Note Regarding Forward Looking Statements

This press release contains certain forward-looking statements. Words such as "believes," "intends," "expects," "projects," "anticipates," "forecasts," "goal" and "future" or similar expressions are intended to identify forward-looking statements. All forward-looking statements involve a number of risks and uncertainties that could cause actual results to differ materially from the plans, intentions and expectations reflected in or suggested by the forward-looking statements. Such risks and uncertainties include, among others, include our ability to close the pending acquisition of the National Bank of New York City (the "Transaction"), obtain required regulatory approvals for the pending Transaction, the timing of the closing of the Transaction, the timing of the Company's discontinuance from regulation as a BDC under the 1940 Act, projections concerning or considering the pending Transaction, the timing of our ability to originate new investments, achieve certain margins and levels of profitability, the availability of additional capital and the ability to maintain certain debt to asset ratios, intensified competition, operating problems and their impact on revenues and profit margins, anticipated future business strategies and financial performance, anticipated future number of customers, business prospects, legislative developments and similar matters. Risk factors, cautionary statements and other conditions, which could cause Newtek's actual results to differ from management's current expectations, are contained in Newtek's filings with the Securities and Exchange Commission and available through <http://www.sec.gov/>. Newtek cautions you that forward-looking statements are not guarantees of future performance and that actual results or developments may differ materially from those projected or implied in these statements.
