NewtekOne, Inc. and Payroc Form Strategic Alliance

June 3, 2026

BOCA RATON, Fla., June 03, 2026 (GLOBE NEWSWIRE) -- NewtekOne, Inc. (NASDAQ: NEWT) ("NewtekOne") and Payroc WorldAccess, LLC ("Payroc") announced today that they have formed a strategic alliance whereby Payroc will incorporate certain of NewtekOne's business and financial solutions into Payroc's menu of embedded business and financial solutions offered to its more than 190,000 active merchants.

After a thorough process of evaluating potential partners, Payroc selected NewtekOne as its strategic banking solutions partner for merchants on the Payroc platform. Payroc's merchants, which, in aggregate, produce more than \$125 billion of card and ACH volume, will have access to NewtekOne's financing solutions with loans from \$5 thousand to \$15 million and NewtekOne's signature 10 to 25-year amortization schedule; those financing solutions include the Newtek Seven Day Business Loan™ and the Newtek Triple Play™. Payroc's merchants will also be offered depository solutions such as the Newtek Zero-Fee Business Banking® account, which includes a business checking account paying 1%, a business savings account with a 3.50% rate, and a Visa-branded Newtek Bank debit card. In addition, Payroc's alliance with NewtekOne will give merchants on the Payroc platform real-time payroll functionality (giving businesses the ability to execute same day payroll) and a complete set of commercial insurance products for those merchants to mitigate risk.

Commenting on the new alliance, Barry Sloane, Chief Executive Officer, President and Chairman, of NewtekOne, said, "We are thrilled to partner with Payroc and are excited that Payroc's network now has access to what we believe to be best-in-class solutions that NewtekOne offers, including the Newtek Advantage®. In Payroc's process to identify a preferred embedded finance partner, we demonstrated to the Payroc team that NewtekOne could offer its clients the ability to move money in real time with wire capability and same-day payroll, superior transactional capabilities, data and analytics, as well as attractively priced and structured loans. We refer to our loans as 'adult' loans with amortization periods of 10 to 25 years and without risk of balloon payments. On top of getting access to NewtekOne's menu of solutions, we provide complete transparency to Payroc's management team and its own set of alliance partners via our internally developed NewTracker® processing system, which tracks referrals from application to close, ensuring Payroc's clients receive the highest level of customer service."

James Oberman, Payroc's Chief Executive Officer, said, "Payroc has always been committed to being more than a payment processor. We're strategic partners to the businesses we serve, and our alliance with NewtekOne is a natural extension of that commitment. By embedding best-in-class banking, lending, and insurance solutions directly into the Payroc platform, we're removing friction and creating real, measurable value for our merchants across North America and beyond."
