The full August 2013 results showed the following:

Poll Question	Poll Answer	2013 Percentage
Do you feel that your current website is secure?	Yes	86%
	No	14%
Is your website the prime revenue driver for your business?	Yes	41%
	No	59%

Barry Sloane, Chairman, President and CEO of [The Small Business Authority](#)[®] commented, "We value the responses our clients give us regarding their needs, concerns and business sensitivities. We do believe that our independent business owners are not very concerned about cyber-security, even though they should be. Ironically, they do value their internet presence as an extremely important aspect of their business but seem to have a casual attitude regarding the secure nature of their content and data."
