NewtekOne, Inc. and Paltalk, Inc. To Hold Conference Call on January 2, 2025, To Discuss the Anticipated January 2, 2025 Closing of the Divestiture of Newtek Technology Solutions, Inc. to Paltalk, Inc.

December 30, 2024

BOCA RATON, Fla., Dec. 30, 2024 (GLOBE NEWSWIRE) -- [NewtekOne, Inc.](#) ("the Company") (NASDAQ: NEWT) and Paltalk, Inc. ("Paltalk") (Nasdaq: PALT) will host a conference call on January 2, 2025, to discuss the anticipated January 2, 2025 closing of Paltalk's acquisition (the "Acquisition") of Newtek Technology Solutions, Inc. ("NTS"). Earlier today, Paltalk announced that Paltalk's shareholders voted to approve proposals required to close the Acquisition, which closing is presently scheduled for January 2, 2025. As previously disclosed, in connection with NewtekOne's acquisition of Newtek Bank and transition to a financial holding company, NewtekOne made a commitment to the Board of Governors of the Federal Reserve System to divest or terminate the activities of NTS, which manages information technology hardware and software for approximately 17,000 customers.

Paltalk has agreed to pay to NewtekOne at the closing of the Acquisition: (i) \$4,000,000 in cash, subject to certain purchase price adjustments (the "Cash Consideration"), and (ii) issue to NewtekOne 4,000,000 shares of a newly created series of Paltalk non-voting preferred stock, the Series A Non-Voting Common Equivalent Stock (the "Preferred Stock") (the "Stock Consideration" and together with the Cash Consideration, the "Closing Consideration"). In addition to the Closing Consideration, NewtekOne may be entitled to receive an earn-out amount of up to \$5,000,000, payable in cash or Preferred Stock (or a combination thereof, determined in Paltalk's discretion), based on the achievement of certain cumulative average Adjusted EBITDA thresholds for the 2025 and 2026 fiscal years. The issuance of Preferred Stock to the Company as Stock Consideration or as consideration for the earn-out, if any, shall be subject to the limitation that any such issuance of Preferred Stock may not result in the Company's equity interest in Paltalk exceeding one third of Paltalk's "total equity," determined in accordance with the Bank Holding Company Act of 1956, as amended, and to the extent necessary a corresponding increase in the Cash Consideration or cash paid in respect of the earn-out will be made. In addition, following the closing, the Company will be entitled to appoint one representative on the Paltalk board of directors.

Subsequent to the closing, it is anticipated that Paltalk will change its name to Intelligent Protection Management Corp. and anticipates changing its stock symbol to "IPM" on the Nasdaq in early January.

Following the closing of the Acquisition, NewtekOne intends to continue to have its entire IT stack secured and managed by NTS's team of 47 individuals, all of whom will be retained and will be working for Paltalk upon closing. In addition, NewtekOne intends to continue to refer its technology solutions opportunities from existing and future customers to Paltalk.

The conference call to discuss the closing of the Acquisition will be hosted by Barry Sloane, Chief Executive Officer, President and Chairman and Jason Katz, Chief Executive Officer and Chairman of Paltalk, on Thursday, January 2, 2025, at 4:15 pm ET. Please note, to receive a dial-in number for the conference call or to listen to the webcast, interested participants are encouraged to pre-register online at [NewtekOne, Inc.
