

## Newtek Business Services Corp. Hires Nicolas Young as Chief Risk Officer

August 2, 2021

### Provides Newtek with Deep Level of Credit Risk Management Experience

BOCA RATON, Fla., Aug. 02, 2021 (GLOBE NEWSWIRE) -- [Newtek Business Services Corp.](#), (Nasdaq: NEWT), an internally managed business development company ("BDC"), today announced that Mr. Nicolas Young has joined Newtek Business Services Corp. ("Newtek" or the "Company") as Chief Risk Officer.

Mr. Young comes to Newtek with over 20 years' experience in credit risk management and mergers and acquisitions, and has held both managerial and executive roles in the banking industry throughout his career. Mr. Young is a career C-level credit officer who, prior to joining Newtek, was Executive Vice President and Chief Credit Officer for IBERIABANK. Earlier in his career, Mr. Young held the role of Executive Vice President and Chief Credit Officer Americas for Banco Sabadell Group, based in Miami, Florida.

Barry Sloane, President, Chairman and CEO of Newtek, said, "We are thrilled about acquiring the talent of Nicolas Young to Newtek's growing management team. Nicolas brings over two decades of credit risk policy and credit decision making to Newtek. Additionally, Nicolas has tremendous experience, contacts and relationships in the banking industry, all of which will be incredibly valuable as we seek to become a bank holding company (BHC) upon the close of the acquisition of National Bank of New York City. Over the next several months, Nicolas will be focused on learning about Newtek's products and services, with an emphasis on credit risk management across Newtek and its lending portfolio companies, as well as assisting the Company with its expected transition into a banking environment. Nicolas is anticipated to be named as the President and Chief Operating Officer of National Bank of New York City upon the close of the acquisition, subject to regulatory and board approvals. The close of the acquisition remains subject to regulatory and shareholder approvals."
