Redemption of Securities for Sinking Fund.

Not less than 60 days prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion, if any, which is to be satisfied by payment of cash and the portion, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 12.2 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days nor more than 45 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 11.3 and cause notice of redemption to be given in the name of and at the expense of the Company in the manner provided in Section 11.4. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.6 and 11.7.

ARTICLE XIII Defeasance and Covenant Defeasance

Section 13.1 Applicability of Article; Company's Option to Effect Defeasance or Covenant Defeasance.

If, pursuant to Section 3.1, provision is made for either or both of (a) Defeasance of the Securities of a series under Section 13.2 or (b) Covenant Defeasance of the Securities of a series under Section 13.3, then the provisions of such Section or Sections, as the case may be, together with the other provisions of this Article XIII, shall be applicable to the Securities of such series, and the Company may at its option by Board Resolution or in any other manner specified as contemplated by Section 3.1, at any time, with respect to the Securities of such series, elect to have either Section 13.2 (if applicable) or Section 13.3 (if applicable) be applied to the Outstanding Securities of such series upon compliance with the conditions set forth below in this Article XIII.

Section 13.2 Defeasance and Discharge.

Upon the Company's exercise of the above option applicable to this Section, the Company shall be deemed to have been discharged from its obligations with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied ("Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture, insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged under this Indenture: (A) the rights of Holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 13.4 as more fully set forth in such Section, payments of the principal of (any premium, if any) and interest on such Securities when such payments are due, (B) the Company's obligations with respect to such Securities under Sections 3.4, 3.5, 3.6, 6.7, 10.2, and 10.3, and such ancillary obligations, (C) the rights, powers, trusts, duties, immunities, and other provisions in respect of the Trustee under this Indenture, and (D) this Article XIII. Subject to compliance with this Article XIII, the Company may exercise its option under this Section 13.2 notwithstanding the prior exercise of its option under Section 13.3 with respect to the Securities of such series. Following a Defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

Section 13.3 Covenant Defeasance.

Upon the Company's exercise of the above option applicable to this Section and after the date the conditions set forth below are satisfied ("Covenant Defeasance"), (1) the Company shall be released from its obligations under any covenant applicable to such Securities that is determined pursuant to Section 3.1 to be subject to this provision, and (2) the occurrence of any event specified in Section 5.1(4) (with respect to any Section applicable to such Securities that are specified pursuant to Section 3.1 as being subject to this provision), Section 5.1(5) or (6) or determined pursuant to Section 3.1 to be subject to this provision shall not be deemed to be or result in an Event of Default. For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of

any term, condition, or limitation set forth in any such Section or Article whether directly or indirectly by reason of any reference elsewhere in this Indenture to any such Section or Article or by reason of any reference in any such Section to any other provision in this Indenture or in any other document, but the remainder of this Indenture and such Securities shall be unaffected by such Covenant Defeasance.

Section 13.4 Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions precedent to application of either <u>Section 13.2</u> or <u>Section 13.3</u> to the Outstanding Securities of such series:

- The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee which satisfies the requirements contemplated by Section 6.9 and agrees to comply with the provisions of the Indenture applicable to it as if it were the Trustee under this Indenture), as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, (A) money in an amount, or (B) U.S. Government Obligations which through the scheduled payment of principal and interest in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (C) a combination of such money and U.S. Government Obligations, in each case sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee as previously provided) to pay and discharge, the principal of (and premium, if any) and interest on the Outstanding Securities of such series on the Maturity of such principal, any premium or interest, and any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on their due dates. Before such a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date or dates in accordance with Article XI, which shall be given effect in applying the foregoing provisions. For this purpose, "U.S. Government Obligations" means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged, or (y) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act of 1933, as amended) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt.
- (2) No Event of Default or event which with notice or lapse of time or both would become an Event of Default with respect to the Securities of such series shall have occurred and be continuing (A) on the date of such deposit or (B) insofar as subsections 5.1(5) and (6) are concerned, at any time during the period ending on the 120th day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company under federal or state law in respect of such deposit (it being understood that the condition in this clause (B) shall not be deemed satisfied until the expiration of such period).
- (3) Such Defeasance or Covenant Defeasance shall not (A) cause the Trustee for the Securities of such series to have a conflicting interest as defined in Section 6.8 or for purposes of the Trust Indenture Act with respect to any Securities of the Company or (B) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended.

- (4) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound.
- (5) Such Defeasance or Covenant Defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Securities Exchange Act of 1934, as amended, to be delisted.
- (6) In the case of an election under Section 13.2, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based on such ruling or change such opinion shall confirm that, the Holders of the Outstanding Securities of such series will not recognize income, gain, or loss for federal income tax purposes as a result of such Defeasance and will be subject to federal income tax on the same amounts, in the same manner, and at the same times as would have been the case if such Defeasance had not occurred.
- (7) In the case of an election under <u>Section 13.3</u>, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities of such series will not recognize income, gain, or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner, and at the same times as would have been the case if such Covenant Defeasance had not occurred.
- (8) The Company shall have delivered to the Trustee an Opinion of Counsel to the effect that (subject to customary qualifications and assumptions) after the period described in Section 13.4(2), the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization, or similar laws affecting creditors' rights generally.
- (9) Such Defeasance or Covenant Defeasance shall be effected in compliance with any additional terms, conditions, or limitations which may be imposed on the Company in connection with such Defeasance or Covenant Defeasance pursuant to Section 3.1.
- (b) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to either the Defeasance under Section 13.2 or the Covenant Defeasance under Section 13.3 (as the case may be) have been complied with.

Section 13.5 Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.

- (3) a statement that, in the opinion of each such individual, he has made such examination or investigation as is necessary to enable him to express an informed opinion as to whether or not such covenant or condition has been complied with; and.
- (4) a statement as to whether, in the opinion of each such individual, such condition or covenant has been complied with.

Section 1.3 Form of Documents Delivered to Trustee.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Company may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which the certificate or opinion is based are erroneous. Any such certificate or opinion of counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating that the information with respect to such factual matters is in the possession of the Company, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give, or execute two or more applications, requests, consents, certificates, statements, opinions, or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 1.4 Acts of Holders; Record Dates.

(a) Any request, demand, authorization, direction, notice, consent, waiver, or other action provided or permitted by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as otherwise expressly provided in this Indenture, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is expressly required by this Indenture, to the Company. Such instrument or instruments (and the action embodied in and evidenced by such instrument or instruments) are sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this

Indenture and (subject to Section 6.1) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

Without limiting the generality of the foregoing, a Holder, including a Depositary that is a Holder of a Global Security, may make, give, or take, by a proxy or proxies, duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver, or other action provided or permitted in this Indenture to be made, given, or taken by Holders, and a Depositary that is a Holder of a Global Security may provide its proxy or proxies to the beneficial owners of interest in any such Global Security.

- (b) The fact and date of the execution by any Person of any such instrument, writing, certification or proxy may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument, writing, certification or proxy acknowledged to him its execution. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument, writing, certification or proxy, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.
- (c) The Company may, in the circumstances permitted by the Trust Indenture Act, fix any day as the record date for the purpose of determining the Holders of Securities of any series entitled to give or take any request, demand, authorization, direction, notice, consent, waiver, or other action, or to vote on any action, authorized, or permitted to be given or taken by Holders of Securities of such series. If not set by the Company prior to the first solicitation of a Holder of Securities of such series made by any Person in respect of any such action, or, in the case of any such vote, prior to such vote, the record date for any such action or vote shall be the 30th day (or, if later, the date of the most recent list of Holders required to be provided pursuant to Section 7.1) prior to such first solicitation or vote, as the case may be. With regard to any record date for action to be taken by the Holders of one or more series of Securities, only the Holders of Securities of such series on such date (or their duly designated proxies) shall be entitled to give, take, or vote on the relevant action.
 - (d) The ownership of Securities shall be proved by the Security Register.
- (e) Any request, demand, authorization, direction, notice, consent, waiver, or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer of, in exchange for, or in lieu of such Security in respect of anything done, omitted, or suffered to be done by the Trustee or the Company in reliance on such action, whether or not notation of such action is made upon such Security.
- (f) Without limiting the foregoing, a Holder entitled to give or take any action under this Indenture with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any different part of such principal amount.

Section 1.5 Notices, Etc.to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver, or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with:

- (1) the Trustee by any Holder or by the Company shall be sufficient for every purpose under this Indenture if made, given, furnished, or filed in writing and delivered in person, mailed by first-class mail or sent by telecopier transmission or electronic mail (in pdf format) to or with the Trustee, as follows (or at any other address previously furnished in writing to the Company by the Trustee):
- (2) the Company by the Trustee or by any Holder shall be sufficient for every purpose under this Indenture (unless otherwise expressly provided in this Indenture) if in writing and mailed, first-class

postage prepaid, to the Company addressed to it at the address of its principal office specified in the first paragraph of this instrument or at any other address previously furnished in writing to the Trustee by the Company, Attention: General Counsel.

Section 1.6 Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise expressly provided in this Indenture) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose under this Indenture.

Where this Indenture provides for notice of any event to a Holder of a Global Security, such notice shall be sufficiently given if given to the Depositary for such Security (or its designee), pursuant to its Applicable Procedures, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice.

Section 1.7 Conflict with Trust Indenture Act.

If any provision of this Indenture limits, qualifies, or conflicts with a provision of the Trust Indenture Act that is required under such Act to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be.

Section 1.8 <u>Effect of Headings and Table of Contents.</u>

The Article and Section headings in this Indenture and the Table of Contents are for convenience only and shall not affect the construction of this Indenture.

Section 1.9 Successors and Assigns.

All covenants and agreements in this Indenture by the Company shall bind its successors and assigns, whether so expressed or not.

Section 1.10 Separability Clause.

In case any provision in this Indenture or in the Securities shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired by such invalid, illegal, or unenforceable provision.

Section 1.11 Benefits of Indenture.

Nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the Holders of Securities, the parties to this Indenture and their successors and the holders of Senior Debt any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 1.12 Governing Law.

This Indenture and the Securities shall be governed by and construed in accordance with the laws of the State of New York.

Section 1.13 Waiver of Jury Trial.

EACH OF THE COMPANY, THE HOLDERS BY THEIR ACCEPTANCE OF THE SECURITIES, AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE SECURITIES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 1.14 Force Majeure.

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, strikes, work stoppage, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes, epidemics, pandemics, acts of God, acts or provisions of any present or future law or regulation or governmental authority, fire, communication line failures, earthquakes, civil unrest, local or national disturbance or disaster, and the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 1.15 Legal Holidays.

In any case where any Interest Payment Date, Redemption Date, or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities, other than a provision of the Securities of any series which specifically states that such provision shall apply in lieu of this Section) payment of interest or principal (and premium, if any) need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Interest Payment Date, or Redemption Date, or at the Stated Maturity, provided that no interest shall accrue with respect to the payment due on such date for the period from and after such Interest Payment Date, Redemption Date, or Stated Maturity, as the case may be.

Section 1.16 Submission to Jurisdiction.

The Company hereby irrevocably submits to the jurisdiction of any New York State court sitting in the Borough of Manhattan in the City of New York or any federal court sitting in the Borough of Manhattan in the City of New York in respect of any suit, action or proceeding arising out of or relating to this Indenture and the Securities, and irrevocably accepts for itself and in respect of its property, generally and unconditionally, jurisdiction of the aforesaid courts.

ARTICLE II Security Forms

Section 2.1 <u>Forms Generally.</u>

The Securities of each series shall be in substantially such form (not inconsistent with this Indenture) as shall be established by or pursuant to one or more Board Resolutions or in one or more indentures supplemental to this Indenture, in each case with such appropriate insertions, omissions, substitutions, and other variations as are required or permitted by this Indenture, and may have such letters, numbers, or other marks of identification and such legends or endorsements placed on them as may be required to comply with the rules of any securities exchange or Depositary therefor or as may, consistently with this Indenture, be determined by the officers executing such Securities, as evidenced by their execution of the Securities. If the form of Securities of any series is

established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Company Order contemplated by Section 3.3 for the authentication and delivery of such Securities.

This Security may not be transferred to, or registered or exchanged for Securities registered in the name of, any Person other than the Depositary or its nominee or a successor of such Depositary or a nominee of such successor and no such transfer may be registered, except in the limited circumstances described in the Indenture. Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, this Security shall be a Global Security subject to the foregoing, except in such limited circumstances."

Section 2.3 Form of Trustee's Certificate of Authentication.

The Trustee's certificates of authentication shall be in substantially the following form:

ARTICLE III The Securities

Section 3.1 Amount Unlimited; Issuable in Series.

The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture is unlimited.

The Securities may be issued in one or more series, and each such series shall be subordinated in right of payment to Senior Debt as provided in <u>Article XIV</u>. - (15) any Authenticating Agents, Paying Agents, or any other agents with respect to the Securities of the series;
- (16) any other covenant or warranty included for the benefit of Securities of the series in addition to (and not inconsistent with) those included in this Indenture for the benefit of Securities of all series, or any other covenant or warranty included for the benefit of Securities of the series in lieu of any covenant or warranty included in this Indenture for the benefit of Securities of all series (including any covenant contained in Article X), or any provision that any covenant or warranty included in this Indenture for the benefit of Securities of all series (including any covenant contained in Article X) shall not be for the benefit of Securities of such series, or any change to or combination of the provisions of any such covenant or warranty included in this Indenture for the benefit of Securities of all series (including any covenants contained in Article X) which applies to the Securities of such series;
- (17) any addition to, deletion from, or change in the Events of Default which applies to any Securities of the series and any change in the right of the Trustee or the requisite Holders of such Securities to declare the principal amount of such Securities due and payable pursuant to Section 5.2; and

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to the Board Resolution referred to above and (subject to Section 3.3) set forth, or determined in the manner provided, in the Officers' Certificate referred to above or in any indenture supplemental to the Indenture.

Unless otherwise provided with respect to the Securities of any series, at the option of the Company, interest on the Securities of any series that bears interest may be paid by mailing a check to the address of the Person entitled to such interest as such address shall appear in the Security Register.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series.

Section 3.2 Denominations.

The Securities of each series shall be issuable in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.1. In the absence of any such provisions with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of \$1,000 and any integral multiples of such denominations.

Section 3.3 Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Company by its Chairman, a Vice Chairman, the Chief Executive Officer, the President, the Chief Financial Officer, or an Executive Vice President, and by the Treasurer, an Assistant Treasurer, the Chief Accounting Officer, the Secretary, or an Assistant Secretary, of the Company. The signature of any of these officers of the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. If the form or terms of the Securities of the series have been established by or pursuant to one or more Board Resolutions as permitted by Sections 2.1 and 3.1, in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 6.1) shall be fully protected in relying upon, an Opinion of Counsel stating,

- (a) if the form of such Securities has been established by or pursuant to Board Resolution as permitted by Section 2.1, that such form has been established in conformity with the provisions of this Indenture;
- (b) if the terms of such Securities have been established by or pursuant to Board Resolution as permitted by Section 3.1, that such terms have been established in conformity with the provisions of this Indenture; and
- (c) that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties, or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.1 and of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the above specified documents at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for in this Indenture executed by the Trustee by manual or electronic signature of an authorized signatory, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered under this Indenture. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.9, for all purposes of this Indenture, such Security shall be deemed never to have been authenticated and delivered under this Indenture and shall never be entitled to the benefits of this Indenture.

Section 3.4 <u>Temporary Securities</u>.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon receipt of a Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed, or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions, and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the

temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series, the Company shall execute and the Trustee shall authenticate and deliver in exchange one or more definitive Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series and tenor.

Section 3.5 Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register (the register maintained in such office or in any other office or agency of the Company in a Place of Payment may sometimes be collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as provided in this Indenture.

Upon surrender for registration of transfer of any Security of any series at the office or agency of the Company in a Place of Payment for that series, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor.

At the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.4, 9.6, or 11.7 not involving any transfer.

The Company shall not be required (i) to issue, register the transfer of, or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 11.3 and ending at the close of business on the day of such mailing, or (ii) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

Notwithstanding the foregoing and except as otherwise specified or contemplated by Section 3.1, if at any time the Depositary for the Securities of a series represented by a Global Security or Global Securities notifies the Company that it is unwilling or unable to continue as a Depositary for the Securities of such series or if at any time the Depositary for Securities of a series shall no longer be registered or in good standing under the Exchange Act or other applicable statute or regulation, the Company shall appoint a successor Depositary with respect to the Securities of such series. If a successor Depositary for the Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such condition, the Company will

execute, and the Trustee, upon Company Request, will authenticate and deliver, Securities of such series in definitive form in an aggregate principal amount equal to the principal amount of the Global Security or Global Securities representing Securities of such series in exchange for such Global Security or Global Securities.

In the event that (i) the Company at any time and in its sole discretion determines that the Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Global Securities or (ii) there shall have occurred and be continuing an Event of Default or an event which, with the giving of notice or lapse of time or both, would constitute an Event of Default with respect to the Securities of any series and the beneficial owners representing a majority in principal amount of the applicable series of Securities represented by such Global Security or Securities advise the depository to cease acting as depository for such Global Security or Securities, the Company will execute, and the Trustee, upon Company Request, will authenticate and deliver, Securities of such series in definitive form and in an aggregate principal amount equal to the principal amount of the Global Security or Global Securities representing such series in exchange for such Global Security or Global Securities.

Upon the occurrence in respect of any Global Security of any series of any one or more of the conditions specified in the preceding two paragraphs or such other conditions as may be specified as contemplated by Section 3.1 for such series, such Global Security may be exchanged for Securities registered in the names of, and the transfer of such Global Security may be registered to, such Persons (including Persons other than the Depositary with respect to such series and its nominees) as such Depositary shall direct. Notwithstanding any other provision of this Indenture, any Security authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, any Global Security shall also be a Global Security and shall bear the legend specified in Section 2.2 except for any Security authenticated and delivered in exchange for, or upon registration of transfer of, a Global Security pursuant to the preceding sentence.

None of the Trustee or agents shall have any responsibility, liability or obligation to any beneficial owner of a Global Security, a member of, or a participant in, the Depositary or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any participant or member thereof, with respect to any ownership interest in the Securities or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depositary or its nominee) of any notice (including any notice of redemption) or the payment of any amount under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders under the Securities shall be given or made only to or upon the order of the registered Holders (which shall be the Depositary or its nominee in the case of a Global Security). The rights of beneficial owners in any Global Security shall be exercised only through the Depositary subject to the applicable rules and procedures of the Depositary. The Trustee and the agents may rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners. The Company, the Trustee and the agents shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered Holder of any Global Security for all purposes of this Indenture relating to such Global Security (including the payment of principal, premium, if any, and interest and additional amounts, if any, and the giving of instructions or directions by or to the owner or Holder of a beneficial ownership interest in such Global Security) as the sole Holder of such Global Security and shall have no obligations to the beneficial owners thereof. None of the Company, the Trustee or any agent shall have any responsibility or liability for any acts or omissions of the Depositary with respect to such Global Security, for the records of any such Depositary, including records in respect of beneficial ownership interests in respect of any such Global Security, for any transactions between the Depositary and any participant or between or among the Depositary, any such participant and/or any Holder or owner of a beneficial interest in such Global Security, or for any transfers of beneficial interests in any such Global Security.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Security other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 3.6 Mutilated, Destroyed, Lost, and Stolen Securities.

If any mutilated Security is surrendered to the Trustee and there is delivered to the Company and the Trustee such security, indemnity or indemnity bond as may be required by them to save each of them and any agent of them harmless, the Company shall execute and the Trustee shall authenticate and deliver in exchange a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss, or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a protected purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost, or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost, or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company and the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation to such issuance and any other expenses (including the fees and expenses of the Trustee) connected with such issuance.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost, or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost, or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued under this Indenture.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Securities.

Section 3.7 Payment of Interest; Interest Rights Preserved.

Except as otherwise provided as contemplated by <u>Section 3.1</u> with respect to any series of Securities, interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date ("Defaulted Interest") shall cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this Clause. At such time the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment. The Trustee shall

promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the related Special Record Date to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the related Special Record Date having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Section 3.8 Persons Deemed Owners.

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee, and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any premium and (subject to Section 3.7) any interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee, nor an agent of the Company or the Trustee shall be affected by notice to the contrary.

No holder of any beneficial interest in any Global Security registered in the name of a Depositary or its nominee shall have any rights under this Indenture with respect to such Global Security, and such Depositary or nominee, as the case may be, may be treated by the Company, the Trustee, and any agent of the Company or the Trustee as the owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing in this Indenture shall prevent the Company, the Trustee, or any agent of the Company or the Trustee from giving effect to any written certification, proxy, or other authorization furnished by a Depositary or its nominee pursuant to this Indenture. Further, none of the Company, the Trustee, any Paying Agent, or any other agent of the Company or the Trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in any such Global Security or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 3.9 Cancellation.

All Securities surrendered for payment, conversion, redemption, registration of transfer or exchange, or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be promptly disposed of by the Trustee in accordance with its ordinary procedures.

Section 3.10 Computation of Interest.

Except as otherwise specified as contemplated by <u>Section 3.1</u> for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.11 CUSIP Numbers.

The Company or its designee in issuing the Securities may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee in writing of any change in "CUSIP" numbers.

ARTICLE IV Satisfaction and Discharge

Section 4.1 Satisfaction and Discharge of Indenture.

This Indenture shall upon Company Request cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities expressly provided for in this Indenture), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

(1) either:

or

- (A) all Securities previously authenticated and delivered (other than (i) Securities which have been destroyed, lost, or stolen and which have been replaced or paid as provided in Section 3.6 and (ii) Securities for whose payment money has previously been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.3) have been delivered to the Trustee for cancellation; or
 - (B) all such Securities not previously delivered to the Trustee for cancellation
 - (i) have become due and payable, or
 - (ii) will become due and payable at their Stated Maturity within one year,
 - (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of (i), (ii) or (iii) above, has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose cash or U.S. Government Obligations or a combination thereof in an amount (without consideration of any reinvestment of interest) sufficient to pay and discharge the entire indebtedness on such Securities not previously delivered to the Trustee for cancellation (other than Securities which have been destroyed, lost, or stolen and which have been replaced or paid as provided in Section 3.6), for principal and any premium and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

- (2) the Company has paid or caused to be paid all other sums payable by the Company under this Indenture; and.
- (3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.7, the obligations (if any) of the Trustee to any Authenticating Agent under Section 6.14 and, if money shall have been deposited with the Trustee pursuant to subclause (B) of Clause (1) of this Section, the obligations of the Trustee under Section 4.2 and the last paragraph of Section 10.3 shall survive.

In the event there are Securities of two or more series under this Indenture, the Trustee shall be required to execute an instrument acknowledging satisfaction and discharge of this Indenture only if requested to do so with respect to Securities of all series as to which it is Trustee and if the other conditions of such Securities are met. In the event there are two or more Trustees under this Indenture, then the effectiveness of any such instrument shall be conditioned upon receipt of such instruments from all such Trustees.

The Trustee, Securities Registrar and the transfer agent shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer or exchange imposed under the Indenture or under applicable law with respect to any transfer or exchange of any interest in any note (including any transfers between or among participants or other beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 4.2 Application of Trust Money.

Subject to the provisions of the last paragraph of Section 10.3, all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled to such money, of the principal and any premium and interest for whose payment such money has been deposited with the Trustee. Money deposited pursuant to this Section 4.2 not in violation of this Indenture shall not be subject to claims of the holders of Senior Debt under Article XIV.

ARTICLE V Remedies

Section 5.1 Events of Default.

"Events of Default", wherever used in this Indenture with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default, whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree, or order of any court or any order, rule, or regulation of any administrative or governmental body):

- (1) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petitions seeking reorganization, arrangement, adjustment or composition of or in respect of the Company, under any applicable federal or state law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or substantially all of its assets, or ordering the winding up or liquidation of the affairs of the Company, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or
- (2) the commencement by the Company of a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent

seeking reorganization or relief under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or substantially all of its assets, or to an order for the winding up or liquidation of the affairs of the Company.

Section 5.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default (other than an Event of Default specified in Section 5.1(1) or 5.1(2)) with respect to Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may, declare the principal amount of all the Securities of that series (or, if any Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified by the terms thereof) to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable. If an Event of Default specified in Section 5.1(1) or 5.1(2) with respect to Securities of any series at the time Outstanding occurs, the principal amount of all the Securities of that series (or, if any Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified by the terms thereof), shall automatically, and without any declaration or other action on the part of the Trustee or any Holder, become immediately due and payable.

If an Event of Default specified in <u>Sections 5.1(1)</u> or <u>5.1(2)</u> with respect to Securities of any series then Outstanding shall have occurred and be continuing, then, in each and every such case, the principal amount and interest, if any, on all of the Securities of all series then Outstanding shall become immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

At any time after such a declaration of acceleration with respect to Securities of one or more series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as provided for below in this Article, the Holders of a majority in principal amount of the Outstanding Securities of all affected series (voting as one class), as to which each series so affected will vote as a separate class), by written notice to the Company and the Trustee may waive all defaults with respect to all affected series, and may rescind and annul such declaration and its consequences if:

- (1) the Company has paid or deposited with the Trustee a sum sufficient to pay (A) all overdue interest on all Securities of all affected series, (B) the principal of (and premium, if any, on) any Securities of all affected series which have become due otherwise than by such declaration of acceleration and any interest on such Securities at the rate or rates prescribed in such Securities, (C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed in such Securities, and (D) all sums paid or advanced by the Trustee under this Indenture and the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents, and counsel; and.
- (2) all Events of Default with respect to Securities of all affected series, other than the non-payment of the principal of Securities of the affected series which has become due solely by such declaration of acceleration, have been cured or waived as provided in <u>Section 5.13</u>.

No such rescission shall affect any subsequent default or impair any consequent right.

For all purposes under this Indenture, if a portion of the principal of any Original Issue Discount Securities shall have been accelerated and declared due and payable pursuant to the provisions of this Indenture, then, from and after such declaration, unless such declaration has been rescinded and annulled as provided above, the principal amount of such Original Issue Discount Securities shall be deemed, for all purposes under this Indenture, to be such portion of the principal as shall be due and payable as a result of such acceleration, and the payment of such portion of the principal as shall be due and payable as a result of such acceleration, together with interest, if any, on such portion and all other amounts owing under such Original Issue Discount Security, shall constitute payment in full of such Original Issue Discount Securities.

Section 5.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

- (1) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days,
- (2) default is made in the payment of the principal of (or premium, if any, on) any Security at its Maturity, or.
- (3) default is made in the making or satisfaction of any sinking fund or analogous obligation when the same becomes due pursuant to the terms of any Security,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and premium and on any overdue interest, at the rate or rates prescribed in such Securities, and, in addition, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of Trustee, its agents, and counsel under Section 6.7.

If the Company fails to pay such amounts immediately upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree, and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other proper remedy.

Section 5.4 Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property, or its creditors, the Trustee (irrespective of whether the principal of the Securities of any series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal (and premium, if any) or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator, or other similar official in any such judicial proceeding is authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment, or composition affecting the Securities or the rights of any Holder or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, the Trustee may vote on behalf of the Holders for the election of a trustee in bankruptcy or similar official and may be a member of a creditors, or other similar committee.

Section 5.5 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production of such Securities in any related proceeding, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements, and advances of the Trustee, its agents, and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.6 Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest, upon presentation of the Securities and the notation on such Securities of the payment if only partially paid and upon surrender of such Securities if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.7; and.

SECOND: Subject to <u>Article XIV</u>, to the payment of the amounts then due and unpaid for principal of and any premium and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium and interest, respectively.

Section 5.7 <u>Limitation on Suits.</u>

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture, unless:

- (1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;
- (2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee under the Indenture;
- (3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses, and liabilities to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request, and offer of indemnity has failed to institute any such proceeding; and.
- (5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the outstanding Securities of that series:

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb, or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner provided in this Indenture and for the equal and ratable benefit of all of such Holders (it being further understood that the Trustee does not have an affirmative duty to ascertain whether or not any action the Holders direct it to take is unduly prejudicial to other Holders).

Section 5.8 Unconditional Right of Holders to Receive Principal, Premium, and Interest.

Notwithstanding any other provision in this Indenture, but subject to <u>Article XIV</u> of this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to <u>Section 3.7</u>) any interest on such Security on the Stated Maturity or Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date), and to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

Section 5.9 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions under this Indenture and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Securities in the last paragraph of Section 3.6, no right or remedy conferred in this Indenture upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given under this Indenture or now or in the future existing at law or in equity or otherwise. The assertion or employment of any right or remedy under this Indenture, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of or acquiescence in any such Event of Default. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12 Control by Holders.

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that

- (1) such direction shall not be in conflict with any rule of law or with this Indenture,
- (2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and.
- (3) subject to the provisions of <u>Section 6.1</u>, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceeding so directed would be unjustly prejudicial to the Holders not joining in any such direction or would involve the Trustee in personal liability.

Section 5.13 Waiver of Past Defaults.

Subject to Section 5.2, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default under

this Indenture with respect to such series and its consequences, except a default (1) in the payment of the principal of or any premium or interest on any Security of such series, or (2) in respect of a covenant or provision of this Indenture which under Article IX of this Indenture cannot be modified or amended without the consent of the Holder of each Outstanding Security of such affected series.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising from such default shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any consequent right.

Section 5.14 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Securities by his acceptance of such Securities shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered, or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.14 shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Securities of any series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of (or premium, if any) or interest on any Securities on or after the Stated Maturity or Maturities expressed in such Securities (or, in the case of redemption, on or after the Redemption Date).

ARTICLE VI The Trustee

Section 6.1 Certain Duties and Responsibilities.

The duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Indenture, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 6.2 Notice of Defaults.

If a default occurs under this Indenture with respect to Securities of any series, the Trustee shall give the Holders of Securities of such series notice of such default known to it as and to the extent provided by the Trust Indenture Act; provided, however, that except in the case of default in the payment of the principal of or the interest on any of the Securities of such series, or in the payment of any sinking fund installment or analogous payment on such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors or trustees and/or committee of Responsible Officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of such series. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series. The Trustee shall not be deemed to know of any default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is such a default is received by the Trustee at the Corporate Trust Office of the Trustee. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

Section 6.3 Certain Rights of Trustee.

Subject to the provisions of Section 6.1:

- (a) the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;
- (b) any request or direction of the Company mentioned in this Indenture shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;
- (c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering, or omitting any action under this Indenture, the Trustee (unless other evidence be specifically prescribed in this Indenture) may, in the absence of bad faith on its part, rely upon an Officers' Certificate, an Opinion of Counsel, or both;
- (d) the Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted by it under this Indenture in good faith and in reliance on such advice or Opinion of Counsel;
- (e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;
- (f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records, and premises of the Company, personally or by agent or attorney;

- (i) in the exercise of the rights and powers vested in it by this Indenture, after an Event of Default, the Trustee shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. No provision of this Indenture shall be construed to relieve the Trustee from liability with respect to matters that are within the authority of the Trustee under this Indenture for its own negligent action, negligent failure to act or willful misconduct, except that:
 - (1) the Trustee shall not be liable for any action taken, suffered, or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture;
 - (2) the Trustee shall not be liable with respect to any action taken, suffered, or omitted to be taken by it in good faith in accordance with the direction of the Company or the Holders of at least a

- (m) in no event shall the Trustee be liable to any Holder for punitive, special, indirect or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action;
- (n) the Trustee may request that the Company deliver an Officers' Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded; and.
- (o) the duties, responsibilities and obligations of the Trustee shall be limited to those expressly set forth herein, and no duties, responsibilities or obligations shall be inferred or implied against the Trustee, except pursuant to the Trust Indenture Act.

Section 6.4 Not Responsible for Recitals or Issuance of Securities.

The recitals contained in this Indenture and in the Securities, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee or any Authenticating Agent assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. The Trustee or any Authenticating Agent shall not be accountable for the use or application by the Company of Securities or the proceeds from such Securities.

Section 6.5 May Hold Securities.

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar, or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.8 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar, or such other agent.

Section 6.6 Money Held in Trust.

Money held by the Trustee in trust under this Indenture need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it under this Indenture except as otherwise agreed in writing with the Company.

Section 6.7 Compensation and Reimbursement.

The Company agrees:

- (1) to pay to the Trustee from time to time such compensation as shall be agreed in writing between the Company and the Trustee for all services rendered by it under this Indenture (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (2) except as otherwise expressly provided in this Indenture, to reimburse the Trustee upon its request for all reasonable expenses, disbursements, and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement, or advance as may be attributable to its negligence or willful misconduct;
- (3) to indemnify each of the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all loss, damage, claim, liability, action, suit, cost or expense of any kind and nature whatsoever (whether brought by the Company, any holder or any third party) incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the trust or trusts under this Indenture, including the reasonable costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Indenture or enforcing the terms of this Indenture including the indemnification provided herein;
- (4) to secure the Company's obligations under this Section, the Trustee shall have a lien prior to the Securities upon all money or property held or collected by the Trustee in its capacity as Trustee, except for such money and property which is held in trust to pay principal (and premium, if any) or interest on particular Securities;
- (5) when the Trustee incurs any expenses or renders any services after the occurrence of an Event of Default specified in Section 5.1, such expenses and the compensation for such services are intended to constitute expenses of administration under the United States Bankruptcy Code (Title 11 of the United States Code) or any similar Federal or State law for the relief of debtors; and.
- (6) the provisions of this <u>Section 6.7</u> shall survive the resignation or removal of the Trustee and the termination of this Indenture.

Section 6.8 <u>Disqualification; Conflicting Interests.</u>

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series.

Section 6.9 Corporate Trustee Required; Eligibility.

There shall at all times be one (and only one) Trustee hereunder with respect to the Securities of each series, which may be Trustee hereunder for Securities of one or more other series. Each Trustee shall be a Person that is eligible pursuant to the Trust Indenture Act to act as such and has a combined capital and surplus of at least \$50,000,000. If any such Person publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section and to the extent permitted by the Trust Indenture Act, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee with respect to the Securities of any series shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 6.10 Resignation and Removal; Appointment of Successor.

- (a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of <u>Section 6.11</u>.
- (b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice of such resignation to the Company.
- (c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

(d) If at any time:

- (1) the Trustee shall fail to comply with <u>Section 6.8</u> after written request for such compliance by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or.
- (2) the Trustee shall cease to be eligible under <u>Section 6.9</u> and shall fail to resign after written request by the Company or by any such Holder, or
- (3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation, or liquidation,

then, in any such case, (i) the Company by a Board Resolution may remove the Trustee with respect to all Securities, or (ii) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

- (e) If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation or removal, the Trustee resigning or being removed may petition any court of competent jurisdiction, at the expense of the Company, for the appointment of a successor Trustee with respect to the Securities of such series.
- If the Trustee shall resign, be removed, or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company, by a Board Resolution, shall appoint within thirty (30) days a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 6.11. If, after such resignation, removal, or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, immediately upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 6.11, any Holder who has been a bona fide Holder of a Security of such series for at least sixty (60) days may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.
- (g) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series

by mailing written notice of such event by first-class mail, postage prepaid, to the Holders of Securities of such series as their names and addresses appear in the Securities Register. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

Section 6.11 Acceptance of Appointment by Successor.

- (a) In case of the appointment of a successor Trustee under this Indenture with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge, and deliver to the Company and to the retiring Trustee an instrument accepting such appointment. Upon such delivery, the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed, or conveyance, shall become vested with all the rights, powers, trusts, and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers, and trusts of the retiring Trustee and shall duly assign, transfer, and deliver to such successor Trustee all property and money held by such retiring Trustee under this Indenture.
- In case of the appointment under this Indenture of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee, and each successor Trustee with respect to the Securities of one or more series shall execute and deliver a supplemental indenture wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to the Securities of all series, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts under this Indenture by more than one Trustee, it being understood that nothing in this Indenture or in such supplemental indenture shall constitute such Trustees cotrustees of the same trust and that each such Trustee shall be trustee of a trust or trusts under this Indenture separate and apart from any trust or trusts under this Indenture administered by any other such Trustee; and, upon the execution and delivery of such supplemental indenture, the resignation or removal of the retiring Trustee shall become effective to the extent provided in such supplemental indenture and each such successor Trustee, without any further act, deed, or conveyance, shall become vested with all the rights, powers, trusts, and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; and such retiring Trustee shall duly assign, transfer, and deliver to such successor Trustee all property and money held by such retiring Trustee under this Indenture with respect to the Securities of that or those series to which the appointment of such successor Trustee relates.
- (c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers, and trusts referred to in paragraph (a) and (b) of this Section, as the case may be.
- (d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

Section 6.12 Merger, Conversion, Consolidation, or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion, or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee under this Indenture, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties to this Indenture. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion, or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

Section 6.13 Preferential Collection of Claims Against Company.

If and when the Trustee shall be or become a creditor of the Company (or any other obligor upon the Securities), the Trustee shall be subject to the provisions of the Trust Indenture Act regarding the collection of claims against the Company (or any such other obligor).

Section 6.14 Appointment of Authenticating Agent

The Trustee may appoint an Authenticating Agent or Agents (which may be an affiliate of the Company) with respect to one or more series of Securities which shall be authorized to act on behalf of the Trustee to authenticate Securities of such series issued upon original issue and upon exchange, registration of transfer, or partial redemption or conversion, or pursuant to Section 3.6, and Securities so authenticated shall be entitled to the benefits of this Indenture and shall be valid and obligatory for all purposes as if authenticated by the Trustee. Wherever reference is made in this Indenture to the authentication and delivery of Securities by the Trustee or the Trustee's certificate of authentication, such reference shall be deemed to include authentication and delivery on behalf of the Trustee by an Authenticating Agent and a certificate of authentication executed on behalf of the Trustee by an Authenticating Agent. Each Authenticating Agent shall be acceptable to the Company and shall at all times be a corporation organized and doing business under the laws of the United States of America, any of its states, or the District of Columbia, authorized under such laws to act as Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and subject to supervision or examination by federal or state authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion, or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice to the Trustee and to the Company. The Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice to such Authenticating Agent and to the Company. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, the Trustee may appoint a successor Authenticating Agent which shall be acceptable to the Company and shall mail written notice of such appointment by first-class mail, postage prepaid, to all Holders of Securities of the series with respect to which such Authenticating Agent will serve, as their names and addresses appear in the Security Register. Any successor Authenticating Agent upon acceptance of its appointment under this Indenture shall become vested with all the rights, powers, and duties of its predecessor, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent shall be appointed unless eligible under the provisions of this Section.

The Company agrees to pay to each Authenticating Agent from time to time reasonable compensation for its services under this Section.

If an appointment with respect to one or more series is made pursuant to this Section, the Securities of such series may have endorsed on it, in addition to the Trustee's certificate of authentication, an alternative certificate of authentication in the following form:

By:
As Authenticating Agent
By:
Authorized Officer

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

Delivery of such reports, information, and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee shall be entitled to rely exclusively on Officers' Certificates).

ARTICLE VIII Consolidation, Merger, Conveyance, Transfer or Lease

Section 8.1 Company May Consolidate, Etc., Only on Certain Terms.

The Company shall not consolidate with or merge into any other Person or convey, transfer or lease its properties and assets substantially as an entirety to any Person, and the Company shall not permit any Person to consolidate with or merge into the Company or convey, transfer or lease its properties and assets substantially as an entirety to the Company, unless:

Section 9.3 Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications of the trusts created by this Indenture, the Trustee shall be entitled to receive in addition to the documents required by Section 1.2, and (subject to Section 6.1) shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate each stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties, or immunities under this Indenture or otherwise.

Section 9.4 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance with such supplemental indenture, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities previously or subsequently authenticated and delivered under this Indenture shall be bound by such supplemental indenture.

Section 9.5 Conformity With Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 9.6 Reference in Securities to Supplemental Indentures.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

Section 9.7 Subordination Unimpaired.

This Indenture may not be amended at any time to alter the subordination, as provided herein, of any of the Securities then Outstanding without the written consent of each holder of Senior Debt then outstanding that would be adversely affected thereby.

ARTICLE X Covenants

Section 10.1 Payment of Principal, Premium, and Interest.

The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay the principal of and any premium and interest on the Securities of that series in accordance with the terms of the Securities and this Indenture.

Section 10.2 Maintenance of Office or Agency.

The Company will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange, and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with its address, such presentations, surrenders, notices, and demands may be made or served at the Corporate Trust Office

of the Trustee, and the Company appoints the Trustee as its agent to receive all such presentations, surrenders, notices, and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

With respect to any Global Security, and except as otherwise may be specified for such Global Security as contemplated by Section 3.1, the Corporate Trust Office of the Trustee shall be the Place of Payment where such Global Security may be presented or surrendered for payment or for registration of transfer or exchange, or where successor Securities may be delivered in exchange therefore, provided, however, that any such payment, presentation, surrender or delivery effected pursuant to the Applicable Procedures of the Depositary for such Global Security shall be deemed to have been effected at the Place of Payment for such Global Security in accordance with the provisions of this Indenture.

Section 10.3 Money for Securities Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of or any premium or interest on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled to such principal, premium, or interest a sum sufficient to pay the principal and any premium and interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as provided in this Indenture and will promptly notify the Trustee of its action or failure to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, prior to 10:00 a.m. New York City time on each due date of the principal of or any premium or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee in writing of its action or failure to act.

The Company will cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (i) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (ii) during the continuance of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, and upon the written request of the Trustee, immediately pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities of that series.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or any premium or interest on any Security of any series and remaining unclaimed for two years after such principal, premium, or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall (unless otherwise required by mandatory provision of applicable escheat or abandoned or unclaimed property law) be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee, shall cease at such time; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the

English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, notice that such money remains unclaimed and that, after a date specified in such notice, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 10.4 Statement by Officers as to Default.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date of this Indenture, an Officers' Certificate (one of the signers of which shall be the principal executive officer, principal financial officer, or principal accounting officer of the Company), stating whether or not, to the best knowledge of the signers, the Company is in default in the performance and observance of any of the terms, provisions, and conditions of this Indenture (without regard to any period of grace or requirement of notice provided under this Indenture) and, if the Company shall be in default, specifying all such defaults and their nature and status of which they may have knowledge. The Company will deliver to the Trustee written notice of the occurrence of any Event of Default within ten Business Days of the Company becoming aware of any such Event of Default.

Section 10.5 Existence.

Subject to Article VIII, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory), and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise if the Board of Directors shall determine that its preservation is no longer desirable in the conduct of the business of the Company and that its loss is not disadvantageous in any material respect to the Holders.

Section 10.6 Calculation of Original Issue Discount.

If the Company has Outstanding any Original Issue Discount Securities, the Company shall file with the Trustee within a reasonable time after the end of each calendar year a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on Outstanding Securities as of the end of such year.

ARTICLE XI Redemption of Securities

Section 11.1 Applicability of Article.

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.1 for Securities of any series) in accordance with this Article.

Section 11.2 <u>Election to Redeem; Notice to Trustee.</u>

The election of the Company to redeem any Securities shall be evidenced by a Board Resolution or in another manner specified as contemplated by Section 3.1 for such Securities. In case of any redemption at the election of the Company, the Company shall, at least 60 calendar days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Securities of such series to be redeemed and, if applicable, of the tenor of the Securities to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officers' Certificate evidencing compliance with such restriction.

Section 11.3 Selection by Trustee of Securities to Be Redeemed.

If less than all the Securities of any series are to be redeemed (unless all of the Securities of such series and of a specified tenor are to be redeemed or such series is comprised of a single Security), the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date, from the Outstanding Securities of such series not previously called for redemption, pro rata, or in accordance with the applicable procedures of the Depositary, which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple of such denomination) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series. If less than all of the Securities of such series and of a specified tenor are to be redeemed (unless such series is comprised of a single Security), the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date in accordance with the applicable procedures of the Depositary from the Outstanding Securities of such series and specified tenor not previously called for redemption in accordance with the preceding sentence.

The provisions of the preceding paragraph and this paragraph shall not apply with respect to the redemption of a series of Securities comprised of a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) of such Security.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

Section 11.4 Notice of Redemption.

The Company shall send, or cause to be sent, a notice of redemption at least 30 days but not more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at such Holder's registered address or otherwise in accordance with the procedures of the Depositary.

All notices of redemption shall state:

- (1) the Redemption Date,
- (2) the Redemption Price and accrued interest, if any,
- (3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption of any Securities, the principal amounts) of the particular Securities to be redeemed, and that on or after the date fixed for redemption, upon surrender of such Security, a new Security or Securities of such series in authorized denominations for an aggregate principal amount equal to the unredeemed portion will be issued,
- (4) that on the Redemption Date the Redemption Price and accrued interest, if any, will become due and payable upon each such Security to be redeemed and, if applicable, that interest on such Security will cease to accrue on and after such date,
- (5) the place or places where such Securities are to be surrendered for payment of the Redemption Price and accrued interest, if any,
 - (6) that the redemption is for a sinking fund, if such is the case, and.
 - (7) the CUSIP numbers, if any, of the Securities to be redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall not be irrevocable.

Section 11.5 Deposit of Redemption Price.

Prior to 10:00 a.m., New York City time, on any Redemption Date specified in the notice of redemption given as provided in <u>Section 11.4</u>, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in <u>Section 10.3</u>) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

Section 11.6 Securities Payable on Redemption Date.

Notice of redemption having been given in accordance with this Indenture, the Securities to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price specified in the notice, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with such notice, such Security shall be paid by the Company at the Redemption Price, together with accrued and unpaid interest to the Redemption Date; provided, however, that, unless otherwise specified as contemplated by Section 3.1, installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.7.

If any Security called for redemption shall not be so paid upon surrender for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed in the Security.

Section 11.7 Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE XII Sinking Funds

Section 12.1 Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.1 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is referred to in this Indenture as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of any series is referred to in this Indenture as an "optional sinking fund payment". If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in <u>Section 12.2</u>. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

Section 12.2 Satisfaction of Sinking Fund Payments with Securities.

The Company (1) may deliver Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which previously have been redeemed by the Company either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, or have been otherwise acquired by the Company as permitted by such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; provided that such Securities to be so credited have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Section 12.3 Redemption of Securities for Sinking Fund.

Not less than 60 days prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion, if any, which is to be satisfied by payment of cash and the portion, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 12.2 and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days nor more than 45 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 11.3 and cause notice of redemption to be given in the name of and at the expense of the Company in the manner provided in Section 11.4. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.6 and 11.7.

ARTICLE XIII Defeasance and Covenant Defeasance

Section 13.1 <u>Applicability of Article; Company's Option to Effect Defeasance or Covenant Defeasance.</u>

If, pursuant to Section 3.1, provision is made for either or both of (a) Defeasance of the Securities of a series under Section 13.2 or (b) Covenant Defeasance of the Securities of a series under Section 13.3, then the provisions of such Section or Sections, as the case may be, together with the other provisions of this Article XIII, shall be applicable to the Securities of such series, and the Company may at its option by Board Resolution or in any other manner specified as contemplated by Section 3.1, at any time, with respect to the Securities of such series, elect to have either Section 13.2 (if applicable) or Section 13.3 (if applicable) be applied to the Outstanding Securities of such series upon compliance with the conditions set forth below in this Article XIII.

Section 13.2 <u>Defeasance and Discharge</u>.

Upon the Company's exercise of the above option applicable to this Section, the Company shall be deemed to have been discharged from its obligations with respect to the Outstanding Securities of such series on and after the date the conditions precedent set forth below are satisfied ("Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under such Securities and this Indenture, insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following which shall survive until otherwise terminated or discharged under this Indenture: (A) the rights of Holders of Outstanding Securities of such series to receive, solely from the trust fund described in Section 13.4 as more fully set forth in such Section, payments of the principal of (any premium, if any) and interest on such Securities when such payments are due, (B) the Company's obligations with respect to such Securities under Sections 3.4, 3.5, 3.6, 6.7, 10.2, and 10.3, and such ancillary obligations, (C) the rights, powers, trusts, duties, immunities, and other provisions in respect of the Trustee under this Indenture, and (D) this Article XIII. Subject to compliance with this Article XIII, the Company may exercise its option under this Section 13.2 notwithstanding the prior exercise of its option under Section 13.3 with respect to the

Securities of such series. Following a Defeasance, payment of the Securities of such series may not be accelerated because of an Event of Default.

Section 13.3 Covenant Defeasance.

Upon the Company's exercise of the above option applicable to this Section and after the date the conditions set forth below are satisfied ("Covenant Defeasance"), (1) the Company shall be released from its obligations under any covenant applicable to such Securities that is determined pursuant to Section 3.1 to be subject to this provision, and (2) the occurrence of any event specified in Section 5.1(4) (with respect to any Section applicable to such Securities that are specified pursuant to Section 3.1 as being subject to this provision), Section 5.1(5) or (6) or determined pursuant to Section 3.1 to be subject to this provision shall not be deemed to be or result in an Event of Default. For this purpose, such Covenant Defeasance means that, with respect to the Outstanding Securities of such series, the Company may omit to comply with and shall have no liability in respect of any term, condition, or limitation set forth in any such Section or Article whether directly or indirectly by reason of any reference elsewhere in this Indenture to any such Section or Article or by reason of any reference in any such Section to any other provision in this Indenture or in any other document, but the remainder of this Indenture and such Securities shall be unaffected by such Covenant Defeasance.

Section 13.4 Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions precedent to application of either <u>Section 13.2</u> or <u>Section 13.3</u> to the Outstanding Securities of such series:

- The Company shall irrevocably have deposited or caused to be deposited with the Trustee (or another trustee which satisfies the requirements contemplated by Section 6.9 and agrees to comply with the provisions of the Indenture applicable to it as if it were the Trustee under this Indenture), as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, (A) money in an amount, or (B) U.S. Government Obligations which through the scheduled payment of principal and interest in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (C) a combination of such money and U.S. Government Obligations, in each case sufficient, without reinvestment, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee as previously provided) to pay and discharge, the principal of (and premium, if any) and interest on the Outstanding Securities of such series on the Maturity of such principal, any premium or interest, and any mandatory sinking fund payments or analogous payments applicable to the Outstanding Securities of such series on their due dates. Before such a deposit, the Company may make arrangements satisfactory to the Trustee for the redemption of Securities at a future date or dates in accordance with Article XI, which shall be given effect in applying the foregoing provisions. For this purpose, "U.S. Government Obligations" means securities that are (x) direct obligations of the United States of America for the payment of which its full faith and credit is pledged, or (y) obligations of a Person controlled or supervised by and acting as an agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case, are not callable or redeemable at the option of the issuer, and shall also include a depository receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act of 1933, as amended) as custodian with respect to any such U.S. Government Obligation or a specific payment of principal of or interest on any such U.S. Government Obligation held by such custodian for the account of the holder of such depository receipt, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depository receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principal of or interest on the U.S. Government Obligation evidenced by such depository receipt.
- (2) No Event of Default or event which with notice or lapse of time or both would become an Event of Default with respect to the Securities of such series shall have occurred and be continuing (A) on the date of such deposit or (B) insofar as subsections 5.1(5) and (6) are concerned, at any time during the

period ending on the 120th day after the date of such deposit or, if longer, ending on the day following the expiration of the longest preference period applicable to the Company under federal or state law in respect of such deposit (it being understood that the condition in this clause (B) shall not be deemed satisfied until the expiration of such period).

- (3) Such Defeasance or Covenant Defeasance shall not (A) cause the Trustee for the Securities of such series to have a conflicting interest as defined in Section 6.8 or for purposes of the Trust Indenture Act with respect to any Securities of the Company or (B) result in the trust arising from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended.
- (4) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound.
- (5) Such Defeasance or Covenant Defeasance shall not cause any Securities of such series then listed on any registered national securities exchange under the Securities Exchange Act of 1934, as amended, to be delisted.
- (6) At the time of such deposit, (A) no default in the payment of any principal of or premium or interest on any Senior Debt shall have occurred and be continuing, (B) no event of default with respect to any Senior Debt shall have resulted in such Senior Debt becoming, and continuing to be, due and payable prior to the date on which it would otherwise have become due and payable (unless payment of such Senior Debt has been made or duly provided for), and (C) no other event of default with respect to any Senior Debt shall have occurred and be continuing permitting (after notice or lapse of time or both) the holders of such Senior Debt (or a trustee on behalf of such holders) to declare such Senior Debt due and payable prior to the date on which it would otherwise have become due and payable.
- (7) In the case of an election under Section 13.2, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (x) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (y) since the date of this Indenture there has been a change in the applicable federal income tax law, in either case to the effect that, and based on such ruling or change such opinion shall confirm that, the Holders of the Outstanding Securities of such series will not recognize income, gain, or loss for federal income tax purposes as a result of such Defeasance and will be subject to federal income tax on the same amounts, in the same manner, and at the same times as would have been the case if such Defeasance had not occurred.
- (8) In the case of an election under <u>Section 13.3</u>, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities of such series will not recognize income, gain, or loss for federal income tax purposes as a result of such Covenant Defeasance and will be subject to federal income tax on the same amounts, in the same manner, and at the same times as would have been the case if such Covenant Defeasance had not occurred.
- (9) The Company shall have delivered to the Trustee an Opinion of Counsel to the effect that (subject to customary qualifications and assumptions) after the period described in <u>Section 13.4(2)</u>, the trust funds will not be subject to the effect of any applicable bankruptcy, insolvency, reorganization, or similar laws affecting creditors' rights generally.
- (10) Such Defeasance or Covenant Defeasance shall be effected in compliance with any additional terms, conditions, or limitations which may be imposed on the Company in connection with such Defeasance or Covenant Defeasance pursuant to Section 3.1.
- (b) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to either the Defeasance under Section 13.2 or the Covenant Defeasance under Section 13.3 (as the case may be) have been complied with.

Section 13.5 Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions.

Subject to the provisions of the last paragraph of Section 10.3, all money and U.S. Government Obligations (including any proceeds) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section and Section 13.6, the Trustee and any such other qualifying trustee are referred to collectively as the "Trustee") pursuant to Section 13.4 in respect of the Outstanding Securities of such series shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any Paying Agent (but not including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due on such Securities in respect of principal (and premium, if any) and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee, or other charge imposed on or assessed against the money or U.S. Government Obligations deposited pursuant to Section 13.4 or the principal and interest received in respect of such money or U.S. Government Obligations other than any such tax, fee, or other charge which by law is for the account of the Holders of Outstanding Securities.

Anything in this Indenture to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 13.4 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification delivered to the Trustee, are in excess of the amount which would then be required to be deposited to effect an equivalent Defeasance or Covenant Defeasance.

Section 13.6 Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 13.5 by reason of any order or judgment of any court or governmental authority enjoining, restraining, or otherwise prohibiting such application, then the Company's obligations under the Securities of such series shall be revived and reinstated as though no deposit had occurred pursuant to this Article XIII until such time as the Trustee or Paying Agent is permitted to apply all such money and U.S. Government Obligations in accordance with Section 13.5; provided, however, that if the Company makes any payment of principal of (and premium, if any) or interest on any such Security following the reinstatement of its obligations, the Company shall be entitled, at its election, (a) to receive from the Trustee or Paying Agent, as applicable, that portion of such money or U.S. Government Obligations equal to the amount of such payment, or (b) to be subrogated to the rights of the Holders of such Securities to receive such payment from the money and U.S. Government Obligations held by the Trustee or the Paying Agent.

Section 13.7 Counterparts; Electronic Signatures.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. All notices, approvals, consents, requests and any communications hereunder must be in writing (provided that any communication sent to the Trustee hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign (or such other digital signature provider as specified in writing to the Trustee by the authorized representative), in English. The Company agrees to assume all risks arising out of the use of using digital signatures and electronic methods to submit communications to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 13.8 U.S.A. Patriot Act.

In order to comply with the laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including, without limitation, those relating to the funding of terrorist activities and money laundering, including Section 326 of the USA PATRIOT Act of the United States ("Applicable AML")

Law"), the Trustee is required to obtain, verify, record and update certain information relating to individuals and entities which maintain a business relationship with the Trustee. Accordingly, the Company agrees to provide to the Trustee, upon the Trustee's request from time to time, such identifying information and documentation as may be available for the Company in order to enable the Trustee to comply with Applicable AML Law.

ARTICLE XIV Subordination of Securities

Section 14.1 Agreement to Subordinate

The Company covenants and agrees, and each Holder of a Security, by his or her acceptance thereof, likewise covenants and agrees, that, to the extent and in the manner hereinafter set forth in this Article, the indebtedness represented by the Securities and the payment of the principal of (and premium, if any) and interest on each and all of the Securities are hereby expressly made subordinate and subject in right of payment to the prior payment in full of all Senior Debt.

Notwithstanding the foregoing, if a deposit referred to in Section 13.4(1) is made pursuant to Section 13.2 or 13.3 with respect to any Securities (and provided all other conditions set out in such Section, as applicable, shall have been satisfied with respect to such Securities), then, following the 90th day after such deposit, no money or U.S. Government Obligations so deposited, and no proceeds thereon, will be subject to any rights of holders of Senior Debt, including any such rights arising under this Article XIV.

Section 14.2 Payment Over of Proceeds Upon Dissolution, Etc.

In the event of (a) any insolvency or bankruptcy case or proceeding, or any receivership, liquidation, reorganization or other similar case or proceeding in connection therewith, relative to the Company or to its creditors, as such, or to its assets, or (b) any liquidation, dissolution or other winding up of the Company, whether voluntary or involuntary and whether or not involving insolvency or bankruptcy, or (c) any assignment for the benefit of creditors or any other marshalling of assets and liabilities of the Company, then and in any such event the holders of Senior Debt shall be entitled to receive payment in full of all amounts due or to become due on or in respect of all Senior Debt, or provision shall be made for such payment in cash, before the Holders of the Securities are entitled to receive any payment on account of principal of (or premium, if any) or interest on the Securities, and to that end the holders of Senior Debt shall be entitled to receive, for application to the payment thereof, any payment or distribution of any kind or character, whether in cash, property or securities, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Securities, which may be payable or deliverable in respect of the Securities in any such case, proceeding, dissolution, liquidation or other winding up event.

In the event that, notwithstanding the foregoing provisions of this Section, the Trustee or the Holder of any Security shall have received any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Securities, before all Senior Debt is paid in full or payment thereof provided for, and if such fact shall, at or prior to the time of such payment or distribution, have been made known to the Trustee or, as the case may be, such Holder, then and in such event such payment or distribution shall be paid over or delivered forthwith to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other Person making payment or distribution of assets of the Company for application to the payment of all Senior Debt remaining unpaid, to the extent necessary to pay all Senior Debt in full, after giving effect to any concurrent payment or distribution to or for the holders of Senior Debt. Any taxes that have been withheld or deducted from any payment or distribution in respect of the Securities, or any taxes that ought to have been withheld or deducted from any such payment or distribution that have been remitted to the relevant taxing authority, shall not be considered to an amount that the Trustee or the Holder of any Security receives for purposes of this Section.

For purposes of this Article only, the words "cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment which are subordinated in right of payment to all Senior

Debt which may at the time be outstanding to substantially the same extent as, or to a greater extent than, the Securities are so subordinated as provided in this Article. The consolidation of the Company with, or the merger of the Company into, another Person or the liquidation or dissolution of the Company following the conveyance or transfer of its properties and assets substantially as an entirety to another Person upon the terms and conditions set forth in Article VIII shall not be deemed a dissolution, winding up, liquidation, reorganization, assignment for the benefit of creditors or marshalling of assets and liabilities of the Company for the purposes of this Section if the Person formed by such consolidation or into which the Company is merged or the Person which acquires by conveyance or transfer such properties and assets substantially as an entirety, as the case may be, shall, as a part of such consolidation, merger, conveyance or transfer, comply with the conditions set forth in Article VIII.

Section 14.3 Prior Payment to Senior Debt upon Acceleration of Securities

In the event that any Securities are declared due and payable before their Stated Maturity, then and in such event the holders of Senior Debt shall be entitled to receive payment in full of all amounts due or to become due on or in respect of all Senior Debt or provision shall be made for such payment in cash, before the Holders of the Securities are entitled to receive any payment (including any payment which may be payable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Securities) by the Company on account of the principal of (or premium, if any) or interest on the Securities or on account of the purchase or other acquisition of Securities; provided, however, that nothing in this Section shall prevent the satisfaction of any sinking fund payment in accordance with Article XII by delivering and crediting pursuant to Section 12.2 Securities which have been acquired (upon redemption or otherwise) prior to such declaration of acceleration.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Security prohibited by the foregoing provisions of this Section, and if such fact shall, at or prior to the time of such payment, have been made known to the Trustee or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Company.

The provisions of this Section shall not apply to any payment with respect to which <u>Section 14.2</u> would be applicable.

Section 14.4 No Payment When Senior Debt in Default

(a) In the event and during the continuation of any default in the payment of principal of (or premium, if any) or interest on any Senior Debt beyond any applicable grace period with respect thereto, or in the event that any event of default with respect to any Senior Debt shall have occurred and be continuing permitting the holders of such Senior Debt (or a trustee on behalf of the holders thereof) to declare such Senior Debt due and payable prior to the date on which it would otherwise have become due and payable, unless and until such event of default shall have been cured or waived or shall have ceased to exist and such acceleration shall have been rescinded or annulled, or (b) in the event any judicial proceeding shall be pending with respect to any such default in payment or event of default, then no payment (including any payment which may be payable by reason of the payment of any other indebtedness of the Company being subordinated to the payment of the Securities) shall be made by the Company on account of principal of (or premium, if any) or interest on the Securities or on account of the purchase or other acquisition of Securities; provided, however, that nothing in this Section shall prevent the satisfaction of any sinking fund payment in accordance with Article XII by delivering and crediting pursuant to Section 12.2 Securities which have been acquired (upon redemption or otherwise) prior to such default in Payment or event of default.

In the event that, notwithstanding the foregoing, the Company shall make any payment to the Trustee or the Holder of any Security prohibited by the foregoing provisions of this Section, and if such fact shall, at or prior to the time of such payment, have been made known to the Trustee or, as the case may be, such Holder, then and in such event such payment shall be paid over and delivered forthwith to the Company.

The provisions of this Section shall not apply to any payment with respect to which <u>Section 14.2</u> would be applicable.

Section 14.5 Payment Permitted in Certain Situations

Nothing contained in this Article or elsewhere in this Indenture or in any of the Securities shall prevent (a) the Company, at any time except during the pendency of any case, proceeding, dissolution, liquidation or other winding up, assignment for the benefit of creditors or other marshalling of assets and liabilities of the Company referred to in Section 14.2 or under the conditions described in Section 14.3 or 14.4, from making payments at any time of principal of (and premium, if any) or interest on the Securities, or (b) the application by the Trustee of any money deposited with it hereunder to the payment of or on account of the principal of (and premium, if any) or interest on the Securities or the retention of such payment by the Holders, if, at the time of such application by the Trustee, it did not have knowledge that such payment would have been prohibited by the provisions of this Article.

Section 14.6 Subrogation to Rights of Holders of Senior Debt

Subject to the payment in full of all Senior Debt or the provision for such payment in cash or cash equivalents or otherwise in a manner satisfactory to the holders of Senior Debt, the Holders of the Securities shall be subrogated to the extent of the payments or distributions made to the holders of such Senior Debt pursuant to the provisions of this Article (equally and ratably with the holders of indebtedness of the Company which by its express terms is subordinated to indebtedness of the Company to substantially the same extent as the Securities are subordinated to the Senior Debt and is entitled to like rights of subrogation) to the rights of the holders of such Senior Debt to receive payments and distributions of cash, property and securities applicable to the Senior Debt until the principal of (and premium, if any) and interest on the Securities shall be paid in full. For purposes of such subrogation, no payments or distributions to the holders of the Senior Debt of any cash, property or securities to which the Holders of the Securities or the Trustee would be entitled except for the provisions of this Article, and no payments pursuant to the provisions of this Article to the holders of Senior Debt by Holders of the Securities or the Trustee, shall, as among the Company, its creditors other than holders of Senior Debt and the Holders of the Securities, be deemed to be a payment or distribution by the Company to or on account of the Senior Debt.

Section 14.7 Provisions Solely to Define Relative Rights

The provisions of this Article are and are intended solely for the purpose of defining the relative rights of the Holders of the Securities on the one hand and the holders of Senior Debt on the other hand. Nothing contained in this Article or elsewhere in this Indenture or in the Securities is intended to or shall (a) impair, as among the Company, its creditors other than holders of Senior Debt and the Holders of the Securities, the obligation of the Company, which is absolute and unconditional (and which, subject to the rights under this Article of the holders of Senior Debt, is intended to rank equally with all other general obligations of the Company), to pay to the Holders of the Securities the principal of (and premium, if any) and interest on the Securities as and when the same shall become due and payable in accordance with their terms; or (b) affect the relative rights against the Company of the Holders of the Securities and creditors of the Company other than the holders of Senior Debt; or (c) prevent the Trustee or the Holder of any Security from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article of the holders of Senior Debt to receive cash, property and securities otherwise payable or deliverable to the Trustee or such Holder.

Section 14.8 Trustee to Effectuate Subordination

Each Holder of a Security by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article and appoints the Trustee his attorney-in-fact for any and all such purposes.

Section 14.9 No Waiver of Subordination Provisions

No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any non-compliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof any such holder may have or be otherwise charged with.

Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Securities, without incurring responsibility to the Holders of the Securities and without impairing or releasing the subordination provided in this Article or the obligations hereunder of the Holders of the Securities to the holders of Senior Debt do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, Senior Debt or otherwise amend or supplement in any manner Senior Debt or any instrument evidencing the same or any agreement under which Senior Debt is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing Senior Debt; (iii) release any Person liable in any manner for the collection of Senior Debt; and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

Section 14.10 Notice to Trustee

The Company shall give prompt written notice to the Trustee of any fact known to the Company which would prohibit the making of any payment to or by the Trustee in respect of the Securities. Notwithstanding the provisions of this Article or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment to or by the Trustee in respect of the Securities, unless and until the Trustee shall have received written notice thereof from the Company or a holder of Senior Debt or from any trustee therefor; and, prior to the receipt of any such written notice, the Trustee, subject to the provisions of Section 6.1, shall be entitled in all respects to assume that no such facts exist.

Subject to the provisions of Section 6.1, the Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Debt (or a trustee therefor) to establish that such notice has been given by a holder of Senior Debt (or a trustee therefor). In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the rights of such Person under this Article, and if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment.

Section 14.11 Reliance on Judicial Order or Certificate of Liquidating Agent

Upon any payment or distribution of assets of the Company referred to in this Article, the Trustee, subject to the provisions of Section 6.1, and the Holders of the Securities shall be entitled to rely upon any order or decree entered by any court of competent jurisdiction in which such insolvency, bankruptcy, receivership, liquidation, reorganization, dissolution, winding up or similar case or proceeding is pending, or a certificate of the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee for the benefit of creditors, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of Securities, for the purpose of ascertaining the Persons entitled to participate in such payment or distribution, the holders of Senior Debt and other indebtedness of the Company, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article.

Section 14.12 Trustee Not Fiduciary for Holders of Senior Debt

The Trustee shall not be deemed to owe any fiduciary duty to the holders of Senior Debt and shall not be liable to any such holders or creditors if it shall in good faith pay over or distribute to Holders of Securities or to the Company or to any other Person cash, property or securities to which any holders of Senior Debt shall be entitled by virtue of this Article or otherwise.

Section 14.13 Rights of Trustee as Holder of Senior Debt; Preservation of Trustee's Rights

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article with respect to any Senior Debt which may at any time be held by it, to the same extent as any other holder of Senior Debt and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder.

Nothing in this Article shall apply to claims of, or payments to, the Trustee under or pursuant to <u>Section</u> 6.7.

Section 14.14 Article Applicable to Paying Agents

In case at any time any Paying Agent other than the Trustee shall have been appointed by the Company and be then acting hereunder, the term "Trustee" as used in this Article shall in such case (unless the context otherwise requires) be construed as extending to and including such Paying Agent within its meaning as fully for all intents and purposes as if such Paying Agent were named in this Article in addition to or in place of the Trustee; provided, however, that Section 14.13 shall not apply to the Company or any Affiliate of the Company if it or such Affiliate acts as Paying Agent.

IN WITNESS WHEREOF, the parties have caused this Indenture to be duly executed as of the day and year first above written.
