Exhibit Number	Description
<u>99.1</u>	<u>Press Release, dated October 29, 2018, entitled “Newtek Business Services Corp. Declares Fourth Quarter 2018 Dividend of \$0.50 per Share; Meets 2018 Annual Dividend Guidance of \$1.80 per share.”</u>

Newtek Business Services Corp. Declares Fourth Quarter 2018 Dividend of \$0.50 per Share

Meets 2018 Annual Dividend Guidance of \$1.80 per share

Lake Success, N.Y. - October 29, 2018 - Newtek Business Services Corp. ("Newtek") (Nasdaq: NEWT), an internally managed business development company ("BDC"), today announced that its Board of Directors declared a fourth quarter 2018 cash dividend¹ of \$0.50 per share. The fourth quarter dividend is payable on December 28, 2018 to shareholders of record as of December 18, 2018. The payment of the fourth quarter 2018 dividend is in line with the Company's 2018 annual dividend guidance of \$1.80 per share, which represents an approximate 9.8% increase over the 2017 annual cash dividend of \$1.64 per share.

Barry Sloane, Chairman, President and Chief Executive Officer commented, "The mark of a great enterprise is standing the test of time though volatile moments in the markets and in the economy, making appropriate adjustments to deliver superior results. That said, we are proud that our annual dividend payout has exceeded our initial dividend forecast over the past four years since repositioning ourselves as a BDC in November of 2014. Our fourth quarter 2018 dividend of \$0.50 per share represents a 12% increase over our 2017 fourth quarter dividend. In addition, the payment of the fourth quarter 2018 dividend will enable us to meet our 2018 annual dividend guidance of \$1.80 per share, which represents an increase of 9.8 % over the 2017 annual cash dividend of \$1.64 per share."

Mr. Sloane continued, "Our business model has given us the ability to receive dividends from certain of our diversified controlled portfolio companies, which we believe has helped our overall performance when headwinds have hit certain aspects of our business. Our seasoned management team looks forward to continuing to expand this diversified model, and endeavors to continue to meet and/or beat shareholder expectations in 2019. We are proud of our senior management team and grateful for the support the Company has garnered from our board and shareholders. We look forward to our upcoming shareholder

conference call on November 8, 2018, when we will discuss our third quarter 2018 financial results as well as forecast our annual dividend for 2019.”

Note regarding Dividend Payments: The Company's Board of Directors expects to maintain a dividend policy with the objective of making quarterly distributions in an amount that approximates 90 - 100% of the Company's annual taxable income. The determination of the tax attributes of the Company's distributions is made annually as of the end of the Company's fiscal year based upon its taxable income for the full year and distributions paid for the full year.

¹Amount and timing of dividends, if any, remain subject to the discretion of the Company's Board of Directors.
