Newtek Bank N.A., Receives SBA Preferred Lenders Program (PLP) Status

April 27, 2023

BOCA RATON, Fla., April 27, 2023 (GLOBE NEWSWIRE) -- [NewtekOne, Inc.](#) (the "Company") (NASDAQ: NEWT), today announced that its wholly owned bank subsidiary, Newtek Bank N.A., was granted Preferred Lenders Program ("PLP") status by the Small Business Administration's ("SBA"). Under the PLP, the SBA grants the most experienced lenders delegated authority to process, close, service, and liquidate SBA-guaranteed loans. In addition, qualified lenders are granted delegated authority (PLP) to make eligibility determinations.

Newtek Bank, N.A. is a federally chartered OCC-regulated Florida-based bank that is owned 100% by NewtekOne, Inc., which is its publicly traded parent company (Nasdaq: NEWT).

Barry Sloane, Chairman, President and Chief Executive Officer said, "Newtek Small Business Finance, LLC ("NSBF"), has historically been one of the top 5 SBA lenders that has operated under PLP status for the last 20 years. We are elated that Newtek Bank has also been granted PLP status. Beginning in the month of April 2023, we began transitioning the funding of NSBF's existing loan pipeline to Newtek Bank. Newtek Bank began funding SBA 7(a) loans beginning in April 2023. Newtek Bank will be able to originate SBA 7(a) loans under PLP-delegated underwriting authority without having to go to the SBA for approval. This delegated authority is an honor granted only to the most experienced SBA loan originators and underwriters. Newtek Bank, having been granted PLP status, will complete the transitioning of its SBA 7(a) business into Newtek Bank. NSBF will remain at the publicly traded financial holding company and will continue to service its legacy SBA 7(a) loan portfolio in securitization structures while it winds down its operations. We look forward to reporting information on our successful deposit-raising efforts for April 2023 next week, and reporting our first quarter 2023 financial results on Monday, May 8, 2023 after the market closes, with our conference call to discuss these results the following morning, Tuesday, May 9, 2023 at 8:30 am ET."
